Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officer; Compensatory Arrangements of Certain Officers

On October 8, 2013, at the 2013 annual meeting of stockholders (the 2013 Annual Meeting) of Retail Properties of America, Inc. (the Company), the Company's stockholders approved the amendment and restatement of the Company's Second Amended and Restated Independent Director Stock Option Plan (as amended and restated and then in effect, the Third Amended and Restated Retail Properties of America, Inc. Independent Director Stock Option and Incentive Plan, or, the Director Plan) to add other types of equity grants that may be awarded under the Director Plan, including restricted stock awards, restricted stock units, unrestricted stock awards and dividend equivalent rights. The Director Plan does not increase the total number of shares of the Company's Class A common stock reserved and available for issuance thereunder. The number and type of shares that can be issued under the Director Plan may be adjusted if the Company is the surviving entity after a reorganization or merger or if the Company's stock splits or is consolidated or the Company is recapitalized. The Director Plan previously had been approved, subject to stockholder approval, by the Company's Board of Directors.

The Company's non-employee directors are eligible to participate in the Director Plan. A detailed summary of the material features of the Director Plan is set forth in the Company's definitive proxy statement for the 2013 Annual Meeting filed with the Securities and Exchange Commission on August 2, 2013. That detailed summary of the Director Plan and the foregoing description are qualified in their entirety by reference to the full text of the Director Plan, which is filed as Exhibit 10.1 hereto and incorporated herein by reference.

Item 5.07 Submission of Matters to a Vote of Security Holders.

The Company held the 2013 Annual Meeting on October 8, 2013. The total number of shares of common stock entitled to vote at the 2013 Annual Meeting was 236,259,617, of which 178,871,663 shares, or approximately 75.7%, were present in person or by proxy. The following is a brief description of each matter voted upon at the 2013 Annual Meeting and a statement of the number of votes cast for, against or withheld and the number of abstentions and broker non-votes with respect to each matter, as applicable.

(a) Votes regarding the election of the persons named below as directors for a term expiring at the annual meeting of stockholders in 2014 and until their respective successors have been duly elected and qualified or until their earlier resignation or removal, were as follows:

- (1) A broker non-vote occurs when a nominee (such as a custodian or bank) holding shares for a beneficial owner returns a signed proxy but does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner.

Based on the votes set forth above, each of the foregoing persons was duly elected to serve as a director for a term expiring at the annual meeting of stockholders in 2014 and until his or her respective successor has been duly elected and qualified or until his or her earlier resignation or removal. For each of the nine nominees, over 88% of the votes cast were voted in favor of such nominee.
