Item 1.01 Entry into a Material Definitive Agreement

On December 20, 2013, Aireon LLC, an indirect subsidiary of the registrant, entered into Subscription Agreements (the Agreements) with the following three air navigation service providers, or ANSPs: Enav, S.p.A. (the ANSP for Italy), the Irish Aviation Authority and Naviar Satellite A/S, a wholly owned subsidiary of Naviar (the ANSP for Denmark) (collectively, the New Investors).

The Agreements provide for the purchase by the New Investors or their affiliates of preferred membership interests in Aireon in four tranches representing up to 24.5% of the fully diluted equity of Aireon for an aggregate investment of \$120 million. Currently, Iridium Satellite LLC, a wholly owned subsidiary of the registrant, holds an 81.3% interest in Aireon, and NAV CANADA Satellite, Inc., a wholly owned subsidiary of NAV CANADA (the ANSP for Canada), holds an 18.7% interest. Aireon and NAV CANADA Satellite also amended NAV CANADA Satellite's Subscription Agreement, pursuant to which it has invested \$55 million to date of its total planned investment of \$150 million, to accommodate the investment by the New Investors. Each New Investor tranche is subject to the satisfaction of various operational, commercial, regulatory and financial conditions, as are NAV CANADA Satellite's remaining tranches.

The Agreements call for an initial closing of \$50 million from the New Investors by February 14, 2014, at which time the parties expect to amend and restate the Aireon limited liability company agreement to add the New Investors as members. Following the initial closing, Iridium Satellite's interest will be approximately 75.2%, the new investors will collectively hold approximately 7.5% and NAV CANADA's interest will be approximately 17.3%.

The Agreements also contemplate the redemption of a portion of Iridium Satellite's interest for a payment to Iridium Satellite of \$120 million, following the completion of all tranches of the investments by the New Investors and NAV CANADA Satellite, to ensure that the New Investors achieve their negotiated percentage of 24.5% and NAV CANADA Satellite achieves its negotiated percentage of 51%. Following the redemption, Iridium Satellite's retained interest would be 24.5%.

The foregoing description of the Agreements is not complete and is qualified in its entirety by reference to the full text of the Agreements, which will be filed as exhibits to the registrant's Annual Report on Form 10-K for the year ending December 31, 2013.

Item 7.01 Regulation FD Disclosure
