#### Notes:

- (1) The 2014 base salary (effective April 1, 2014) reflects a 3% increase as compared to the base salary in 2013.
- (2) The bonus awarded for performance in 2013 as determined by the Compensation Committee on January 31, 2014 was established to be paid 25% in cash and 75% in stock options. The total shares subject to each bonus option was determined by using a standard Black-Scholes option-pricing model. The exercise price per share of such option grant is \$2.09, the closing price of the Company s common stock on the NASDAQ Global Market on the date of grant. The shares subject to the bonus options are fully vested upon grant. In the event of the optionee s termination of service with the Company for a reason other than Cause, the post termination exercise period for the options shall be one (1) year, subject to the ten (10) year term of the option.
- (3) The 2014 annual options were granted by the Compensation Committee on January 31, 2014. The exercise price per share of such option grant is \$2.09, the closing price of the Company s common stock on the NASDAQ Global Market on the date of grant. The vesting associated with the options is as follows: one-sixteenth (1/16) of the total shares subject to the option shall vest quarterly over four (4) years following the date of grant, subject to continued service. In the event of the optionee s termination of service with the Company for a reason other than Cause, the post termination exercise period for the options shall be one (1) year, subject to the ten (10) year term of the option.
- (4) The actual bonus to be awarded will be at the Committee s complete discretion based on the Company s performance against specified corporate objectives and other factors to be taken into account at the discretion of the Committee.
