The selling stockholders are not obligated to sell any of the shares of Class A common stock offered by this prospectus. The information regarding shares beneficially owned after the offering and the percentage of total voting power after the offering assumes the sale of all shares registered by the selling stockholders.

As described in the section of this prospectus titled "Description of Capital Stock - Registration Rights," we have entered into a Registration Rights Agreement, dated as of October 12, 2009, among us and the Pritzker family business interests party thereto, including the selling stockholders (the 2009 Registration Rights Agreement), pursuant to which we have granted certain registration rights with respect to certain shares of our Class A common stock and shares of Class A common stock issuable upon conversion of shares of Class B common stock. For information with respect to our relationships with Pritzker family business interests, see "Certain Relationships and Related Party Transactions" included in our Proxy Statement on Schedule 14A for the annual stockholders' meeting held on May 14, 2014, which is incorporated by reference herein, and see Note 19 to our consolidated financial statements included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2013, which is incorporated by reference herein. The information shown in the table with respect to the percentage of shares of Class A common stock beneficially owned before the offering is based on 42,370,187 shares of Class A common stock outstanding as of April 25, 2014 (and does not assume the conversion of any outstanding shares of Class B common stock). The information shown in the table with respect to the percentage of shares of Class B common stock beneficially owned before the offering is based on 112,527,463 shares of Class B common stock outstanding as of April 25, 2014. Each share of Class B common stock is convertible at any time into one share of Class A common stock. In addition, each share of Class B common stock will convert automatically into one share of Class A common stock upon any transfer, whether or not for value, except for certain permitted transfers described in our amended and restated certificate of incorporation. Assuming the sale of all shares offered by the selling stockholders, 15,133,047 shares of Class B common stock will convert into 15,133,047 shares of Class A common stock at the time they are sold by the selling stockholders under this prospectus. The information shown in the table with respect to the percentage of outstanding common stock and percentage of total voting power after the offering is based on 154,897,650 shares of common stock (i.e., Class A common stock and Class B common stock) outstanding as of April 25, 2014, and assumes that (1) no shares of Class B common stock outstanding as of April 25, 2014 have been converted into shares of Class A common stock, other than the 15,133,047 shares assumed to have been sold by the selling stockholders under this prospectus and (2) all shares of Class A common stock registered by the selling stockholders have been sold. The selling stockholders reserve the right to accept or reject, in whole or in part, any proposed sale of shares. DESCRIPTION OF CAPITAL STOCK

General

The following is a summary of the material rights of our capital stock and related provisions of our amended and restated certificate of incorporation and amended and restated bylaws. The following description of our capital stock does not purport to be complete and is subject to, and qualified in its entirety by, our amended and restated certificate of incorporation, amended and restated bylaws and registration rights agreements, copies of which have been filed with the SEC and are incorporated by reference into the registration statement of which this prospectus is a part. See the section of this prospectus titled "Where You Can Find More Information."

Our amended and restated certificate of incorporation provides for two classes of common stock: Class A common stock, which has one vote per share, and Class B common stock, which has ten votes per share. Any holder of Class B common stock may convert his or her shares at any time into shares of Class A common stock on a share-for-share basis and, under certain circumstances, including upon any transfer (except for certain permitted transfers described in our amended and restated certificate of incorporation), the shares of Class B common stock will be automatically converted into shares of Class A common stock on a share-for-share basis. Otherwise the rights of the two classes of our common stock are identical. The rights of these classes of our common stock are discussed in greater detail below.

Our authorized capital stock consists of 1,454,521,875 shares, each with a par value of \$0.01 per share, of which:

1,000,000,000 shares are designated as Class A common stock;

444,521,875 shares are designated as Class B common stock; and

10,000,000 shares are designated as preferred stock.

As of April 25, 2014, we had outstanding 42,370,187 shares of Class A common stock held by 37 stockholders of record and 112,527,463 shares of Class B common stock held by 110 stockholders of record. The number of stockholders of record of our Class A common stock (37 holders) does not include a substantially greater number of street name holders or beneficial holders of our Class A common stock whose shares are held of record by banks, brokers and other financial institutions. This number also excludes 12,541,920 shares of Class A common stock reserved for issuance under our Second Amended and Restated Hyatt Hotels Corporation Long-Term Incentive Plan, as amended (the LTIP), 736,622 shares of our Class A common stock reserved for issuance under the Hyatt Hotels Corporation Employee Stock Purchase Plan, 1,169,287 shares of our Class A common stock available for issuance pursuant to the Amended and Restated Hyatt Corporation Deferred Compensation Plan and 300,000 shares of Class A common stock available for issuance pursuant to the Hyatt International Hotels Retirement Plan (commonly known as the Field Retirement Plan).

Common Stock

Voting Rights

The holders of our Class A common stock are entitled to one vote per share and the holders of our Class B common stock are entitled to ten votes per share on any matter to be voted upon by stockholders. Holders of Class A common

Edgar Filing: Hyatt Hotels Corp - Form S-3ASR

stock and Class B common stock vote together as a single class on all matters (including the election of directors) submitted to a vote of stockholders, unless otherwise required by law.

The holders of common stock are not entitled to cumulative voting rights with respect to the election of directors, which means that the holders of a majority of the shares voted can elect all of the directors then standing for election.

Dividends

The holders of our Class A common stock and Class B common stock are entitled to share equally in any dividends that our board of directors may declare from time to time from legally available funds, subject to limitations under Delaware law and the preferential rights of holders of any outstanding shares of preferred stock. In addition, we must be in compliance with the covenants in our second amended and restated revolving credit facility in order to pay dividends. If a dividend is paid in the form of shares of common stock or rights to acquire shares of common stock, the holders of Class A common stock are entitled to receive Class A common stock, or rights to acquire Class A common stock, as the case may be, and the holders of Class B common stock are entitled to receive Class B common stock, or rights to acquire Class B common stock, as the case may be. See Part II, Item 5, *Market for Registrant's Common Equity, Related Stockholder Matters and Issuer Purchasers of Equity Securities - Dividends* of our Annual Report on Form 10-K for the fiscal year ended December 31, 2013, which is incorporated by reference herein.

Liquidation

Upon any voluntary or involuntary liquidation, dissolution, distribution of assets or winding up of our corporation, the holders of our Class A common stock and Class B common stock are entitled to share equally, on a per share basis, in all our assets available for distribution, after payment to creditors and subject to any prior distribution rights granted to holders of any outstanding shares of preferred stock.

Conversion

Our Class A common stock is not convertible into any other shares of our capital stock.

Each share of Class B common stock is convertible at any time, at the option of the holder, into one share of Class A common stock. In addition, each share of Class B common stock will convert automatically into one share of Class A common stock upon any transfer, whether or not for value, except for certain permitted transfers described in our amended and restated certificate of incorporation, including the following:

transfers to any permitted transferee as defined in our amended and restated certificate of incorporation, which includes, among others, transfers:

between Pritzker family business interests or to the Pritzker Foundation and related Pritzker charitable foundations;

to lineal descendants of the transferor who are Pritzker family business interests, which we refer to as related persons ;

to trusts for the current benefit of the transferor and related persons;

to corporations, partnerships, limited liability companies or other entities that are owned and controlled by the transferor and related persons;

to guardians of stockholders who are adjudged to be unable to manage their own affairs, and executors of estates of deceased stockholders;

for trusts, corporations, partnerships, limited liability companies or other entities, to their current beneficiaries, shareholders, partners, members or other equity holders who are Pritzker family business interests;

transfers to other holders of shares of Class B common stock and their permitted transferees;

granting a revocable proxy to any officer or director at the request of our board of directors;

pledging shares of Class B common stock pursuant to a bona fide loan or indebtedness transaction as to which the holder of Class B common stock continues to exercise voting control, provided that the foreclosure on those shares by the lender does not qualify as a permitted transfer and, unless the lender otherwise qualifies as a permitted transferee, will result in the automatic conversion of those shares into shares of Class A common stock;

Table of Contents

transfers by parties to the 2007 Stockholders Agreement, dated as of August 2007, as amended, by and among Hyatt and the parties thereto (the 2007 Stockholders Agreement) to their respective affiliates, subject to, and in accordance with, the 2007 Stockholders Agreement; and

transfers approved in advance by our board of directors or a majority of the independent directors on our board of directors after making a determination that the transfer is consistent with the purposes of the other types of transfers that are permitted.

Any transfer by a holder that is a party to, by a holder controlled by a person that is party to, or by a holder controlled by trusts whose beneficiaries are party to the 2007 Stockholders Agreement, the Amended and Restated Global Hyatt Agreement or the Amended and Restated Foreign Global Hyatt Agreement will not qualify as a permitted transfer unless the transferee executes a joinder to those agreements. If a successor trustee or trustees for a holder of shares of Class B common stock that is a trust and party to such agreements do not execute a joinder to such agreements, each share of Class B common stock will convert automatically into one share of Class A common stock.

Assuming the sale of all shares offered by the selling stockholders, 15,133,047 shares of Class B common stock will convert into 15,133,047 shares of Class A common stock at the time they are sold by the selling stockholders under this prospectus.

All shares of Class B common stock will convert automatically into shares of Class A common stock if, on any record date for determining the stockholders entitled to vote at an annual or special meeting of stockholders, the aggregate number of shares of our Class A common stock and Class B common stock owned, directly or indirectly, by the holders of our Class B common stock is less than 15% of the aggregate number of shares of our Class A common stock and Class B common stock then outstanding.

Once converted into Class A common stock, the Class B common stock cannot be reissued. No class of common stock may be subdivided or combined unless the other class of common stock concurrently is subdivided or combined in the same proportion and in the same manner.

Other than in connection with dividends and distributions, subdivisions or combinations, or mergers, consolidations, reorganizations or other business combinations involving stock consideration as provided for in our amended and restated certificate of incorporation, we are not authorized to issue additional shares of Class B common stock.

Mergers or Business Combinations

In any merger, consolidation, reorganization or other business combination, our amended and restated certificate of incorporation requires that the consideration to be received per share by the holders of Class A common stock and the holders of Class B common stock will be identical. If the consideration paid in the merger, consolidation, reorganization or other business combination is paid in the form of shares or other equity interests of us or another person, then the rights of the shares or other equity interests may differ to the extent that the rights of Class A common stock and the Class B common stock differ. These differences would be limited to the voting rights and conversion features of the Class A common stock and the Class B common stock.

Preemptive or Similar Rights

Pursuant to the 2007 Stockholders Agreement, if we propose to sell any new shares of common stock, or any other equity securities (subject to certain excluded securities issuances described in the agreement, including shares issued pursuant to equity compensation plans adopted by the board of directors and the issuance of shares of our common

stock in a public offering), then each stockholder party to the agreement is entitled to receive notice of the terms of the proposed sale and may elect to purchase up to such stockholder's pro rata share in the

Table of Contents

proposed sale on comparable terms. If not all stockholders party to the 2007 Stockholders Agreement elect to purchase their full preemptive allocation of new securities, then we will notify the fully-participating stockholders of such and offer them the right to purchase the unsubscribed new securities. Other than as described above, our common stock is not entitled to preemptive rights, conversion or other rights to subscribe for additional securities and there are no redemption or sinking fund provisions applicable to our common stock.

Fully Paid and Non-assessable

All of the outstanding shares of our Class A common stock and Class B common stock are fully paid and non-assessable.

Preferred Stock

Our board of directors is authorized, without any further action by our stockholders, but subject to the limitations imposed by Delaware law, to issue up to 10,000,000 shares of preferred stock in one or more series. Our board of directors may fix the designations, powers, preferences and rights of the preferred stock, along with any qualifications, limitations or restrictions, including voting rights, dividend rights, conversion rights, redemption privileges and liquidation preferences of each series of preferred stock. The preferred stock could have voting or conversion rights that could adversely affect the voting power or other rights of holders of our common stock. The issuance of preferred stock, or rights to acquire preferred stock, could also have the effect, under certain circumstances, of delaying, deferring or preventing a change of control of our company.

Registration Rights

We have granted registration rights with respect to shares of Class A common stock, including shares of Class A common stock issuable upon conversion of shares of Class B common stock as described below to holders of (a) 25,112,086 shares of our Class B common stock pursuant to the terms of a Registration Rights Agreement, dated as of August 28, 2007, as amended, among us and the stockholders party to the 2007 Stockholders Agreement (the 2007 Registration Rights Agreement), and (b) 87,415,377 shares of our Class B common stock and 24,429 shares of our Class A common stock pursuant to the terms of the 2009 Registration Rights Agreement. Only shares of Class A common stock may be registered pursuant to the terms of the 2007 Registration Rights Agreement and the 2009 Registration Rights Agreement. The following description of the terms of these registration rights agreements is intended as a summary only and is qualified in its entirety by reference to the 2007 Registration Rights Agreement and the 2009 Registration Rights Agreement, copies of which have been filed with the SEC and which are incorporated by reference to the registration statement of which this prospectus is a part. See the section of this prospectus titled *Where You Can Find More Information*.

As described under *Shelf Registration Rights* and *Piggyback Registration Rights* below, the registration of the 15,141,517 shares of Class A common stock, including the 15,133,047 shares of Class A common stock issuable upon conversion of 15,133,047 shares of Class B common stock owned by the selling stockholders pursuant to the registration statement of which this prospectus is a part is being made pursuant to such selling stockholders' right to request that we register such shares on a shelf registration statement on Form S-3 under the 2009 Registration Rights Agreement.

Demand Registration Rights

The holders of approximately 112,527,463 shares of our Class B common stock and 24,429 shares of our Class A common stock are entitled to certain demand registration rights.

Long-Form Demand Registration Rights

Each stockholder party to the 2007 Registration Rights Agreement may, on not more than two occasions, request that we register all or a portion of such stockholder's shares of Class A common stock issuable upon conversion of shares of Class B common stock under the Securities Act on Form S-1 if the anticipated aggregate

offering price of such shares of Class A common stock exceeds \$750,000,000, the stockholder making the request is (or will be at the anticipated time of effectiveness of the applicable registration statement) permitted to sell shares of its common stock under the lock-up provisions contained in the 2007 Stockholders Agreement and we are not otherwise eligible at the time of the request to file a registration statement on Form S-3 for the re-sale of such stockholder's shares. For additional information with respect to these lock-up provisions, see the information under the caption *Stockholder Agreements* 2007 Stockholders Agreement in Part I, Item 1, *Business and Risks Related to Share Ownership and Stockholder Matters*. A significant number of shares of Class A common stock issuable upon conversion of Class B common stock could be sold into the market, which could depress our stock price even if our business is doing well in Part I, Item 1A, *Risk Factors* of our Annual Report on Form 10-K for the fiscal year ended December 31, 2013, which is incorporated by reference herein, and the sections of this prospectus titled *Where You Can Find More Information* and *Incorporation by Reference*.

The stockholders party to the 2009 Registration Rights Agreement may, on not more than one occasion, request that we register all or a portion of the shares of Class A common stock issuable upon conversion of such stockholders shares of Class B common stock under the Securities Act on Form S-1 if the anticipated aggregate offering price of such shares of Class A common stock exceeds \$750,000,000 (net of underwriting discounts and commissions), the stockholders making the request are, at the anticipated time of effectiveness of the applicable registration statement, permitted to sell shares of their common stock under the applicable lock-up provisions contained in the Amended and Restated Global Hyatt Agreement and Amended and Restated Foreign Global Hyatt Agreement, and we are not otherwise prohibited from filing such registration statement under the 2007 Registration Rights Agreement, and we are not otherwise eligible at the time of the request to file a registration statement on Form S-3 for the re-sale of such stockholder's shares. For additional information with respect to these lock-up provisions, see the information under the caption *Stockholder Agreements* in Part I, Item 1 *Business and Risks Related to Share Ownership and Stockholder Matters*. A significant number of shares of Class A common stock issuable upon conversion of Class B common stock could be sold into the market, which could depress our stock price even if our business is doing well in Part I, Item 1A, *Risk Factors* of our Annual Report on Form 10-K for the fiscal year ended December 31, 2013, which is incorporated by reference herein, and the sections of this prospectus titled *Where You Can Find More Information* and *Incorporation by Reference*.

Short-Form Demand Registration Rights

The holders of approximately 112,527,463 shares of our Class B common stock and 24,429 shares of our Class A common stock are entitled to certain Form S-3 demand registration rights.

Each stockholder party to the 2007 Registration Rights Agreement may, on not more than two occasions during each calendar year, request registration of their shares of Class A common stock issuable upon conversion of shares of Class B common stock under the Securities Act on Form S-3 if the anticipated aggregate offering amount of such shares of Class A common stock exceeds \$100,000,000 and the stockholder making the request is (or will be at the anticipated time of effectiveness of the applicable registration statement) permitted to sell shares of its common stock under the lock-up provisions contained in the 2007 Stockholders Agreement.

Stockholders party to the 2009 Registration Rights Agreement holding at least 20% of the then issued and outstanding common stock may, on not more than one occasion during each calendar year, request registration of their shares of Class A common stock issuable upon conversion of shares of Class B common stock under the Securities Act on Form S-3 if the anticipated aggregate offering amount of such shares of Class A common stock exceeds \$100,000,000 (net of underwriting discounts and commissions) and the stockholders making the request are, at the anticipated time of effectiveness of the applicable registration statement, permitted to sell shares of their common stock under the applicable lock-up provisions contained in the Amended and Restated Global Hyatt Agreement and Amended and

Restated Foreign Global Hyatt Agreement, and we are not otherwise prohibited from filing such registration statement under the 2007 Registration Rights Agreement.

Table of Contents

Under each of the 2007 Registration Rights Agreement and the 2009 Registration Rights Agreement, we will not be required to effect a demand registration or a Form S-3 demand registration within 180 days after the effective date of a registration statement related to a previous demand registration or Form S-3 demand registration. In addition, once every 12 months, we may postpone for up to 120 days the filing or the effectiveness of a registration statement for a demand registration or a Form S-3 demand registration, if our board of directors determines in good faith that such a filing (1) would be materially detrimental to us, (2) would require a disclosure of a material fact that might reasonably be expected to have a material adverse effect on us or any plan or proposal by us to engage in any acquisition or disposition of assets or equity securities or any merger, consolidation, tender offer, material financing or other significant transactions, or (3) is inadvisable because we are planning to prepare and file a registration statement for a primary offering of our securities.

Shelf Registration Rights

The holders of approximately 87,415,377 shares of our Class B common stock and 24,429 shares of our Class A common stock are entitled under the 2009 Registration Rights Agreement to certain shelf registration rights with respect to shares of Class A common stock issuable upon conversion of such shares of Class B common stock.

Stockholders party to the 2009 Registration Rights Agreement may, in addition to the demand registration rights described above, request that we register all or a portion of shares of Class A common stock issuable upon conversion of such stockholders' shares of Class B common stock on a shelf registration statement on Form S-3 pursuant to Rule 415 of the Securities Act, provided that the stockholders making the request are, at the anticipated time of effectiveness of the applicable registration statement, permitted to sell such shares of their common stock under the applicable lock-up provisions contained in the Amended and Restated Global Hyatt Agreement and Amended and Restated Foreign Global Hyatt Agreement. We have agreed to use our reasonable best efforts to keep any such shelf registration statement effective and updated for a period of three years (or, if earlier, such time as all the shares covered thereby have been sold). We have also agreed that, at the end of such three year period, we will refile a new shelf registration upon the request of stockholders party to the 2009 Registration Rights Agreement holding at least 1% of our outstanding common stock at such time.

Pursuant to the 2009 Registration Rights Agreement, certain of the selling stockholders exercised their right to require us to register 6,603,055 shares of Class A common stock issuable upon conversion of such stockholders' shares of Class B common stock on a shelf registration statement, and, the registration statement of which this prospectus is a part satisfies our obligation with respect to these shares that may be offered by the selling stockholders under this prospectus. See the section of this prospectus titled *Selling Stockholders* for more information on the selling stockholders.

Piggyback Registration Rights

The holders of 112,527,463 shares of Class B common stock and 24,429 shares of our Class A common stock are entitled to certain piggyback registration rights with respect to shares of Class A common stock issuable upon conversion of such shares of Class B common stock.

In the event that we propose to register shares of Class A common stock under the Securities Act, either for our own account or for the account of other security holders, we will notify each stockholder party to the 2007 Registration Rights Agreement and the 2009 Registration Rights Agreement that is, or will be at the anticipated time of effectiveness of the applicable registration statement, permitted to sell shares of its common stock under the applicable lock-up provisions contained in the 2007 Stockholders' Agreement, the Amended and Restated Global Hyatt Agreement and the Amended and Restated Foreign Global Hyatt Agreement of our intention to effect such a

registration and will use our reasonable best efforts to include in such registration all shares requested to be included in the registration by each such stockholder, subject to certain marketing and other limitations.

Table of Contents

Following our receipt of the demand notice from the selling stockholders requesting us to file this shelf registration statement, in accordance with the registration rights agreements, we notified the other stockholders party to the 2007 Registration Rights Agreement and the 2009 Registration Rights Agreement of our intention to file this shelf registration statement and gave such stockholders the right to piggyback and register shares of Class A common stock issuable upon conversion of shares of Class B common stock owned by them and eligible to be sold under applicable lock-up agreements on this shelf registration statement. Certain stockholders party to the 2009 Registration Rights Agreement elected to exercise their piggyback registration rights with respect to 8,470 shares of Class A common stock and 8,529,992 shares of Class A common stock issuable upon conversion of shares of Class B common stock. See the section of this prospectus titled *Selling Stockholders* for more information on the selling stockholders.

Expenses of Registration, Restrictions and Indemnification

We will pay all registration expenses, including the legal fees of one counsel for all holders under the 2007 Registration Rights Agreement and one counsel for all holders under the 2009 Registration Rights Agreement, other than underwriting discounts, commissions and transfer taxes, in connection with the registration of any shares of Class A common stock pursuant to any demand registration, Form S-3 demand or piggyback registration described above. Under the 2007 Registration Rights Agreement and the 2009 Registration Rights Agreement, if a request for a demand registration or Form S-3 demand registration is withdrawn at the request of the majority of the holders of registrable securities requested to be registered, the holders of registrable securities who have withdrawn such request shall forfeit such demand registration or Form S-3 demand registration unless those holders pay or reimburse us for all of the related registration expenses. In accordance with the 2009 Registration Rights Agreement, we have agreed to pay all registration expenses, including the legal fees of one counsel for the selling stockholders, other than any applicable underwriting discounts, commissions and transfer taxes, in connection with registering the shares of Class A common stock held by the selling stockholders.

The demand, Form S-3 demand and piggyback registration rights are subject to customary restrictions such as blackout periods and any limitations on the number of shares to be included in the underwritten offering imposed by the managing underwriter. The 2007 Registration Rights Agreement and the 2009 Registration Rights Agreement also contain customary indemnification and contribution provisions.

Board Rights

Pursuant to our employment letter with Mr. Thomas J. Pritzker, we have agreed that so long as he is a member of our board of directors, we will use our commercially reasonable efforts to appoint him as our executive chairman as long as he is willing and able to serve in that office. If he is not appointed as executive chairman, he will be entitled to terminate his employment with the rights and entitlements available to him under our severance policies as if his employment was terminated by us without cause.

Pursuant to our employment letter with Mr. Mark S. Hoplamazian, we have agreed that so long as he is the president and chief executive officer of Hyatt, we will use our commercially reasonable efforts to nominate him for re-election as a director prior to the end of his term. If he is not re-elected to the board of directors, he will be entitled to terminate his employment with the rights and entitlements available to him under our severance policies as if his employment was terminated by us without cause.

Anti-Takeover Effects of Delaware Law and Provisions of Our Certificate of Incorporation and Bylaws

Certain provisions of Delaware law and our amended and restated certificate of incorporation and our amended and restated bylaws could have the effect of delaying, deferring or discouraging another party from acquiring control of

us. In particular, our dual class common stock structure concentrates ownership of our voting stock in the hands of the Pritzker family business interests. These provisions, which are summarized below, are expected to discourage certain types of coercive takeover practices and inadequate takeover bids. These provisions are also designed in part to allow management to continue making decisions in the long-term best

Table of Contents

interest of Hyatt and all of our stockholders and encourage anyone seeking to acquire control of us to first negotiate with our board of directors. We believe that the advantages gained by protecting our ability to negotiate with any unsolicited and potentially unfriendly acquirer outweigh the disadvantages of discouraging such proposals, including those priced above the then-current market value of our common stock, because, among other reasons, the negotiation of such proposals could improve their terms.

Dual Class Structure

As discussed above, our Class B common stock is entitled to ten votes per share, while our Class A common stock is entitled to one vote per share. Our Class A common stock is the only class of stock that is publicly traded. As of April 25, 2014, Pritzker family business interests beneficially owned, in the aggregate, approximately 77.7% of our Class B common stock, representing approximately 56.4% of the total common stock outstanding and approximately 74.8% of the total voting power of our outstanding common stock. Assuming the sale of all 15,141,517 shares registered by the selling stockholders pursuant to this registration statement, Pritzker family business interests will beneficially own, in the aggregate, approximately 15,959 shares of our Class A common stock and 72,282,330 shares of our Class B common stock, representing approximately 46.7% of the total common stock outstanding and approximately 70.1% of the total voting power of our outstanding common stock. Pursuant to the voting agreements contained in the Amended and Restated Global Hyatt Agreement and Amended and Restated Foreign Global Hyatt Agreement, during the term of the voting agreement, which expires on the later to occur of January 1, 2015, and the date upon which more than 75% of the company's fully diluted shares of common stock is owned by non-Pritzker family business interests, Pritzker family business interests have agreed to vote their shares of our common stock consistent with the recommendation of our board of directors with respect to all matters (assuming agreement as to any such matter by a majority of a minimum of three independent directors (excluding for such purposes any Pritzker) or, in the case of transactions involving us and an affiliate, assuming agreement of all of such minimum of three independent directors (excluding for such purposes any Pritzker)). In addition, other existing stockholders, including Madrone GHC, LLC and affiliated entities, and investment funds affiliated with The Goldman Sachs Group, Inc., beneficially own as of April 25, 2014, in the aggregate, approximately 22.3% of our Class B common stock, representing approximately 16.2% of the outstanding shares of our common stock and approximately 21.5% of the total voting power of our outstanding common stock. Pursuant to the voting agreement contained in the 2007 Stockholders' Agreement, these entities have agreed to vote their shares of Class B common stock consistent with the recommendation of our board of directors, without any separate requirement that our independent directors agree with the recommendation. These voting agreements expire on the date that Thomas J. Pritzker is no longer chairman of our board of directors. For additional information with respect to these voting agreements, see the information under the caption "Stockholder Agreements" in Part I, Item 1, "Business" of our Annual Report on Form 10-K for the fiscal year ended December 31, 2013, which is incorporated by reference herein, and the sections of this prospectus titled "Where You Can Find More Information" and "Incorporation by Reference." While these voting agreements are in effect, they may provide our board of directors with effective control over matters requiring stockholder approval, including the election of directors, a merger, consolidation or sale of all or substantially all of our assets and any other significant transaction. This is because the number of our shares that are required by the voting agreements to be voted consistent with the recommendation of our board of directors will be sufficient to determine the outcome of the election of directors and other matters submitted to stockholders for approval. Because of our dual class ownership structure and the voting agreements currently in effect, our board of directors may have effective control over matters requiring stockholder approval even if Pritzker family business interests and other holders of our Class B common stock own less than 50% of the outstanding shares of our common stock. If the majority of a minimum of three independent directors (excluding for such purposes any Pritzker) do not agree with the recommendation of our board of directors on a particular matter and, as a result, the voting agreements contained in the Amended and Restated Global Hyatt Agreement and Amended and Restated Foreign Global Hyatt Agreement do not apply, Pritzker family business interests will be able to exert a significant degree of influence or actual control over matters requiring stockholder

approval. This concentrated control will limit your ability to influence corporate matters. As a result, we may take actions that you do not believe to be in our interests or your interests that could depress our stock price.

Certificate of Incorporation and Bylaws

In addition to our dual class structure, our amended and restated certificate of incorporation and our amended and restated bylaws include the following provisions, among others:

our board of directors is divided into three classes, with each class serving for a staggered three-year term;

our directors may be removed only for cause;

holders of our Class A common stock vote together with the holders of our Class B common stock on all matters, including the election of directors, and our amended and restated certificate of incorporation prohibits cumulative voting in the election of directors;

vacancies on our board of directors, and any newly created director positions created by the expansion of the board of directors, may be filled only by a majority of remaining directors then in office;

actions to be taken by our stockholders may only be effected at an annual or special meeting of our stockholders and not by written consent;

special meetings of our stockholders can be called only by the chairman of the board or by our corporate secretary at the direction of our board of directors;

our bylaws establish an advance notice procedure for stockholders to submit proposed nominations of persons for election to our board of directors and other proposals for business to be brought before an annual meeting of our stockholders;

our board of directors may issue up to 10,000,000 shares of preferred stock, with designations, rights and preferences as may be determined from time to time by our board of directors; and

an affirmative vote of the holders of at least 80% of the voting power of our outstanding capital stock entitled to vote is required to amend all provisions of our amended and restated certificate of incorporation and bylaws.

Delaware Anti-Takeover Statute

We have elected not to be governed by Section 203 of the Delaware general corporation law, which otherwise would prohibit a Delaware corporation, subject to certain exceptions, from engaging in any business combination with any interested stockholder for a period of three years after the date that such stockholder became an interested stockholder.

Lock-Up Agreements

Assuming the sale of all 15,141,517 shares registered by the selling stockholders pursuant to this registration statement, holders of 97,410,375 shares, or approximately 62.9%, of our outstanding common stock have agreed to certain lock-up restrictions with respect to all or a portion of their common stock. Such lock-up provisions may delay, defer or prevent a merger or other takeover or a change of control of our company. For additional information with respect to these lock-up provisions, see the information under the caption *Stockholder Agreements* in Part I, Item 1, *Business* of our Annual Report on Form 10-K for the fiscal year ended December 31, 2013, which is incorporated by reference herein, and the sections of this prospectus titled *Where You Can Find More Information* and *Incorporation by Reference*.

The 2007 *Stockholders Agreement* further restricts the ability of stockholders party to the agreement to transfer their shares of common stock such that they may not transfer any shares of common stock to any known aggregators. For additional information with respect to these lock-up provisions, see the information under the caption *Stockholder Agreements 2007 Stockholders Agreement* in Part I, Item 1, *Business* of our Annual Report on Form 10-K for the fiscal year ended December 31, 2013, which is incorporated by reference herein, and the sections of this prospectus titled *Where You Can Find More Information* and *Incorporation by Reference*.

Voting Agreements

Voting agreements entered into with and among our major stockholders, including Pritzker family business interests, Madrone GHC, LLC and affiliated entities, and investment funds affiliated with The Goldman Sachs Group, Inc., will result in a substantial number of our shares being voted consistent with the recommendations of our board of directors, which may limit your ability to influence the election of directors and other matters submitted to stockholders for approval. For additional information, see the information under the caption *Stockholder Agreements* in Part I, Item 1, *Business and Risks Related to Share Ownership and Stockholder Matters*. A significant number of shares of Class A common stock issuable upon conversion of Class B common stock could be sold into the market, which could depress our stock price even if our business is doing well in Part I, Item 1A, *Risk Factors* of our Annual Report on Form 10-K for the fiscal year ended December 31, 2013, which is incorporated by reference herein, and the sections of this prospectus titled *Selling Stockholders*, *Where You Can Find More Information* and *Incorporation by Reference*.

Standstill Agreements

Each stockholder party to the 2007 Stockholders Agreement has agreed, subject to certain limited exceptions, not to participate in any acquisition of any of our or our subsidiaries securities, any tender or exchange offer, merger or other business combination involving us or any of our subsidiaries, any recapitalization, restructuring, liquidation, dissolution or any other extraordinary transaction with respect to us or any of our subsidiaries or affiliates, or any solicitation of proxies with respect to voting of our common stock. These standstill provisions may prevent a merger or other takeover or a change of control of us. For additional information, see *Certain Relationships and Related Party Transactions* 2007 Stockholders Agreement included in our Proxy Statement on Schedule 14A for the annual stockholders meeting held on May 14, 2014, which is incorporated by reference herein.

In connection with the distribution of the shares of Class A common stock covered by this prospectus or otherwise, a selling stockholder may enter into hedging transactions with broker-dealers or other financial institutions. A selling stockholder may also enter into options or other transactions with broker-dealers or other financial institutions that require the delivery to such broker-dealer or other financial institution of shares of Class A common stock offered by this prospectus, which shares such broker-dealer or other financial institution may resell pursuant to this prospectus, as supplemented or amended to reflect such transaction. A selling stockholder may also from time to time pledge our securities pursuant to the margin provisions of customer agreements with a broker. Upon our default, the broker may offer and sell such pledged shares from time to time pursuant to this prospectus, as supplemented or amended to reflect such transaction.

At any time a particular offer of the shares of Class A common stock covered by this prospectus is made, a revised prospectus or prospectus supplement, if required, will be distributed which will set forth the aggregate number of shares of Class A common stock covered by this prospectus being offered and the terms of the offering, including the name or names of any underwriters, dealers, brokers or agents, any discounts, commissions, concessions and other items constituting compensation from us or the selling stockholders and any discounts, commissions or concessions allowed or reallocated or paid to dealers. Such prospectus supplement, and, if necessary, a post-effective amendment to the registration statement of which this prospectus is a part, will be filed with the SEC to reflect the disclosure of additional information with respect to the distribution of the shares of Class A common stock covered by this prospectus. In order to comply with the securities laws of certain states, if applicable, the shares of Class A common stock sold under this prospectus may only be sold through registered or licensed broker-dealers. In addition, in some states the shares of Class A common stock may not be sold unless they have been registered or qualified for sale in the applicable state or an exemption from registration or qualification requirements is available and is complied with.

In connection with an underwritten offering, we and any selling stockholder would execute an underwriting agreement with an underwriter or underwriters. Unless otherwise indicated in the revised prospectus or applicable prospectus supplement, such underwriting agreement would provide that the obligations of the underwriter or underwriters are subject to certain conditions precedent, and that the underwriter or underwriters with respect to a sale of the covered shares will be obligated to purchase all of the covered shares, if any such shares of Class A common stock are purchased. A selling stockholder may grant to the underwriter or underwriters an option to purchase additional shares of Class A common stock at the public offering price, less any underwriting discount, as may be set forth in the revised prospectus or applicable prospectus supplement. If a selling stockholder grants any such option, the terms of that option will be set forth in the revised prospectus or applicable prospectus supplement.

Underwriters, agents, brokers or dealers may be entitled, pursuant to relevant agreements entered into with us, to indemnification by us or a selling stockholder against certain civil liabilities, including liabilities under the Securities Act that may arise from any untrue statement or alleged untrue statement of a material fact, or any omission or alleged omission to state a material fact in this prospectus, any supplement or amendment hereto, or in the registration statement of which this prospectus forms a part, or to contribution with respect to payments which the underwriters, agents, brokers or dealers may be required to make. Under the 2009 Registration Rights Agreement, we have agreed to indemnify the selling stockholders against certain liabilities related to the sale of the Class A common stock, including liabilities arising under the Securities Act. The selling stockholders have agreed to indemnify us against

certain liabilities, including liabilities under the Securities Act, that may arise

Under the 2009 Registration Rights Agreement, we have also agreed to pay the costs, expenses and fees of registering the shares of Class A common stock, other than applicable underwriting discounts, commissions and transfer taxes.

The selling stockholders and any other person participating in such distribution will be subject to the applicable provisions of the Exchange Act and the rules and regulations thereunder, including, without limitation, Regulation M, which may limit the timing of purchases and sales of any of the shares by the selling stockholders and any other participating person. Regulation M may also restrict the ability of any person engaged in the distribution of the shares to engage in market-making activities with respect to the shares. All of the foregoing may affect the marketability of the shares and the ability of any person or entity to engage in market-making activities with respect to the shares.

There can be no assurance that any selling stockholder will sell any or all of the shares registered pursuant to the registration statement of which this prospectus is a part.

ITEM 15. *Indemnification of Directors and Officers.*

Hyatt Hotels Corporation is a Delaware corporation. Section 145 of the Delaware General Corporation Law provides that a Delaware corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or enterprise. The indemnity may include expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with the action, suit, or proceeding, provided the person acted in good faith and in a manner he reasonably believed to be in or not opposed to the corporation's best interests and, with respect to any criminal action or proceeding, had no reasonable cause to believe that his conduct was unlawful. A similar standard of care is applicable in the case of actions by or in the right of the corporation, except that no indemnification may be made in respect of any claim, issue or matter as to which such person will have been adjudged to be liable to the corporation unless and only to the extent that the Delaware Court of Chancery or the court in which such action was brought determines that, despite the adjudication of liability but in view of all of the circumstances of the case, the person is fairly and reasonably entitled to indemnity for expenses that the Delaware Court of Chancery or other court shall deem proper.

Section 102(b)(7) of the Delaware General Corporation Law provides that a Delaware corporation may in its certificate of incorporation or an amendment thereto eliminate or limit the personal liability of a director to a corporation or its stockholders for monetary damages for violations of the director's fiduciary duty of care, except (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions in good faith or which involve intentional misconduct or a knowing violation of law, (iii) pursuant to Section 174 of the Delaware General Corporation Law (providing for liability of directors for unlawful payment of dividends or unlawful stock purchases or redemptions) or (iv) for any transaction from which a director derived an improper personal benefit. Our amended and restated certificate of incorporation and amended and restated bylaws provide that we will indemnify and advance expenses to our directors, officers and employees to the fullest extent permitted by Delaware law in

connection with any threatened, pending or completed action, suit or proceeding to which such person was or is a party or is threatened to be made a party by reason of the fact that he or she is or was our director, officer or employee, or is or was serving at our request as a director, officer, employee or agent of another corporation or enterprise. In addition, members of our board of directors and compensation committee are also indemnified for actions under our LTIP.

We currently have directors and officers liability insurance policy to insure our directors and officers against liability for actions or omissions occurring in their capacity as a director or officer, subject to certain exclusions and limitations.

ITEM 16. Exhibits.

The exhibits to this registration statement are listed in the Index To Exhibits, which follows the signature pages hereof and is incorporated herein by reference.

ITEM 17. Undertakings.

We hereby undertake:

1. To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

- (i) to include any prospectus required by Section 10(a)(3) of the Securities Act;
- (ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and
- (iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (1)(i), (1)(ii) and (1)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by us pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

Edgar Filing: Hyatt Hotels Corp - Form S-3ASR

2. That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
3. To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
4. That, for the purpose of determining liability under the Securities Act to any purchaser:
 - (i) each prospectus filed by us pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

- (ii) each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or a prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

5. That, for the purpose of determining our liability under the Securities Act to any purchaser in the initial distribution of the securities, we undertake that in a primary offering of our securities pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, we will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) any preliminary prospectus or prospectus of ours relating to the offering required to be filed pursuant to Rule 424;
- (ii) any free writing prospectus relating to the offering prepared by or on behalf of us or used or referred to by us;
- (iii) the portion of any other free writing prospectus relating to the offering containing material information about us or our securities provided by or on behalf of us; and
- (iv) any other communication that is an offer in the offering made by us to the purchaser.

We hereby undertake that, for purposes of determining any liability under the Securities Act, each filing of our annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to our directors, officers and controlling persons pursuant to the foregoing provisions, or otherwise, we have been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by us of expenses incurred or paid by one of our directors, officers or controlling persons in the successful defense of any

action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, we will, unless in the opinion of our counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by us is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
