**Item 1.01 Entry into a Material Definitive Agreement.**

On November 4, 2014, (i) Sprague Operating Resources LLC, a Delaware limited liability company ( **Sprague Operating Resources** ), and a wholly owned subsidiary of Sprague Resources LP ( **Sprague** ), and (ii) Castle Oil Corporation, a New York corporation ( **Castle Oil** ), Castle Port Morris Terminals, Inc., a New York corporation ( **CPMT** ), Castle Energy Solutions, LLC, a Delaware limited liability company ( **CES** ), Castle Energy Solutions S.B., LLC, a Delaware limited liability company ( **CESSB** ), Castle Fuels Corporation, a New York corporation ( **CFC** ), Castle Supply & Marketing, Inc., a New York corporation ( **CSMI** ) and, together with Castle Oil, CPMT, CES, CESSB and CFC, **Castle** ) entered into an Asset Purchase Agreement pursuant to which Sprague has agreed to acquire substantially all of the assets of Castle (the **Asset Purchase Agreement** ). Terms used but not otherwise defined herein are used as defined in the Asset Purchase Agreement. On November 4, 2014, Sprague and Castle Oil also entered into a Unit Purchase Agreement (the **Unit Purchase Agreement** ), relating to the issuance of Sprague's Common Units in connection with the transactions contemplated by the Asset Purchase Agreement, as described in greater detail below, and the grant of customary piggyback registration rights with respect to such Common Units.

As consideration for the asset sale, Sprague Operating Resources will (i) make a cash payment equal to \$45,300,000 on the Closing Date, (ii) make the Petroleum Products Inventory Payment no later than three (3) Business Days following the Closing Date, and (iii) assume certain other liabilities at the times and in the manner set forth in Section 6.05(c) of the Asset Purchase Agreement. In addition, Sprague Operating Resources will pay an aggregate of Five Million Dollars (\$5,000,000) as follows: (a) One Million Dollars (\$1,000,000) shall be paid on the first anniversary of the Closing Date, (b) Two Million Dollars (\$2,000,000) shall be paid on the second anniversary of the Closing Date, and (c) Two Million Dollars (\$2,000,000) shall be paid on the third anniversary of the Closing Date, in each case subject to reduction for any claims for which Sprague is entitled to indemnification under the Asset Purchase Agreement. Furthermore, Sprague will issue Common Units to Castle Oil on the Closing Date having a value equal to \$5,700,000 pursuant to the terms of the Unit Purchase Agreement. The price at which the Common Units will be issued will be based on the volume weighted average closing price for the Common Units on the New York Stock Exchange for the 10 trading days ending on and the 10 trading days following the date of the announcement of the execution of the Asset Purchase Agreement.

Each of Sprague Operating Resources and Castle has agreed to certain customary representations, warranties and covenants in the Asset Purchase Agreement. Prior to the closing, except as consented to by Sprague, Castle has also agreed to continue its operations in the ordinary course of business and to not take certain actions as specified in the Asset Purchase Agreement. Castle is also restricted from soliciting offers or entering into discussions or negotiations with any third parties relating to the sale of any portion of the Business or the Purchased Assets. The consummation of the transaction is subject to the satisfaction or waiver of customary conditions, as set forth in the Asset Purchase Agreement, including, among other things, receipt of third party and regulatory approvals. Each of Sprague and Castle Oil has agreed to certain customary representations, warranties and covenants in the Unit Purchase Agreement. The closing of the transactions contemplated by the Unit Purchase Agreement is conditioned upon the closing of the transactions contemplated by the Asset Purchase Agreement, among other customary closing conditions.

The Asset Purchase Agreement may be terminated at any time prior to the Closing by mutual written agreement of the parties; by any party if any of the conditions in Sections 7.01, 7.02 or 7.03, as applicable, shall not have been fulfilled by December 15, 2014; by any party if the transactions contemplated by the Asset Purchase Agreement become illegal or are prohibited by law; by the non-breaching party if a party breaches certain obligations under the Asset Purchase Agreement, and if capable of being cured, such breach is not cured within the time periods set forth in the Asset Purchase Agreement.

A copy of the Asset Purchase Agreement is attached hereto as Exhibit 2.1, a copy of the Unit Purchase Agreement is attached hereto as Exhibit 10.1 and a copy of the press release of Sprague regarding the Asset Purchase Agreement is attached hereto as Exhibit 99.1. Each of the foregoing exhibits is incorporated herein by reference. The descriptions of the Asset Purchase Agreement and the Unit Purchase Agreement contained in this Current Report on Form 8-K are qualified in their entirety by reference to the full text of the Asset Purchase Agreement and the Unit Purchase Agreement.

### **Item 3.02 Unregistered Sales of Equity Securities.**

The description of the Unit Purchase Agreement set forth in Item 1.01 above is incorporated herein by reference. The Unit Purchase Agreement was entered into on November 4, 2014. Sprague will be obligated to issue Common Units to Castle Oil having a value of \$5,700,000 pursuant to the terms of the Unit Purchase Agreement, subject to the satisfaction of the conditions to closing set forth therein, the principal such condition being the closing of the transactions contemplated by the Asset Purchase Agreement. The exact number of Common Units to be issued has not yet been determined, but will be equal to \$5,700,000 divided by the volume weighted average closing price for the Common Units on the New York Stock Exchange for the 10 trading days ending on and the 10 trading days following the date of the announcement of the execution of the Asset Purchase Agreement. The Common Units are being

issued as partial payment for the purchase price of the assets to be acquired by Sprague Operating Resources pursuant to the terms of the Asset Purchase Agreement. The Common Units will be issued pursuant to the exemption set forth in Section 4(a)(2) of the Securities Act of 1933, as amended, and/or Rule 506 of Regulation D promulgated thereunder, based upon the investment representations made by Castle Oil in the Unit Purchase Agreement, including its representation that it is an accredited investor within the meaning of Rule 501(a) of Regulation D and will be acquiring the Common Units for its own account and not with a view toward any distribution in violation of any securities laws.
