Amendment No. 1 to Stock Purchase Agreement with Terex

As previously disclosed, on October 29, 2014, in connection with the ASV joint venture arrangement entered into between Manitex International, Inc. (the Company) and Terex Corporation (Terex), the Company and Terex entered into a Stock Purchase Agreement (the ASV Stock Purchase Agreement). Pursuant to the ASV Stock Purchase Agreement, the Company agreed to purchase 14,790,000 shares of stock of A.S.V., Inc. (ASV), which represents 51% of ASV's issued and outstanding shares. The consideration for the Company's majority share in ASV was \$25,000,000, consisting of a \$20,000,000 investment by Terex in Company common stock and debt securities, and \$5,000,000 in cash. At closing, ASV had borrowings of approximately \$44,000,000, which are non-recourse to the Company and Terex. On December 19, 2014, the Company and Terex entered into Amendment No. 1 to the ASV Stock Purchase Agreement (the SPA Amendment). The principal modifications to the ASV Stock Purchase Agreement resulting from the SPA Amendment were to (i) add certain Terex affiliates as parties, (ii) provide for the addition of an indemnity from a Terex affiliate to ASV, and (iii) revise certain of the Pre-Close Transactions that are set forth therein.

The foregoing description of the SPA Amendment is qualified in its entirety by reference to the full text of the SPA Amendment, which is attached as Exhibit 2.1 to this Current Report on Form 8-K and incorporated by reference herein.

Company and its Banks Amend Credit Agreement

The Company and certain of its subsidiaries currently are parties to a credit agreement (Credit Agreement) with Comerica Bank and certain other lenders (collectively the Banks). On December 19, 2014, the Company and the Banks entered into Amendment No. 5 to the Credit Agreement (the Credit Agreement Amendment). The principal modifications to the Credit Agreement resulting from the Credit Agreement Amendment are as follows:

Specifically permitting the Company to (i) enter into the ASV joint venture arrangement, (ii) execute and deliver a subordinated convertible note in the principal amount of \$7,500,000 payable to Terex, and (iii) use up to \$5,000,000 of loan proceeds from the credit agreement as partial payment of the purchase price under the ASV Stock Purchase Agreement.

Increasing the maximum amount the Company shall be permitted to borrow against eligible inventory as set forth in the borrowing base.

Excluding ASV from certain limitation and obligations that other subsidiaries of the Company are subject to under the Credit Agreement.

Amending the respective commitment amounts of each of the lenders.

The foregoing description the Credit Agreement Amendment is qualified in its entirety by reference to the full text of the Credit Agreement Amendment, which is attached as Exhibit 10.1 to this Current Report on Form 8-K and incorporated by reference herein.

ASV Loan Faculties

Edgar Filing: Manitex International, Inc. - Form 8-K

In connection with ASV joint venture arrangement, ASV entered into two separate loan facilities, one with JPMorgan Chase Bank, N.A. (JPMCB), and the other with Garrison Loan Agency Services LLC (Garrison). Both loan facilities are secured by certain assets of ASV and by a pledge of the Company s equity interest in ASV.

ASV Revolving Loan Facility with JPMCB

ASV entered into a \$35,000,000 revolving loan facility with JPMCB as the administrative agent, a portion of which loan amount was used to fund certain transaction costs and payments required by ASV under the ASV joint venture arrangement. This loan is non-recourse to the Company. The remainder of the loan amount will be available to ASV for its general working capital needs.

ASV Term Loan with Garrison

ASV entered into a \$40,000,000 term loan facility with Garrison as the administrative agent, the entirety of which was used to fund certain transaction costs and payments required by ASV under the ASV joint venture arrangement. This loan is non-recourse to the Company.

The foregoing descriptions of the loan facilities with JPMCB and Garrison are qualified in their entirety by reference to the full text of such agreements, which are attached as Exhibits 10.2 and 10.3, respectively, to this Current Report on Form 8-K and incorporated by reference herein.

Item 2.01. Completion of Acquisition or Disposition of Assets.

ASV Joint Venture Closing

Effective December 19, 2014, pursuant to the previously disclosed joint venture arrangement between the Company and Terex, the Company and Terex closed on the Stock Purchase Agreement pursuant to which the Company purchased 14,790,000 shares of ASV stock, which represents 51% of ASV's issued and outstanding shares, for an aggregate consideration of \$25,000,000. Terex retained the remaining 49% of ASV. ASV, which manufactures a broad product line of technology-leading compact rubber-track and skid-steer loaders and accessories, has been a wholly-owned subsidiary of Terex since 2008.

Common Stock and Convertible Debenture Purchase Agreement

Effective December 19, 2014, the Company and Terex closed on the previously disclosed Common Stock and Convertible Debenture Purchase Agreement (the "Securities Purchase Agreement"), pursuant to which Terex invested (the "Investment") an aggregate of \$20,000,000 in Company common stock and a convertible promissory note (the "Note"). Pursuant to the terms of the Securities Purchase Agreement, Terex received an aggregate of 1,108,156 shares of Company common stock based on a \$12,500,000 investment amount. The convertible debenture is \$7,500,000 in aggregate principal amount, is subordinated, carries a 5% per annum coupon, and is convertible into Company common stock at a conversion price of \$13.65, subject to customary adjustment provisions. The foregoing description of the Note is qualified in its entirety by reference to the full text of the Note, which is attached hereto as Exhibit 4.1.
