SOUTHWEST GAS CORPORATION

Southwest Gas Corporation (the Company) was incorporated in March 1931 under the laws of the State of California and is composed of two business segments: natural gas operations and construction services.

The Company is engaged in the business of purchasing, distributing, and transporting natural gas for customers in portions of Arizona, Nevada, and California. The Company is the largest distributor of natural gas in Arizona, selling and transporting natural gas in most of central and southern Arizona, including the Phoenix and Tucson metropolitan areas. The Company is also the largest distributor of natural gas in Nevada, serving the Las Vegas metropolitan area and northern Nevada. In addition, the Company distributes and transports natural gas for customers in portions of California, including the Lake Tahoe area and the high desert and mountain areas in San Bernardino County.

In October 2014, the Company, through its subsidiaries, led principally by NPL Construction Co. (NPL), completed the acquisition of three privately held, affiliated construction businesses with pipeline and natural gas distribution, utility and communications installation, fabrication and general industrial construction operations in Canada and the United States for approximately US\$221 million. The acquired companies comprise: (i) Link-Line Contractors Ltd., an Ontario corporation (Link-Line) (ii) W.S. Nicholls Construction, Inc., an Ontario corporation, and (iii) via asset purchase, the business of Brigadier Pipelines Inc., a Delaware corporation.

In October 2014, coincident with the acquisition, the Company restructured its ownership of NPL and Carson Water Company (an inactive wholly owned subsidiary) creating a holding company, a direct subsidiary of Carson Water Company. In January 2015, the holding company was renamed Centuri Construction Group Inc. (Centuri). Two direct holding companies exist under Centuri: Vistus Construction Group Inc. (Vistus, United States operations) and Lynxus Construction Group Inc. (Lynxus, Canadian operations). Three subsidiaries exist under Vistus: NPL, Southwest Administrators, and Brigadier. Link-Line and W.S. Nicholls are subsidiaries of Lynxus. Previous owners of the acquired companies retained an approximate 10% stock ownership interest in Lynxus. However, their underlying equity agreements include dividend participation rights equal to 3.4% of dividends declared at the level of Centuri. Additionally, these same agreements include, among other terms, the ability of the prior owners to exit their investment retained by requiring Centuri to purchase a portion of their interest (in Lynxus) commencing October 2016 and in incremental amounts each anniversary date thereafter. Centuri, a wholly owned subsidiary, is a full-service underground piping contractor that primarily provides utility companies with trenching and installation, replacement, and maintenance services for energy distribution systems, and develops industrial construction solutions.

The Company is subject to regulation by the Arizona Corporation Commission (ACC), the Public Utilities Commission of Nevada (PUCN), and the California Public Utilities Commission (CPUC). These commissions regulate public utility rates, practices, facilities, and service territories in their respective states. The CPUC also regulates the issuance of all securities by the Company, with the exception of short-term borrowings. Certain accounting practices, transmission facilities, and rates are subject to regulation by the Federal Energy Regulatory Commission (FERC). Centuri is not regulated by the state utilities commissions or by the FERC in any of its operating areas.

The Company's administrative offices are located at 5241 Spring Mountain Road, Las Vegas, Nevada 89150-0002, telephone number (702) 876-7237.

Our management will have broad discretion in the application of the net proceeds from this offering and could spend the proceeds in ways that do not improve our results of operations or enhance the value of our common stock. Accordingly, you will be relying on the judgment of our management with regard to the use of net proceeds, and you will not have the opportunity, as part of your investment decision, to assess whether the proceeds are being used appropriately. investors' perceptions of us and our prospects;

investors' perceptions of us and/or our industries' risk and return characteristics relative to other investment alternatives;

investors' perceptions of the prospects of the natural gas and construction services markets;

differences between actual financial and operating results and those expected by investors and analysts;

changes in analyst reports, recommendations or earnings estimates regarding us, other comparable companies or our industries generally, and our ability to meet those estimates;

actual or anticipated fluctuations in quarterly financial and operating results;

volatility in the equity securities market;

sales, or anticipated sales, of large blocks of our common stock;

a real or perceived economic downturn; and

other factors described under [Cautionary Statement Regarding Forward-Looking Information](#) .

USE OF PROCEEDS

We expect to use net proceeds from the sale of shares of common stock under the sales agency agreement for general corporate purposes, including the acquisition of property for the construction, completion, extension or improvement of pipeline systems and facilities located in and around the communities Southwest serves.

PLAN OF DISTRIBUTION

We have entered into a sales agency agreement, dated as of March 10, 2015, with BNY Mellon Capital Markets, LLC, or BNYMCM, under which we may issue and sell up to the lesser of 2,222,222 shares of our common stock or shares of our common stock with an aggregate sales price of \$100,000,000 from time to time through BNYMCM, as our agent for the offer and sale of the shares. The sales, if any, of the shares of common stock under the sales agency agreement will be made in at the market offerings as defined in Rule 415 of the Securities Act, including sales made directly on the New York Stock Exchange, the existing trading market for our common stock, or sales made through an electronic communications network. In addition, the shares of common stock may be offered and sold by such other methods permitted by law, including through a market maker or privately negotiated transactions, as we and BNYMCM agree to in writing.

From time to time during the term of the sales agency agreement, and subject to the terms and conditions set forth therein, we may deliver an issuance notice to BNYMCM specifying the length of the selling period (not to exceed 20 trading days), the amount of common stock to be sold and the minimum price below which sales may not be made. Upon receipt of an issuance notice from us, and subject to the terms and conditions of the sales agency agreement, BNYMCM has agreed to use its commercially reasonable efforts consistent with its normal trading and sales practices to sell such shares on such terms. We or BNYMCM may suspend the offering of shares of common stock at any time upon proper notice to the other, upon which the selling period will immediately terminate. Settlement between us and BNYMCM for sales of common stock will occur on the third business day following the date on which any sales are made, or on some other date that is agreed to between us and BNYMCM in connection with a particular transaction. The obligation of BNYMCM under the sales agency agreement to settle such purchases with us pursuant to any issuance notice is subject to a number of conditions, which BNYMCM reserves the right to waive in its sole discretion.

We will pay BNYMCM a commission equal to 1% of the sales price of all shares sold through it as agent under the sales agency agreement. We have also agreed to reimburse BNYMCM for its reasonable documented out-of-pocket expenses, including fees and expenses of counsel, in connection with the sales agency agreement.

We will deliver to the New York Stock Exchange copies of this prospectus and the accompanying prospectus pursuant to the rules of the exchange. We will report at least quarterly the number of shares of common stock sold through BNYMCM, as agent, in at-the-market offerings, the net proceeds to us and the compensation paid by us to BNYMCM in connection with such sales of common stock.

BNYMCM and its affiliates have performed certain investment banking and advisory and general financing, trustee and banking services for us from time to time for which they have received customary fees and expenses. BNYMCM and its affiliates may, from time to time, engage in transactions with, and perform services for, us in the ordinary course of our business.

In connection with the sale of the common stock hereunder, BNYMCM, will be deemed to be an underwriter within the meaning of the Securities Act of 1933, and the compensation paid to BNYMCM will be deemed to be underwriting commissions or discounts. We have agreed to indemnify BNYMCM against certain civil liabilities, including liabilities under the Securities Act of 1933.

The offering of common stock pursuant to the sales agency agreement will terminate upon the earlier of (1) the sale of all shares of common stock subject to the sales agency agreement and (2) termination of the sales

agency agreement by either BNYMCM or us. The sales agency agreement may be terminated by BNYMCM or us at any time upon 10 days notice, and upon 1 day's notice by BNYMCM in certain circumstances, including certain bankruptcy events relating to us or any material subsidiary, our failure to maintain a listing of our common stock on the New York Stock Exchange or the occurrence of a material adverse change in the Company.

We have agreed not to directly or indirectly sell, offer to sell, contract to sell, grant any option to sell or otherwise dispose of, shares of our common stock or securities convertible into or exchangeable for shares of our common stock, warrants or any rights to purchase or acquire our common stock for a period beginning on the first trading day prior to the delivery of any issuance notice to BNYMCM and ending on the first trading day following the settlement date for the applicable issuance notice, without the prior written consent of BNYMCM. This consent may be given at any time without public notice. The restriction described in this paragraph does not apply to sales of:

shares we offer or sell pursuant to the sales agency agreement;

shares we issue in connection with acquisitions;

shares we issue upon conversion of convertible securities, or the exercise of warrants, options or other rights; or

shares and options to purchase shares we issue, in either case, pursuant to any employee or director stock option or benefit plan, stock purchase or ownership plan or dividend reinvestment plan.

Furthermore, one of BNYMCM's affiliates is, and, in the future, one or more affiliates of BNYMCM may be, lenders or agents under our credit facilities, term loan facilities or other borrowing facilities. To the extent that we use the net proceeds from this offering to repay amounts we have borrowed, may borrow or re-borrow in the future under those facilities, those lenders may receive their pro rata portion of any of the proceeds from this offering that we use to repay any such amounts. See Use of Proceeds.

The authorized capital stock of Southwest consists of (1) 60,000,000 shares of Southwest common stock, with a \$1.00 par value, (2) 5,000,000 shares of preferred stock, without par value, and (3) 2,000,000 shares of preference stock, with a \$20.00 par value. As of March 9, 2015, there were issued and outstanding 46,639,027 shares of Southwest common stock and no shares of Southwest preferred stock or preference stock. Except as otherwise provided by law, each holder of common stock is entitled to one vote per share on each matter submitted to a vote of a meeting of shareholders, subject to cumulative voting rights with respect to the election of directors and any class or series voting rights of holders of preferred stock.

Table of Contents

Wells Fargo Shareowner Services is the registrar and transfer agent for our common stock.

ANTI-TAKEOVER MATTERS

Our restated articles of incorporation and amended bylaws contain provisions that may have the effect of discouraging persons from acquiring large blocks of Southwest stock or delaying or preventing a change in control of Southwest. The material provisions which may have such an effect are:

- (a) provisions requiring a super-majority vote by shareholders of common stock in order to approve certain types of business combinations;
- (b) a provision permitting the Southwest board of directors to make, amend or repeal the amended bylaws;
- (c) authorization for the Southwest board of directors to issue preferred stock in series and to fix rights and preferences of the series (including, among other things, whether, and to what extent, the shares of any series will have voting rights and the extent of the preferences of the shares of any series with respect to dividends and other matters);
- (d) advance notice procedures with respect to proposals other than those adopted or recommended by the Southwest board of directors; and
- (e) provisions permitting amendment of certain of these provisions only by an affirmative vote of the holders of at least 65 percent of the outstanding shares of Southwest common stock entitled to vote.

Some acquisitions of Southwest's outstanding voting shares would also require approval of the SEC under the Public Utility Holding Company Act of 1935 and of various state regulatory authorities.

Item 15. Indemnification of Directors and Officers

The Company's Restated Articles of Incorporation contain a provision which eliminates the liability of directors for monetary damages to the fullest extent permissible under California law. The General Corporation Law of California (the "Law") (i) authorizes the elimination of liability of directors for monetary damages in an action brought by a shareholder in the right of the Company or by the Company for breach of a director's duties to the Company and its shareholders and (ii) authorizes the Company to indemnify directors and officers for monetary damages for all acts or omissions committed by them in their respective capacities; provided, however, that liability is not limited nor may indemnification be provided (a) for acts or omissions that involve intentional misconduct or knowing and culpable violation of law, (b) for acts or omissions that a director or officer believes to be contrary to the best interests of the Company or its shareholders or that involve the absence of good faith on the part of a director or officer seeking indemnification, (c) for any transaction from which a director or officer derives an improper personal benefit, (d) for acts or omissions that show a reckless disregard for the director's or officer's duty to the Company or its shareholders in circumstances in which such person was aware, or should have been aware, in the ordinary course of performing his or her duties, of a risk of serious injury to the Company or its shareholders, (e) for acts or omissions that constitute an unexcused pattern of inattention that amounts to an abdication of the director's or officer's duty to the Company or its shareholders, and (f) for liabilities arising under Section 310 (contracts in which a director has a material financial interest) and Section 316 (certain unlawful dividends, distributions, loans and guarantees) of the Law. In addition, the Company may not indemnify directors and officers in circumstances in which indemnification is expressly prohibited by Section 317 of the Law.

The Amended Bylaws of the Company provide that the Company has the power to indemnify directors and officers to the fullest extent permitted under California law and the Company's Restated Articles of Incorporation. The Company has entered into indemnification agreements with its directors and officers which require that the Company indemnify such directors and officers in all cases to the fullest extent permitted by applicable provisions of the Law. The Company also maintains a directors' and officers' liability insurance policy insuring directors and officers of the Company for covered losses as defined in the policy.

Item 17. Undertakings

The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; *provided, however*, that paragraphs (1)(i), (1)(ii) and (1)(iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by the Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which the prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the Registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned Registrant undertakes that in a primary offering of securities of the undersigned Registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) Any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;
- (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned Registrant;
- (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and
- (iv) Any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.

(6) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(7) That, insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
