The Board currently consists of seven directors whose terms expire at the 2015 Annual Meeting. On March 31, 2015, the Company announced that, effective upon the election of directors at the 2015 Annual Meeting, the Board will be expanded to consist of nine directors. All nine of the director seats are up for election at the 2015 Annual Meeting. Save GrafTech, and the other participants hereunder, through this Proxy Statement, are soliciting proxies to elect Nathan Milikowsky, Karen Finerman, David R. Jardini, Alan Carr, Frederic Brace, Fiona Scott Morton and Michael Christodolou to serve as directors on the Board.

We are seeking replacement of a majority of the Board with independent directors. If all of the Nominees are elected, the Nominees will constitute a majority of the Board and would alone be able to adopt resolutions or otherwise cause the Board to act. If less than five of the Nominees are elected, such Nominees will be a minority of the Board and will not alone be able to adopt resolutions, as is currently the case with respect to Nathan Milikowsky, Karen Finerman and David R. Jardini. By utilizing their respective experiences and working constructively with management, Save GrafTech believes the Nominees can effect positive change at the Company.

The corporate governance guidelines of the Company, which are available on the Company's website at <http://www.graftech.com/getdoc/6b8a3b4d-967c-4bdd-ab04-ea0011de0c91/GRAFTECH-INTERNATIONAL-LTD-Corp-Gov> provide that determinations of independence shall be made in accordance with the criteria for independence required by the NYSE. Based on the information furnished by the Nominees, Save GrafTech believes that all of the Nominees are independent under such standards and Save GrafTech has no knowledge of any facts that would prevent the determination that each of the Nominees is independent under such standards.

You should refer to the Company's proxy statement, when available, for the names, background, qualifications and other information concerning the Company Nominees.

Who can vote at the 2015 Annual Meeting?

Holders of record of shares of Common Stock at the close of business on the Record Date will be entitled to vote at the 2015 Annual Meeting. Stockholders as of the Record Date are entitled to one vote at the 2015 Annual Meeting for each share of Common Stock held on the Record Date. The Company's proxy statement states that there were [_____] shares of Common Stock issued and outstanding as of the Record Date.

How do proxies work?

Save GrafTech is asking you to appoint Nathan Milikowsky and Edward McCarthy as your proxy holders to vote your shares of Common Stock at the 2015 Annual Meeting. You can make this appointment by voting the enclosed **BLUE** proxy card or by using one of the voting methods described below. Giving us your proxy means you authorize the proxy holders to vote your shares at the 2015 Annual Meeting, according to the directions you provide. Whether or not you are able to attend the 2015 Annual Meeting, you are urged to mark, sign and date the enclosed **BLUE** proxy card and return it in the enclosed postage-paid envelope or follow the instructions located on the **BLUE** proxy card to vote by telephone or Internet. All valid proxies received prior to the meeting will be voted.

Save GrafTech is using a universal proxy card for voting at the 2015 Annual Meeting. A universal proxy card lists on a single card all candidates nominated by a board of directors and all candidates nominated by a nominating stockholder, and it allows stockholders of such company to vote for candidates among all candidates nominated, regardless of who nominated them. As Save GrafTech is using a universal form of proxy that includes the names of all identified director candidates, there is no need to use the Company's **WHITE** form of proxy, regardless of how you wish to vote. You may vote for all, some or none of our director candidates. If you specify a choice with respect to any item by marking the appropriate box on the proxy, your shares of Common Stock will be voted in accordance

with that specification; provided, however, that you may vote FOR a total of no more than nine director candidates. If you mark more than nine FOR boxes for the election of directors, none of your votes

FOR directors will be counted. IF NO SPECIFICATION IS MADE, BUT YOU SIGN AND RETURN THE ENCLOSED **BLUE** PROXY CARD, YOUR SHARES OF COMMON STOCK WILL BE VOTED (I) **FOR** NATHAN MILIKOWSKY FOR DIRECTOR; (II) **FOR** KAREN FINERMAN FOR DIRECTOR; (III) **FOR** DAVID R. We do not know of any other matters to be presented for approval by the Stockholders at the 2015 Annual Meeting. Unless you indicate otherwise on the **BLUE** proxy card or through the telephone or Internet voting procedures, your appointment also authorizes your proxy holders to vote your shares of Common Stock in their discretion on any matters not known by Save GrafTech at the time this Proxy Statement was printed and that, under the Bylaws, may be properly presented for action by the Stockholders at the 2015 Annual Meeting.

What do I need to attend the 2015 Annual Meeting?

The 2015 Annual Meeting will be held at [_____] on May 29, 2015 at 10:00 a.m. eastern daylight time. You should be prepared to present valid government-issued photo identification, such as a driver s license or passport, for admittance. In addition, if you are a Stockholder of record, your name will be verified against the list of Stockholders of record prior to admittance to the 2015 Annual Meeting. If you are a beneficial owner, you must provide proof of beneficial ownership on the Record Date, such as your account statement showing that you owned your shares of Common Stock as of April 20, 2015, a copy of the voting instruction form provided by your bank, brokerage firm, dealer, trust company or other nominee, or other similar evidence of ownership. If you do not provide valid government-issued photo identification and comply with the other procedures outlined above, you will not be admitted to the 2015 Annual Meeting. You do not need to attend the 2015 Annual Meeting to vote. Even if you plan to attend the 2015 Annual Meeting, please submit your vote in advance as instructed in this Proxy Statement.

What is the quorum requirement for the 2015 Annual Meeting?

A majority of the issued and outstanding shares of Common Stock entitled to vote thereat, present at the commencement of such meeting, in person or represented by proxy, will constitute a quorum at the 2015 Annual Meeting. Abstentions and broker non-votes will be counted as shares present for purposes of determining whether a quorum exists for the transaction of business.

What is the effect of an ABSTAIN vote?

Abstentions are considered to be present and entitled to vote with respect to each relevant proposal, but will not be considered a vote cast with respect to that proposal. Therefore, an abstention will effectively be a vote against Save GrafTech's proposal to adopt a resolution to repeal any provision of the Bylaws as of the date of effectiveness of the resolution that was not included in the Bylaws as amended effective September 30, 2012 (which is the date of the last publicly disclosed amendment to the Bylaws).

Table of Contents

What is a broker non-vote?

A broker non-vote occurs when a beneficial owner of shares held by a bank, brokerage firm, dealer, trust company or other nominee fails to provide the record holder with voting instructions on any non-routine matters brought to a vote at a stockholder meeting.

Under the rules of the New York Stock Exchange, non-routine matters include (x) the election of directors and (y) Save GrafTech's proposal to adopt a resolution to repeal any provision of the Bylaws as of the date of effectiveness of the resolution that was not included in the Bylaws as amended effective September 30, 2012 (which is the date of the last publicly disclosed amendment to the Bylaws). As such, a broker may not vote your shares with respect to such matters without your instructions. **Given the contested nature of the election, the rules of the New York Stock Exchange do not permit broker discretionary authority to vote on any proposals to be voted on at the meeting, whether routine or not.**

If your shares are held of record by a bank, brokerage firm, dealer, trust company or other nominee, we urge you to give instructions to your bank, brokerage firm, dealer, trust company or other nominee as to how you wish your shares to be voted so you may participate in the Stockholder voting on these important matters.

What vote is required to elect the Nominees?

According to the Bylaws, for the election of directors at the 2015 Annual Meeting, the nine nominees receiving the highest number of **FOR** votes will be elected. Abstentions will be counted as present for purposes of this vote but are not counted as votes cast. Broker non-votes will not be counted as present and are not entitled to vote on the proposal. There is no guarantee that any of our Nominees will get enough votes to be elected even if you vote for them.

What vote is required to approve the other proposals described in this Proxy Statement?

Save GrafTech's proposal to adopt a resolution to repeal any provision of the Bylaws as of the date of effectiveness of the resolution that was not included in the Bylaws as amended effective September 30, 2012 (which is the date of the last publicly disclosed amendment to the Bylaws) requires the affirmative vote of holders of at least 67% of the voting power of all shares of capital stock of the Company then outstanding entitled to vote generally for the election of directors. The Company's proxy statement sets forth the votes required to approve Proposals 2, 3, 4 and 6 being considered at the 2015 Annual Meeting. If other matters are properly brought before the 2015 Annual Meeting, the vote required will be determined in accordance with applicable law, the NYSE Rules and the Company's Amended and Restated Certificate of Incorporation and Bylaws, as applicable.

What should I do in order to vote for the Nominees and the other proposals?

If your shares of Common Stock are held of record in your own name, please authorize a proxy to vote by marking, signing, dating and returning the enclosed **BLUE** proxy card in the postage-paid envelope provided to you by us or follow the instructions on the **BLUE** proxy card to vote by telephone or Internet.

If you hold your shares of Common Stock in street name with a bank, brokerage firm, dealer, trust company or other nominee, only they can exercise your right to vote with respect to your shares of Common Stock and only upon receipt of your specific instructions. Accordingly, it is critical that you promptly give instructions to your bank, brokerage firm, dealer, trust company or other nominee to ensure that a **BLUE** proxy card is submitted on your behalf. Please follow the instructions to authorize a proxy to vote provided on the enclosed **BLUE** proxy card. If your bank, brokerage firm, dealer, trust company or other nominee provides for voting instructions to be delivered to them by

Internet or telephone, instructions will be included on the enclosed **BLUE** proxy card. We urge you to confirm your instructions in writing to the person responsible for your account and provide a copy of those instructions to us, c/o D.F. King & Co., Inc., 48 Wall Street, 22nd Floor, New York, New York 10005 or by email at savegraftech@dfking.com so that we may be aware of all instructions given and can attempt to ensure that such instructions are followed.

voting over the Internet or by telephone at a later time in the manner provided on the enclosed **BLUE** proxy card, the Company's **WHITE** proxy card or any other later-dated proxy;

attending the 2015 Annual Meeting and voting in person.

Please note, however, that only your last-dated proxy will count - any proxy may be revoked at any time prior to its exercise at the 2015 Annual Meeting as described in this Proxy Statement. Attending the 2015 Annual Meeting alone without taking one of the actions above will not revoke your proxy.

If you submit a **BLUE** proxy card you may revoke it at any time by submitting a later-dated **WHITE** proxy card, or any other later-dated proxy card. Likewise, if you submit, or have already submitted, a **WHITE** proxy card you may revoke it at any time by submitting any other later-dated proxy card, including a later-dated **BLUE** proxy card.

Stockholders who hold their shares of Common Stock in street name with a bank, brokerage firm, dealer, trust company or other nominee will need to notify the person responsible for their account to revoke or withdraw previously given instructions. Unless revoked in the manner set forth above and subject to the foregoing, duly authorized proxies in the form enclosed will be voted at the 2015 Annual Meeting in accordance with your instructions. We request that a copy of any revocation sent to the Company or any revocation notification sent to the person responsible for a bank or brokerage account also be sent to us, c/o D.F. PLEASE DO NOT RETURN ANY **WHITE** PROXY CARD YOU MAY RECEIVE FROM THE COMPANY OR OTHERWISE AUTHORIZE A PROXY TO VOTE YOUR SHARES OF COMMON STOCK AT THE 2015 ANNUAL MEETING, NOT EVEN AS A SIGN OF PROTEST. IF YOU HAVE ALREADY RETURNED A **WHITE** PROXY CARD TO THE COMPANY OR OTHERWISE AUTHORIZED A PROXY TO VOTE YOUR SHARES OF COMMON STOCK AT THE 2015 ANNUAL MEETING, IT IS NOT TOO LATE TO CHANGE YOUR VOTE. TO REVOKE YOUR PRIOR PROXY AND CHANGE YOUR VOTE, SIMPLY MARK, SIGN, DATE AND RETURN THE ENCLOSED **BLUE** PROXY CARD IN THE POSTAGE-PAID ENVELOPE PROVIDED OR USE THE **BLUE** PROXY CARD TO VOTE BY TELEPHONE OR INTERNET. Important Notice Regarding the Availability of Proxy Materials

for the Stockholder Meeting to Be Held on May 29, 2015:

The proxy materials will be available at <http://www.savegraftech.com>

BACKGROUND OF THE SOLICITATION

In 2014, Nathan Milikowsky nominated a slate of three directors for election to the Board and solicited proxies for their election, among other proposals. Further information regarding the 2014 contested election and events leading up to it is set forth in the definitive Schedule 14A filed with the Securities and Exchange Commission on April 15, 2014 by Nathan Milikowsky, certain of his related parties, David R. Jardini and Karen Finerman (the 2014 Milikowsky Proxy Statement) under the section Background of the Solicitation, which section is incorporated by reference herein.

On May 15, 2014, at the Company's 2014 annual meeting of stockholders (the 2014 Annual Meeting), the Company's stockholders elected Nathan Milikowsky's three nominees, Nathan Milikowsky, David R. Jardini and Karen Finerman, and each of them currently serves as a member of the Board. The proposal to adopt a resolution repealing any provision of the Bylaws as of the date of effectiveness of the resolution that was not included in the Bylaws as amended effective September 30, 2012 (which was the date of the last publicly disclosed amendment to the Bylaws) and that was inconsistent with or disadvantageous to Nathan Milikowsky, as the nominating stockholder, or to the election of the nominees nominated by Mr. Milikowsky, received the affirmative vote of 64.83% of the shares of Common Stock outstanding, less than the affirmative vote of the holders of 67% of the shares of Common Stock outstanding required to adopt a shareholder proposed amendment to the Bylaws. The foregoing description of the 2014 Bylaw amendment proposal and the election of the nominees nominated by Mr. Milikowsky to the Board is qualified in its entirety by reference to the 2014 Milikowsky Proxy Statement and the Company's Form 8-K filed with the Securities and Exchange Commission on May 21, 2014, which is incorporated by reference herein.

During each of the second and third fiscal quarters of 2014, the Company failed to meet its forecasts and suffered net losses. Additionally, over a seven month period from the end of February 2014 to September 2014, management released earnings guidance on four separate occasions and revised its earnings guidance downwards on two of those occasions. Based on these developments and his observations of management as a Board member, Mr. Milikowsky came to believe that the current management of the Company and the majority of directors that supported it were not well-positioned to lead the Company to stronger financial performance.

On December 30, 2014, Nathan Milikowsky and his counsel requested, pursuant to the Bylaws, a copy of the Company's 2015 written questionnaire with respect to the qualifications and backgrounds of potential nominees to the Board. The Company provided the questionnaire to Mr. Milikowsky on January 6, 2015.

On January 23, 2015 in accordance with the procedures set forth in the Bylaws, Mr. Milikowsky delivered a notice of intent to nominate individuals for election as directors and propose stockholder business to the Company nominating seven individuals for election as directors at the 2015 Annual Meeting: Nathan Milikowsky, Karen Finerman, David R. Jardini, Alan Carr, Frederic Brace, Fiona Scott Morton and Michael Christodolou. Mr. Milikowsky's notice also proposed a resolution that, as of the date of effectiveness of the resolution, any provision of the Bylaws that was not included in the Bylaws as of September 30, 2012 (which is the date of the last publicly disclosed amendment to the Bylaws) be repealed. Mr. Milikowsky submitted the notice of intent to nominate individuals for election as directors and propose stockholder business because he believes the Company can and should do more to improve its business performance and generate value for all of its Stockholders.

In addition to the delivery of the notice of intent to nominate individuals for election as directors and propose stockholder business to the Company, on January 23, 2015, Nathan Milikowsky sent a letter to the Board expressing his concerns regarding the ongoing governance and management of the Company. Mr. Milikowsky noted that during Joel Hawthorne's tenure as chief executive officer of the Company, management has generally failed to meet its own forecasts, the Company has suffered quarterly net losses, written off a \$126 million investment in advanced graphite materials, and the Company's stock price had declined by over 60%. This letter has been filed as an exhibit to the Schedule 13D filed by certain members of Save GrafTech with the Securities and Exchange

On January 26, 2015, Randy Carson, Chairman of the Board, sent a letter to Nathan Milikowsky defending the current Board's stewardship of the Company and the initiatives undertaken by the management team. This letter has been filed as an exhibit to the Company's Form 8-K filed with the Securities and Exchange Commission on January 26, 2015. The description of this letter herein is qualified in its entirety by reference to such Form 8-K and the exhibits thereto, which are incorporated by reference herein.

On February 11, 2015, Nathan Milikowsky sent a letter to Randy Carson regarding discussions with respect to the Company's management, financial condition and operations and the potential restructuring of the Company's Senior Subordinated Notes maturing in November 2015. Mr. Milikowsky noted that the Company has continually failed to meet its own forecasts, the Company had suffered net losses for the past five quarters, the share price had declined by over 60% during the preceding twelve months, compared to an approximately 3.5% median share price decrease of the Company's peer group over the same time period, and that both Moody's Investor Service and Standard and Poor's Rating Services had downgraded the Company's debt. This letter has been filed as an exhibit to the Schedule 13D filed by certain members of Save GrafTech with the Securities and Exchange Commission on February 12, 2015 and as an exhibit to the Soliciting Material filed on Schedule 14A by certain members of Save GrafTech and the Nominees with the Securities and Exchange Commission on February 13, 2015. Any description of this letter herein is qualified in its entirety by reference to such Schedule 13D, such Schedule 14A, and the respective exhibits thereto, each of which is incorporated by reference herein.

On March 31, 2015, the Company filed a preliminary proxy statement on Schedule 14A with the Securities and Exchange Commission. On April 13, 2015, the Company filed an amended preliminary proxy statement on Schedule 14A with the Securities and Exchange Commission.

PROPOSAL NO. 1: ELECTION OF DIRECTORS

We propose that the Stockholders elect Nathan Milikowsky, Karen Finerman, David R. Jardini, Alan Carr, Frederic Brace, Fiona Scott Morton and Michael Christodolou as directors of the Company at the 2015 Annual Meeting. The Board is currently composed of seven directors whose terms expire at the 2015 Annual Meeting. On March 31, 2015, the Company announced that, effective upon the election of directors at the 2015 Annual Meeting, the Board will be expanded to consist of nine directors. All nine of the director seats are up for election at the 2015 Annual Meeting. If our seven Nominees are elected to the Board, they will replace at least two of the following four incumbent directors: Randy Carson, Thomas A. Danjczek, Joel L. Hawthorne and Mary Catherine Morris.⁵

The Nominees, if elected at the 2015 Annual Meeting, would hold office until the 2016 annual meeting of Stockholders or until their respective successors have been duly elected and qualified. Each of the Nominees has consented to being named as a Nominee in this Proxy Statement and, if elected, to serving as a director of the Company.

The corporate governance guidelines of the Company, which are available on the Company's website at <http://www.graftech.com/getdoc/6b8a3b4d-967c-4bdd-ab04-ea0011de0c91/GRAFTECH-INTERNATIONAL-LTD-Corp-Gov> provide that determinations of independence shall be made in accordance with the criteria for independence required by the NYSE. Based on the information furnished by the Nominees, Save GrafTech believes each of the Nominees is independent under such standards and Save GrafTech has no knowledge of any facts that would prevent the

determination that each of the Nominees is independent under such standards.

In addition, each of the Nominees understands that, if elected as a director of the Company, each Nominee would have an obligation to act in the best interests of the Company and the Stockholders in accordance with his or her duties as a director.

- ⁵ Ms. Morris was not included as a director nominee in the Company's proxy statement and thus will not, after giving effect to the results of the 2015 Annual Meeting, serve as a director on the newly constituted Board.

Table of Contents

We are seeking replacement of a majority of the Board with independent directors. If all of the Nominees are elected, the Nominees will constitute a majority of the Board and would alone be able to adopt resolutions or otherwise cause the Board to act. If less than five of the Nominees are elected, such Nominees will be a minority of the Board and will not alone be able to adopt resolutions, as is currently the case with respect to Nathan Milikowsky, Karen Finerman and David R. Jardini. By utilizing their respective experiences and working constructively with management, Save GrafTech believes the Nominees can effect positive change at the Company.

As disclosed in the Company's proxy statement, an event of default would occur under the Company's senior secured credit facility if a majority of the Board elected at the 2015 Annual Meeting consists of the Nominees. The current Board, however, has the power to take action, in advance of the 2015 Annual Meeting and prior to the occurrence of an event of default, to ensure that regardless of which nominees are elected as directors at the 2015 Annual Meeting an event of default will not occur, by (a) nominating the Nominees, (b) amending the senior secured credit facility or (c) prospectively seeking a waiver under the senior secured credit facility. According to the Company's proxy statement, the Company does not expect there to be a material amount of indebtedness under the senior secured facility at the time of the 2015 Annual Meeting and the Company would, upon the occurrence of an event of default, seek a waiver of any such event of default. The Second Amendment and Restated Agreement governing the Company's senior secured credit facility is publicly available and is filed as Exhibit 10.1 to the Company's Form 8-K filed with the Securities and Exchange Commission on March 3, 2015; the description of such credit facility in this Proxy Statement is qualified in its entirety by reference to such 8-K and the exhibits thereto, which are incorporated by reference herein.

As disclosed in the Company's proxy statement, under the Indenture governing the Company's outstanding senior notes (the "Indenture"), a change of control repurchase event would occur thereunder if (a) a majority of the Board elected at the 2015 Annual Meeting consists of the Nominees (other than Nathan Milikowsky who was a director on the closing date of the Indenture) and (b) on or within sixty days after such change in a majority of the Board, a ratings downgrade occurs (a ratings downgrade is deemed to have occurred (1) if the notes are rated by Standard & Poor's and Moody's Investors Service, Inc. rating agencies as investment grade, both such rating agencies downgrade the notes below investment grade, or (2) if the notes issued thereunder are rated below investment grade by at least one such rating agency, both such rating agencies downgrade the notes by one or more gradations (including gradations within rating categories, as well as between rating categories) and the notes are then rated below investment grade by both such rating agencies), unless the current Board approves the Nominees (which it has the ability to do without nominating the Nominees for election to the Board even while publicly opposing their election to the Board). Upon the occurrence of a change of control repurchase event under the Indenture, the Company is required to offer to repurchase its outstanding notes. The current Board has the power to take action, in advance of the 2015 Annual Meeting and prior to the potential occurrence of a change of control repurchase event, to ensure that regardless of which nominees are elected as directors at the 2015 Annual Meeting a change of control repurchase event will not occur, by approving the Nominees (which it has the ability to do without nominating such Nominees for election to the Board and while publicly opposing their election to the Board). The Indenture governing the Company's outstanding senior notes is publicly available and is filed as Exhibit 4.1 to the Company's Form 8-K filed with the Securities and Exchange Commission on November 20, 2012; the description of such Indenture in this Proxy Statement is qualified in its entirety by reference to such 8-K and the exhibits thereto, which are incorporated by reference herein.

Save GrafTech urges the current Board to take the requisite actions prior to the 2015 Annual Meeting to prevent the occurrence of an event of default under the senior secured credit facility and a change of control repurchase event under the Indenture.

The Board is currently composed of seven directors whose terms expire at the 2015 Annual Meeting. On March 31, 2015, the Company announced that, effective upon the election of directors at the 2015 Annual Meeting, the Board will be expanded to consist of nine directors. All nine of the director seats are up for election at the 2015 Annual Meeting. Save GrafTech reserves the right to nominate two additional persons, or, to the extent that the Company proposes to put up for election more than nine nominees at the 2015 Annual Meeting, an equal number of additional persons, which Save GrafTech believes would be an available remedy under Delaware law in response to any attempt by the Company to interfere with the voting rights of the Stockholders. Additional nominations made pursuant to the foregoing are without prejudice to the position of Save GrafTech that any attempt to change the size of the Board or disqualify any of the Nominees through Bylaw amendments or otherwise would constitute unlawful manipulation of the Company's corporate machinery. Save GrafTech reserves the right to challenge any action by the Company that has, or if consummated would have, the effect of disqualifying any Nominee.

Save GrafTech is nominating the seven Nominees identified in the Proxy Statement. We are seeking authority to, and intend to, vote for these seven Nominees, who will fill seven of the nine director positions subject to election at the 2015 Annual Meeting. We are also seeking authority to, and intend to, withhold votes from the seven Company Nominees. We are not seeking authority to vote for and will not exercise any such authority to vote for any other person nominated by the Company. There is no assurance that any of the candidates nominated by the Company will serve as directors if some or all of our Nominees are elected.

In the event that Save GrafTech substitutes a nominee or proposes an additional nominee, Save GrafTech will file and deliver supplemental proxy materials, including a revised proxy card, disclosing the information relating to any such substitute nominee or additional nominee that is required to be disclosed in solicitations for proxies for election of directors pursuant to Section 14 of the Exchange Act. Only in such case will the shares of Common Stock represented by the enclosed **BLUE** proxy card be voted for substitute nominees or additional nominees.

Information Regarding the Nominees

Information pertaining to the Nominees, including the name, age, present principal occupation, business address and business experience for the past ten years and certain other information is set forth in the question and answer section of this Proxy Statement under the section entitled "Who are the Nominees?", which we urge you to read. This information has been furnished to Save GrafTech by the Nominees. Other than as disclosed in this Proxy Statement, there is no arrangement or understanding between any of the Nominees and any other person(s) pursuant to which any such Nominee was or is to be selected as a director or nominee of the Company.

You should refer to the Company's proxy statement, when available, for the names, background, qualifications and other information concerning the Company Nominees.

Arrangements between Save GrafTech and the Nominees

In consideration of the substantial time and effort that the nomination and election process will require of each Nominee, Nathan Milikowsky and NM GTI, on the one hand, and each Nominee (other than Nathan Milikowsky) on the other hand, have entered into an agreement, substantially in the form attached hereto as *Annex B* (the "Prospective Nominee Agreements"). Pursuant to these agreements, Nathan Milikowsky and NM GTI will:

- (i) Subject to limited exceptions and to the extent permitted by applicable law, indemnify and hold each Nominee harmless from and against all losses, claims, damages, liabilities and expenses (including, without limitation, attorneys' fees) incurred by such Nominee in connection with the nomination and election process, including such person's participation in the proxy solicitation described in this Proxy Statement;
- (ii) Reimburse each Nominee for reasonable out of pocket expenses arising from or in connection with the nomination and election process, including such person's participation in the proxy solicitation described in this Proxy Statement; and
- (iii) Provide each Nominee, other than Karen Finerman and David R. Jardini, with a one-time payment as consideration for the substantial time and effort required of them as a Nominee.

The above description of the terms and conditions of the Prospective Nominee Agreements is qualified in its entirety by reference to the form of Prospective Nominee Agreement, which is attached as *Annex B* to this Proxy Statement and incorporated herein by reference. We urge you to read the full form of the Prospective Nominee Agreement, which includes the detailed terms, conditions and definitions applicable to the arrangements described above.

Table of Contents**The Nominees Plan to Improve the Company**

Save GrafTech and the Nominees have identified a concrete and specific plan to address the Company's underperformance. As part of this plan, Save GrafTech has identified five areas of change that Save GrafTech believes will help the Company turn around lagging performance under the current Board and management: (1) replacing the current CEO with an accountable and proven leader to fix the corporate culture and bring an entrepreneurial mentality to management, (2) increasing market share by redefining the Company's commercial strategy to recognize the commodity nature of high-quality electrodes, including by negotiating prices with customers in a manner to regain market share, (3) streamlining organizational structure by implementing organizational principles that are modeled on the organizational structure of minimill steel producers including (i) a single-minded focus on premier product quality, (ii) a flat organizational structure that emphasizes decentralized authority and initiative, thereby empowering those employees closest to customers and production, (iii) a relentless concentration on decreasing costs by improving efficiency and productivity, (iv) transparent, effective communication and leadership between senior management and those closest to customers and production, and (v) a focus on customer relationships, (4) analyzing the synergies between the industrial materials and engineered solutions businesses and evaluating all opportunities available to engineered solutions and (5) improving the corporate governance practices of the Board by installing directors with extensive knowledge of, and qualifications with respect to, finance, operations, the industry in which the Company operates, distressed and special situations and management of a public company. Further details on this plan will be available at <http://www.savegraftech.com> and in a presentation that will be filed with the Securities and Exchange Commission.

The Company maintains, at its expense, a policy of insurance which insures its directors and officers. The Bylaws contain provisions that provide for indemnification of directors, to the fullest extent permitted by law. The Company's Amended and Restated Certificate of Incorporation contains provisions eliminating the personal liability of a director to the Company or its Stockholders for monetary damages for breach of fiduciary duty as a director, subject to certain exceptions. It is anticipated that the Company's definitive proxy statement will include additional information with respect to director compensation.

Nathan Milikowsky, Karen Finerman and David R. Jardini are the only participants who currently serve as directors of the Company. Other than compensation paid to Nathan Milikowsky, Karen Finerman and David R. Jardini for their service as directors of the Company (which, as explained below under the heading "Incorporation by Reference," we expect will be set forth in the Company's proxy statement), none of the Nominees, or any associate of any Nominee, has received any cash compensation, cash bonuses, deferred compensation, compensation pursuant to plans or other compensation, from, or in respect of, services rendered on behalf of the Company, that is required to be disclosed pursuant to Item 402 of Regulation SK promulgated under the Securities Act of 1933, as amended ("Regulation S-K") or is otherwise subject to any arrangement described in Item 402 of Regulation S-K.

Jardini has served as a director of the Company and a member of the Audit and Finance Committee since May of 2014.

Interests of the Nominees

We expect that each of the Nominees, if elected, will be (i) entitled to receive compensation customarily paid by the Company to its non-employee directors; (ii) indemnified for service as a director of the Company to the same extent indemnification is provided to the current directors of the Company; and (iii) covered by the Company's director and officer liability insurance.

PROPOSAL NO. 5: SAVE GRAFTECH'S PROPOSAL TO ADOPT A RESOLUTION TO REPEAL CERTAIN PROVISIONS OF OR AMENDMENTS TO THE BYLAWS

Save GrafTech has proposed, pursuant to Article I, Section 8(a) of the Bylaws, to repeal any provision of or amendment to the Bylaws that was adopted between September 30, 2012 (which is the date of the last publicly disclosed amendment to the Bylaws) and the effective date of the resolution (which is the date of the 2015 Annual Meeting). Save GrafTech is not aware of any such provision of the Bylaws that has become effective, but it is possible that, prior to the adoption of this resolution, such a proposal could be disclosed and/or become effective.

Through this proposal, Save GrafTech is only seeking a one-time repeal of such new or amended bylaws that go into effect, or are proposed, between and including September 30, 2012 and the effective date of the resolution, which is the day of the 2015 Annual Meeting, which is scheduled for May 29, 2015. No provisions of or amendment to the Bylaws made or proposed after the date of the 2015 Annual Meeting will be repealed by the passage of this resolution.

This Proposal No. 5 is separate from Proposal No. 1 and is not conditioned on the election of some or all of the Nominees.

Pursuant to Article X of the Bylaws, the Bylaws may be amended or repealed only as provided in the Company's Amended and Restated Certificate of Incorporation. According to Article Ninth of the Company's Amended and Restated Certificate of Incorporation, all or any part of the Bylaws may be amended by the Stockholders upon (but only upon) the affirmative vote of holders of at least 67% of the voting power of all shares of capital stock of the Company then outstanding entitled to vote generally for the election of directors.

Save GrafTech believes that it is in the best interests of the Company and its Stockholders that the Bylaws not be further amended after September 30, 2012 (which is the date of the last publicly disclosed amendment to the Bylaws

as of the date of this Proxy Statement) and prior to or on the date of the 2015 Annual Meeting. Because the Board has the ability to make amendments to the Bylaws without obtaining stockholder approval and some or all of those amendments may not be in the best interests of the stockholders, Proposal No. 5 seeks to adopt a resolution to repeal all provisions of the Bylaws, if any, adopted between September 30, 2012 and the date of the 2015 Annual Meeting.

Table of Contents

To the extent that Stockholders support a provision or amendment to the Bylaws unilaterally approved by the Board and that is repealed as a result of this resolution, adoption of this resolution would countermine the will of such Stockholders.

Proposal No. 5 provides for the adoption of the resolution in the following form:

RESOLVED, that any provision of the Bylaws of GrafTech International Ltd. as of the date of effectiveness of this resolution that was not included in the Bylaws as amended effective September 30, 2012 (as publicly filed with the Securities and Exchange Commission on October 4, 2012), be and hereby is repealed.

WE STRONGLY URGE YOU TO VOTE **FOR** AND USE THE **BLUE PROXY CARD** TO AUTHORIZE A PROXY TO VOTE **FOR** THE RESOLUTION TO REPEAL ANY PROVISION OF THE BYLAWS AS OF THE DATE OF EFFECTIVENESS OF THE RESOLUTION THAT WAS NOT INCLUDED IN THE BYLAWS AS AMENDED EFFECTIVE SEPTEMBER 30, 2012 (WHICH IS THE DATE OF THE LAST PUBLICLY DISCLOSED AMENDMENT TO THE BYLAWS).

PROPOSAL NO. 6: REIMBURSEMENT OF NATHAN MILIKOWSKY'S EXPENSES RELATED TO THE 2014 PROXY CONTEST

We will follow your direction on how to vote your shares on the Company's proposal for the reimbursement of Nathan Milikowsky's expenses related to the 2014 proxy contest, as disclosed in the Company's proxy statement. Please refer to the Company's proxy statement for a discussion of such proposal. Save GrafTech believes that the election of Nathan Milikowsky, Karen Finerman and David R. Jardini as directors at the 2014 Annual Meeting was in the best interest of the Company and its stockholders and therefore that the expenses incurred by Nathan Milikowsky in connection with soliciting proxies for their election were in furtherance of the Company and its Stockholders' best interests. Save GrafTech also submits that its expenses incurred in connection with the 2014 proxy contest were customary and reasonable for a contested election. Save GrafTech retained reputable legal, financial, proxy solicitation and communications advisors that implemented an effective and efficient solicitation strategy. Save GrafTech notes that it offered the Company numerous opportunities to settle prior to the 2014 Annual Meeting. On March 18, 2014, nearly two months before the 2014 Annual Meeting, Save GrafTech proposed a settlement under which it would nominate a minority slate of four directors to an expanded nine-member Board - a Board composition where Save GrafTech nominees constituted one director less than a majority of the Board, which is substantially similar to the composition that the Stockholders ultimately voted for at the 2014 Annual Meeting. In the time between Save GrafTech's settlement offer and the 2014 Annual Meeting both Save GrafTech and the Company incurred considerable additional expenses in connection with the 2014 proxy contest. Lastly, in the 2014 Milikowsky Proxy Statement, Save GrafTech disclosed its intention to seek reimbursement of its expenses related to the 2014 proxy contest if one or more of Mr. Milikowsky's nominees were elected, and the Stockholders elected all three of Mr. Milikowsky's nominees in light of this disclosure.

Save GrafTech intends to vote, and recommends that you vote, **FOR** this proposal. If you do not indicate how you wish to vote your shares Save GrafTech will vote them **FOR** this proposal.

NO APPRAISAL OR DISSENTER'S RIGHTS

Stockholders will not have rights of appraisal or similar dissenter's rights with respect to any matters identified in this Proxy Statement to be acted upon at the 2015 Annual Meeting.

SOLICITATION OF PROXIES

Proxies may be solicited by mail, facsimile, telephone, telegraph, electronic mail, in person and by advertisements. Solicitations may also be made by certain of the respective directors, officers, members and employees of Save GrafTech, none of whom will, except as described in *Annex A* attached hereto or elsewhere in this Proxy Statement, receive additional compensation for such solicitation. The Nominees may make solicitations of proxies but, except as described herein, will not receive compensation for acting as nominees.

Table of Contents

We have retained D.F. King & Co., Inc. for solicitation and advisory services in connection with solicitations relating to the 2015 Annual Meeting. D.F. King & Co., Inc. will receive a customary retainer and reimbursement of certain fees and expenses incurred in connection with the proxy solicitation for its services to Save GrafTech in connection with the solicitation. Save GrafTech estimates that the total cost of D.F. King & Co.'s proxy solicitation and advisory services for, in furtherance of, or in connection with the solicitation of Stockholders will be approximately \$[]. Save GrafTech has agreed to indemnify D.F. King & Co., Inc., in its capacity as solicitation agent, against certain liabilities, losses, damages and expenses arising out of or relating to the rendering of such services by D.F. King & Co., Inc. or related services requested by Nathan Milikowsky. D.F. King & Co., Inc. will solicit proxies from individuals, brokers, banks, bank nominees and other institutional holders. Arrangements will also be made with custodians, nominees and fiduciaries for forwarding proxy solicitation materials to beneficial owners of Common Stock held as of the Record Date. Save GrafTech will reimburse such custodians, nominees and fiduciaries for reasonable expenses incurred in connection therewith. In addition, directors, officers, members and certain other employees of Save GrafTech and its affiliates may solicit proxies as part of their duties in the normal course of their employment without any additional compensation. It is anticipated that D.F. King & Co. will employ approximately 75 persons to solicit the Company's Stockholders as part of this solicitation.

The entire expense of soliciting proxies for the 2015 Annual Meeting by Save GrafTech or on Save GrafTech's behalf is being borne by Save GrafTech, provided that Save GrafTech intends to seek reimbursement for such expenses if all (or some) of the Nominees are elected as directors, without seeking further approval by the Company's Stockholders. Save GrafTech estimates that the total expenditures for, in furtherance of, or in connection with the solicitation of Stockholders, including the cost of D.F. King & Co.'s proxy solicitation and advisory services, for the 2015 Annual Meeting by Save GrafTech or on Save GrafTech's behalf will be \$[], of which approximately \$[] has been incurred as of the date hereof.

Summary of Promissory Notes

The terms and conditions of the senior subordinated promissory notes held by NM C/G Note LLC, NM Seadrift Note LLC, Seadrift Coke LLC, NMDM Investments LLC, RNM Foundation, Daniel Milikowsky, DM Family Holdings LLC, DSM Foundation, David R. Jardini and the David R. Jardini 2010 Qualified Annuity Trust (the Promissory Notes) are substantially similar. Each Promissory Note matures on November 30, 2015. The Promissory Notes are non-interest bearing and are subordinated to senior debt of the Company and certain of its subsidiaries. The Company may redeem the Promissory Notes at any time, upon 30 days' notice, at 100% of the principal amount of the Promissory Notes.

The Promissory Notes may be accelerated upon the occurrence of certain events of default, and the Promissory Notes will be automatically accelerated upon an insolvency event of default with respect to the Company or certain of its subsidiaries. The holders of a majority in outstanding principal amount of the Promissory Notes may accelerate the Promissory Notes upon the occurrence of the following events of default: (i) the failure of the Company or certain of its subsidiaries to comply with any term under the Promissory Notes for 30 days after written notice of default; (ii) the acceleration of senior debt of the Company or certain of its subsidiaries in excess of \$50 million; or (iii) a change in control of the Company. The election of the Nominees would not constitute a change in control under the Promissory Notes.

The holders of a majority of the outstanding principal amount of the Promissory Notes have the sole right to waive any default and any such waiver is binding on all holders. No holder of a Promissory Note may institute against the Company, or join with or assist any person in instituting against the Company, any bankruptcy or similar action.

The terms and conditions of the Promissory Notes are described in the Company's Form 8-K filed with the Securities and Exchange Commission on November 30, 2010. The description of the Promissory Notes herein is qualified in its entirety by reference to such Form 8-K and the exhibits thereto, which are incorporated by reference herein.

Summary of the Stockholders' Agreement

The Stockholders' Agreement contains lock-up and standstill provisions, transfer restrictions, director nomination rights and registrations rights with respect to the shares of Common Stock issued to the equity holders of Seadrift and C/G. We believe the standstill and lock-up restrictions are no longer in effect by their terms because the Company has materially failed to comply with the director nomination rights and six months have passed since any individual nominated pursuant to such director nomination rights has ceased to be a director of the Company.

The Stockholders' Agreement is publicly available and is filed as Exhibit 10.2.0 to the Company's Form 8-K filed with the Securities and Exchange Commission on November 30, 2010. The description of the Stockholders' Agreement

herein is qualified in its entirety by reference to such Form 8-K and the exhibits thereto, which are incorporated by reference herein.

FORM OF PROSPECTIVE NOMINEE AGREEMENT

NATHAN MILIKOWSKY

822 Boylston Street, Suite 106

Chestnut Hill, MA 02467

[], 2015

Dear Prospective Nominee:

This letter agreement confirms our understanding regarding your willingness to serve as a nominee for election as a director of GrafTech International Ltd., a Delaware corporation (the Company).

You are being considered to become a member of a slate of nominees (the Slate) of Nathan Milikowsky, a stockholder of the Company (the Nominating Party , together with NM GTI Investments LLC, the Indemnitors) and/or the Nominating stockholder's affiliates and to stand for election as a director of the Company in connection with the solicitation of proxies from the Company's stockholders that may be conducted by the Nominating Party or any of his affiliates (the Proxy Solicitation) in respect of the next annual meeting of stockholders of the Company (including any adjournment or postponement thereof, or any special meeting of stockholders of the Company in lieu thereof that includes the election of directors, the Annual Meeting). You agree that, should we so elect, you will serve as a member of the Slate and, if elected, as a director of the Company.

[Should the Nominating Party select you to become a member of the Slate and in consideration of your agreement to become a member of the Slate the Nominating Party will pay you the sum of \$25,000]¹. In addition, the Nominating Party agrees to reimburse you, as promptly as reasonably practicable upon your written request, for your reasonable and documented out-of-pocket travel and related expenses incurred by you in connection with your service as a member of the Slate. You agree that, if elected to serve as a director of the Company, you will not be entitled to and will not seek compensation or indemnification for acting in such capacity from the Indemnitors pursuant to this letter agreement.

You understand that it may be difficult to replace a nominee who has agreed to serve as a member of the Slate and, if elected, as a director of the Company if such nominee later changes his or her mind and determines not to serve on the Slate or, if elected, as a director of the Company. Accordingly, following your selection by the Nominating Party as a member of the Slate, the Nominating Party will be relying upon your agreement to serve on the Slate and, if elected, as a director of the Company.

You have been, or will be, supplied with (i) a questionnaire required to complete the disclosures contemplated by Article I, Section 8(b) of the Amended and Restated By-Laws of the Company (as amended as of September 30, 2012, the Company By-Laws), (ii) a letter agreement providing for the written representations and consents contemplated by Article I, Section 8(b) of the Company By-Laws and (iii) a questionnaire substantially in the form required to be completed pursuant to Section 8(b)(vi)(F) of the By-Laws (the documents referred to in clauses (i)- (iii) above, as may be amended or supplemented from time to time, together with such other documents as may reasonably be requested by the Nominating Party from time to time, collectively, the Nomination Documents). You agree that (i) you will promptly complete and, if applicable, sign each Nomination Document and return it to the Nominating Party's legal

advisers, (ii) your responses in each Nomination Document will be true, complete and correct in all material respects and (iii) you will promptly (and in any event, within two (2) business days of any such information becoming untrue, incomplete or incorrect in any material respect) notify the Nominating Party if any such information becomes untrue, incomplete or incorrect in any material respect prior to the conclusion of the Proxy Solicitation or such earlier time as you are no longer a member of the Slate. We may

forward any Nomination Document(s) (or summaries thereof) to the Company, and at any time, in our discretion, disclose in connection with the Proxy Solicitation or any transaction involving the Company proposed by the Nominating Party such information, as well as the existence and contents of this letter agreement.

The Indemnitors agree that the Indemnitors will, jointly and severally, defend, indemnify and hold you harmless from and against any and all losses, claims, damages, penalties, judgments, awards, liabilities, costs, expenses and disbursements (including, without limitation, the reasonable and documented fees and disbursements of attorneys) (Losses) incurred by you in the event that (i) you become a party, or are threatened to be made a party, to any civil, criminal, administrative or arbitration action, suit or proceeding, and any appeal thereof (a Proceeding), in each case with respect to Losses based on, arising out of or resulting from (a) being a party to this letter agreement, (b) your role as a member of the Slate, (c) being a participant in a solicitation (as defined in the rules and regulations promulgated under the Securities Exchange Act of 1934, as amended) in connection with the Proxy Solicitation, (d) an allegation that you are or may be a member of a group (as defined in Section 13(d) of the Securities Exchange Act of 1934, as amended) with the Nominating Party or any of its affiliates in respect of acquiring, disposing or holding securities of the Company as a result of the arrangements contemplated by this letter agreement, (e) any misstatements or omissions in any filings or other public statements by the Nominating Party in connection with the Proxy Solicitation or any transaction involving the Company proposed by the Nominating Party, other than as a result of information provided by you in writing for inclusion in such filing or public statement, or (f) otherwise being involved in the Proxy Solicitation or (ii) you are called to testify or give a deposition in any Proceeding (whether or not you are a party or are threatened to be made a party to such Proceeding) as a result of the arrangements contemplated by this letter agreement or otherwise relating to the Proxy Solicitation or any transaction involving the Company proposed by the Nominating Party in connection with the Proxy Solicitation. Your right to indemnification shall include the right to be advanced by the Indemnitors any fees and expenses incurred in connection with any event or occurrence relating to or directly arising from the Proxy Solicitation or related matters as soon as practicable after such expenses are incurred by Indemnitee and in any event within 30 days after receipt by the Indemnitors of a statement or statements of from you documenting such expenses in reasonable detail and requesting such advances from time to time; provided, however, that all amounts advanced in respect of such fees and expenses shall be promptly repaid if it shall ultimately be determined in a final judgment that you are not entitled to be indemnified for such expenses. Anything to the contrary herein notwithstanding, your right of indemnification and advancement of expenses hereunder shall continue (1) in the event that you do not become a member of the Slate or the Nominating Party determines to withdraw the Slate or remove you from the Slate and (2) after the Annual Meeting has taken place or after the conclusion of the Proxy Solicitation for any other reason, but in any event only for actions, omissions or events that occur after the date hereof and prior to the Annual Meeting or the conclusion of the Proxy Solicitation or such earlier time as you cease to be a candidate for a member of the Slate or a member of the Slate. Anything to the contrary herein notwithstanding, the Indemnitors will not indemnify you or advance payment of expenses to you for any actions taken or omissions by you as a director of the Company, if elected. Nothing herein shall be construed to provide you with indemnification or a right to receive advance payment of expenses with respect to Losses arising out of or resulting from (x) any action or omission by you that is found by a court of competent jurisdiction to constitute a violation of any law by you, acting other than at the direction of the Nominating Party, (y) any action or omission by you that is found by a court of competent jurisdiction to constitute gross negligence, willful misconduct or fraud, acting other than at the direction of the Nominating Party, or (z) false or misleading information provided by you or omissions of any material information by you in any Nomination Document or otherwise in connection with the Proxy Solicitation.

In the event any such Proceeding is brought, the Nominating Party shall have the right to assume the defense thereof and shall not be liable to you for any legal expenses of other counsel or any other expenses subsequently incurred by you in connection with the defense thereof, except that if your legal counsel advises you that there are actual conflicts of interest between you and the Nominating Party, or that you may have defenses not available to the Nominating

Party, you may retain separate legal counsel reasonably satisfactory to the Nominating Party, and the Nominating Party shall pay all reasonable and documented fees and disbursements of such legal counsel promptly as statements therefor are received; provided, however, that the Nominating Party shall be obligated to pay for only one legal counsel for all members of the Slate in any jurisdiction. You shall have the right to employ a separate counsel, at your own cost, when the Nominating Party is controlling the defense.

You shall promptly notify the Nominating Party in writing in the event any third-party Proceeding is actually initiated against you or known by you to be threatened in connection with the matters contemplated by this agreement. The Indemnitors shall not be responsible for any settlement of any Proceeding against you covered by this letter agreement without the prior written consent of the Nominating Party (such consent not to be unreasonably withheld, conditioned or delayed). However, the Nominating Party may not enter into any settlement of any such Proceeding without your consent (not to be unreasonably withheld, conditioned or delayed) unless such settlement includes a release of you from any and all liability in respect of such Proceeding.

Each of us recognizes that should you be elected as a director of the Company, all of your activities and decisions as a director will be governed by applicable law and subject to your fiduciary duties, as applicable, to the Company and to its stockholders and, as a result, that there is, and can be, no agreement between you and the Nominating Party that governs the decisions which you will make as a director of the Company. In addition, you hereby acknowledge that you have not and, so long as you are a member of the Slate, you agree not to, become a party to any agreement, arrangement or understanding with, or giving your commitment or assurance to, the Nominating Party or any other person or entity (i) as to how you, if elected as a director of the Company, will or will not propose, act or vote on any issue or question or (ii) that could limit or interfere with your ability to comply, if elected as a director of the Company, with your fiduciary duties under applicable law.

In connection with your nomination, you may come into possession, whether before or after the date hereof and regardless of the manner in which it is furnished, of certain non-public, confidential or proprietary information, whether oral or written, regarding the Nominating Party and/or the Company and their respective affiliates (including all observations, analyses, compilations, studies, notes, interpretations or other documents and writings prepared by you and/or your representatives which contain, reflect or are otherwise based upon, in whole or in part, such information, collectively, Confidential Information ; provided, however, that the term Confidential Information does not include information which was or becomes generally available on a non-confidential basis and without any breach by you of your confidentiality obligations hereunder). Unless otherwise agreed to by the Nominating Party, you agree (i) not to disclose to any other person the fact that discussions are taking place or have taken place concerning the Proxy Solicitation, your possible or actual service as a member of the Slate and/or any potential tender or exchange offer by the Nominating Party for common stock of the Company, or any of the terms, conditions, strategies, plans, communications or other information with respect thereto (including the status thereof), the fact that Confidential Information has been made available to you, or the existence or the terms and conditions of this letter agreement, the Nomination Documents, or any other agreement that the Nominating Party enters into with you, (ii) to keep all Confidential Information confidential and not to disclose or reveal any Confidential Information to any person other than your representatives who are advising you with respect to your service as a member of the Slate, and to cause such representatives to observe the terms of this paragraph; provided, however, that you may disclose only that portion of the Confidential Information you determine in good faith and after receiving the advice of legal counsel is required to be disclosed by law or governmental regulation or by subpoena or other valid legal process, in which event you shall consult with the Nominating Party as early as possible, to the extent feasible under the circumstances, prior to any such disclosure, regarding the nature, timing, extent and form of such disclosure, and (iii) not to use the Confidential Information for any purpose other than in connection with your service as a member of the Slate.

No failure or delay by the Nominating Party in exercising any right, power or privilege under this letter agreement shall operate as a waiver thereof, nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder.

It is understood and agreed that money damages may not be a sufficient remedy for any breach of this letter agreement by you or any of your representatives and that the Nominating Party would be entitled to seek equitable relief, including without limitation injunction and specific performance (solely with respect to your confidentiality

obligations hereunder), as a remedy for any such breach. Such remedies shall not be deemed to be the exclusive remedies for a breach by you or any of your representatives of this letter agreement but shall be in addition to all other remedies available to the Nominating Party at law or in equity.

This letter agreement shall be governed by and construed in accordance with the laws of the State of Delaware applicable to agreements made and to be performed entirely within the State of Delaware, without regard to the conflicts of law principles thereof. Each party hereby irrevocably and unconditionally consents to the exclusive jurisdiction of the federal and state courts in the State of Delaware for any Proceeding arising out of or related hereto, and further agrees that service of any process, summons, notice or document by U.S. mail to their
