Item 7.01. Regulation FD Disclosure

On April 29, 2015, Mylan N.V. (Mylan) issued an announcement stating that, further to its announcement issued pursuant to Rule 2.5 of the Irish Takeover Rules on April 24, 2015, it has increased its offer to acquire the entire issued and to be issued share capital of Perrigo Company plc (Perrigo). The full text of the announcement is attached hereto as Exhibit 99.1 and incorporated herein by reference.

The information in this Item 7.01 (including Exhibit 99.1) shall not be deemed to be filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), or otherwise subject to the liability of that section, and shall not be incorporated by reference into any registration statement or other document filed under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such filing.

RESPONSIBILITY STATEMENT

The directors of Mylan accept responsibility for the information contained in this report, save that the only responsibility accepted by the directors of Mylan in respect of the information in this report relating to Perrigo, Perrigo's subsidiaries and subsidiary undertakings, the Perrigo Board and the persons connected with them, which has been compiled from published sources, has been to ensure that such information has been correctly and fairly reproduced or presented (and no steps have been taken by the directors of Mylan to verify this information). To the best of the knowledge and belief of the directors (who have taken all reasonable care to ensure that such is the case) the information contained in this report is in accordance with the facts and does not omit anything likely to affect the import of such information.

DEALING DISCLOSURE REQUIREMENTS

Under the provisions of Rule 8.3 of the Irish Takeover Rules, if any person is, or becomes, interested (directly or indirectly) in, 1% or more of any class of relevant securities of Perrigo or Mylan, all dealings in any relevant securities of Perrigo or Mylan (including by means of an option in respect of, or a derivative referenced to, any such relevant securities) must be publicly disclosed by not later than 3:30 pm (New York time) on the business day following the date of the relevant transaction. This requirement will continue until the date on which the offer period ends. If two or more persons co-operate on the basis of any agreement, either express or tacit, either oral or written, to acquire an interest in relevant securities of Perrigo or Mylan, they will be deemed to be a single person for the purpose of Rule 8.3 of the Irish Takeover Rules.

Under the provisions of Rule 8.1 of the Irish Takeover Rules, all dealings in relevant securities of Perrigo by Mylan or relevant securities of Mylan by Perrigo, or by any party acting in concert with either of them, must also be disclosed by no later than 12 noon (New York time) on the business day following the date of the relevant transaction.

A disclosure table, giving details of the companies in whose relevant securities dealings should be disclosed, can be found on the Irish Takeover Panel's website at www.irishtakeoverpanel.ie.

Interests in securities arise, in summary, when a person has long economic exposure, whether conditional or absolute, to changes in the price of securities. In particular, a person will be treated as having an interest by virtue of the ownership or control of securities, or by virtue of any option in respect of, or derivative referenced to, securities.

Terms in quotation marks are defined in the Irish Takeover Rules, which can also be found on the Irish Takeover Panel's website. If you are in any doubt as to whether or not you are required to disclose a dealing under Rule 8, please consult the Irish Takeover Panel's website at www.irishtakeoverpanel.ie or contact the Irish Takeover Panel on telephone number +353 1 678 9020 or fax number +353 1 678 9289.

These documents can be obtained free of charge from the sources indicated above. Additional information regarding the interests of these participants, which may, in some cases, be different than those of Mylan's shareholders generally, will also be included in the materials that Mylan intends to file with the SEC when they become available.

FORWARD-LOOKING STATEMENTS

This report contains forward-looking statements. These statements are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Such forward-looking statements may include, without limitation, statements about the proposed transaction, benefits and synergies of the proposed transaction, future opportunities for Mylan, Perrigo, or the combined company and products and any other statements regarding Mylan's, Perrigo's, or the combined company's future operations, anticipated business levels, future earnings, planned activities, anticipated growth, market opportunities, strategies, competition and other expectations and targets for future periods. These may often be identified by the use of words such as will, may, could, should, would, project, believe, expect, plan, estimate, forecast, potential, intend, continue, target and variations of these words or compounds. Because forward-looking statements inherently involve risks and uncertainties, actual future results may differ materially from those expressed or implied by such forward-looking statements. Factors that could cause or contribute to such differences include, but are not limited to: uncertainties as to the timing of the proposed transaction; uncertainties as to whether Perrigo will cooperate with Mylan and whether Mylan will be able to consummate the proposed transaction; uncertainties as to whether shareholders will provide the requisite approvals for the proposed transaction; the possibility that competing offers will be made; the possibility that certain conditions to the consummation of the proposed transaction will not be satisfied; the possibility that Mylan will be unable to obtain regulatory approvals for the proposed transaction or be required, as a condition to obtaining regulatory approvals, to accept conditions that could reduce the anticipated benefits of the proposed transaction; the ability to meet expectations regarding the accounting and tax treatments of the proposed transaction, changes

in relevant tax and other laws, including but not limited to changes in healthcare and pharmaceutical laws and regulations in the U.S. and abroad; the integration of Perrigo being more difficult, time-consuming or costly than expected; operating costs, customer loss and business disruption (including, without limitation, difficulties in maintaining relationships with employees, customers, clients or suppliers) being greater than expected following the proposed transaction; the retention of certain key employees of Perrigo being difficult; the possibility that Mylan may be unable to achieve expected synergies and operating efficiencies in connection with the proposed transaction within the expected time-frames or at all and to successfully integrate Perrigo; expected or targeted future financial and operating performance and results; the capacity to bring new products to market, including but not limited to where Mylan uses its business judgment and decides to manufacture, market and/or sell products, directly or through third parties, notwithstanding the fact that allegations of patent infringement(s) have not been finally resolved by the courts (i.e., an at-risk launch); success of clinical trials and Mylan's ability to execute on new product opportunities; the scope, timing and outcome of any ongoing legal proceedings and the impact of any such proceedings on financial condition, results of operations and/or cash flows; the ability to protect intellectual property and preserve intellectual property rights; the effect of any changes in customer and supplier relationships and customer purchasing patterns; the ability to attract and retain key personnel; changes in third-party relationships; the impact of competition; changes in the economic and financial conditions of the businesses of Mylan, Perrigo, or the combined company; the inherent challenges, risks, and costs in identifying, acquiring and integrating complementary or strategic acquisitions of other companies, products or assets and in achieving anticipated synergies; uncertainties and matters beyond the control of management; and inherent uncertainties involved in the estimates and judgments used in the preparation of financial statements, and the providing of estimates of financial measures, in accordance with GAAP and related standards or on an adjusted basis. For more detailed information on the risks and uncertainties associated with Mylan's business activities, see the risks described in Mylan Inc.'s Annual Report on Form 10-K for the year ended December 31, 2014 and our other filings with the SEC. You can access Mylan's filings with the SEC through the SEC website at www.sec.gov, and Mylan strongly encourages you to do so. Mylan undertakes no obligation to update any statements herein for revisions or changes after the date of this report, except as required by law.

NO PROFIT FORECAST / ASSET VALUATIONS

No statement in this report is intended to constitute a profit forecast for any period, nor should any statements be interpreted to mean that earnings or earnings per share will necessarily be greater or lesser than those for the relevant preceding financial periods for Mylan or Perrigo as appropriate. No statement in this report constitutes an asset valuation.
