ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.***Issuance of 5.750% Senior Notes due 2026***

On November 20, 2015 (the *Closing Date*), CCOH Safari, LLC (the *Escrow Issuer*), an indirect subsidiary of Charter Communications, Inc. (*Charter* or the *Company*), issued \$2.5 billion aggregate principal amount of 5.750% Senior Notes due 2026 (the *Notes*). The Notes were sold to qualified institutional buyers in reliance on Rule 144A and outside the United States to non-U.S. persons in reliance on Regulation S. The Notes have not been registered under the Securities Act of 1933, as amended (the *Securities Act*), or any state securities laws and, unless so registered, may not be offered or sold in the United States except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state securities laws.

The offering and sale of the Notes resulted in net proceeds of approximately \$2.5 billion. The net proceeds of this issuance, together with the proceeds of the July 23, 2015 issuance by CCO Safari II, LLC of \$15.5 billion in aggregate principal amount of senior secured notes, the August 24, 2015 borrowings by Charter Communications Operating, LLC (*Charter Operating*) of a Term H loan in the aggregate principal amount of \$1.0 billion and a Term I loan in the aggregate principal amount of \$2.8 billion, additional senior secured bank loans expected to be incurred by Charter Operating (including the committed incremental Term A loan in an aggregate principal amount of up to \$2.0 billion), additional borrowings under the Charter Operating revolving credit facility and additional debt, if needed, to be incurred by subsidiaries of the Company will be used to fund the cash portion of the purchase price for the previously announced transaction with Time Warner Cable Inc. (the *Time Warner Cable Transaction*) and the previously announced acquisition of Bright House Networks, LLC (the *Bright House Transaction* and, together with the Time Warner Cable Transaction, the *Transactions*), to pay related fees and expenses and for general corporate purposes.

As described in more detail below, the gross proceeds of the offering and sale of the Notes are being held in escrow. The release of the proceeds to the Company (the *Escrow Release*) is subject to the satisfaction of certain conditions, including the closing of the Time Warner Cable Transaction. Substantially concurrently with the Escrow Release, the Notes will become obligations of the Company's subsidiaries, CCO Holdings, LLC (*CCO Holdings*) and CCO Holdings Capital Corp. (together with CCO Holdings, the *Issuers*) and the Escrow Issuer will merge into CCO Holdings.

In connection therewith, the Escrow Issuer and the Issuers entered into the following agreements:

Indentures

On the Closing Date, the Escrow Issuer and the Issuers entered into a base indenture (the *Base Indenture*) with The Bank of New York Mellon Trust Company, N. A., as trustee (the *Trustee*), providing for the issuance of senior secured notes generally. The Base Indenture is supplemented by the First Supplemental Indenture, dated as of the Closing Date, between the Escrow Issuer and the Trustee, providing for the issuance and terms of the Notes (the *Supplemental Indenture* and, together with the Base Indenture, the *Indenture*). The Indenture provides, among other things, that the Notes are initial obligations of the Escrow Issuer, backed by a first-priority security interest in the proceeds of the Notes and other amounts held in escrow pursuant to the Escrow Agreement described below. Interest is payable on the Notes on each February 15 and August 15, commencing February 15, 2016. From and after the Escrow Release, at any time prior to February 15, 2021, the Issuers may redeem some or all of the outstanding Notes at a redemption price equal to 100% of the principal amount thereof plus accrued and unpaid interest and special interest, if any, on such Notes to the redemption date, plus an applicable make-whole premium. On or after February 15, 2021, the Issuers may redeem some or all of the Notes at the applicable redemption price set forth in the Supplemental Indenture. In addition, at any time from and after the Escrow Release until February 15, 2019, the Issuers may redeem up to 40% of the aggregate principal amount of the Notes using net proceeds from certain equity offerings, at a redemption price equal to 105.750% of the principal amount thereof, plus accrued and unpaid interest,

if any, to the redemption date. If the Escrow Release occurs, the Notes will be general unsecured obligations of the Issuers.

The terms of the Indenture, among other things, limit the ability of the Issuers to incur additional debt and issue preferred stock; pay dividends or make other restricted payments; make certain investments; grant liens; allow restrictions on the ability of certain of its subsidiaries to pay dividends or make other payments; sell assets; merge or consolidate with other entities; and enter into transactions with affiliates.

The Indenture provides for customary events of default which include (subject in certain cases to customary grace and cure periods), among others, nonpayment of principal or interest; breach of other covenants or agreements in the Indenture; failure to pay certain other indebtedness; failure to pay certain final judgments; and certain events of bankruptcy or insolvency. Generally, if an event of default occurs, the Trustee or the holders of at least 25% in aggregate principal amount of the then outstanding Notes may declare all the Notes of such series to be due and payable immediately.

Registration Rights Agreement

In connection with the sale of the Notes, the Escrow Issuer entered into an Exchange and Registration Rights Agreement with respect to the Notes, dated November 20, 2015 (the Registration Rights Agreement), with Credit Suisse Securities (USA) LLC, Goldman, Sachs & Co., Merrill Lynch, Pierce, Fenner & Smith Incorporated, UBS Securities LLC and Deutsche Bank Securities Inc., as representatives of the several Purchasers (as defined in the Registration Rights Agreement). Under the Registration Rights Agreement, the Escrow Issuer has agreed to file a registration statement with respect to an offer to exchange the Notes for a new issue of substantially identical notes registered under the Securities Act, to cause the exchange offer registration statement to be declared effective and to consummate the exchange offer no later than 365 days after the Escrow Release. The Escrow Issuer may be required to provide a shelf registration statement to cover resales of one or more series of Notes under certain circumstances. If the foregoing obligations are not satisfied, the Escrow Issuer may be required to pay holders of the Notes additional interest at a rate of 0.25% per annum of the principal amount thereof for 90 days immediately following the occurrence of any registration default. Thereafter, the amount of additional interest will increase by an additional 0.25% per annum of the principal amount thereof to 0.50% per annum of the principal amount thereof until all registration defaults have been cured.

Escrow Agreement

In connection with the issuance and sale of the Notes, the Escrow Issuer, U.S. Bank National Association, as escrow agent (the Escrow Agent), and the Trustee entered into an escrow agreement dated November 20, 2015 (the Escrow Agreement). Pursuant to the Escrow Agreement, the Escrow Issuer deposited into an escrow account the gross proceeds from the offering of the Notes together with an amount sufficient to pay accrued and unpaid interest from the issue date of the Notes to, but excluding, February 15, 2016. No later than February 8, 2016, the Escrow Issuer will be required to deposit an additional amount that, together with the amount of escrowed property on deposit in the escrow account on such date, will be sufficient to pay accrued and unpaid interest on the Notes to, but excluding, August 15, 2016, and no later than August 8, 2016, the Escrow Issuer will be required to deposit in the escrow account an additional amount sufficient to pay accrued and unpaid interest on the Notes to, but excluding, the latest possible date for a special mandatory redemption. Prior to the Escrow Release, the Notes will be secured by a first-priority security interest in the escrow accounts and all deposits and investment property therein to the Trustee for the benefit of the holders of the Notes. The Escrow Release will be subject to the satisfaction of certain conditions, including the closing of the Time Warner Cable Transaction.

Copies of the Base Indenture, the Supplemental Indenture, the forms of the Notes, the Registration Rights Agreement and the Escrow Agreement are filed herewith as Exhibits 4.1, 4.2, 4.3, 10.1 and 10.2, respectively, and are each incorporated herein by reference.
