**Fundamental Change
Conversion Rate:**

The fundamental change conversion rate will be determined by reference to the table below and is based on the effective date of the fundamental change (the fundamental change effective date) and the price (the fundamental change share price) paid or deemed paid per ADS therein. If the holders of ADSs receive only cash in the fundamental change, the fundamental change share price shall be the cash amount paid per share. Otherwise, the fundamental change share price shall be the average daily VWAP per ADS over the 10 consecutive trading day period ending on the trading day preceding the fundamental change effective date.

The fundamental change share prices set forth in the first row of the table (i.e., the column headers) and each of the fundamental change conversion rates in the table will be adjusted as of any date on which the fixed conversion rates of the Mandatory Convertible Preferred Shares are adjusted, as described in the Mandatory Convertible Preferred Share Preliminary Prospectus Supplement.

The following table sets forth the fundamental change conversion rate per Mandatory Convertible Preferred Share for each fundamental change share price and fundamental change effective date set forth below.

	Fundamental change share price on the fundamental change effective date											
0.00	\$40.00	\$50.00	\$62.50	\$65.00	\$70.00	\$75.00	\$90.00	\$120.00	\$150.00	\$175.00	\$200.00	\$300.00
12.4463	13.6548	13.4014	12.9367	12.8586	12.7288	12.6355	12.5347	12.6693	12.8144	12.8900	12.9402	12.9900
12.2782	14.4414	14.1414	13.5044	13.3878	13.1874	13.0361	12.8362	12.9004	12.9922	13.0373	13.0679	13.1177
12.0717	15.2267	15.0094	14.1982	14.0177	13.6925	13.4394	13.1063	13.1125	13.1532	13.1747	13.1906	13.2404
12.0000	16.0000	16.0000	16.0000	15.3846	14.2857	13.3333	13.3333	13.3333	13.3333	13.3333	13.3333	13.3333

The exact fundamental change share price and fundamental change effective date may not be set forth in the table, in which case:

if the fundamental change share price is between two fundamental change share price amounts in the table or the fundamental change effective date is between two dates in the table, the fundamental change conversion rate will be determined by straight-line interpolation between the fundamental change conversion rates set forth for the higher and lower fundamental change share price amounts and the two fundamental change effective dates, as applicable, based on a 365-day year;

if the fundamental change share price is in excess of \$300.00 per share (subject to adjustment as described in the Mandatory Convertible Preferred Share Preliminary Prospectus Supplement), then the fundamental change conversion rate will be the minimum conversion rate, subject to adjustment; and

Edgar Filing: TEVA PHARMACEUTICAL INDUSTRIES LTD - Form FWP

if the fundamental change share price is less than \$30.00 per share (subject to adjustment as described in the Mandatory Convertible Preferred Share Preliminary Prospectus Supplement), then the fundamental change conversion rate will be the maximum conversion rate, subject to adjustment.
