**PART III NARRATIVE**

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

Bankrate, Inc. (the Company) is unable to file its Annual Report on Form 10-K for the period ended December 31, 2015 (the Annual Report) within the prescribed time period without unreasonable effort or expense due to the circumstances described below. On December 29, 2015, the Company completed the sale of the business that comprised its Insurance segment, which has required extensive time and attention of our corporate accounting and financial reporting functions and created complexity in reporting that business unit as a discontinued operation. In addition, the Company has recently relocated its corporate accounting function to its New York City office. As part of this process, a number of new personnel in the Company's accounting and financial reporting group were hired and required training, and control processes had to be transferred to new owners. This transition, coupled with the sale of the Insurance business, has resulted in the delay.

The Company has issued a Press Release (as defined below) regarding its results for the year ended December 31, 2015. Other than possible non-cash changes related to reporting the Insurance business as discontinued operations that could impact our GAAP net income, the Company does not expect the financial results to be included in the Annual Report when filed to reflect any material changes from those included in the Press Release. The Company intends to file the Annual Report within the fifteen day extension period.

If answer is no, identify report(s).  Yes  No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?  Yes  No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

Other than possible non-cash changes related to reporting the Insurance business as discontinued operations that could impact our GAAP net income, the Company expects that the results of operations to be included in the Annual Report will reflect the changes in results of operations from the prior year consistent with the comparative results of operations disclosed in the Company's earnings press release (the Press Release) included in its Current Report on Form 8-K furnished with the Securities and Exchange Commission on February 24, 2016. In the Press Release, the Company reported:

total revenue for the fourth quarter of and full year 2015 as \$93.4 million and \$370.5 million, respectively, as compared to \$91.3 million and \$350.3 million in the corresponding 2014 periods.

net income (loss) for the fourth quarter of and full year 2015 as \$4.8 million and \$(13.3) million, respectively, as compared to \$10.3 million and \$5.2 million in the corresponding 2014 periods.

adjusted EBITDA for the fourth quarter of and full year 2015 as \$28.5 million and \$127.1 million, respectively, as compared to \$30.9 million and \$117.8 million in the corresponding 2014 periods. For a reconciliation of adjusted EBITDA to GAAP net income (loss), see the financial tables at the end of the Press Release.

*The foregoing statements about the anticipated timing of the filing of the Annual Report and expectations regarding the financial statements to be included in the Annual Report are forward-looking statements. These forward-looking statements are based upon information presently available to the Company and assumptions that it believes to be reasonable. Investors are cautioned that all such statements involve risks and uncertainties, including the risks that additional resources and time may be needed to complete and file the Annual Report and that in finalizing the filing of the Annual Report changes to the financial information included in the Press Release are required.*
