Dear Shareowners:

We are pleased to invite you to attend our annual meeting of shareowners, which will be held at the Park Hyatt Toronto, 4 Avenue Road, Toronto, Ontario, Canada at 8:30 a.m. (Toronto time) on Tuesday, May 3, 2016. At this meeting, you will have the opportunity to meet our directors and members of our senior management team, learn more about our Company and our plans for the future, and receive our financial results for the 2015 fiscal year.

The notice of meeting and circular that accompany this letter describe the business to be conducted at the meeting.

We are pleased to furnish our proxy materials over the Internet in accordance with applicable law. As a result, we are mailing to many of our shareowners a notice instead of paper copies of our proxy circular, form of proxy and 2015 annual report. The notice contains instructions on how to access these materials over the Internet, as well as instructions on how shareowners can receive paper copies of these materials. Employing this distribution process will conserve natural resources and reduce the costs of printing and distributing these materials.

Even if you cannot attend the meeting, it is important that your shares be represented and voted by using the form of proxy provided. We encourage you to read the circular and vote as soon as possible. We look forward to your participation.

Sincerely,

JERRY FOWDEN

Chief Executive Officer

Cott Corporation

Proxy Circular

GENERAL INFORMATION

This proxy circular is furnished in connection with the solicitation of proxies by or on behalf of management and the board of directors of Cott Corporation (Cott or the Company) for use at the annual meeting of shareowners that is to be held at the time and place, and for the purposes, described in the accompanying notice of the meeting and any continuation of the meeting after an adjournment of such meeting.

We are first mailing or making available to shareowners this proxy circular, our 2015 annual report and related materials on or about March 23, 2016. All dollar amounts are in United States dollars unless otherwise stated. All information contained in this proxy circular is as of March 15, 2016, unless otherwise indicated. Our fiscal year ends on the Saturday closest to December 31 of each year. In this proxy circular, therefore, references to the year 2013 are to the fiscal year ended December 28, 2013, references to the year 2014 are to the fiscal year ended January 3, 2015, and references to the year 2015 are to the fiscal year ended January 2, 2016. As used herein, GAAP means United States generally accepted accounting principles.

VOTING AT THE MEETING

Who Can Vote

March 15, 2016 is the record date to determine shareowners who are entitled to receive notice of the meeting. Shareowners at the close of business on that date will be entitled to vote at the meeting. As of the record date, 122,672,005 common shares were outstanding. Each common share entitles the holder to one vote on all matters presented at the meeting.

Voting By Registered Shareowners

The following instructions are for registered shareowners only. **If you are a non-registered beneficial shareowner, please follow your intermediary's instructions on how to vote your shares.** See below under **Voting By Non-Registered Beneficial Shareowners.**

Voting in Person

Registered shareowners who attend the meeting may vote the shares registered in their name on resolutions put before the meeting. If you are a registered holder who will attend and vote in person at the meeting, you do not need to complete or return the form of proxy, although you are requested to do so. Please register your attendance with the scrutineer, Computershare Investor Services Inc. (**Computershare**), upon your arrival at the meeting. Whether or not you plan to attend the annual meeting of shareowners, you are requested to complete and promptly return the enclosed proxy.

Table of Contents

Voting by Proxy

If you are a registered shareowner but do not plan to attend the meeting in person, there are four ways that you can vote your proxy:

Mail: You may vote by completing, dating and signing the enclosed form of proxy and returning it to Computershare no later than 5:00 p.m. local time in Toronto on April 29, 2016, or the last business day prior to any postponed or adjourned meeting, by mail to 100 University Avenue, 8th Floor, Toronto, Ontario, Canada M5J 2Y1 using the envelope provided.

Fax: You may vote by completing, dating and signing the enclosed form of proxy and faxing it to Computershare at 1-866-249-7775 (toll free within Canada and the United States) or 1-416-263-9524 (outside Canada and the United States) no later than 5:00 p.m. local time in Toronto on April 29, 2016 or the last business day prior to any postponed or adjourned meeting.

Internet: You may vote over the Internet by accessing www.investorvote.com and following the proxy login and voting procedures described for the meeting. The enclosed form of proxy contains certain information required for the Internet voting process. Detailed voting instructions will then be conveyed electronically via the Internet to those who have completed the login procedure. You may vote (and revoke a previous vote) over the Internet at any time before 5:00 p.m. local time in Toronto on April 29, 2016 or the last business day prior to any postponed or adjourned meeting.

The Internet voting procedure, which complies with Canadian law, is designed to authenticate shareowners' identities, to allow shareowners to vote their shares and to confirm that shareowners' votes have been recorded properly. Shareowners voting via the Internet should understand that there may be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies that must be borne by the shareowners. Also, please be aware that Cott is not involved in the operation of the Internet voting procedure and cannot take responsibility for any access or Internet service interruptions that may occur or any inaccurate, erroneous or incomplete information that may appear.

Other: If you have not availed yourself of any of the foregoing voting procedures by 5:00 p.m. local time in Toronto on April 29, 2016 or the last business day prior to any postponed or adjourned meeting but still wish to vote by proxy, you may vote by (i) completing, dating and signing the enclosed form of proxy and faxing it to the attention of our Secretary at (813) 881-1923, or (ii) having the person you have chosen as your proxyholder deliver it in person to our Secretary, in each case so that it is received prior to the commencement of the meeting or any postponed or adjourned meeting.

What Is a Proxy?

A proxy is a document that authorizes another person to attend the meeting and cast votes on behalf of a registered shareowner at the meeting. If you are a registered shareowner, you can use the accompanying proxy form. You may also use any other legal form of proxy.

How do You Appoint a Proxyholder?

Your proxyholder is the person you appoint to cast your votes for you at the meeting. The persons named in the enclosed form of proxy are directors or officers of Cott. You may choose those individuals or any other person to be your proxyholder. Your proxyholder does not have to be a shareowner of Cott. If you want to authorize a director or officer of Cott who is named on the enclosed proxy form as your proxyholder, please leave the line near the top of the proxy form blank, as their names are pre-printed on the form. **If you want to authorize another person as your proxyholder, fill in that person's name in the blank space located near the top of the enclosed proxy form.**

Your proxy authorizes the proxyholder to vote and otherwise act for you at the meeting, including any continuation of the meeting if it is adjourned.

Table of Contents

How Will a Proxyholder Vote?

If you mark on the proxy how you want to vote on a particular issue, your proxyholder must cast your votes as instructed. By checking WITHHOLD on the proxy form, you will be abstaining from voting.

If you do NOT mark on the proxy how you want to vote on a particular matter, your proxyholder is entitled to vote your shares as he or she sees fit. If your proxy does not specify how to vote on any particular matter, and if you have authorized a director or officer of Cott to act as your proxyholder, your shares will be voted at the meeting:

FOR the election of the nominees named in this proxy circular as directors;

FOR the approval of the appointment of PricewaterhouseCoopers LLP as Cott's independent registered certified public accounting firm; and

FOR the approval, on a non-binding advisory basis, of the compensation of the Company's named executive officers, as such information is disclosed in the Compensation Discussion and Analysis, the compensation tables and the accompanying narrative disclosure beginning on page 62 (commonly referred to as say-on-pay).

For more information on these matters, please see **Election of Directors**, beginning on page 7, **Independent Registered Certified Public Accounting Firm Approval of Appointment of Independent Registered Certified Public Accounting Firm** on page 59, and **Advisory Vote on Executive Compensation** on page 62.

If any amendments are proposed to these matters, or if any other matters properly arise at the meeting, your proxyholder can generally vote your shares as he or she sees fit. The notice of the meeting sets out all the matters to be presented at the meeting that are known to management as of March 15, 2016.

How do You Revoke Your Proxy?

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before the meeting by delivering to our Secretary a written notice of revocation or a duly executed proxy bearing a later date (or voting via the Internet at a later date) or by attending the meeting and voting in person. You may send a written notice to our Secretary to the following address: 5519 West Idlewild Avenue, Tampa, Florida U.S.A. 33634.

This revocation must be received by our Secretary before the meeting (or before the date of the reconvened meeting if it is adjourned), or in any other way permitted by law.

If you revoke your proxy and do not replace it with another form of proxy that is properly deposited, you may still vote shares registered in your name in person at the meeting.

Voting By Non-Registered Beneficial Shareowners

If your common shares are not registered in your name but in the name of an intermediary (typically a bank, trust company, securities dealer or broker, or a clearing agency in which an intermediary participates), then you are a non-registered beneficial shareowner (as opposed to a registered shareowner). Copies of this document have been distributed to intermediaries who are required to deliver them to, and seek voting instructions from, our non-registered beneficial shareowners. Intermediaries often use a service company (such as Computershare or Broadridge Investor Communications (**Broadridge**)) to forward meeting materials to beneficial shareowners. Cott intends to pay for intermediaries to deliver proxy-related materials and the request for voting instructions (Form 54-101F7) to objecting beneficial owners in accordance with National Instrument 54-101. If you are a non-registered beneficial shareowner, you can vote your common shares by proxy, by following the instructions your intermediary provides to you, through your intermediary or at the meeting. As a non-registered beneficial

Table of Contents

shareowner, while you are invited to attend the meeting, you will not be entitled to vote at the meeting unless you make the necessary arrangements with your intermediary to do so.

Voting in Person

A non-registered beneficial shareowner who received a voting instruction form from the intermediary and who wishes to attend and vote at the meeting in person (or have another person attend and vote on their behalf) should strike out the proxyholders named in the voting instruction form and insert the beneficial shareowner's (or such other person's) name in the blank space provided or follow the corresponding instructions provided by the intermediary.

Voting by Proxy through Intermediary

Internet: If your intermediary is registered with Computershare or Broadridge, both of which we have retained to manage beneficial shareowner Internet voting, you may vote over the Internet by following the proxy login and voting instructions on your voting instruction form.

Through Intermediary: A beneficial shareowner who does not vote via the Internet will be given a voting instruction form or other document by his or her intermediary that must be submitted by the beneficial shareowner in accordance with the instructions provided by the intermediary. In such case, you **cannot** use the Internet voting procedures described above and **must** follow the intermediary's instructions (which in some cases may allow the completion of the voting instruction form by telephone or on the intermediary's Internet website). Occasionally, a beneficial shareowner may be given a form of proxy that has been signed by the intermediary and is restricted to the number of shares owned by the beneficial shareowner but is otherwise not completed. This form of proxy does not need to be signed by the beneficial shareowner. In this case, you can complete the form of proxy and vote by mail or facsimile only in the same manner as described above under **Voting by Registered Shareowners Voting by Proxy** beginning on page 2 of this proxy circular.

In all cases, beneficial shareowners should carefully follow the instructions provided by the intermediary.

Proxies returned by intermediaries as non-votes because the intermediary has not received instructions from the beneficial shareowner with respect to the voting of certain shares, or because under applicable stock exchange or other rules, the intermediary does not have the discretion to vote those shares on one or more of the matters that come before the meeting, will be treated as not entitled to vote on any such matter and will not be counted as having been voted in respect of any such matter. Shares represented by such broker non-votes will, however, be counted in determining whether there is a quorum for the meeting. In addition to being able to submit to Cott or the intermediary, as applicable, a voting instruction form, beneficial shareowners are permitted to submit any other documents in writing that requests that the beneficial shareowner or a nominee thereof be appointed as a proxyholder.

Confidentiality of Vote

Computershare counts and tabulates proxies in a manner that preserves the confidentiality of your votes. Proxies will not be submitted to management unless:

there is a proxy contest;

the proxy contains comments clearly intended for management; or

it is necessary to determine a proxy's validity or to enable management and/or the board of directors to meet their legal obligations to shareowners or to discharge their legal duties to Cott.

Table of Contents

Quorum

The annual meeting requires a quorum, which for this meeting means:

at least two persons personally present, each being a shareowner entitled to vote at the meeting or a duly appointed proxy for an absent shareowner so entitled; and

persons owning or representing not less than a majority of the total number of our shares entitled to vote.

Vote Counting Rules

All matters that are scheduled to be voted upon at the meeting, other than as set out below, are ordinary resolutions. Ordinary resolutions are passed by a simple majority of votes: if more than half of the votes that are cast are cast in favor, the resolution passes. Ten directors nominated must be elected by ordinary resolution of the shareowners. Pursuant to Cott's Majority Voting and Director Resignation Policy, if a nominee in an uncontested election does not receive the vote of at least the majority of the votes cast (including votes for and votes withheld), such director is required to promptly tender his or her resignation from the board of directors. Cott's Majority Voting and Director Resignation Policy is described more particularly below under the heading **Majority Voting and Director Resignation Policy** on page 12 of this proxy circular.

The approval of Cott's independent registered certified public accounting firm must be approved by ordinary resolution of the shareowners. Due to the non-binding advisory nature of the matter to be voted upon in respect of the compensation of Cott's executive officers, there is no minimum vote requirement for the proposal. However, the matter will be considered to have passed with the affirmative vote of a majority of the votes cast by shareowners that are present or represented and entitled to vote at the meeting.

Proxies may be marked FOR, AGAINST or WITHHOLD/ABSTAIN. Abstentions/withholding and broker non-votes are counted for purposes of establishing a quorum, but they are not counted as votes cast for or against a proposal.

Solicitation of Proxies

The cost of soliciting proxies will be borne by Cott. In addition, Cott may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation materials to such beneficial owners. Proxies may also be solicited by certain of our directors, officers and employees, without additional compensation, personally or by telephone, telegram, letter or facsimile. We have hired MacKenzie Partners, Inc., a professional soliciting organization, to assist us in conducting bank and broker searches, distributing proxy solicitation materials and responding to information requests from shareowners with respect to the materials. For these services, MacKenzie Partners, Inc. will be paid a fee of \$12,000, plus limited reimbursement for out-of-pocket expenses.

Please Complete Your Proxy

Our management, with the support of the board of directors, requests that you fill out your proxy to ensure your votes are cast at the meeting. **This solicitation of your proxy (your vote) is made on behalf of management and the board of directors.**

Table of Contents**PROCEDURE FOR CONSIDERING SHAREOWNER PROPOSALS**

If you want to propose any matter for inclusion in our 2017 proxy circular, it must be received by our Vice President, General Counsel and Secretary no later than November 23, 2016 at Cott Corporation, 5519 West Idlewild Avenue, Tampa, Florida, U.S.A. 33634.

Our by-laws fix a deadline by which shareowners must submit director nominations prior to any meeting of shareowners. In the case of annual meetings, advance notice must be delivered to us not less than 30 nor more than 60 days prior to the date of the annual meeting; provided, however, that if the annual meeting is called for a date that is less than 50 days after the date on which the first public announcement of the date of the annual meeting was made, advance notice may be made not later than the close of business on the 10th day following the date on which the public announcement of the date of the annual meeting is first made by us. In the case of a special meeting of shareowners (which is not also an annual meeting), advance notice must be delivered to us no later than the close of business on the 15th day following the day on which the public announcement of the date of the special meeting is first made by us. Our by-laws also require any shareowner making a director nomination to provide certain important information about its nominees with its advance notice. Only shareowners who comply with these requirements will be permitted to nominate directors to the board of directors unless the advance notice requirements of our by-laws are waived by the board of directors in its sole discretion. You are advised to review our by-laws, which contain additional requirements about advance notice of director nominations.

PRINCIPAL SHAREOWNERS

We are not aware of any person who, as of March 15, 2016, beneficially owned or exercised control or direction, directly or indirectly, over more than 5% of our common shares except as set forth below:

- (3) Based solely on information reported in an amended Schedule 13G filed by FMR LLC (FMR) on February 12, 2016 with the SEC. As reported in such filing, FMR Co., Inc, FIAM LLC, and Fidelity Institutional Asset Management Trust Company reported that each beneficially owns Cott common shares. Abigail P. Table of Contents

of Series B voting common shares of FMR, representing 49% of the voting power of FMR. The Johnson Family and all other Series B shareholders have entered into a shareholders voting agreement under which all Series B voting common shares will be voted in accordance with the majority vote of Series B voting common shares. Accordingly, through their ownership of voting common shares and the execution of the shareholders voting agreement, members of the Johnson Family may be deemed, under the Investment Company Act of 1940, to form a controlling group with respect to FMR. Neither FMR nor Ms. Johnson has the sole power to vote or direct the voting of the shares owned directly by the various investment companies registered under the Investment Company Act (Fidelity Funds) advised by Fidelity Management & Research Company, a wholly owned subsidiary of FMR, which power resides with the Fidelity Funds Boards of Trustees. Fidelity Management & Research Company carries out the voting of the shares under written guidelines established by the Fidelity Funds Boards of Trustees.

FINANCIAL STATEMENTS

At the meeting, we will submit to our shareowners Cott s annual consolidated financial statements for the year ended January 2, 2016, and the related report of Cott s independent registered certified public accounting firm. No vote will be taken regarding the financial statements.

ELECTION OF DIRECTORS

The Corporate Governance Committee of the board of directors (the **Corporate Governance Committee**) reviews annually the qualifications of persons proposed for election to the board and submits its recommendations to the board for consideration.

At its February 2016 meeting, the board of directors determined to reduce its size from 11 to 10 directors, effective immediately prior to the 2016 Annual Meeting of Shareowners. On February 25, 2016, Mr. George Burnett advised the board that he would not stand for re-election as a director of the Company at the end of his term. Mr. Burnett will serve the remainder of his term, which will conclude immediately prior to the 2016 Annual Meeting of Shareowners.

In the opinion of the Corporate Governance Committee and the board, each of the 10 nominees for election as a director is well qualified to act as a director of Cott and, together, the nominees bring the mix of independence, diversity, expertise and experience necessary for the board and its committees to function effectively. Our approach to corporate governance and the roles of the board and its committees are described under **Corporate Governance** on page 51 of this proxy circular.

During 2015, the board of directors held seven meetings. Each of our incumbent directors who served in 2015 attended, in person or by telephone, 75% or more of the applicable meetings of the board of directors and committees on which they served in 2015.

Set forth below is certain information concerning our nominees for election as directors of Cott, including information regarding each person s service as a director, committee membership, business experience, director positions held currently or at any time during the last five years, information regarding involvement in certain legal or administrative proceedings, if applicable, and the experiences, qualifications, attributes or skills that caused the Corporate Governance Committee and the board of directors to determine that the person should serve as a director of Cott. Because Cott is a Canadian corporation, we are required to have at least 25% of our directors be Canadian residents. The directors who are Canadian residents are identified below.

Table of Contents

The board has considered the independence of each of the nominees for election as directors of Cott for purposes of the rules of the SEC, New York Stock Exchange (**NYSE**) and, where applicable, National Instrument 58-101 Disclosure of Corporate Governance Practices (**NI 58-101**) of the Canadian Securities Administrators. All nominees are independent except for Mr. Fowden, our Chief Executive Officer. See **Certain Relationships and Related Transactions** on page 16 of this proxy circular for further discussion of the board's determinations as to independence.

It is intended that each director will hold office until the close of business of the 2017 annual meeting or until his or her earlier resignation, retirement or death. Pursuant to Cott's Corporate Governance Guidelines, no director may stand for election or re-election to the board of directors after the director has reached the age of 75 (a director that turns 75 during his or her term, however, may serve out the remainder of that term). No nominee identified above will reach the age of 75 prior to the date of the 2017 annual meeting.

Unless otherwise instructed, the persons named in the accompanying form of proxy intend to vote FOR the election to the board of directors of the 10 nominees who are identified above. Management and the board of directors do not contemplate that any of the nominees will be unable to serve as a director. If, for any reason at the time of the meeting, any of the nominees are unable to serve, then the persons named in the accompanying form of proxy will, unless otherwise instructed, vote at their discretion for a substitute nominee or nominees.

Majority Voting and Director Resignation Policy

Pursuant to Cott's Majority Voting and Director Resignation Policy, if a nominee in an uncontested election does not receive the vote of at least the majority of the votes cast, the director is required to promptly tender his or her resignation from the board of directors to the Corporate Governance Committee. Following receipt of a resignation, the Corporate Governance Committee must consider whether or not to accept the offer of resignation and recommend to the board of directors whether or not to accept it. With the exception of exceptional circumstances that would warrant the continued service of the applicable director on the board of directors, the Corporate Governance Committee is expected to accept and recommend acceptance of the resignation by the board of directors. In considering whether or not to accept the resignation, the Corporate Governance Committee may consider factors provided as guidance by the Toronto Stock Exchange (the **TSX**) and all factors deemed relevant by members of the Corporate Governance Committee including, without limitation, the stated reasons why shareowners withheld votes from the election of that nominee, the length of service and the qualifications of the director whose resignation has been submitted, such director's contributions to Cott, Cott's governance guidelines and Cott's obligations under applicable laws. The board of directors must make its decision on the Corporate Governance Committee's recommendation within 90 days following the meeting of Cott's shareowners. In considering the Corporate Governance Committee's recommendation, the board will consider the factors considered by the Corporate Governance Committee and such additional information and factors that the board of directors considers to be relevant. If a resignation is accepted in accordance with this policy, the board of directors may in accordance with the provisions of Cott's articles and by-laws appoint a new director to fill any vacancy created by the resignation or reduce the size of the board of directors.

COMPENSATION OF DIRECTORS

We use a combination of cash and stock-based compensation to attract and retain qualified candidates to serve on the board. We set director compensation at a level that reflects the significant amount of time and high skill level required of directors in performing their duties for Cott and for its shareowners.

Directors' Compensation Schedule

The compensation of directors is considered in light of the overall governance structure of Cott. Compensation for directors is recommended to the board by the Compensation Committee and is approved by the independent directors. Director compensation is set solely on an annual fee basis (paid quarterly in arrears) and per-meeting attendance fees are not paid. Generally, directors are not separately compensated for service on board committees in roles other than the committee chair.

During 2015, directors of Cott were entitled to the following annual fees:

Category	Annual Fees
Annual board retainer	\$ 81,000
Annual fee for the non-executive chair of the board	\$ 100,000
Annual fee for chairing the:

U.S. resident directors receive their applicable retainers in U.S. dollars, while Canadian resident directors receive their applicable retainers in Canadian dollars. Directors are also reimbursed for certain business expenses, including their travel expenses in connection with board and committee meeting attendance.

Share Ownership Requirements for Board Members

The board of directors has adopted minimum share ownership requirements for non-management directors. Under the requirements, each such director must own common shares having a minimum aggregate value equal to five times his or her annual board retainer fee (excluding additional committee or chairman retainers). The Compensation Committee or the board of directors may, from time to time, reevaluate and revise these guidelines to give effect to changes in Cott's common share price or capitalization. The value of shares owned by each director is recalculated on a semi-annual basis on June 30 and December 31 of each year. Compliance with the requirements is measured by the General Counsel on December 31 of each year and reported to the Compensation Committee. Directors are not required to attain the minimum ownership level by a particular deadline. However, until the guideline amount is achieved, such directors are required to retain an amount equal to 100% of net shares received as equity compensation. Net shares are defined as those shares that remain after shares are sold or netted to pay the exercise price of stock options (if applicable) and taxes payable upon the grant of a stock payment or the vesting of restricted shares, restricted share units, performance shares, or performance share units or the exercise of stock options or stock appreciation rights. Failure to meet or to show sustained progress toward meeting the guidelines may be a factor considered by the Compensation Committee in determining future long-term incentive equity grants to such directors. Shares purchased on the open market may be sold in compliance with Cott's policies and applicable securities law. These requirements are designed to ensure that directors' long-term interests are closely aligned with those of our shareowners. Each of the incumbent non-management directors holds common shares in excess of the threshold required by the share ownership guidelines as of December 31, 2015.

Section 16(a) Beneficial Ownership Reporting Compliance

Our directors and executive officers and any beneficial owner of more than 10% of our common shares, as well as certain affiliates of those persons, must file reports with the SEC showing the number of common shares they beneficially own and any changes in their beneficial ownership. Based on our review of these reports and written representations of our directors and executive officers, we believe that all required reports in 2015 were filed in a timely manner.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The board has determined that nine of the nominees for director, Mark Benadiba, David T. Gibbons, Stephen Halperin, Betty Jane Hess, Gregory Monahan, Mario Pillozzi, Andrew Prozes, Eric Rosenfeld and Graham W. Savage, are independent within the meaning of the rules of the SEC, NYSE and NI 58-101. A director is independent in accordance with the rules of the SEC, NYSE and NI 58-101 if the board affirmatively determines that such director has no material relationship with us (either directly or as a partner, shareowner or officer of an organization that has a relationship with us). Mr. Fowden is a management director and is therefore not independent.

With respect to Mr. Halperin, the board of directors considered Mr. Halperin's position as a partner of Goodmans LLP, a law firm that provides services to Cott on a regular basis, and determined that Mr. Halperin is independent. The amount of fees earned by Goodmans LLP for legal services rendered to Cott is financially immaterial to Goodmans LLP and to Mr. Halperin's compensation from such firm. Although fees paid by the Company to Goodmans LLP are immaterial to that firm and Mr. Halperin's compensation, concern has been expressed by certain shareowners with respect to Mr. Halperin's service on board committees comprising solely independent directors in light of this relationship. To address this concern, Mr. Halperin and the board of directors have agreed that he not serve on standing board committees.

In addition, although Mr. Savage serves on the audit committees of more than two other publicly traded companies, the board of directors determined that such simultaneous service does not impair his ability to serve on Cott's Audit Committee.

Each director and nominee for election as director delivers to Cott annually a questionnaire that includes, among other things, a request for information relating to any transactions in which both the director or nominee, or their family members, and Cott participates, and in which the director or nominee, or such family member, has a material interest. Pursuant to Cott's Corporate Governance Guidelines and the charter of the Corporate Governance Committee, the Corporate Governance Committee is required to review all transactions between Cott and any related party (including transactions reported to it by a director or nominee in response to the questionnaire, or that are brought to its attention by management or otherwise), regardless of whether the transactions are reportable pursuant to Item 404 of Regulation S-K under the Securities and Exchange Act of 1934, as amended (the **Exchange Act**).

After considering advice from the Corporate Governance Committee, the board of directors is required to review, and, if appropriate, approve or ratify, such related party transactions. A related party transaction is defined under the Corporate Governance Guidelines as any transaction in which Cott was or is to be a participant and in which any related party has a direct or indirect material interest, other than transactions that (i) are available to all employees generally, (ii) involve compensation of executive officers or directors duly authorized by the appropriate board committee, or (iii) involve reimbursement of expenses in accordance with Cott's established policy.

A related party is defined under the Corporate Governance Guidelines as any person who is, or at any time since the beginning of Cott's last fiscal year was, an executive officer or director (including in each case nominees for director), any shareowner owning in excess of 5% of Cott's common shares, or an immediate family member of an executive officer, director, nominee for director or 5% shareowner.

An immediate family member is defined under the Corporate Governance Guidelines as a person's spouse, parents, stepparents, children, stepchildren, siblings, mother- and father-in-law, sons- and daughters-in-law, brothers- and sisters-in-law, and anyone (other than employees) who shares such person's home.

Management and directors must also update the board of directors as to any material changes to proposed transactions as they occur.

Table of Contents

Because related party transactions potentially vary, the Corporate Governance Committee or the board of directors has not to date developed a written set of standards for evaluating them, but rather addresses any such transactions on a case-by-case basis.

To the knowledge of the directors, no insider, director or proposed nominee for election as a director, or any associate or affiliate of any such persons, had any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any material transaction with Cott since January 4, 2015.

COMPENSATION OF EXECUTIVE OFFICERS

Compensation Discussion and Analysis

Executive Summary

We seek to incentivize management to increase long-term, sustainable shareowner value giving appropriate consideration to risk and reward, and to focus management on executing our strategic priorities. Our strategic priorities for 2015 included: (1) continuing with our 4C s approach of running the business tightly, focusing on customers, costs, capital expenditures and cash flow; (2) continuing to grow our contract manufacturing business; (3) executing our integration and synergy plan for DS Services (DSS) and actively supporting DSS s continued roll-up strategy in the U.S. home office water and office coffee service markets; (4) deleveraging our balance sheet from free cash flow; and (5) continuing our quarterly dividend in U.S. dollars, providing a market-based return of funds to our shareowners. Our compensation programs are designed to reward executives based on the achievement of both individual and corporate performance targets, while at the same time avoiding the encouragement of unnecessary or excessive risk-taking. Our named executive officers total compensation consists of a base salary, opportunities for annual performance-based cash bonus compensation, and long-term compensation in the form of equity ownership.

This Compensation Discussion and Analysis focuses on the compensation of our named executive officers for 2015, who were:

Jerry Fowden	Chief Executive Officer
Jay Wells	Chief Financial Officer
Steven Kitching	President North America Business Unit
Thomas Harrington	Chief Executive Officer DSS
Marni Morgan Poe	Vice President, General Counsel and Secretary

We believe that our named executive officers were instrumental in helping us execute our strategic priorities, as follows:

Adjusted free cash flow grew 25% to \$133.6 million* in fiscal 2015 as a result of our continued focus on our 4C s. We remained dedicated to customer service and were recognized as a top supplier by several large retailers. On costs, we continued to implement our three-year \$30 million cost reduction plan by reducing production costs, improving procurement practices, increasing operational efficiency, eliminating waste and reducing packaging cost, resulting in approximately \$9.0 million in cost savings in 2015. We also maintained tight control of our capital expenditures, with \$110.8 million in capital expenditures in 2015.

Generating strong adjusted free cash flow in fiscal 2015 enabled us to make good progress on deleveraging the Company through the redemption of all of our convertible and non-convertible preferred shares issued in connection with the acquisition of DSS, as well the reduction of amounts drawn on our asset based lending facility.

Our North American contract manufacturing business grew by 23.0 million equivalent serving cases from 2014 to 2015. Cott North America gross margin increased 170 basis points from 11.6% to 13.3% during fiscal 2015 as a result of stable volumes from growth in contract manufacturing and cost and efficiency savings.

In 2015, we realized \$10.0 million in synergies related to the acquisition of DSS.

* We define free cash flow as net cash provided by operating activities (\$254.6 million) less capital expenditures (\$110.8 million) and adjust it to exclude \$5.3 million of DSS integration capital expenditures, \$13.9 million of acquisition and integration cash costs and \$(29.4) million of cash collateral.

Table of Contents

We completed nine acquisitions in our DSS business unit in 2015. In January 2016, we completed the acquisition of Aquaterra Corporation, Canada's oldest and largest direct-to-consumer home and office water delivery business, extending our beverage portfolio into higher margin categories with low customer concentration, and broadening the distribution platform of our existing Canadian business by adding a national direct-to-consumer route distribution fleet in Canada with approximately 70,000 customers.

We returned approximately \$25.1 million to shareowners during the year through the payment of dividends. In 2015, the Compensation Committee and management continued to implement compensation and corporate governance best practices that reflect our financial position and our business, including:

Salary, bonus and perquisite decisions reflecting our results for the year, including:

- o Based on a review of peer group and survey data, we determined to increase the base salary for each of our named executive officers; perquisites available to our named executive officers continued to be limited to an annual executive physical examination and a car allowance.
- o Each of our named executive officers, other than the President of our North America Business Unit and the Chief Executive Officer of DSS (the **DSS CEO**), received a performance bonus equal to 114.0% of target award opportunity. The President of our North America Business Unit received a performance bonus equal to 124.0% of target award opportunity, and the DSS CEO received a performance bonus equal to 60.0% of target award opportunity.

Awards of a combination of performance-based restricted share units (37.5%), time-based restricted share units (25%), and stock options (37.5%) to each of our named executive officers, other than the DSS CEO. All of these restricted share units and stock options cliff vest at the end of fiscal 2017, with the performance-based restricted share units vesting based upon the achievement of a specific level of cumulative pre-tax income over the three-year period ending at the end of fiscal 2017. The DSS CEO received a grant of performance-based restricted share units in 2014 vesting over the three year period ending in 2017, and therefore did not receive an equity award in 2015 (for additional details on the award granted to the DSS CEO in 2014, please see the **Outstanding Equity Awards at 2015 Fiscal Year End** Table on page 42 of this proxy circular). By linking an element of our long-term incentives to three-year financial results, our goal is to align our named executive officers' incentives with the long-term interests of shareowners. For grants in 2016, our named executive officers, other than the DSS CEO, received the same types and relative percentages of equity awards as were awarded in 2015. After a review of peer group and survey data, for grants in 2016, the Compensation Committee determined to provide for pro rata vesting of stock options and the time-based restricted share units (ratable vesting in three equal annual installments), as well as the accrual of dividends on unvested time-based restricted share units and performance-based restricted share units (with payment of such accrued dividends made upon vesting of the award).

A number of policies designed to further our compensation goals and strategies:

- o A clawback policy to allow the board of directors to recoup any excess annual or long-term incentive compensation paid to our current and former executive officers in the event of a required accounting restatement of a financial statement of Cott, whether or not based on misconduct, due to material non-compliance with any financial reporting requirement under the securities laws of the United States. The clawback policy is intended to reduce potential risks associated with our incentive plans, and thus better align the long-term interests of our named executive officers and shareowners.
- o A no-hedging policy that prohibits our directors, named executive officers, and other key executive officers from engaging in any hedging or monetization transactions, such as zero-cost collars and forward sale contracts, with respect to Cott securities.

Table of Contents

- o A policy prohibiting directors and employees, including named executive officers, from engaging in any short-term, speculative transactions involving Cott securities, including purchasing securities on margin, engaging in short sales, buying or selling put or call options, and trading in options.
- o A policy prohibiting directors and employees, including named executive officers, from holding Cott securities in a margin account or pledging Cott securities as collateral for a loan.
- o Share ownership guidelines that require our directors, named executive officers, and other key employees to hold a certain amount of shares received as equity compensation from Cott, with the amount set at a particular multiple of base salary.

The Compensation Committee's continued engagement of an independent compensation consultant that does not provide any services to management and that had no relationship with management prior to the engagement.

The continued administration of a robust risk management program, which includes our Compensation Committee's oversight of the ongoing evaluation of the relationship between our compensation programs and risk, as well as the oversight of risk by the Audit Committee on behalf of the full board pursuant to the Audit Committee Charter.

We believe that the following two tables are helpful in understanding the actual performance-based compensation received by our named executive officers in fiscal 2013 through 2015. These tables supplement the information in the Summary Compensation Table, the Grants of Plan-Based Awards in Fiscal 2015 Table, and the Outstanding Equity Awards at 2015 Fiscal Year End Table appearing following Compensation Discussion and Analysis.

Table 1 illustrates the targeted versus actual payout of the performance-based cash bonuses to our named executive officers over the previous three fiscal years.

Table 2 shows the grant date fair values and share-based compensation expense for performance-based restricted share units granted over the last three years to our named executive officers. We believe that this supplemental table illustrates the actual fiscal year end value of performance-based restricted share units granted to our named executive officers in fiscal 2015 and in previous years. The performance targets established for the performance-based restricted share units granted to our named executive officers in fiscal 2013 were not met at the end of fiscal 2015, and as a result, those awards did not vest. The data set forth in this table excludes time-based restricted share units and stock options.

(3) Mr. Harrington was not a named executive officer in 2013. Mr. Harrington became an executive officer of Cott upon the acquisition of DSS on December 12, 2014. After the closing of the acquisition, Mr. Harrington received a grant of performance-based restricted share units, which vests based upon the achievement of a specific level of DSS EBITDA, DSS revenue and net cooler rental activity (weighted 60%, 20% and 20%, respectively) over the three-year period ending at the end of fiscal 2017. In light of the December 2014 award, Mr. Harrington did not receive an equity award in 2015.

As we believe the above information indicates, the compensation program for our named executive officers emphasizes performance-based compensation that is at-risk and generally only payable based on achievement of challenging corporate and individual targets. We encourage you to read this Compensation Discussion and Analysis for details regarding our executive compensation program, including information about the 2015 compensation of the named executive officers.

Say-on-Pay and Say-on-Frequency Results

At the 2015 annual meeting of shareowners, we solicited from our shareowners an advisory vote on the compensation of our named executive officers. The shareowners voted to approve, on an advisory basis, the compensation of our named executive officers, as such information is disclosed in the Compensation Discussion and Analysis, the compensation tables and the accompanying narrative disclosure, set forth in our 2015 annual meeting proxy circular. The vote was 95.10% of the shares voting For, 2.97% of the shares voting Against, and 1.93% of the shares Withholding their votes.

The Compensation Committee took into account the result of the shareowner vote in determining executive compensation policies and decisions since the 2015 annual meeting of shareowners. The Compensation Committee viewed the vote as an expression of the shareowners' general satisfaction with our current executive compensation programs. While the Compensation Committee considered the outcome of the advisory vote in determining to continue our executive compensation programs for fiscal 2016, decisions regarding incremental changes in individual compensation were made in consideration of the factors described in this Compensation Discussion and Analysis.

Consistent with our shareowners' preference expressed in voting at the 2011 annual meeting of shareowners, the board determined that an advisory vote on the compensation of our named executive officers will be conducted every year. The next advisory vote on the frequency of an advisory vote on executive compensation will take place at the 2017 annual meeting of shareowners.

Overview of Compensation Program

The Compensation Committee is responsible for overseeing Cott's compensation reward programs, which include compensation (base salary, bonus, and equity compensation) and limited perquisites as described below and as set forth in the Summary Compensation Table. In addition, the Compensation Committee is responsible for overseeing talent management and succession planning for the senior management team, as well as setting objectives and evaluating the performance of Cott's Chief Executive Officer. To assist in executing its responsibilities, the Compensation Committee may retain independent compensation consultants, at Cott's expense, who report solely to the Compensation Committee. The Compensation Committee is responsible for ensuring that the total compensation paid to our Chief Executive Officer and the officers who directly report to him is fair, reasonable and competitive. The Compensation Committee must recommend to the independent members of the board of directors, and the board must review and, if it deems appropriate, approve any changes to our Chief Executive Officer's compensation package. The Compensation Committee reviews and approves all compensation packages and any adjustments thereto for the direct reports. The Compensation Committee also approves any severance packages to departing direct reports, as well as the severance plans that govern the terms of the severance packages. We refer to the officers who report directly to our Chief Executive Officer as **direct reports**, which in 2015 included all of our named executive officers other than Mr. Fowden.

Company Objectives

The primary objectives of our current compensation program are to incentivize management to increase long-term, sustainable shareowner value, giving appropriate consideration to risk and reward, and to focus management on executing our strategic priorities. Periodically, the Compensation Committee reviews and approves the design of our compensation programs to ensure that it provides sufficient compensation opportunities for executives in order to attract, retain and motivate the best possible management team. Our compensation programs are designed to:

Establish pay levels with reference to personal performance and external competitiveness with relevant labor markets and the relative value of the role in Cott's business, with the ultimate objective of aligning our named executive officers' compensation with the market median of the compensation of executives performing similar functions in the competitive market and in Cott's peer group;

Table of Contents

Achieve this alignment by making incremental adjustments to components of named executive officers' compensation over time, with the type and magnitude of such adjustments made in light of Cott's overall business performance;

Reward executives based on the achievement of both individual and corporate performance targets, while at the same time avoiding the encouragement of unnecessary or excessive risk-taking; and

Deliver conservative, market-based executive benefits.

Our compensation packages for named executive officers consist of a base salary, opportunities for annual performance-based cash bonus compensation, and long-term compensation in the form of equity ownership. The Compensation Committee has selected these components because it believes they align the interests of our named executive officers with those of our long-term shareholders and motivate these executives to achieve our goals.

Setting Executive Compensation and the Role of Executive Officers in Compensation Decisions

Periodically, the Compensation Committee determines what adjustments, if any, to base salary, cash performance bonus amounts, performance targets for performance-based compensation, and the applicable levels and targets for other compensation would be appropriate for our Chief Executive Officer, and recommends any adjustments to the board of directors. The board considers the Compensation Committee's proposals and, if acceptable, approves them.

The Compensation Committee also determines whether any adjustments to compensation would be appropriate for the direct reports. The Compensation Committee, annually and as it otherwise deems appropriate, meets with our Chief Executive Officer and our Corporate Human Resources Vice President to obtain recommendations with respect to our compensation programs and packages for the direct reports. The Chief Executive Officer and our Corporate Human Resources Vice President may make recommendations to the Compensation Committee on base salary, long-term incentive plan awards, performance targets, and other compensation terms for the direct reports that the Compensation Committee may consider. The Compensation Committee considers management's proposals, reviews independent data to validate these recommendations and, if acceptable, approves them. The Compensation Committee is not bound to, and does not always accept, management's recommendations with respect to executive compensation for the direct reports. In addition, the Compensation Committee has the authority to access (at Cott's expense) independent, outside compensation consultants and other advisors for both advice and competitive data as it determines the level and nature of Cott's executive compensation.

In 2015, the Compensation Committee continued to retain Frederic W. Cook & Co. (**Cook**) as its sole independent compensation consultant. Cook only performs work for and reports directly to the Compensation Committee and attends Compensation Committee meetings as requested. Cook provided recommendations to the Compensation Committee on the competitiveness and appropriateness of all elements of executive compensation, including the Chief Executive Officer's compensation. Cook did not provide any additional services to the board or management in 2015.

The Compensation Committee has considered the independence of Cook in light of SEC rules and NYSE listing standards. In connection with this process, the Compensation Committee has reviewed, among other items, a report from Cook addressing the independence of Cook and the members of the consulting team serving the Compensation Committee, including the following factors: (i) other services provided to Cott by Cook; (ii) fees paid by Cott as a percentage of Cook's total revenue; (iii) policies or procedures of Cook that are designed to prevent conflicts of interest; (iv) any business or personal relationships between the senior advisor of the consulting team with a member of the Compensation Committee; (v) any Cott stock owned by the senior advisor or any immediate family member; and (vi) any business or personal relationships between our executive

Table of Contents

officers and the senior advisor. The Compensation Committee discussed these considerations and concluded that the work performed by Cook and its senior advisor involved in the engagement did not raise any conflict of interest.

The Compensation Committee periodically reviews compensation data and pay practices from Cott's peer group and general industry surveys to determine the market median of the compensation of executives performing similar functions in the competitive market and in Cott's peer group. However, the board of directors and the Compensation Committee retain discretion in setting the compensation for our Chief Executive Officer and his direct reports, respectively. As a result, compensation for these executives may differ materially from the peer group and may vary according to factors such as experience, position, tenure, individual and organizational factors, and retention needs, among others. The Compensation Committee periodically evaluates and selects which companies to reference for purposes of executive compensation competitiveness. With guidance from its compensation consultant and input and discussion with management, the Compensation Committee discusses annually whether the mix of companies in the peer group produces a valid competitive analysis relative to our talent requirements.

The Compensation Committee, with input from Cook, determined in 2014 that the peer group below, consisting of selected North American companies, was appropriate for setting 2015 target compensation.

(1) In May 2014, the Compensation Committee determined to remove Central European Distribution Corp. from the peer group as it was acquired by Russian Standard Corporation in 2013. In December 2014, the Compensation Committee determined to remove Beam Inc. from the peer group as it was acquired by Suntory Holdings in 2014, and add Dr Pepper Snapple Group, Inc., as its financial profile is more closely aligned with Cott's financial profile following Cott's acquisition of DSS.

During its May 2015 meeting, the Compensation Committee, with input from Cook, reviewed the peer group that would be used for setting 2016 target compensation and determined to remove Chiquita Brands International, Inc. as it was acquired by Cutrale and Safra Groups in 2015.

In addition, the Compensation Committee reviews size-adjusted median compensation data from two general industry surveys in which management annually participates: the Aon Hewitt Total Compensation Measurement survey and the Towers Watson Compensation Data Bank survey. The Aon Hewitt survey in 2014 included over 450 companies ranging in size from \$100 million to over \$100 billion in annual revenue, and the Towers Watson survey in 2014 included over 440 organizations ranging in size from \$100 million to over \$100 billion in annual revenue.

The Compensation Committee annually reviews peer group and survey data in recommending our Chief Executive Officer's compensation to the board of directors and in setting compensation for the direct reports. We consider the compensation paid by companies in our peer group as one factor in setting compensation for our named executive officers, and we may review peer group data with respect to individual components of compensation in addition to overall compensation. Compensation for the majority of our named executive

Table of Contents

officers has historically fallen at the low end of our market median range (our market median range is plus or minus 10% of the market median for base salary, plus or minus 15% of the market median for all other elements of compensation, and plus or minus 15% of the market median for total compensation). Our goal, over time and depending on the success of our overall business, is to more closely align components of our named executive officers' compensation with the market median for all compensation elements. In 2015, base salary for all of our named executive officers, except our Chief Executive Officer and the DSS CEO, was slightly below the low end of our market median range. Base salary for our Chief Executive Officer was within the low end of our market median range. Total compensation for our Chief Executive Officer, Chief Financial Officer and President of our North America Business Unit was slightly below the low end of our market median range. Total compensation for our Vice President, General Counsel and Secretary was within the low end of our market median range. Total compensation and base salary for the DSS CEO is set by an employment agreement negotiated as part of the acquisition of DSS.

The Compensation Committee intends to continue to make adjustments to executive compensation in light of the objectives of our compensation program, our financial and competitive position and our business. The Compensation Committee may exercise discretion as to the type and magnitude of these adjustments. In addition, the Compensation Committee may choose to set compensation based on factors other than external data and company performance, including individual responsibilities, potential and achievement. The Compensation Committee believes that its 2015 decisions supported the objectives of Cott's compensation program.

Long-Term versus Currently-Paid Compensation

Currently-paid compensation to our named executive officers includes base salaries, which are paid periodically throughout the fiscal year, annual cash performance bonuses based on performance targets proposed by management and approved by the Compensation Committee, which are awarded after the end of the fiscal year, and limited perquisites and personal benefits, which are paid consistent with our policies in appropriate circumstances. Our named executive officers historically have been eligible to participate in our long-term equity incentive plans, including the Amended and Restated Cott Corporation Equity Incentive Plan (the **Amended and Restated Equity Plan**). The Amended and Restated Equity Plan provides the Compensation Committee and management with the flexibility to design compensatory awards responsive to Cott's business needs and goals. Awards under the Amended and Restated Equity Plan may be in the form of stock options, stock appreciation rights, restricted shares, restricted share units, performance shares, performance units or stock payments. As of January 2, 2016, other than outstanding equity awards under the Amended and Restated Equity Plan, there were no equity awards outstanding. The Amended and Restated Equity Plan is described in more detail under the heading **Equity Compensation Plan Information** on page 49 of this proxy circular. Our executive officers may also participate in our 401(k) Plan, which is available to all employees in the United States, except for certain union employees.

The compensation structure for our named executive officers is intended to balance the need of these executives for current income with the need to create long-term incentives that are directly tied to achievement of our operational targets and growth in shareowner value. For our Chief Executive Officer, the Compensation Committee reviews peer group and survey data and recommends to the board of directors the terms of his compensation arrangements. The board reviews the recommendation and, if acceptable, approves such arrangements. Our Chief Executive Officer and Corporate Human Resources Vice President review peer group and survey data and recommend to the Compensation Committee the terms of the compensation arrangements for direct reports. The Compensation Committee reviews those recommendations and, if acceptable, approves them.

With respect to long-term incentive awards in 2015, our named executive officers, other than the DSS CEO, received a combination of performance-based restricted share units (37.5%), time-based restricted share units (25%) and stock options (37.5%) under the Amended and Restated Equity Plan. All of these restricted share units and stock options cliff vest at the end of fiscal 2017, with the performance-based restricted share units vesting at

Table of Contents

the end of fiscal 2017 based on the achievement of a specific level of cumulative pre-tax income during the three-year period ending at the end of fiscal 2017. After the closing of our acquisition of DSS in 2014, the DSS CEO received a grant of performance-based restricted share units, which vests based upon the achievement of a specific level of DSS EBITDA, DSS revenue and net cooler rental activity (weighted 60%, 20% and 20%, respectively) over the three-year period ending at the end of fiscal 2017. In light of the December 2014 award, the DSS CEO did not receive an equity award in 2015. The Compensation Committee selected a three-year performance period for awards made in 2015 based upon input received from Cook regarding the time period utilized with respect to similar awards made by Cott’s peer group companies, as well as the Compensation Committee’s belief that a three-year measurement period reinforces the link between incentives and long-term Company performance. The Compensation Committee determined to award the combination of equity described above following a review of peer group and survey data. We believe that these equity awards incentivize our named executive officers, align the interests of our named executive officers with those of our shareowners, and encourage executive retention. For grants in 2016, our named executive officers, other than the DSS CEO, received the same types and relative percentages of equity awards as were awarded in 2015. After a review of peer group and survey data, for grants in 2016, the Compensation Committee determined to provide for pro rata vesting of stock options and the time-based restricted share units (ratable vesting in three equal annual installments), as well as the accrual of dividends on unvested time-based restricted share units and performance-based restricted share units (with payment of such accrued dividends made upon vesting of the award).

Compensation Components

For 2015, the principal compensation components for Cott’s named executive officers consisted of the following:

Component	Objective
Base salary	Fixed pay that takes into account an individual’s role and responsibilities, experience, expertise, and individual performance, and compensates named executive officers for services rendered during the fiscal year.
Cash performance bonuses	Performance-based compensation that is paid to reward attainment of annual corporate and individual performance targets.
Long-term equity incentive awards	Equity compensation that reinforces the link between incentives and long-term Company performance, incentivizes our named executive officers, aligns the interests of our named executive officers with those of our shareowners, and encourages executive retention.
Retirement benefits	Retirement benefits that provide the opportunity for financial security in retirement consistent with programs for our broad-based employee population (including limited matching contributions under Cott’s 401(k) Plan).
Limited perquisites and benefits	Limited perquisites and benefits that effectively facilitate job performance, including an annual executive physical examination and a car allowance.

Base Salary

We provide named executive officers and other employees with base salary, paid over the course of the year, to compensate them for services rendered during the fiscal year. Base salary is determined by an annual assessment of a number of factors, including position and responsibilities, experience, individual job

Table of Contents

performance relative to responsibilities, impact on development and achievement of our business strategy, and competitive market factors for comparable talent in the peer group. However, the board of directors and the Compensation Committee retain discretion in setting the compensation for our Chief Executive Officer and the direct reports, respectively, and as a result, base salary for these executives may differ from that of comparable executives in the peer group.

In 2015, the Compensation Committee recommended, and the board of directors approved, an increase to the base salary for our Chief Executive Officer. Similarly, upon the recommendation of our Chief Executive Officer and our Corporate Human Resources Vice President, the Compensation Committee determined to increase the base salaries for our other named executive officers. In making such determinations, the board and the Compensation Committee considered the achievement of individual performance goals, a review of peer group and survey data, the results of Cott's performance, and input from Cook.

In 2015, base salary for all of our named executive officers, except our Chief Executive Officer and the DSS CEO, was slightly below the low end of our market median range. Base salary for our Chief Executive Officer was within the low end of our market median range. Base salary for the DSS CEO is set by an employment agreement negotiated as part of the acquisition of DSS. Base salary for our named executive officers in 2015 is shown in the Summary Compensation Table, under the heading **Salary** on page 37 of this proxy circular.

For 2016, the Compensation Committee considered achievement of individual performance goals, a review of peer group and survey data, the results of Cott's performance and input from Cook, and determined to increase the base salaries for 2016 for our Chief Financial Officer and Vice President, General Counsel and Secretary, and recommended to the board of directors an increase in the base salary for 2016 for our Chief Executive Officer, which the board approved. See below under **Named Executive Officer Employment Agreements** on page 38 of this proxy circular.

Performance Bonuses

General

The Compensation Committee believes that some portion of overall cash compensation for named executive officers should be performance-based, that is, contingent on successful achievement of corporate and individual targets. To that end, and depending on our financial and operating performance, the Compensation Committee may approve performance-based bonuses. The addition of performance bonuses in these situations more closely aligns a named executive officer's overall compensation with his or her individual performance and the profitability of the business unit for which he or she is accountable.

Eligibility for performance bonuses is set forth in a named executive officer's employment offer letter, and is based on market competitiveness, the impact of the executive's role within Cott, and the executive's long-term contributions. Any changes to the target bonus levels set forth in the employment offer letter for our Chief Executive Officer are recommended by the Compensation Committee and determined by the board of directors. Any changes to the target bonus levels set forth in the employment offer letters for the direct reports are reviewed and approved by the Compensation Committee. The targets related to performance-based bonuses are reviewed and approved by the Compensation Committee. The Compensation Committee believes that this bonus arrangement presents executives with clear, quantified targets that will focus them on strategic issues and align management's interests with those of our long-term shareowners in the sustained growth of shareowner value.

At the end of each fiscal year, an individual performance review is conducted for each named executive officer. If an individual performance review results in a rating below acceptable levels for the relevant period, all or a portion of the performance bonus may be withheld, even if corporate targets were met. During the performance review for our Chief Executive Officer and for his direct reports, the Compensation Committee

Table of Contents

determines whether the individual performance targets were met. Our board of directors retains the discretion to make adjustments to the performance bonus for our Chief Executive Officer, and the Compensation Committee retains the discretion to make adjustments to the performance bonuses for the direct reports.

The Compensation Committee also has the authority to award discretionary bonuses in recognition of particularly significant contributions by an executive during the year. No such discretionary bonuses were awarded in 2015.

Company Performance Targets

Performance bonus eligibility in 2015 was determined based in part on achieving corporate targets and in part on achieving individual targets. In 2015, 70% of the performance bonus of our named executive officers, other than the DSS CEO, was calculated based on Cott achieving a specified level of EBITDA (as defined below), 15% of the performance bonus was based on Cott achieving a specified level of operating free cash flow (as defined below) and 15% of the performance bonus was based on Cott achieving a specified level of revenue. The performance bonus for the DSS CEO was calculated based on DSS achieving specified levels of EBITDA and net cooler rental activity, weighted 70% and 30%, respectively.

For performance bonus purposes, (i) **EBITDA** is GAAP earnings before interest, taxes, depreciation, and amortization, (ii) **operating free cash flow** is GAAP net cash provided by operating activities, less capital expenditures, and (iii) **net cooler rental activity** is net new cooler rental customers, or total cooler rental customer additions for the year less total cooler rental customers who terminated service in the year. The metrics utilized for performance bonus purposes may be adjusted to exclude the impact of certain items as approved by the Compensation Committee, and as a result, they may not correspond to the reported measures used in Cott's other disclosures or filings.

The business unit in which an individual is employed determines the bonus pool from which he or she is eligible to receive a performance bonus payment and the metrics applicable for the payment of the bonus. There were six company-wide major bonus pools designated at the start of 2015: North America, DSS, United Kingdom, Mexico, RCI and Corporate. All of our named executive officers, other than the President of our North America Business Unit and the DSS CEO, participated in the Corporate bonus pool in 2015. The President of our North America Business Unit participated in the North America bonus pool and the DSS CEO participated in the DSS bonus pool.

The metrics described above closely correspond with the performance of our business, and the Compensation Committee therefore viewed them as appropriate performance targets for measuring the achievement by our named executive officers of Cott's business goals. Once the corporate performance targets were achieved, the individual performance of the named executive officer was considered, and if expectations for his or her role had been met, the executive was paid a bonus in full. A bonus could have been withheld in whole or in part if the executive did not meet expectations for his or her role. No bonus or portion of a bonus was withheld in 2015.

Performance bonuses in 2015 had a threshold level, a base target level and an outperform level. Performance bonuses may be paid if the actual result for each metric, other than EBITDA, is less than the applicable threshold level. If the actual results for the EBITDA metric are below the threshold level, no performance bonuses will be paid, subject to the discretion of the board of directors and the Compensation Committee to modify the performance bonus of our Chief Executive Officer and his direct reports, respectively, based on achievement of individual performance targets. Management generally recommends the performance criteria targets at the beginning of each year to the Compensation Committee for review and approval. For 2015, our named executive officers, other than the DSS CEO, could earn a performance bonus of up to a maximum level of 200% of the target bonus amount based on achievement of goals in excess of the outperform level, and the DSS CEO could earn a performance bonus of up to a maximum level of 118% of the target bonus amount.

Table of Contents

based on achievement of goals in excess of the outperform level. In the Corporate, North America and DSS bonus pools, the target bonus awards for 2015 for our named executive officers varied between 75% and 100% of annual base salary.

The Compensation Committee believes that setting an achievable goal is important in motivating our employees appropriately and in constructing a pay package that allows us to compete successfully in the market for talented employees. The following chart sets forth the threshold, target and outperform performance targets established by the Compensation Committee in February 2015 for the Corporate, North America and DSS bonus pools, and the actual results achieved for those bonus pools.

2015 Performance Bonus Program**Targets applicable to named executive officers (\$ in millions)**

	Corporate Pool (enterprise level)			North America Unit Pool (operating unit level)			DSS Unit Pool (operating unit level)	
	EBITDA	Operating Free Cash Flow	Revenue	EBITDA	Operating Free Cash Flow	Revenue	EBITDA	Net Cooler Rental Activity
	\$	\$	\$	\$	\$	\$	\$	#
Threshold	286.8	95.4	2,911.0	118.7	89.7	1,266.4	168.0	20,000
Target	358.5	119.3	3,064.2	144.1	112.1	1,333.0	180.7	35,860
Outperform	433.8	143.2	3,278.7	181.0	134.5	1,426.3	199.0	39,500

Actual 360.6 143.2 2,997.7 156.5 135.4 1,334.0 179.6 8,000

These metrics are interpolated on a straight-line basis between the threshold, target, and outperform performance levels, resulting in a payout percentage for each metric. The relative weighting for each metric as set forth in the chart below is applied to the payout percentages, and the results are aggregated, resulting in a bonus payout as a percentage of the target award. This percentage is then applied to the target bonus amount to determine the amount of a named executive officer's bonus, subject to the discretion of the board of directors and the Compensation Committee to modify the performance bonus.

The following chart sets forth the calculation of the bonus payouts as a percentage of target award opportunities for the Corporate, North America and DSS bonus pools.

2015 Performance Bonus Program**Calculation of bonus payout as a percent target award**

	Corporate Pool (enterprise level)			North America Unit Pool (operating unit level)			DSS Unit Pool (operating unit level)	
	EBITDA	Operating Free Cash Flow	Revenue	EBITDA	Operating Free Cash Flow	Revenue	EBITDA	Net Cooler Rental Activity
	70%	15%	15%	70%	15%	15%	70%	30%

Bonus Payout % Target Award 114.0% 124.0% 60.0%

As noted above, actual results, when weighted as described above, resulted in a bonus payout of 124.0% of target award opportunity for the President of our North America Business Unit, a bonus payout of 60.0% of target award opportunity for the DSS CEO, and a bonus payout of 114.0% of target award opportunity for the other named executive officers.

The Compensation Committee has determined to continue the same structure of corporate and individual performance metrics for 2016.

Individual Performance Targets

During 2015, we used individual performance targets for named executive officers in two ways. First, the Compensation Committee could have reduced or modified a performance bonus based on a named executive officer's achievement of or failure to achieve individual performance targets. The Compensation Committee determined that our named executive officers met their respective individual performance targets and, as a result, no reductions would be made to performance bonuses. Second, the Compensation Committee made salary adjustment decisions with respect to a named executive officer at the end of the year based in part upon achievement of individual performance targets, as discussed above under the heading **Compensation Components Base Salary** on page 26 of this proxy circular. The targets set for 2015 varied by business unit and the named executive officer's function within Cott. The individual targets for the Chief Executive Officer were approved by the Compensation Committee and the individual targets for the other named executive officers were approved by the Chief Executive Officer. The targets were set to reflect the executive's role in ongoing and planned business initiatives and were designed to closely correlate with our business plan for 2015. In setting specific target levels, a variety of factors were considered, including our areas of focus for the year, our relationships with customers and suppliers, and general economic conditions. A description of the individual 2015 performance targets applicable to our named executive officers is set out below:

Chief Executive Officer:

Develop and implement strategic and operational initiatives for long-term growth of Cott; and

Achieve specific financial and operational targets.

Chief Financial Officer:

Implement strategic and operational initiatives for long-term growth of Cott; and

Achieve specific financial and operational targets.

President of our North America Business Unit:

Deliver certain operational and financial targets; and

Implement operational initiatives for long-term growth of the North America Business Unit.

DSS CEO:

Deliver certain operational and financial targets; and

Implement operational initiatives for long-term growth of the DSS business.

Vice President, General Counsel and Secretary:

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

Develop and oversee legal support function for implementation of strategic and operational initiatives for long-term growth of Cott;
and

Resolve certain litigation matters in a cost effective manner.

The individual performance targets are set in order to accomplish two objectives. First, the targets represent management's and the Compensation Committee's goals for Cott's performance over time, based on market factors, customer relationships, commodity costs and other operational considerations that we weigh in preparing internal forecasts. Second, they provide executives with meaningful objectives, directly related to their job function, that motivate him or her to positively contribute to our success.

Long-Term Incentive Plans

In 2015, our senior-level employees were eligible to participate in our Amended and Restated Equity Plan. There is no set formula for the granting of awards to individual executives or employees under the Amended and Restated Equity Plan. Generally, we use a methodology to determine award size based on benchmarking against our peer group and the industry in general, among other factors. The Amended and Restated Equity Plan provides the Compensation Committee and management with the flexibility to design compensatory awards responsive to Cott's needs. Awards under the Amended and Restated Equity Plan may be in the form of stock options, stock appreciation rights, restricted shares, restricted share units, performance shares, performance units or stock payments.

In 2015, our named executive officers, other than the DSS CEO, received a combination of performance-based restricted share units (37.5%), time-based restricted share units (25%), and stock options (37.5%). All of these restricted share units and stock options cliff vest at the end of fiscal 2017, with the performance-based restricted share units vesting at the end of fiscal 2017 based on the achievement of a specific level of cumulative pre-tax income during the three-year period ending at the end of fiscal 2017. In connection with our acquisition of DSS in 2014, the DSS CEO received a grant of performance-based restricted share units, which vests based upon the achievement of a specific level of DSS EBITDA, DSS revenue and net cooler rental activity (weighted 60%, 20% and 20%, respectively) over the three-year period ending at the end of fiscal 2017, and therefore did not receive an equity award in 2015. For performance-based restricted share unit purposes, (i) **pre-tax income** is GAAP income before income taxes, (ii) **DSS EBITDA** is GAAP DSS earnings before interest, taxes, depreciation, and amortization attributable to DSS, and (iii) **net cooler rental activity** is net new cooler rental customers, or total cooler rental customer additions for the year less total cooler rental customers who terminated service in the year. The metrics used for performance-based equity awards may be adjusted to exclude the impact of certain items, as approved by the Compensation Committee, and as a result, they may not correspond to similarly titled reported measures used in Cott's other disclosures or filings. The Compensation Committee selected a three-year performance period based upon input received from Cook regarding the time period utilized with respect to similar awards made by Cott's peer group companies, as well as the Compensation Committee's belief that a three-year measurement period reinforces the link between incentives and long-term Company performance. The Compensation Committee determined to award this combination of equity to the named executive officers following a review of peer group and survey data. We believe that these equity awards incentivize our named executive officers, align the interests of our named executive officers with those of our shareowners, and encourage executive retention. For grants in 2016, our named executive officers other than the DSS CEO received the same types and relative percentages of equity awards as were awarded in 2015. After a review of peer group and survey data, for grants in 2016, the Compensation Committee determined to provide for pro rata vesting of stock options and the time-based restricted share units (ratable vesting in three equal annual installments), as well as the accrual of dividends on unvested time-based restricted share units and performance-based restricted share units (with payment of such accrued dividends made upon vesting of the award).

The performance targets established for the performance-based restricted share units granted to our named executive officers in fiscal 2013 were not met at the end of fiscal 2015, and as a result, those awards did not vest.

Retirement Benefits

In 2015, as part of our cost management efforts, we continued to limit executive benefits to those specifically granted pursuant to employment agreements (as discussed in the narrative following the Summary Compensation Table and below). Our named executive officers are eligible to participate in our 401(k) Plan, which is open to all employees in the United States except certain union employees. Employees are eligible to join this plan the first day of the month following 90 days of employment. Employees can contribute up to 90% of their eligible earnings. In 2015, we reinstated limited matching contributions under the 401(k) plan.

Table of Contents

Perquisites and Other Personal Benefits

We provide our named executive officers with limited perquisites and other personal benefits that are not otherwise available to all of our employees, including an annual executive physical examination and a car allowance. The Compensation Committee periodically reviews the levels of perquisites and other personal benefits provided to named executive officers to ensure that they are appropriately limited and effectively facilitate job performance. Perquisites and personal benefits are taken into account as part of the total compensation to executive officers.

Perquisites and other personal benefits for our named executive officers are set forth in the Summary Compensation Table, under the heading **All Other Compensation** and related footnotes on page 37 of this proxy circular.

Severance Arrangements

We have arrangements with our named executive officers to provide for payment and other benefits if such executive's employment is terminated under certain circumstances. We have entered into such arrangements in order to discourage these executives from voluntarily terminating their employment with us in order to accept other employment opportunities, and to provide assurances to these executives that they will be compensated if terminated by us without cause. The specific arrangements for each officer may differ, depending on the terms of the officer's employment agreement or whether such officer participates in one of our severance plans.

Severance Plan

As of the last day of fiscal 2015, each of our named executive officers, other than the DSS CEO, participated in the Cott Corporation Severance and Non-Competition Plan (the **Severance Plan**), which we implemented in 2009. Subject to certain exceptions, the Severance Plan defines the entitlements for these executives upon a qualified termination of employment and replaces all previous termination and severance entitlements to which they may have been entitled. The Severance Plan and entitlements under such plan are described in more detail under the heading **Potential Payments Upon Termination or Change of Control Severance Plan** on page 45 of this proxy circular.

Other Severance Payments

The DSS CEO does not participate in a severance plan. His entitlements under a qualified termination of employment as of such date were governed by his employment letter agreement. The terms of this arrangement are described in more detail under the heading **Potential Payments Upon Termination or Change of Control Payments to Other Named Executive Officers** on page 48 of this proxy circular.

Treatment of Equity Awards upon Termination or Change of Control

Our Amended and Restated Equity Plan (see **Equity Compensation Plan Information** on page 49 of this proxy circular) contains provisions triggered by a change of control of Cott, thus providing assurances to our named executive officers and employees that their equity investment in Cott will not be lost in the event of the sale, liquidation, dissolution or other change of control of Cott. These terms provide for the acceleration of equity awards in limited circumstances, namely, when the awards (1) are not continued, assumed, or replaced by the surviving or successor entity or (2) are so assumed, but where a named executive officer or employee is involuntarily terminated for reasons other than Cause, or terminates his or her employment for Good Reason (as such capitalized terms are defined in the Amended and Restated Equity Plan), within two years after the change of control.

Additionally, our Amended and Restated Equity Plan contains provisions triggered when a named executive officer or employee retires, is terminated without Cause or resigns with Good Reason. The Amended and

Table of Contents

Restated Equity Plan provides for different vesting terms depending on the type of award. Performance-based awards, restricted shares and restricted share units contemplate partial vesting after termination based on the length of employment relative to the performance or vesting period. Options contemplate accelerated vesting, generally on the employment termination date.

A more detailed discussion of payments in connection with a termination or change of control is set forth under **Potential Payments Upon Termination or Change of Control** on page 43 of this proxy circular.

Share Ownership Guidelines

The board of directors has established minimum share ownership requirements for the Chief Executive Officer, Chief Financial Officer, all other executive officers, and certain other employees. Under these requirements, the Chief Executive Officer must own common shares having a minimum aggregate value equal to four times his annual base salary. The Chief Financial Officer must own common shares having a minimum aggregate value equal to two times his annual base salary. Other direct reports must own common shares having a minimum aggregate value equal to one and a half times his or her annual base salary. The Compensation Committee or the board of directors may, from time to time, reevaluate and revise these guidelines to give effect to changes in Cott's common share price, capitalization, or changes in the base salary or the title of the above mentioned persons.

The value of shares owned by each of the above persons necessary to maintain compliance with the guidelines is recalculated on a semi-annual basis on June 30 and December 31 of each year. Compliance with the requirements is measured by the General Counsel on December 31 of each year and reported to the Compensation Committee. Individuals are expected to monitor their own compliance throughout the year. Individuals subject to the guidelines are not required to attain the minimum ownership level by a particular deadline; however, until the guideline amount is achieved, they are required to retain an amount equal to 100% of net shares received as equity compensation. Net shares are defined as those shares that remain after shares are sold or netted to pay the exercise price of stock options (if applicable) and taxes payable upon the grant of a stock payment or the vesting of restricted shares, restricted share units, performance shares, performance share units or the exercise of stock options or stock appreciation rights. Shares purchased on the open market may be sold in compliance with Cott's policies and applicable securities laws. Failure to meet or to show sustained progress toward meeting the guidelines may be a factor considered by the Compensation Committee in determining future long-term incentive equity grants to such persons. These requirements are designed to ensure that the economic interests of senior management correlate with the value of our stock and are thus closely aligned with the interests of Cott's shareowners.

Employee Share Purchase Plan

In March 2015, our board of directors adopted the Cott Corporation Employee Share Purchase Plan (the **ESPP**), which was approved by our shareowners in May 2015 and became effective as of October 1, 2015. The purpose of the ESPP is to provide eligible employees of Cott and our designated subsidiaries with an opportunity to acquire an ownership interest in us through the purchase of our common shares through payroll deductions at a discounted price. Eligible employees may purchase common shares at a price equal to 90% of the lower of the closing price of common shares on the NYSE on the first and last day of the offering period. We believe the ESPP further aligns the interests of our employees and shareowners and aids in the recruitment and retention of employees.

Insider Trading Restrictions and Policy Against Hedging

Our insider trading policy prohibits directors, officers, employees and consultants of Cott and certain of their family members from purchasing or selling any type of security, whether issued by us or another company, while such person is aware of material non-public information relating to the issuer of the security or from

Table of Contents

providing such material non-public information to any person who may trade while aware of such information. Trades by directors, executive officers and certain other employees are prohibited during certain prescribed blackout periods and are required to be pre-cleared by our Vice President, General Counsel and Secretary, subject to limited exceptions for approved Rule 10b5-1 plans. This policy prohibits directors, officers, employees and consultants of Cott from engaging in short sales with respect to our securities, trading in put or call options, or engaging in hedging or monetization transactions, such as zero-cost collars and forward sale contracts, with respect to our securities. This policy also prohibits employees and directors, including the named executive officers, from holding Cott securities in a margin account or pledging Cott securities as collateral for a loan.

Policy Regarding Clawback of Incentive Compensation

Our board of directors has adopted a clawback policy that allows the board to recoup any excess annual or long-term incentive compensation paid to our current and former executive officers in the event of a required accounting restatement of a financial statement of Cott, whether or not based on misconduct, due to material non-compliance with any financial reporting requirement under the securities laws of the United States. The clawback policy is intended to reduce potential risks associated with our incentive plans, and thus better align the long-term interests of our named executive officers and shareowners.

We believe that the clawback policy is sufficiently broad to reduce the potential risk that an executive officer would intentionally misstate results in order to benefit under an incentive program and provides a right of recovery in the event that an executive officer took actions that, in hindsight, should not have been rewarded.

Risk Management Considerations

The Compensation Committee believes that Cott's performance-based cash bonus and long-term incentive plans provide incentives for our executives and other employees to create long-term shareowner value. Several elements of the program are designed to promote the creation of long-term value and thereby discourage behavior that leads to excessive risk:

The base salary portion of compensation is designed to provide a steady income regardless of Cott's performance so that executives do not feel pressured to focus on achievement of certain performance goals at the expense of other aspects of Cott's business.

The performance goals used to determine the amount of an executive's bonus are measures that the Compensation Committee believes drive long-term shareowner value. The Compensation Committee attempts to set ranges for these measures that promote success without encouraging excessive risk-taking to achieve short-term results.

The measures used to determine whether performance-based restricted share units vest are based on performance over a three-year period. The Compensation Committee believes that the three-year measurement period reinforces the link between incentives and long-term Company performance, and the performance cycles overlap to reduce any incentive to maximize performance in a particular period at the expense of another.

Cash bonuses are capped (118% of target for the DSS CEO and 200% of target for our other named executive officers). Similarly, vesting for performance-based restricted share units is capped (200% of target).

The equity awarded to our named executive officers, other than the DSS CEO, is a mix of performance-based restricted share units, time-based restricted share units and stock options. The Compensation Committee believes that this mix avoids having a relatively high percentage of compensation tied to one element, and that the time-based restricted share units and stock options should reduce risky behavior because these awards are designed to retain employees and because they are earned over time.

Table of Contents

Compensation is balanced between short-term and long-term compensation, creating diverse time horizons.

The Compensation Committee believes that linking performance and the corresponding payout factor mitigates risk by avoiding situations where a relatively small amount of increased performance results in a relatively high corresponding amount of increased compensation.

Named executive officers are required to hold a certain amount of Cott shares, which aligns their interests with those of our shareowners.

We have implemented accounting policies and internal controls over the measurement and calculation of performance goals.

We have implemented the clawback policy described above, which is intended to reduce potential risks associated with our incentive plans, and thus better align the long-term interests of our named executive officers and shareowners.

We have a no-hedging policy that prohibits employees from engaging in any hedging or monetization transactions, such as zero-cost collars and forward sale contracts, with respect to Cott securities.

We have a policy prohibiting employees from engaging in any short-term, speculative transactions involving Cott securities, including purchasing securities on margin, engaging in short sales, buying or selling put or call options, and trading in options.

We have a policy prohibiting employees from holding Cott securities in a margin account or pledging Cott securities as collateral for a loan.

The Compensation Committee approves our short-term and long-term incentive compensation programs, which mitigates risk by empowering a group of independent directors with substantial experience and expertise.

The Compensation Committee has engaged an outside, independent compensation consultant who is knowledgeable regarding various compensation policies and their associated risks and is free from any conflict of interest.

The Compensation Committee has reviewed Cott's compensation policies and practices for its employees and determined that the risks arising from those policies and practices are not reasonably likely to have a material adverse effect on Cott.

Tax and Accounting Implications

When determining amounts of long-term incentive grants to executives and employees, the Compensation Committee considers the accounting cost associated with the grants. Under FASB ASC Topic 718, *Share-based Payments*, grants of equity-classified awards result in compensation expense for Cott. The Compensation Committee considers the accounting and tax treatment accorded to equity awards and takes steps to ensure that any issues are addressed by management; however, such treatment has not been a significant factor in establishing Cott's compensation programs or in the decisions of the Compensation Committee concerning the amount or type of equity award.

As part of its role, the Compensation Committee reviews and considers the deductibility of executive compensation under Section 162(m) of the U.S. Internal Revenue Code of 1986, as amended (the **Code**), which includes potential limitations on the deductibility of compensation in excess of \$1 million paid to our Chief Executive Officer and three other most highly compensated executive officers (other than our principal financial officer) serving on the last day of the year. Our Amended and Restated Equity Plan is intended to provide for the deductibility of payments under Cott's annual performance bonus plan and with respect to stock options and

Table of Contents

performance-based restricted share units, whenever possible. We generally intend to continue to take the necessary actions to maintain the deductibility of compensation resulting from these types of awards. In contrast, time-based restricted share units generally do not qualify as performance-based compensation under Section 162(m). Therefore, the vesting of time-based restricted share units in some cases could result in a loss of tax deductibility of compensation. While we view preserving tax deductibility as an important objective, we believe the primary purpose of our compensation program is to support our strategy and the long-term interests of our shareowners. In specific instances we have authorized, and in the future may authorize, compensation arrangements that are not fully tax deductible but that promote other important objectives of Cott and of our executive compensation program.

- (1) Stock awards made in 2015 were time-based and performance-based restricted share units granted under the Amended and Restated Equity Plan. The amounts reported in this column for 2015 reflect the aggregate grant date fair values for time-based and performance-based restricted share units computed in accordance with FASB ASC Topic 718 (**ASC 718**), excluding the effect of estimated forfeitures. The assumptions used for the valuations are set forth in Note 7 to our audited consolidated financial statements in our Annual Report on Form 10-K for the fiscal year ended January 2, 2016. The grant date fair values of awards granted in 2015 subject to performance conditions were as follows: Mr. Fowden: \$900,000; Mr. Wells: \$202,500; Mr. Kitching: \$543,750; and Ms. Poe: \$159,375. Assuming achievement of the highest level of performance for these awards, the grant date fair values of awards subject to performance conditions would have been as follows: Mr. Fowden: \$1,800,000; Mr. Wells: \$405,000; Mr. Kitching: \$1,087,500; and Ms. Poe: \$318,750.

Named Executive Officer Employment Agreements

Each of our named executive officers has a written employment agreement or offer letter setting forth the material terms of his or her employment. Under these employment agreements or offer letters, these executives receive annual base salaries at rates not less than the amounts reported in the Summary Compensation Table for 2015, which may be adjusted from time to time. Each of these agreements provides for:

eligibility to earn bonuses based upon the achievement of agreed-upon criteria established from time to time by the Compensation Committee; and

customary allowances and limited perquisites.

Each of the named executive officers employed by Cott as of the end of 2015 participates in both short-term and long-term incentive programs provided by us. The level of participation is determined by the Compensation Committee and varies by named executive officer. Each of our named executive officers is bound by restrictive covenants that generally limit their ability to compete with us in any countries in which we conduct business. They have also agreed to non-solicitation and nondisparagement covenants. These limitations continue during the term of employment and for a period of time following termination (regardless of the cause of the termination).

Potential severance payments in the event of termination or change of control of Cott for each named executive officer, as applicable, are described more particularly below under the heading **Potential Payments Upon Termination or Change of Control** on page 43 of this proxy circular.

Jerry Fowden Employment Agreement

In February 2009, we entered into an employment letter agreement with Jerry Fowden to serve as our Chief Executive Officer. The agreement has an indefinite term and provides for an annual base salary, which was increased to \$875,000 in 2015 (and which was increased to \$900,000 effective January 1, 2016), and a car allowance. Mr. Fowden is eligible to participate in our annual performance bonus plan, and since 2011 his annual bonus target has been 100% of his base salary.

Mr. Fowden is also eligible to participate in all of our long-term incentive plans made available from time to time to our senior executives at the discretion of the Compensation Committee, including the Amended and Restated Equity Plan. The grants to Mr. Fowden under the Amended and Restated Equity Plan are set forth in the **Grants of Plan-Based Awards in Fiscal 2015** Table on page 40 of this proxy circular.

Mr. Fowden participates in the Severance Plan, pursuant to which he is subject to standard confidentiality undertakings and non-disparagement covenants that survive the termination of his employment, regardless of the cause of the termination. He is also subject to a non-competition covenant that generally limits his ability to compete with us in any countries in which we conduct business, as well as a non-solicitation covenant. These limitations continue during the term of employment and for a period of one year following termination, regardless of the cause of the termination.

Thomas Harrington Employment Agreement

On December 16, 2014, we entered into an amended and restated employment agreement with Thomas Harrington, which amended and restated his prior employment agreement with DSS, to serve as the Chief Executive Officer of DSS. Under the terms of his employment agreement, Mr. Harrington received in 2014 a grant of performance-based restricted share units with a grant date fair value of \$5,000,000, which vests based upon the achievement of a specific level of DSS EBITDA (weighted 60%), DSS revenue (weighted 20%) and net cooler rental activity (weighted 20%) over the three-year period ending at the end of fiscal 2017. Mr. Harrington is eligible to participate in our annual performance bonus plan with an annual target bonus equal to 100% of his base salary.

Mr. Harrington is also eligible to participate in benefit plans made available to DSS employees and senior executives, as well as our long-term incentive plans at the discretion of the Compensation Committee, including the Amended and Restated Equity Plan.

These limitations continue during the term of employment and for a period of twelve months following termination, regardless of the cause of the termination.

Steven Kitching Employment Agreement

In February 2013, we entered into an offer letter agreement with Steven Kitching to serve as our President North America Business Unit, which was amended and restated in May 2015. Under the terms of his amended and restated offer letter agreement, Mr. Kitching received a long-term incentive award with a grant date fair value equal to \$1,000,000. Mr. Kitching is eligible to participate in our annual performance bonus plan with an annual target bonus equal to 75% of his base salary.

Mr. Kitching participates in the Severance Plan, pursuant to which he is subject to standard confidentiality undertakings and non-disparagement covenants that survive the termination of his employment, regardless of the cause of the termination. He is also subject to a non-competition covenant that generally limits his ability to compete with us in any countries in which we conduct business, as well as a non-solicitation covenant. These limitations continue during the term of employment and for a period of nine months following termination, regardless of the cause of the termination.

Table of Contents**Marni Morgan Poe Employment Agreement**

She is also subject to a non-competition covenant that generally limits her ability to compete with us in any countries in which we conduct business, as well as a non-solicitation covenant. These limitations continue during the term of employment and for a period of six months following termination, regardless of the cause of the termination.

adjustment to bonus levels based on achievement of individual performance targets. With respect to Mr. Harrington, amounts reported in these columns are calculated solely based on EBITDA and net cooler rental activity, and assume no adjustment to bonus levels based on achievement of individual performance targets. For additional information related to the annual cash incentive awards including performance goals, measures and weighting, see the **Compensation Discussion and Analysis** section of this proxy circular.

- (2) The amounts in these columns represent performance-based restricted share unit awards. The performance-based restricted share unit awards vest based on the achievement of a specified target level of cumulative pre-tax income for the period beginning on January 4, 2015 and ending on the last day of our 2017 fiscal year. The amounts included in the **Threshold** column reflect the total number of shares that would be issued at the end of the three-year performance period if 70% of the **target** pre-tax income level is achieved. The amounts included in the **Target** column reflect the total number of shares that would be issued at the end of the three-year performance period if 100% of the **target** pre-tax income level is achieved. The amounts included in the **Maximum** column reflect the total number of shares that would be issued at the end of the three-year performance period if 125% of the **target** pre-tax income level is achieved.
- (3) The amounts in this column represent grants of time-based restricted share units. Time-based restricted share units granted in 2015 vest on the last day of our 2017 fiscal year.
- (4) The amounts in this column represent grants of stock options. Stock options granted in 2015 vest on the last day of our 2017 fiscal year.
- (5) The **Grant Date Fair Value of Stock Awards and Options** column shows the full grant date fair values of the stock options and performance- and time-based restricted share units granted in fiscal 2015. The grant date fair values of the awards are determined under ASC 718 and represent the amounts we would expense in our financial statements over the vesting schedule for the awards. In accordance with SEC rules, the amounts in this column reflect the actual ASC 718 accounting cost without reduction for estimates of forfeitures related to service-based vesting conditions. The assumptions used for determining values are set forth in Note 7 to our audited consolidated financial statements in our Annual Report on Form 10-K for the fiscal year ended January 2, 2016. The amounts reflect our accounting for these grants and do not correspond to the actual values that may be realized by the named executive officers.

Potential Payments Upon Termination or Change of Control***Amended and Restated Equity Plan***

Under the Amended and Restated Equity Plan, in the event of a Change of Control, the surviving or successor entity may continue, assume or replace awards outstanding as of the date of the Change of Control. If (1) such awards are continued, assumed, or replaced by the surviving or successor entity, and within two years after the Change of Control a grantee experiences an involuntary termination of employment for reasons other than Cause, or terminates his or her employment for Good Reason, or (2) such awards are not continued, assumed or replaced by the surviving or successor entity, then (i) outstanding options and stock appreciation rights issued to a participant that are not yet fully exercisable will immediately become exercisable in full and will remain exercisable in accordance with their terms, (ii) all unvested restricted shares, restricted share units, performance shares and performance units will become immediately fully vested and non-forfeitable; and (iii) any performance objectives applicable to awards will be deemed to have been satisfied at the target level of performance specified in connection with the applicable award. Additionally, the Compensation Committee may terminate some or all of such outstanding awards, in whole or in part, as of the effective time of the Change of Control in exchange for payments to the holders as provided in the Amended and Restated Equity Plan.

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

The Amended and Restated Equity Plan defines **Change of Control** as (i) the consummation of a consolidation, merger, amalgamation, or other similar corporate reorganization of Cott with or into any other

Table of Contents

corporation whereby the voting shareholders of Cott immediately prior to such event receive less than 50% of the voting shares of the consolidated, merged or amalgamated corporation, or any acquisition or similar transaction or series of transactions whereby any person, as such term is used in Sections 13(d) and 14(d) of the Exchange Act (other than Cott, any entity controlled by Cott, or any employee benefit plan sponsored by Cott or an entity that is controlled by Cott), is or becomes, including pursuant to a tender or exchange offer for Cott common shares, the beneficial owner (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of securities of Cott representing 50% or more of the combined voting power of Cott's then outstanding securities; (ii) the consummation of a sale by Cott of all or substantially all of Cott's assets; (iii) the date upon which individuals who, on the effective date of the Amended and Restated Equity Plan constitute Cott's board (the **Incumbent Directors**) cease for any reason to constitute at least a majority of the board, provided that any person becoming a director subsequent to the effective date of the Amended and Restated Equity Plan whose appointment, election or nomination for election was approved by a vote of at least two-thirds of the Incumbent Directors who remain on the board (either by a specific vote or by approval of the proxy statement of Cott in which such person is named as a nominee for director, without objection to such nomination) shall also be deemed to be an Incumbent Director; provided, however, that no individual initially elected or nominated as a director of Cott as a result of an actual or threatened election contest with respect to directors or any other actual or threatened solicitation of proxies or consents by or on behalf of any person other than the board shall be deemed to be an Incumbent Director; or (iv) a proposal by or with respect to Cott being made in connection with a liquidation, dissolution or winding-up of Cott. The Amended and Restated Equity Plan defines **Cause** and **Good Reason** the same way as the Severance Plan described on page 45 of this proxy circular.

If a Change of Control had occurred on January 2, 2016 and either (1) the surviving or successor entity continued, assumed or replaced awards and within two years after the Change of Control, a named executive officer was involuntarily terminated for reasons other than Cause, or terminated his or her employment for Good Reason, or (2) the surviving or successor entity did not continue, assume or replace awards outstanding as of such date, and the Compensation Committee had not in either case elected to terminate some or all of such outstanding awards in exchange for payments to the holders as provided in the Amended and Restated Equity Plan, the unvested awards granted to our named executive officers would have vested on an accelerated basis as set forth below:

Amended and Restated Equity Plan	Accelerated Vesting (\$)⁽¹⁾
Jerry Fowden	\$ 4,677,636
Jay Wells	\$ 1,104,255
Steven Kitching	\$ 1,795,860
Thomas Harrington	\$ 8,653,548
Marni Morgan Poe	\$ 869,078

(1) Includes the value, based on the closing price of our common shares on the NYSE as of December 31, 2015 (\$10.99), the last business day of our 2015 fiscal year, of common shares issuable pursuant to (i) time-based restricted share units granted in 2014 and 2015, (ii) performance-based restricted share units granted in 2014 and 2015, assuming the performance objectives applicable to such awards were satisfied at the target level of performance, and (iii) stock options granted in 2014 and 2015, assuming exercise of such options at applicable exercise prices.

These amounts, other than those listed for Mr. Harrington, are included in the applicable Accelerated Vesting column in the tables under the heading **Payments under the Severance Plan** on page 47 of this proxy circular.

In the case of a grantee's termination without Cause or resignation with Good Reason, the number of restricted share units to be deemed earned by a grantee is equal to the pro rata number of restricted share units that he or she would have earned on the vesting date had he or she been continuously employed through such vesting date, as calculated by reference to the portion of the applicable restriction period or performance period during which the grantee was actually employed. Additionally, unvested options vest as of the later of the date of

Table of Contents

termination and the one year anniversary of the effective date of the award and continue to be exercisable for three years following the date of termination.

Assuming the employment of our named executive officers had been terminated on January 2, 2016 by Cott without Cause or by the named executive officers for Good Reason, they would have been entitled to the following:

Amended and Restated Equity Plan	Equity Awards (\$)⁽¹⁾
Jerry Fowden	\$ 3,169,660
Jay Wells	\$ 752,076
Steven Kitching	\$ 837,906
Thomas Harrington	\$ 5,769,032
Marni Morgan Poe	\$ 591,907

- (1) Includes the value, based on the closing price of our common shares on the NYSE as of December 31, 2015 (\$10.99), the last business day of our 2015 fiscal year, of common shares issuable pursuant to: (i) time-based restricted share units granted in 2014 and 2015, (ii) performance-based restricted share units granted in 2014 and 2015, and (iii) stock options granted in 2014. Because the performance periods for the performance-based restricted share units granted to our named executive officers in 2014 and 2015 have not yet been completed, the number of common shares issuable pursuant to performance-based restricted share units that such named executive officers would have been entitled to on January 2, 2016 cannot be determined. As a result, this column includes the value of such performance-based restricted share units on a pro rata basis, assuming achievement of the performance goals at target and a share value equal to the closing price of our common shares on the NYSE as of December 31, 2015 (\$10.99). Pursuant to the terms of the Amended and Restated Equity Plan, assuming the employment of such individuals had been terminated on January 2, 2016 by Cott without Cause or by such individual for Good Reason, the stock options granted in 2015 would vest on the one year anniversary of the effective date of the award. Awards granted in February 2015 vested on February 25, 2016. The February 25, 2016 closing price of our common shares on the NYSE was \$12.47. The following amounts would therefore have been attributable to the accelerated vesting of 2015 option awards and are included in the table above: Mr. Fowden: \$673,952; Mr. Wells: \$151,639; Mr. Kitching: \$126,366; and Ms. Poe: \$119,346. In addition, Mr. Kitching received an option to purchase 85,421 common shares on May 8, 2015 at an exercise price of \$9.00. For purposes of this disclosure, we assumed that the market price of our common shares on the May 8, 2016 vesting date is \$12.47; and therefore he would be entitled to an additional \$296,411 with respect to such award. This amount is not included in the table above.

These amounts are included in the applicable Equity Awards column in the tables under the headings **Payments under the Severance Plan** on page 47 of this proxy circular and **Payments to Other Named Executive Officers** on page 48 of this proxy circular.

Severance Plan

In February 2009, we commenced the Severance Plan. As of January 2, 2016, each of our named executive officers, other than Mr. Harrington, participated in such plan. The triggering events for any severance payments under the Severance Plan are designed to discourage executive officers from voluntarily terminating their employment with us in order to accept other employment opportunities. The triggering events also provide assurances to the executive officers that they will be compensated if terminated by us without Cause. The Severance Plan defines the entitlements for these executives upon a qualified termination of employment and replaces all previous termination and severance entitlements to which they may have been entitled.

The Compensation Committee determines which employees participate in the Severance Plan. Each participant is assigned to one of three groups, which correspond to severance multiples as follows: Level 1 Employees 1 times; Level 2 Employees 0.75 times; Level 3 Employees 0.50 times. Mr. Fowden is a Level 1 employee, Messrs. Wells and Kitching are Level 2 employees, and Ms. Poe is a Level 3 employee.

The Severance Plan defines **Cause** to mean:

- (i) the willful failure of the participant to properly carry out the participant's duties and responsibilities or to adhere to the policies of Cott after written notice by Cott of the failure to do so, and such failure

remaining uncorrected following an opportunity for the participant to correct the failure within ten (10) days of the receipt of such notice;

(ii) theft, fraud, dishonesty or misappropriation by the participant, or the gross negligence or willful misconduct by the participant, involving the property, business or affairs of Cott, or in the carrying out of his duties, including, without limitation, any breach by the participant of the representations, warranties and covenants contained in the participant's employment agreement or restrictive covenants set out in the Severance Plan;

(iii) the participant's conviction of or plea of guilty to a criminal offense that involves fraud, dishonesty, theft or violence;

(iv) the participant's breach of a fiduciary duty owed to Cott; or

(v) the participant's refusal to follow the lawful written reasonable and good faith direction of the board of directors.

The Severance Plan defines **Good Reason** to include any of the following:

(i) a material diminution in the participant's title or duties or assignment to the participant of materially inconsistent duties;

(ii) a reduction in the participant's then current annual base salary or target bonus opportunity as a percentage of annual base salary, unless such reduction in target bonus opportunity is made applicable to all participants serving in substantially the same capacity as participant;

(iii) relocation of the participant's principal place of employment to a location that is more than 50 miles away from his principal place of employment on the date upon which he became a participant, unless such relocation is effected at the request of the participant or with his approval;

(iv) a material breach by Cott of any provisions of the Severance Plan, or any employment agreement to which the participant and Cott are parties, after written notice by the participant of the breach and such failure remaining uncorrected following an opportunity for Cott to correct such failure within ten (10) days of the receipt of such notice; or

(v) the failure of Cott to obtain the assumption in writing of its obligation to perform the Severance Plan by any successor to all or substantially all of the business or assets of Cott within fifteen (15) days after a merger, consolidation, sale or similar transaction.

If a participant's employment is terminated by us without Cause or by the participant for Good Reason, he will receive a cash payment of an amount equal to the participant's total annual base salary and average bonus (based on the actual bonus paid for the previous two years) for the year in which the termination takes place multiplied by his severance multiple, less applicable withholdings. The terminated participant would also be paid accrued salary and vacation through the date of termination, less applicable withholdings. In addition, the terminated participant would receive accelerated vesting of rights under our equity incentive plans and would continue to receive benefits under our benefit plans for the number of years equal to the severance multiple, where we may do so legally and in accordance with the applicable benefit plans in effect from time to time.

Level 1 Employees receive gross-up payments in the event excise tax is imposed. Payments to Level 2 or 3 Employees who would otherwise be subject to excise tax are reduced, or cut back, to an amount that will result in no portion of the payments being subject to the excise tax. The 280G excise tax and gross-up is an estimated amount assuming an effective individual income tax rate of 40%. This amount is determined on the basis that the amount subject to excise tax would not be decreased by amounts attributable to reasonable compensation for services before the change of control.

Participants whose employment terminates for Cause, or by voluntary resignation (other than for Good Reason), death, or disability are not entitled to benefits under the Severance Plan.

Table of Contents

Participants in the Severance Plan agree to non-competition and non-solicitation provisions that continue beyond termination for the number of years equal to the applicable severance multiple, regardless of the cause of termination. Participants agree to execute a general release of claims against us in return for payments under the Severance Plan, and, except in the case of Mr. Fowden, the Severance Plan supersedes applicable provisions of each participant's prior employment agreement.

Payments under the Severance Plan

As of January 2, 2016, each of our named executive officers, other than Mr. Harrington, participated in the Severance Plan. Under the Severance Plan, if their employment is terminated by Cott without Cause or by the executive for Good Reason, such executive would receive a cash payment equal to the sum of his or her annual base salary and bonus (based generally on his or her average bonus for the previous two years) times a severance multiple. Mr. Fowden's employment agreement provides that he would receive a pro rata bonus for the year of termination based on the actual bonus he would have received had he been employed through the end of the year. Mr. Fowden's severance multiple is 1.0, except that under the terms of his employment letter agreement if a termination occurs in connection with a change of control, his severance multiple would be 1.5. A change of control is defined in his employment letter agreement as a takeover, consolidation, merger, amalgamation, sale of all or substantially all assets or a similar transaction involving Cott.

Assuming his or her employment had been terminated on January 2, 2016 by Cott without Cause or by the executive for Good Reason, the applicable named executive officers would have been entitled to the following:

Mr. Harrington does not participate in the Severance Plan. Mr. Harrington's employment agreement, dated December 16, 2014, provides that if his employment is terminated by Cott without Cause or by Mr. Harrington for Good Reason (each as defined therein), he would be entitled to receive a cash payment in an amount equal to the sum of his then-current annual base salary and the most recently paid annual bonus, payable within 60 days of such termination, as well as an amount equal to his estimated COBRA premiums for medical, dental, and vision coverage for a twelve-month period. Assuming his employment had been terminated on January 2, 2016 by Cott without Cause or by Mr. Harrington for Good Reason, he would have been entitled to the following cash payments:

	Cash Payments (\$)	Non Equity Incentive Plan Payment (\$)	Medical Continuation (\$)	Equity Awards (\$)	Total (\$)
Thomas Harrington	\$ 768,750		\$ 6,612	\$ 5,769,032	\$ 6,544,394

Termination by Cott for Cause; Resignation by the Executive Officer other than for Good Reason

We are not obligated to make any cash payment or benefit to any of our executive officers if the executive officer's employment is terminated by us for Cause or if the executive officer resigns for other than Good Reason (each as defined in applicable employment or severance arrangements), other than the payment of unpaid salary and accrued and unused vacation pay.

Termination because of Death or Disability

Upon an executive officer's death or disability, we pay accrued salary and a prorated target bonus to the executive officer or the executive officer's estate (except in the case of Mr. Harrington, who would receive any unpaid bonus for the year preceding his death or disability at the time such bonuses are generally paid to other employees). Upon an executive officer's death, a pro rata portion of any restricted shares, restricted share units, performance shares or performance units granted to such executive officer under the Amended and Restated Equity Plan vest and are paid, in the case of performance shares or units, upon certification by the Compensation Committee of the achievement of the results for the applicable performance period, and in the case of restricted shares or restricted share units, following the executive officer's death. We provide executive-level life, short-term disability, and long-term care benefits to our executive officers that are not also available to our employees generally. Amounts in respect of such benefits are disclosed in the Summary Compensation Table on page 37 of this proxy circular.

EQUITY COMPENSATION PLAN INFORMATION

Set out below is information about the Amended and Restated Equity Plan, the only plan with awards outstanding as of January 2, 2016. The Amended and Restated Equity Plan generally requires us to issue shares that would be dilutive to our shareowners.

Plan	Number of Common Shares to be Issued upon Exercise of Outstanding Options, Warrants and Rights (a)	Weighted-average Exercise Price of Outstanding Options, Warrants and Rights (b)	Number of Common Shares Remaining Available for Future Issuance Under Equity Compensation Plans (Excluding Securities Reflected in Column (a)) (c)
Amended and Restated Equity Plan ⁽¹⁾	4,462,840 ⁽²⁾	US\$ 8.50 ⁽³⁾	9,880,672 ⁽⁴⁾

(1) The Amended and Restated Equity Plan was approved by shareowners on April 30, 2013.

(2) Represents 827,415 shares pursuant to time-based restricted share units, 1,878,572 shares pursuant to performance-based restricted share units, and 1,756,853 shares pursuant to stock options granted (and not exercised, forfeited or cancelled, as applicable) under the Amended and Restated Equity Plan. If any of the shares to be issued pursuant to time-based restricted share units, performance-based restricted share units, or stock options are forfeited, expired, or are cancelled or settled without the issuance of shares, they will return to the pool of shares available for issuance under the Amended and Restated Equity Plan. On February 16, 2016, the Compensation Committee approved the grant of equity incentive awards to certain employees of the Company. As of March 15, 2016, there were 5,348,907 shares to be issued upon the vesting or exercise of outstanding time-based restricted share units, performance-based restricted share units and stock options under the Amended and Restated Equity Plan.

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

- (4) Represents the number of shares available for future issuance under the Amended and Restated Equity Plan. Based on the share counting methodology provided for in the Amended and Restated Equity Plan, shares issued under the plan will be applied to reduce the maximum number of shares remaining available for issuance under the plan; provided that the total number of shares available for issuance will be reduced 2.0 shares for each share issued pursuant to full value awards made after April 30, 2013. Full value awards include any awards other than options or stock appreciation rights. As of January 2, 2016, there were 3,050,726 full value awards that were issued after April 30, 2013, which reduce the shares available for future issuance under the Amended and Restated Equity Plan by 6,101,452. Full value awards that lapse or are forfeited are returned to the pool at the same 2.0 multiple at which they were debited. On February 16, 2016, the Compensation Committee approved the grant of equity incentive awards to certain employees of the Company. As of March 15, 2016, approximately 8,697,649 shares remained available for issuance under the Amended and Restated Equity Plan.

Table of Contents

The Amended and Restated Equity Plan is administered by the Compensation Committee or any other board committee as may be designated by the board from time to time. The Amended and Restated Equity Plan provides the Compensation Committee flexibility to design compensatory awards that are responsive to Cott's needs. Subject to the terms of the Amended and Restated Equity Plan and applicable statutory and regulatory requirements, the Compensation Committee has the discretion to determine the persons to whom awards will be granted under the plan, the nature and extent of such awards, the times when awards will be granted, the duration of each award, and the restrictions and other conditions to which payment or vesting of awards may be subject.

Awards under the Amended and Restated Equity Plan may be in the form of stock options, stock appreciation rights, restricted shares, restricted share units, performance shares, performance units or stock payments. Full-time, part-time or contract employees of Cott and its subsidiaries and non-employee directors of Cott may be selected by the Compensation Committee to receive awards under the Amended and Restated Equity Plan.

The Amended and Restated Equity Plan provides that up to 20,000,000 shares may be issued under the plan. Shares issued under the Amended and Restated Equity Plan will be applied to reduce the maximum number of shares remaining available for issuance under the Amended and Restated Equity Plan; provided that the total number of shares available for issuance under the Amended and Restated Equity Plan will be reduced 2.0 shares for each share issued pursuant to a full-value award (i.e., an award other than an option or stock appreciation right). No participant may receive awards during any one calendar year representing more than 2,000,000 common shares. In addition, the maximum amount that may become vested under any cash-denominated award during any one calendar year is five million dollars (\$5,000,000). These limits are subject to adjustments by the Compensation Committee as provided in the Amended and Restated Equity Plan for share splits, share dividends, recapitalizations and other similar transactions or events. In addition, the number of common shares issuable to insiders of Cott (as defined in Part I of the Toronto Stock Exchange Company Manual) at any time, and the number of shares issued to insiders of Cott within any one year period, under the Amended and Restated Equity Plan or when combined with all of Cott's other security based compensation arrangements (as described in the Toronto Stock Exchange Company Manual), may not exceed 10% of Cott's issued and outstanding common shares, respectively. In addition, neither the board nor the Compensation Committee may, without further shareowner approval, grant to non-employee directors an amount equal to or greater than the lesser of (i) 3% of Cott's issued and outstanding common shares; and (ii) an annual equity award of \$500,000 per non-employee director. The aforementioned restriction may not be amended without further shareowner approval.

DIRECTORS AND OFFICERS INSURANCE

We provide insurance for the benefit of our directors and officers against certain liabilities that may be incurred by them in their capacity as directors and officers, as specified in the policy. The current annual policy limit is \$85,000,000. We are reimbursed for amounts paid to indemnify directors and officers, subject to a deductible of \$750,000 for securities claims and a deductible of \$500,000 for all other claims. The deductible is our responsibility. There is no applicable deductible if we are unable to indemnify. The annual premium, which is currently \$762,841, is paid by us.

Under the terms of our by-laws and agreements with each of our directors, we indemnify our directors and officers against certain liabilities incurred by them in their capacity as directors and officers to the extent permitted by law.

CORPORATE GOVERNANCE

Board and Management Roles

The board of directors has explicitly assumed responsibility for the stewardship of Cott, including:

the adoption of a strategic planning process;

the identification of the principal risks for Cott and the implementation of appropriate risk management systems;

succession planning and monitoring of senior management;

ensuring that we have in place a communications policy to enable us to communicate effectively and in a timely manner with our shareowners, other stakeholders and the public generally; and

the integrity of our internal control and management information systems.

All decisions materially affecting Cott, our business and operations, including long-term strategic and operational planning, must be approved by the board prior to implementation. Each year, management presents a strategic plan to the board for review and approval.

To assist in discharging its responsibilities effectively, the board has established three committees: the Audit Committee, the Corporate Governance Committee and the Compensation Committee. The roles of the committees as part of our governance process are outlined below, and their charters may be viewed on our website at www.cott.com. Each committee has the authority to retain special legal, accounting or other advisors.

Allocation of Responsibility between the Board and Management

The board has adopted a written mandate, the text of which is set out in Appendix A. The business and affairs of Cott are managed by or under the supervision of the board in accordance with all applicable laws and regulatory requirements. The board is responsible for providing direction and oversight, approving our strategic direction and overseeing the performance of our business and management. Management is responsible for presenting strategic plans to the board for review and approval and for implementing our strategic direction. The board has approved a job description for the Chief Executive Officer, which specifically outlines the responsibilities of this position. One of these responsibilities is to prepare, on behalf of management, a written statement of management's objectives, plans and standards of performance. This report is reviewed and approved annually by both the Compensation Committee and the entire board. Additionally, we have established a lead independent director role and position descriptions for the chairman of the board and for each committee chair.

Board Oversight of Risk

Pursuant to the written mandate, management is responsible for day-to-day risk management and is responsible for implementing the risk management strategy for Cott. Risk oversight is a responsibility of the full board that is administered by the Audit Committee pursuant to the Audit Committee Charter. The Audit Committee discusses with management our guidelines and policies with respect to risk assessment, risk management, and major strategic, financial and operational risk exposures such as fraud, environmental, competitive and regulatory risks, and the steps management has taken to monitor and control any exposure resulting from such risks.

The Audit Committee regularly reports to the board on the risks to Cott. Additionally, management from time to time reports to the board on the risks to Cott. Adjustments to the initiatives undertaken in connection with the risk assessment process may be made as a result of such reports. We believe that the board oversight and involvement in risk assessment provides effective oversight of Cott's enterprise risks.

Board's Expectations of Management

The board expects management to:

produce timely, complete and accurate information on our operations and business and on any other specific matter that may, in management's opinion, have material consequences for us, our shareowners and other stakeholders;

act on a timely basis and make appropriate decisions with regard to our operations, in accordance with all the relevant requirements and obligations and in compliance with our policies, with a view to increasing shareowner value;

apply a rigorous budget process and closely monitor our financial performance in terms of the annual budget approved by the board;

develop and implement a strategic plan in light of trends in the market; and
