Item 1.01. Entry into Material Definitive Agreement.

On June 17, 2016, we entered into an At-the-Market Equity Offering Sales Agreement (the "Sales Agreement") with Stifel, Nicolaus & Company, Incorporated ("Stifel") to sell shares of our common stock with aggregate gross proceeds of up to \$50,000,000, from time to time, through an at-the-market equity offering program under which Stifel will act as sales agent.

Under the Sales Agreement, we will set the parameters for the sale of shares, including the number of shares to be issued, the time period during which sales are requested to be made, limitation on the number of shares that may be sold in any one trading day and any minimum price below which sales may not be made. Subject to the terms and conditions of the Sales Agreement, Stifel may sell the shares by methods deemed to be an at-the-market offering as defined in Rule 415 promulgated under the Securities Act of 1933, as amended (the "Securities Act"), including sales made through the NASDAQ Stock Market, or any other existing trading market for the common stock or to or through a market maker. In addition, if expressly authorized by us, Stifel may also sell shares in privately negotiated transactions. Stifel will use commercially reasonable efforts in conducting such sales activities consistent with its normal trading and sales practices and applicable state and federal laws, rules and regulations and the rules of the NASDAQ Stock Market. We cannot provide any assurances that we will issue any shares pursuant to the Sales Agreement. The Sales Agreement may be terminated by us upon notice to Stifel or by Stifel upon notice to us, or at any time under certain circumstances, including but not limited to the occurrence of a material adverse change in us.

The Sales Agreement provides that Stifel will be entitled to compensation for its services in an amount equal to 2.0% of the gross proceeds from the sales of shares sold through Stifel under the Sales Agreement. We have no obligation to sell any shares under the Sales Agreement, and may at any time suspend solicitation and offers under the Sales Agreement. We have agreed in the Sales Agreement to provide indemnification and contribution to Stifel against certain liabilities, including liabilities under the Securities Act.

The shares will be issued pursuant to our shelf registration statement on Form S-3 (File No. 333-204420). We filed a Prospectus Supplement, dated June 17, 2016, with the Securities and Exchange Commission in connection with the offer and sale of the shares pursuant to the Sales Agreement.

The foregoing description of the Sales Agreement is not complete and is qualified in its entirety by reference to the full text of such agreement, a copy of which is filed herewith as Exhibit 1.1 to this Current Report on Form 8-K and is incorporated herein by reference.

This Current Report on Form 8-K shall not constitute an offer to sell or the solicitation of any offer to buy the securities discussed herein, nor shall there be any offer, solicitation, or sale of the securities in any state in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state.
