Insufficient Funds Assessments. A fee will be assessed for any check that is returned or any electronic funds transfer that fails due to insufficient funds, stop pay order, closed account or due to other failure. By enrolling in our plan, you agree that in the event Broadridge purchases shares on your behalf and your payment for the shares fails due to insufficient funds, stop pay order, closed account or other failure, Broadridge may sell any shares held in your plan account in an open market transaction in order to collect the insufficient funds assessment and to recover any transaction costs and losses incurred by Broadridge in purchasing the shares.

Changes to Procedures for Purchasing Shares Through the Plan

See Purchase of Shares Through the Plan on page 6 of the accompanying prospectus for information regarding the procedures for purchasing shares through our plan, including through dividend reinvestment or optional cash investments. Under our plan, directions to purchase shares on a specific day or at a specific price cannot be accepted. The actual purchase date or price paid for any shares purchased through our plan cannot be guaranteed.

You may change your dividend reinvestment election at any time by notifying Broadridge. For a particular dividend to be reinvested, your notification must be received at least five days prior to the record date for that dividend (the record date is normally two weeks prior to the dividend payment date).

In addition, the information under Pricing of Shares Purchased in the Open Market on page 6 of the accompanying prospectus is updated to provide as follows:

Pricing of Shares Purchased in the Open Market. Broadridge may combine plan participant purchase requests with other purchase requests received from other plan participants and may submit the combined purchase requests in bulk to Broadridge's broker as a single purchase order. Purchase requests may be combined, at Broadridge's discretion, according to one or more factors such as purchase type (e.g., dividend reinvestment, one-time ACH, check, etc.), request date, or request delivery method (e.g., online, regular mail, etc). Broadridge will submit bulk purchase orders to its broker as and when required under the terms of the plan. Broadridge's broker may execute each bulk purchase order in one or more transactions over one or more days, depending on market conditions. Each participant whose purchase is included in each bulk purchase order will receive the weighted average market price of all shares purchased by Broadridge's broker for such order.

Changes to Procedures for Receiving Cash Dividends on Your Plan Shares and Net Sales Proceeds on the Sale of Your Shares Held Under the Plan

You may have all of your cash dividends remitted to you by check, via U.S. mail, or by automatic deposit in your U.S. bank account. In addition, you may have the net proceeds of any sale of your shares held under the plan remitted to you by check, via U.S. mail, or by automatic deposit in your U.S. bank account.

As an added security measure, Broadridge may apply a five business-day hold period to the initial association of banking account information to investor accounts as well as changes made to established direct deposit or direct debit instructions. This hold period is a method of preventing unauthorized transactions.

Changes to Procedures for Selling Shares Held Under the Plan

See *Sale of Shares Held Under the Plan* on page 7 of the accompanying prospectus for information regarding the procedures for selling your shares held through our plan.

Effective January 13, 2017, batch order sales will be the sole option for selling your shares held through our plan. Broadridge will retain the associated administration fee and forward all associated broker fees to the appointed broker. See *Batch Order* on page 8 of the accompanying prospectus for additional information.

We expect that one or more of the additional sales options described in the accompanying prospectus (market orders, day limit order and good-till cancelled limit orders) will become available in the future. We will provide notice to participants at the time any of these other sales options become available again under our plan.

In addition, effective January 13, 2017, international currency exchange services to convert your sale proceeds to your local currency are not available through the plan administrator.

Gifts or Transfers of Shares to Another Person's Plan Account

See *Gifts or Transfers of Shares to Another Person's Plan Account* on page 11 of the accompanying prospectus for information regarding the procedures for giving or transferring your shares to another person's plan account.

If you need additional assistance, please call Broadridge at 1-844-877-8750 (inside U.S. and Canada) or 1-720-414-6883 (outside U.S. and Canada).

Enrollment

See *Enrollment* on page 4 of the accompanying prospectus for information regarding the procedures for enrolling in our plan. Your account will be established and initial shares will be purchased for you within five business days after Broadridge's receipt of your funds. Broadridge must receive funds for optional investments no later than two business

days before any investment date. No interest will be paid on funds held by Broadridge pending investment. See **Purchase of Shares Through the Plan** on page 6 of the accompanying prospectus and **Independent Broker** on page 10 of the accompanying prospectus for additional information.

Withdrawal from Plan

See Issuance of Certificates/Withdrawal from Plan on page 12 of the accompanying prospectus for information regarding your ability to withdraw from our plan. You can withdraw all or some of the shares from your plan account by notifying Broadridge by telephone at 1-844-877-8750 or in writing to the address listed on the cover page of this prospectus supplement.

If a notice of termination from the plan is received near a record date for a plan account whose dividends are to be reinvested, Broadridge, in its sole discretion, may either distribute such dividends in cash or reinvestment them in shares on your behalf. In the event reinvestment is made, Broadridge will process the termination as soon as practicable.
