PROXY STATEMENT

FOR

ANNUAL MEETING OF SHAREHOLDERS

This Proxy Statement is furnished to the shareholders of Forward Air Corporation (the **Company**) in connection with the solicitation of proxies by the Board of Directors of the Company (the **Board**) for use at the 2017 Annual Meeting of Shareholders (the **Annual Meeting**) to be held on Tuesday, May 9, 2017, beginning at 8:00 a.m., EDT, in The Explorer Room at the Atlanta Airport Marriott Gateway, 2020 Convention Center Concourse, Atlanta, GA 30337, and any adjournment or postponement thereof, for the purposes set forth in the foregoing Notice of 2017 Annual Meeting of Shareholders.

You can ensure that your shares are voted at the Annual Meeting by submitting your instructions over the Internet, by telephone or by completing, signing, dating and returning the enclosed proxy in the envelope provided. You may revoke your proxy at any time before it is exercised by voting in person at the Annual Meeting or by delivering written notice of your revocation to, or a subsequent proxy to, the Secretary of the Company at its principal executive offices. Each properly executed proxy will be voted **FOR** each of the director nominees in proposal 1, **FOR** proposals 2 and 3 and for the **1 year** option in proposal 4 if no contrary instruction is indicated in the proxy, and in the discretion of the persons named in the proxy on any other matter that may properly come before the shareholders at the Annual Meeting.

Shareholders are entitled to one vote for each share of common stock held of record at the close of business on March 10, 2017 (the **Record Date**). There were 30,260,107 shares of our common stock, par value \$0.01 per share (**common stock**), issued and outstanding on the Record Date. Holders of Series A Junior Preferred Stock, par value \$0.01 per share (**preferred stock**) are entitled to vote with holders of shares of common stock together as one class on all matters submitted to a shareholder vote. However, as of the record date, no shares of our preferred stock were outstanding. The presence, in person or by proxy, of a majority of shares of common stock will, therefore, constitute a quorum at the Annual Meeting.

The affirmative vote of a plurality of the votes cast by the shareholders entitled to vote at the Annual Meeting is required for the election of directors. A properly executed proxy marked **Withhold Authority** with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted in determining whether there is a quorum. Therefore, so long as a quorum is present, withholding authority will have no effect on the election of directors.

In the event that any nominee for director in an uncontested election receives a greater number of votes **withheld** from his or her election than votes **for** such election, such director shall tender his or her resignation for consideration by the Corporate Governance and Nominating Committee. The Corporate Governance and Nominating Committee shall recommend to the Board the action to be taken with respect to the resignation. The Board will publicly disclose its decision within 90 days of the certification of the election results.

The ratification of Ernst & Young LLP as the independent registered public accounting firm of the Company for the 2017 fiscal year, the say on pay vote and any other matter that properly comes before the Annual Meeting will be approved by a majority of the votes cast. A properly executed proxy marked

Abstain with respect to such proposals will not be voted on such proposals, although it will be counted in determining whether there is a quorum. Therefore, as long as a quorum is present, abstaining from proposals 2 and 3 or any other proposal that properly comes before the Annual Meeting will have no effect on whether such proposals are approved.

For the say on frequency vote, we will consider that the shareholders have recommended whichever option (one, two or three years) receives the greatest number of votes cast. A properly executed proxy marked **Abstain** with respect to such proposal will not be voted on that proposal, although it will be counted in determining whether there is a quorum. Therefore, as long as a quorum is present, abstaining from proposal 4 will have no effect on the outcome of the proposal.

Brokers who hold shares for the accounts of their clients who do not receive voting instructions may not vote for matters that are not considered routine. The matters contained in this Proxy Statement that are not considered routine are the election of the Board, the say on pay vote and the say on frequency vote. Shares held by your broker will not be voted on these matters absent specific instruction from you, which means your shares may go unvoted and not affect the outcome if you do not specify a vote. Proxies that are returned to us where brokers have received instructions to vote on one or more proposal(s) but have not received instructions to vote on other proposal(s) are referred to as broker non-votes with respect to the proposal(s) not voted upon. Broker non-votes are included in determining the presence of a quorum but will have no effect on whether such proposals are approved.

The Company will bear the cost of soliciting proxies for the Annual Meeting. Our officers and employees may also solicit proxies by mail, telephone, e-mail or facsimile transmission. They will not be paid additional remuneration for their efforts. Upon request, we will reimburse brokers, dealers, banks and trustees, or their nominees, for reasonable expenses incurred by them in forwarding proxy materials to beneficial owners of shares of our common stock.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE 2017 ANNUAL MEETING OF SHAREHOLDERS TO BE HELD ON MAY 9, 2017.

The Company's Proxy Statement for the 2017 Annual Meeting of Shareholders and the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2016 are available at www.proxyvote.com.

PROPOSAL 1 ELECTION OF DIRECTORS

Our Amended and Restated Bylaws (Bylaws) permit the Board to fix the size of the Board. At the date of this Proxy Statement, our Board is comprised of nine directors, eight of whom are non-employee directors. Two of our current directors, Tracy Leinbach and Larry Leinweber, have decided to retire from our Board effective immediately prior to the Annual Meeting, and, as a result, will not stand for re-election at such meeting. Accordingly, the size of our Board will be reduced to seven directors immediately upon their retirement. There are seven nominees for election at the Annual Meeting, each to hold office until the 2018 Annual Meeting of Shareholders or until a successor has been duly elected and qualified. Each nominee has consented to serve if elected.

In the event any director nominee, in an uncontested election, receives a greater number of votes withheld from his or her election than votes for such election, he or she shall tender his or her resignation for consideration by the Corporate Governance and Nominating Committee. The Corporate Governance and Nominating Committee shall recommend to the Board the action to be taken with respect to the resignation. The Board will publicly disclose its decision within 90 days of the certification of the election results.

Recommendation of the Board

The Board recommends a vote FOR the election of the seven nominees named below. Duly executed proxies will be so voted unless record holders specify a contrary choice on their proxies. Proxies cannot be voted for a greater number of persons than the number named.

Shareholder Vote Requirement

The nominees for election shall be elected by a plurality of the votes cast by the shares of common stock entitled to vote at the Annual Meeting. Shareholders have no right to vote cumulatively for directors. Each share shall have one vote for each directorship to be filled on the Board.

Director Nominees

The following persons are the nominees for re-election to serve as directors. There are no family relationships between any of the director nominees. Each director nominee is standing for re-election by the shareholders. Certain information relating to the nominees, furnished by the nominees, is set forth below. CORPORATE GOVERNANCE

Independent Directors

The Company's common stock is listed on The NASDAQ Stock Market LLC (Nasdaq). Nasdaq requires that a majority of the Company's directors be independent directors, as defined in Nasdaq Marketplace Rule 5605. Generally, a director does not qualify as an independent director if, among other reasons, the director (or in some cases, members of the director's immediate family) has, or in the past three years has had, certain material relationships or affiliations with the Company, its external or internal auditors, or other companies that do business with the Company. The Board has affirmatively determined that eight of the Company's nine current directors are independent directors on the basis of Nasdaq's standards and a review of each director's responses to questionnaires asking about any material relationships or affiliations with us.

The independent directors are Ronald W. Allen, C. Robert Campbell, R. Craig Carlock, C. John Langley, Jr., Tracy A. Leinbach, Larry D. Leinweber, G. Michael Lynch and Douglas M. Madden.

Corporate Governance Guidelines

The Board has adopted Corporate Governance Guidelines that give effect to Nasdaq's requirements related to corporate governance and various other corporate governance matters. The Company's Corporate Governance Guidelines reflect the Board's commitment to monitor the effectiveness of policy and decision making both at the Board and management level, with a view to enhancing long-term shareholder value. The topics addressed in our Corporate Governance Guidelines include, among other things:

Lead independent director;

Independence of the Board;

Board membership criteria and role of the Board;

Committees of the Board;

Director orientation and continuing education;

Independent director stock ownership guidelines;

Director resignation policy in uncontested elections; and

Leadership development and succession planning.

The Company's Corporate Governance Guidelines are available through the Investor Relations Governance link on the Company's website, www.forwardaircorp.com.

Independent Director Meetings

Pursuant to the Company's Corporate Governance Guidelines, the Company's independent directors meet in executive session without management on a regularly scheduled basis, but not less frequently than quarterly. The Lead Independent Director presides at such executive sessions or, in his or her absence, an independent director designated by such Lead Independent Director.

Interested parties who wish to communicate with the Chairman of the Board, Lead Independent Director, or the independent directors as a group should follow the procedures found below under Shareholder Communications.

Director Nominating Process

Shareholders wishing to communicate with the Corporate Governance and Nominating Committee concerning potential director candidates may do so by corresponding with the Corporate Secretary at Forward Air Corporation, 1915 Snapps Ferry Road, Building N, Greeneville, Tennessee 37745, and including the name and biographical data of the individual being suggested.

All recommendations should include the written consent of the nominee to be nominated for election to the Board. To be considered, the Company must receive recommendations at least 90 calendar days but not more than 120 calendar days prior to the one year anniversary of the prior year's Annual Meeting of Shareholders and include all required information to be considered. In the case of the 2018 Annual Meeting of Shareholders, this deadline is between January 9, 2018 and February 8, 2018. All recommendations will be brought to the attention of the Corporate Governance and Nominating Committee.

The Corporate Governance and Nominating Committee annually reviews the appropriate experience, skills and characteristics required of Board members in the context of the current membership of the Board. This assessment includes among other relevant factors in the context of the perceived needs of the Board at that time, the possession of such knowledge, experience, skills, expertise and diversity to enhance the Board's ability to manage and direct the affairs and business of the Company.

The Board has established the following process for the identification and selection of candidates for director. The Corporate Governance and Nominating Committee, in consultation with the Chairman of the Board and Lead Independent Director, if any, periodically examines the composition of the Board and determines whether the Board would better serve its purposes with the addition of one or more directors. If the Corporate Governance and Nominating Committee determines that adding a new director is advisable, the Corporate Governance and Nominating Committee initiates the search, working with other directors and management and, if appropriate or necessary, a third-party search firm that specializes in identifying director candidates.

The Corporate Governance and Nominating Committee will consider all appropriate candidates proposed by management, directors and shareholders. Information regarding potential candidates shall be presented to the Corporate Governance and Nominating Committee, and it shall evaluate the candidates based on the needs of the Board at that time and the candidates' knowledge, experience, skills, expertise and diversity, as set forth in the Company's Corporate Governance Guidelines. In particular, the Board and the Corporate Governance and Nominating Committee believe that the Board should be comprised of a well-balanced group of individuals. Although the Board does not have a formal policy regarding board diversity, the Board believes that having diversity of knowledge, experience, skills and expertise among its members enhances the Board's ability to make fully informed, comprehensive decisions.

Potential candidates will be evaluated according to the same criteria, regardless of whether the candidate was recommended by shareholders, the Corporate Governance and Nominating Committee, another director, Company management, a search firm or another third party, except that in the case of shareholder recommendations, the Corporate Governance and Nominating Committee may also take into consideration the number of shares of Company stock held by the recommending shareholder and the length of time that such shares have been held. The Corporate Governance and Nominating Committee will submit any recommended candidate(s) to the Board for approval and recommendation to the shareholders.

Annual Performance Evaluations

The Company's Corporate Governance Guidelines provide that the Board shall conduct an annual evaluation to determine, among other matters, whether the Board and the Committees are functioning effectively. The Audit Committee, Compensation Committee and Corporate Governance and Nominating Committee are also required to each conduct an annual self-evaluation. The Corporate Governance and Nominating Committee is responsible for overseeing this self-evaluation process.

Code of Business Conduct and Ethics

The Board has adopted a Code of Business Conduct and Ethics that applies to all Company employees, officers and directors, which is available through the Investor Relations Governance link on the Company's website, www.forwardaircorp.com. The Code of Business Conduct and Ethics complies with Nasdaq and Securities and Exchange Commission (the SEC) requirements. The Company will also mail the Code of Business Conduct and Ethics to any shareholder who requests a copy. Requests may be made by contacting the Secretary as described below under Shareholder Communications.

Board Attendance

The Company's Corporate Governance Guidelines provide that all directors are expected to regularly attend meetings of the Board and committees on which they serve and are also expected to attend the Annual Meeting of Shareholders. During 2016, the Board held seven meetings. All of the incumbent directors who were on the Board during 2016 attended at least 75% of the aggregate number of meetings of the Board and meetings of committees of the Board on which they served during 2016. There were nine directors at the time of the 2016 Annual Meeting of Shareholders, and all nine incumbent directors attended the 2016 Annual Meeting of Shareholders.

Board Committees

The Board presently has four standing committees: an Executive Committee, an Audit Committee, a Compensation Committee and a Corporate Governance and Nominating Committee. The charters of the Audit Committee, Compensation Committee and Corporate Governance and Nominating Committee, are available through the Investor Relations Governance link on the Company's website, www.forwardaircorp.com. With the exception of the Executive Committee, each committee has authority to engage legal counsel or other experts or consultants as it deems appropriate to carry out its responsibilities. Additional information regarding the functions of the Board's committees, the number of meetings held by each committee during 2016 and their present membership is set forth below.

The Board nominated each of the nominees for election as a director and each nominee currently is a director. Assuming election of all of the director nominees, the following is a list of persons who will constitute the Board following the meeting, including their current committee assignments.

Executive Committee. The Executive Committee is authorized, to the extent permitted by law and the Bylaws of the Company, to act on behalf of the Board on all matters that may arise between regular meetings of the Board upon which the Board would be authorized to act, subject to certain materiality restrictions established by the Board.

Audit Committee. The Audit Committee is responsible for overseeing the Company's financial reporting process on behalf of the Board. The Audit Committee engages the Company's independent registered public accounting firm, considers the fee arrangement and scope of the audit, reviews the financial statements and the independent registered public accounting firm's report, considers comments made by such firm with respect to the Company's internal control structure, and reviews the internal audit process and internal accounting procedures and financial controls with the Company's financial and accounting staff. In addition, the Audit Committee assists the Board in its oversight of the Company's legal compliance and ethics programs. A more detailed description of the Audit Committee's duties and responsibilities can be found in the Audit Committee Report on page 47 of this Proxy Statement and in the Audit Committee Charter.

The Board has determined that each member of the Audit Committee meets the independence requirements under Nasdaq listing standards and the enhanced independence standards for audit committee members required by the SEC. In addition, the Board has determined that each member of the Audit Committee meets the definition of an audit committee financial expert, as that term is defined by the rules and regulations of the SEC.

Additionally, it reviews and approves the Compensation Discussion and Analysis for inclusion in the proxy statement (see pages 19-35 of this Proxy Statement). Furthermore, the Compensation Committee oversees management succession planning along with the Corporate Governance and Nominating Committee.

In fulfilling its responsibilities, the Compensation Committee may delegate its responsibilities to a subcommittee consisting of members of the Compensation Committee and, to the extent not expressly reserved to the Compensation Committee by the Board or by applicable law, rule or regulation, to any other committee consisting entirely of independent directors. The Company's Chief Executive Officer may not be present during deliberations or voting regarding his or her compensation. To the extent helpful to the work of the Compensation Committee, however, the Company's Chief Executive Officer may be invited by the Compensation Committee to participate in discussion relating to his or her compensation that may precede further deliberation or voting.

The Compensation Committee engaged Meridian Compensation Partners, LLC (Meridian), an independent consultant, to assist it during 2016. During the year, the consultant reviewed materials prepared by management and provided the Compensation Committee with information on compensation trends, best practices and changes in the regulatory environment, in addition to providing executive compensation benchmarking information. Meridian provided no services other than those related to executive and director pay and related governance.

The Board has determined that each member of the Compensation Committee is independent pursuant to Nasdaq listing standards, Rule 16b-3 of the Securities Exchange Act of 1934, as amended (the Exchange Act) and Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code). In addition, the Compensation Committee, considering all relevant factors, including those set forth in Rule 10C-1(b)(4)(i) through (vi) under the Exchange Act, is not aware of any conflict of interest that has been raised by the work performed by Meridian.

Corporate Governance and Nominating Committee. The Corporate Governance and Nominating Committee is responsible for identifying individuals qualified to become Board members and recommending them to the Board for consideration. This responsibility includes all potential candidates, whether initially recommended by management, other Board members or shareholders. In addition, the Corporate Governance and Nominating Committee makes recommendations to the Board for Board committee assignments, develops and annually reviews corporate governance guidelines for the Company, and otherwise oversees corporate governance matters. The Corporate Governance and Nominating Committee is responsible for overseeing the annual evaluation of the Board and for periodically reviewing and making recommendations to the Board regarding director compensation for the Board s approval. Furthermore, the Corporate Governance and Nominating Committee oversees management succession planning along with the Compensation Committee.

A description of the Committee s policy regarding director candidates nominated by shareholders appears in the section titled Director Nominating Process above. The Board has determined that each member of the Corporate Governance and Nominating Committee is independent pursuant to Nasdaq listing standards.

Compensation Committee Interlocks and Insider Participation

During 2016, none of the members of the Compensation Committee was an officer or employee of the Company, and no executive officer of the Company served on the Compensation Committee or board of any company that employed any member of the Company s Compensation Committee or Board. Accordingly, there were no interlocks with other companies within the meaning of the SEC s proxy rules during 2016.

Certain Relationships and Related Person Transactions

The Audit Committee of the Board reviews all relationships and transactions in which the Company and its directors and executive officers or their immediate family members are participants to determine whether such persons have a direct or indirect material interest. Other than as provided in the Audit Committee Charter, the Company does not have a written policy governing related person transactions. The Company s legal staff is primarily responsible for the development and implementation of processes and controls to obtain information from the directors and executive officers with respect to related person transactions and for then determining, based on the facts and circumstances, whether the Company or a related person has a direct or indirect material interest in the transaction. As required under SEC rules, transactions that are determined to be directly or indirectly material to the Company or a related person are required to be disclosed in a company s proxy statement. In addition, the Audit Committee reviews and approves or ratifies any related person transaction that is required to be disclosed. In the course of its review and approval or ratification of a disclosable related person transaction, the Audit Committee considers:

the nature of the related person s interest in the transaction;

the material terms of the transaction, including, without limitation, the amount and type of transaction;

the importance of the transaction to the related person; and

the importance of the transaction to the Company.

Any member of the Audit Committee who is a related person with respect to a transaction under review may not participate in the deliberations or vote respecting approval or ratification of the transaction, provided, however, that such director may be counted in determining the presence of a quorum at a meeting of the Audit Committee when considering the transaction.

Based on information provided by the directors, director nominees and executive officers, and the Company's legal department, the Audit Committee determined that there are no related person transactions to be reported in this Proxy Statement.

Board Leadership Structure

In accordance with our Bylaws and Corporate Governance Guidelines, the Board is responsible for selecting the Chief Executive Officer and the Chairman of the Board, and both of these positions may be held by the same person or they may be held by two persons. The Company's Corporate Governance Guidelines require the election, by the Board, of an independent lead director to serve during any period when there is no independent Chairman of the Board. Currently, C. Robert Campbell serves as Lead Independent Director and he has served in that capacity since May of 2014.

The Company has operated for over nine years using a board leadership structure, in which the Chief Executive Officer also serves as Chairman of the Board. The Board believes that the Company, with its current Chief Executive Officer and Chairman, has been well-served by this leadership structure. Having Mr. Campbell serve as both Chief Executive Officer and Chairman of the Board demonstrates for the Company's employees, suppliers, customers and other stakeholders that the Company is under strong leadership, with a single person setting the tone and having primary responsibility for managing its operations. The Board believes having Mr. Campbell serve as Chief Executive Officer and Chairman of the Board is best for the Company and its shareholders at the present time. He has led the Company as Chief Executive Officer since 2003, has worked with two Chairmen and four Lead Independent Directors, is a recognized leader in the transportation industry and has all of the skills incumbent to serve as a board chair.

The Chairman of the Board is responsible for (a) chairing Board meetings and the Annual Meeting, (b) setting the agendas for these meetings, (c) attending Board committee meetings and (d) providing information to Board members in advance of each Board meeting and between Board meetings. The Lead Independent Director is responsible for (i) chairing executive sessions of the independent directors and communicating with management relating to these sessions, and presiding at all meetings of the Board at which the Chairman is not present, (ii) approving agendas and schedules for Board meetings and the information that is provided to directors, and (iii) serving as a liaison between the Chairman and the independent directors. The Lead Independent Director also has the authority to call meetings of the independent directors.

The Board believes that, in addition to fulfilling our lead director responsibilities, the Lead Independent Director makes valuable contributions to the Company, including but not limited to: (a) monitoring the performance of the Board and seeking to develop a high-performing Board, for example, by helping the directors reach consensus, keeping the Board focused on strategic decisions, taking steps to ensure that all the directors are contributing to the work of the Board, and coordinating the work of the four Board Committees, (b) developing a productive relationship with our Chief Executive Officer and ensuring

effective communication between the Chief Executive Officer and the Board, and (c) ensuring and supporting effective shareholder communications. Accordingly, the Board believes that the Company has benefited from having the Chairman/Chief Executive Officer as the leader of the Company, and having the Lead Independent Director serving as the leader of the independent directors.

On an annual basis, as part of our review of corporate governance and succession planning, the Board (led by the Corporate Governance and Nominating Committee) evaluates the Board's leadership structure, to ensure that it remains the optimal structure for the Company and its shareholders. The Board recognizes that different board leadership structures may be appropriate for companies with different histories and cultures, as well as companies with varying sizes and performance characteristics. The Board believes its current leadership structure under which the Chief Executive Officer serves as Chairman of the Board, the Board Committees are chaired by independent directors and a Lead Independent Director assumes specified responsibilities on behalf of the independent directors is presently the optimal board leadership structure for the Company and its shareholders.

Risk Oversight

On at least a quarterly basis, the Company's Chief Legal Officer provides a comprehensive risk report to the Audit Committee and the Board. While the Audit Committee has primary responsibility for overseeing financial risks, the Board is charged with overseeing the Company's enterprise risks. Accordingly, on an annual basis, the Board receives a report from the Company's Chief Legal Officer on the most significant risks that the Company is facing. The full Board also engages in periodic discussions about enterprise risk management with our Chief Legal Officer, Chief Executive Officer, Chief Financial Officer and other Company officers as the Board may deem appropriate. In addition, each of our Board Committees considers the risks within its area of responsibilities. For example, the Compensation Committee considers the risks that may be implicated by the Company's executive compensation programs, and the Corporate Governance and Nominating Committee considers the best governance structure and guidelines for the Company to minimize enterprise risks brought about by weak governance. The Board believes that its leadership structure supports the Board's effective oversight of the Company's enterprise risks.

DIRECTOR COMPENSATION

The general policy of the Board is that compensation for non-employee directors should be a mix of cash and equity-based compensation. The Company does not pay employee directors for Board service in addition to their regular employee compensation.

The Corporate Governance and Nominating Committee, which consists solely of independent non-employee directors, has the primary responsibility for reviewing and considering any revisions to the non-employee director compensation program.

In accordance with the Corporate Governance and Nominating Committee's recommendations, the non-employee directors' cash compensation program is as follows:

an annual cash retainer of \$50,000 for all non-employee directors;

an additional annual cash retainer of \$35,000 for the Lead Independent Director;

an additional annual cash retainer of \$15,000 for the Audit Committee Chair;

an additional annual cash retainer of \$7,500 for the Corporate Governance and Nominating Committee Chair;

an additional annual cash retainer of \$10,000 for the Compensation Committee Chair; and

an additional annual cash retainer of \$8,500 for all non-Chair Audit Committee members, an additional annual cash retainer of \$7,000 for all non-Chair Compensation Committee members and an additional annual cash retainer of \$5,000 for all non-Chair Corporate Governance and Nominating Committee members.

All directors are reimbursed reasonable travel expenses for meetings attended in person. The Company also reimburses directors for expenses associated with participation in continuing director education programs.

In addition, effective May 22, 2007, the Company's shareholders approved the Company's Amended and Restated Non-Employee Director Stock Plan, as further amended on February 8, 2013 and January 25, 2016 (the "Amended Plan"). Under the Amended Plan, on the first business day after each Annual Meeting of Shareholders, each non-employee director is automatically granted an award (the "Annual Grant") in such form and size as the Board determines from year to year. Unless otherwise determined by the Board, the Annual Grants will become vested and non-forfeitable on the earlier of (a) the day immediately prior to the first Annual Meeting that occurs after the grant date or (b) the first anniversary of the grant date, so long as the non-employee director's service with the Company does not earlier terminate. In both 2015 and 2016, each non-employee director received restricted shares valued at \$86,000 pursuant to the Amended Plan.

Finally, the Board believes that directors more effectively represent the Company's shareholders, whose interests they are charged with protecting, if they are shareholders themselves. Therefore, the Board established certain independent director stock ownership guidelines which are set forth in the Company's Corporate Governance Guidelines. Specifically, the Company's independent directors are required to own shares of the Company's common stock, with a

value equal to at least three times the annual cash retainer for independent directors. Each new independent director has three years from the date he or she joins the Board to obtain this ownership stake. With the exception of Mr. Madden and Mr. Carlock, both of whom joined the Board in 2016, each independent director has achieved the stock ownership guidelines set forth in the

Company's Corporate Governance Guidelines. The following table shows the compensation the Company paid in 2016 to its non-employee directors. The Company does not pay employee directors for Board service in addition to their regular employee compensation.

COMPENSATION DISCUSSION AND ANALYSIS

This Compensation Discussion and Analysis is designed to provide our shareholders with a clear understanding of our compensation philosophy and objectives, compensation-setting process and the compensation elements and decisions of our named executive officers, or NEOs. As discussed in Proposal 3, we are conducting our annual Say on Pay vote that requests your approval of the compensation of our NEOs as described in this section and in the tables and accompanying narrative. To assist you with this vote, please review our compensation philosophies, the design of our executive compensation programs and how, we believe, these programs have contributed to and are aligned with our performance.

For 2016, our NEOs were:

Bruce A. Campbell	Chairman, President and CEO
Michael J. Morris	Chief Financial Officer
Matthew J. Jewell	President, Logistics Services
Chris C. Ruble	President, Expedited Services
Michael L. Hance	Senior Vice President, Chief Legal Officer and Secretary
Rodney L. Bell	Former Senior Vice President and Chief Financial Officer

Michael J. Morris was appointed as our CFO, effective June 27, 2016, replacing Rodney L. Bell who served as our CFO since June 2006. Upon the appointment of Mr. Morris, Mr. Bell continued with us in an advisory position until March 17, 2017.

Compensation Philosophy and Objectives

The Compensation Committee (the Committee for purposes of this Compensation Discussion and Analysis) has designed the executive compensation program to attract, develop, reward and retain quality management talent to facilitate the Company's achievement of its annual, long-term and strategic goals. The Committee's objective is to align executives' interests with shareholders' interests by creating a pay-for-performance culture at the executive level, with the ultimate objective of increasing shareholder value. Other objectives are to recognize the contributions of individual executives, provide market competitive pay opportunities and foster retention and executive stock ownership. Thus, while executive compensation should be directly linked to Company performance, it should also be an incentive for executives to continually improve individual performance.

Key Elements of Compensation Plan Design

Our executive compensation program is based on the following best practices:

Pay opportunities for executives as a group that are appropriate to the size of the Company;

A pay program that is heavily performance-based using multiple performance measures;

Disclosure of the financial performance metrics and goals used in our incentives;

A long-term incentive program aligned with shareholders through a link to stock price and measurement of stock performance versus peer companies;

Equity-based incentive plans that prohibit backdating and repricing of stock options;

Few perquisites and no tax gross-ups on perquisites;

Executive stock ownership and retention guidelines;

Prohibition against hedging and pledging;

Designs that reward prudent risk-taking;

Moderate severance;

Moderate change-in-control severance amounts and no excise tax gross-ups;

Beginning with 2016 awards, double-trigger vesting on long-term equity awards; and

Retention of an independent compensation consultant engaged by, and who reports directly to, the Committee.

2016 in Brief

In 2016 our team executed successfully in the face of headwinds created by a sluggish economic environment and low fuel prices. Through operational discipline, we reduced costs, increased efficiency and productivity, and continued to advance our strategic initiatives by investing in expanding service offerings, technology and strategic acquisitions. We believe these efforts have positioned the Company well for 2017. Financial and operational highlights from 2016 include the following:

Consolidated operating revenue increased by \$23.4 million, or 2.4%, to \$982.5 million for the year ended December 31, 2016 from \$959.1 million for the year ended December 31, 2015.

At the segment level, Pool and Truckload Premium Services (TLS) were able to increase operating revenue, primarily through new business wins, despite the challenging economic environment. Pool operating revenue increased \$18.6 million, or 14.3%, to \$148.6 million for the year ended December 31, 2016 from \$130.0 million for the year ended December 31, 2015. TLS revenue increased \$11.0 million, or 7.2%, to \$164.3 million for the year ended December 31, 2016 from \$153.3 million in the same period of 2015.

Consolidated adjusted income from operations decreased \$3.7 million to \$102.4 million for the year ended December 31, 2016 compared to \$106.1 million in the prior year, down 3.5%. Income from operations was adjusted to exclude a \$42.4 million impairment charge related to TQI Holding s goodwill and other long lived assets. 2015 Income from operations was adjusted to exclude \$23.5 million in one-time acquisition and integration costs related to the acquisition of Towne and \$1.2 million in professional fees and incentives associated with a \$6.9 million income tax benefit recognized during 2015. For a reconciliation of adjusted

income from operations, a non-GAAP financial metric, to income from operations, please refer to the reconciliations included in our fourth quarter press release filed with SEC on Form 8-K on February 8, 2017.

Expedited LTL s operating income increased \$4.3 million to \$83.5 million, or 5.4% for the year ended December 31, 2016, compared to the same period in 2015, despite revenue for the same period decreasing \$6.2 million, or 1.1%.

Intermodal continued executing its growth strategy by acquiring substantially all of the assets of ACE Cargo, LLC (Ace) and Triumph Transport, Inc. and Triumph Repair Service, Inc. (together referred to as Triumph), which partially offset decreases in operating revenue resulting from the impact of reduced fuel surcharges, decreased rental and storage revenues and suppressed market conditions.

The Company's consolidated operating activities generated \$130.3 million of net cash for the year ended December 31, 2016 and after utilizing \$52.4 million in cash in investing activities in 2016, the Company returned \$55.5 million to shareholders through dividends and our stock repurchase program.

Based on our financial and operational performance in 2016 under challenging market conditions, our pay-for-performance philosophy and the design of our pay programs led to the following Committee actions and plan payouts to our Named Executive Officers for 2016:

Base salaries. Given that the base salary for Mr. Campbell, our Chief Executive Officer, had increased only an aggregate of 5% from 2013 to 2015, in order to bring his salary nearer to market based on updated market data obtained at the request of the Committee, Mr. Campbell received a 19% increase to his base salary in 2016. Messrs. Jewell and Ruble received base salary increases of 6.7% and 6.5%, respectively, in 2016. Mr. Hance received a 5% base salary increase to bring his pay commensurate with market, and Mr. Bell received no base salary increase in 2016. Mr. Morris joined the Company in 2016.

Short-term incentive payouts. Approved payouts under our annual incentive plan at 50% of target, i.e., below target due to aggressive goals set for the year.

Long-term performance plan payouts. Based on our total shareholder return relative to our peer companies, no performance shares were earned for the February 2014 to February 2017 performance period. If those performance shares had been earned, the value of those performance shares ranged from \$0.1 million to \$0.5 million for our NEOs.

Role of Shareholder Say-on-Pay Vote

The Company provides its shareholders with the opportunity to cast an annual advisory vote on executive compensation (a say-on-pay proposal). At the Company's annual meeting of shareholders held in May 2016, approximately 98.0% of the votes cast on the say-on-pay proposal were voted in favor of the proposal. The Committee believes this outcome affirms shareholders' support of the Company's approach to executive compensation and generally did not change its approach in 2016 based upon the results of this advisory vote. The Committee will continue to consider the outcome of the Company's say-on-pay votes when making future compensation decisions for the Named Executive Officers.

Role of the Compensation Committee

The Compensation Committee is responsible for reviewing and approving the Company's executive compensation policies, plan designs and the compensation of our senior officers, including our Named Executive Officers. The Committee considers various factors in making compensation determinations, including the officer's responsibilities and performance, the effectiveness of our programs in supporting the Company's short-term and long-term strategic objectives, and the Company's overall financial performance. The Committee coordinates the full Board's annual review of the Chief Executive Officer's performance and considers the Board's assessment in its compensation decisions related to the Chief Executive Officer.

To this end, the Committee conducts an annual review of executive officer pay levels, reviews market data updated periodically by the independent consultant, approves changes to program designs (including post-termination arrangements) based on an assessment of competitive market practice and emerging trends, oversees the development of succession plans, and evaluates the risks associated with the Company's executive compensation programs.

Role of the Compensation Consultant

The Committee has selected and directly retains the services of Meridian Compensation Partners, LLC (Meridian). The Committee periodically seeks input from Meridian on a range of external market factors, including evolving compensation trends, appropriate peer companies and market survey data. Meridian also provides general observations on the Company's compensation programs, but it does not determine or recommend the amount or form of compensation for the Named Executive Officers. During 2016, Meridian attended all five Committee meetings. The Committee determined that Meridian was independent during 2016 per Nasdaq listing standards and had no conflicts of interest to disclose.

Role of Executive Officers in Compensation Decisions

At the request of the Compensation Committee, the Chief Executive Officer makes recommendations regarding base salary, annual incentive pay and long-term equity incentive awards for the other Named Executive Officers and provides the Committee with justification for such awards. In forming his recommendations he considers information provided by the Senior Vice President of Human Resources and assessments of individual contributions, achievement of performance objectives and other qualitative factors. While the Committee gives great weight to the recommendations of the Chief Executive Officer, it has full discretion and authority to make the final decision on the salaries, annual incentive awards and long-term equity incentive awards as to all of the Named Executive Officers. The Chief Executive Officer does not make recommendations concerning his own compensation and is not present during deliberations and voting regarding his own compensation.

The Chief Executive Officer, Senior Vice President of Human Resources, Chief Financial Officer and Chief Legal Officer regularly attend Compensation Committee meetings at the Committee's request. The Senior Vice President of Human Resources typically presents recommendations for program design changes and individual pay levels for executive officers, taking into consideration individual performance of each incumbent, appropriate benchmarking information and issues that may arise from an accounting, legal and tax perspective.

Setting Executive Compensation

Based on the foregoing objectives, we have structured the Company's executive compensation to motivate executives to achieve the business goals set by the Company and to reward the executives for achieving such goals.

For the fiscal year ended December 31, 2016, the principal components of compensation for Named Executive Officers were:

base salary;

annual incentive compensation;

long-term equity incentive compensation;

retirement and other benefits (available to all employees); and

perquisites and other personal benefits.

The Committee combines these elements, particularly base salary, and the short and long-term incentives, to provide a total compensation package designed to attract highly qualified individuals and provide strong incentives to align efforts and motivate executives to deliver company performance that creates shareholder value. The total value of the compensation package is weighted towards the variable incentive components.

At the beginning of 2016, the Compensation Committee established a total target compensation for each Named Executive Officer comprised of base pay, annual incentives and long-term incentives (LTI). The Committee referred to market data prepared by its independent compensation consultant from Aon Hewitt s Total Compensation Measurement general industry database providing pay opportunities at the size-adjusted 50th percentile of the market for executives holding similar positions. The Committee considered the data as one of the factors in considering an executive s total target compensation, but also considered other factors such as the experience level of the individual, the value of the individual executive to the Company, the individual s level within the Company, existing and prior year awards for the individual and other factors.

In 2016, the total target compensation set at the beginning of the year for the Named Executive Officers is set forth in the chart below. Mr. Morris joined the Company on June 27, 2016, and his total target compensation as shown in the chart below was set at that time.

NEO	Base Salary	Target Annual Incentive	Target Long-Term Incentive	Total Target Compensation
Mr. Campbell	\$ 750,000	\$ 750,000	\$ 1,500,000	\$ 3,000,000
Mr. Morris	380,000	285,000	330,000	995,000
Mr. Bell	367,109	275,331	250,000	892,440
Mr. Jewell	450,000	337,500	330,000	1,117,500
Mr. Ruble	450,000	337,500	330,000	1,117,500
Mr. Hance	360,000	270,000	330,000	960,000

Our compensation programs are designed to motivate strong annual performance and foster long-term operational success. We set a majority of total compensation (base salary, annual incentives and long-term incentives) for the Named Executive Officers to be at risk , meaning that the compensation is earned by meeting annual or long-term performance goals or is influenced by stock price. The 2016 compensation elements with at risk components are approximately 65.9% of the 2016 target compensation opportunity for all of the Named Executive Officers, and approximately 75.0% for our Chief Executive Officer.

The compensation that an executive actually receives will differ from that executive s target compensation for a variety of reasons. Base salary increases and annual incentive payouts are based on achievement of individual and business objectives. Compensation realized from long-term incentive awards is dependent upon stock price increases, stock performance versus peer companies and/or continued employment.

Base Salary

The objective of base salary is to reflect the base market value of the executive's role. It is designed to reward core competence in roles that are complex and demanding. We choose to pay base salary because it is required for talent attraction and retention.

Base salaries for 2016 for the Named Executive Officers were determined for each executive based on his position and responsibility and by reference to the market data. The Committee also considers factors such as internal pay equity, level of experience and qualifications of the individual, scope of responsibilities and future potential, goals and objectives established for the executive as well as the executive's past performance. The base salaries for the Named Executive Officers for the fiscal year ended December 31, 2016 are set forth in the Salary column of the Summary Compensation Table on page 36 of this Proxy Statement.

Annual Incentive Compensation

The objective of our annual cash incentive plan is to focus on attaining specific business goals that lead to our long-term success and promote retention of the Company's executive talent. The annual cash incentive plan is designed to reward achievement of operating income targets and individual objectives important to the Company's short-term and long-term success. Payments made under the annual incentive compensation program to the Named Executive Officers are made in cash and are calculated to a certain percentage of the executive's annual base salary pay as described in more detail below.

2016 Target Annual Cash Incentive Plan Opportunity. Each executive's annual cash incentive plan target opportunity for 2016 is shown below and for ongoing executives represents no change from the prior year. Mr. Morris joined the Company in 2016. His target opportunity is the same as that of Mr. Bell, his predecessor.

Annual Cash Incentive Plan Target Opportunities

Executive	Total Target Annual Cash Incentive Plan Opportunity as Percentage of Base Salary
Campbell	100%
Bell, Jewell, Morris, Ruble, Hance	75%

The components of the Annual Incentive Plan for each Named Executive Officer and their weighting with respect to the Total Cash Incentive Opportunity are reflected in the chart below.

Executive	Components of Plan	Weighting of Total Cash Incentive Opportunity
Campbell, Bell,	(1) Corporate Performance	80%
Morris and Hance	(2) Individual Performance	20%

Edgar Filing: FORWARD AIR CORP - Form DEF 14A

Ruble	(1) Business Unit (Expedited LTL) Performance	50%

Corporate Performance and Business-Unit Performance Operating Income Goals. The Committee established corporate and business-unit operating income goals for 2016 and corresponding incentive payments for achievement of such goals. Goals are set to represent three incremental performance levels: threshold, target and maximum. The target level for operating income is set at amounts that generally reflect our internal business plan at the time the targets are established, subject to adjustment to take into account known headwinds or tailwinds and other economic conditions. Threshold and maximum levels are designed to provide a smaller award for lower levels of acceptable performance (threshold) or reward exceptional levels of performance (maximum). Payout for performance between points is typically interpolated on a straight-line basis. The Committee retains discretion as to the amount of the ultimate short-term incentive to be paid.

For the 2016 Corporate Performance Component, the operating income target was \$120.0 million, which represented a 13.2% increase over the actual corporate adjusted operating income performance for 2015. For the Business-Unit Performance Component, the operating income targets were \$89.1 million for Expedited LTL and \$13.6 million for Intermodal Services, which represented 12.5% and 14.3% increases, respectively, over the actual business unit operating income results from the prior year. For the Truckload Premium Services, the operating income target was \$13.2 million, which was 0.8% decrease over the applicable results from the prior year. Truckload Premium Services plan decreased compared to 2015 due to restructuring efforts associated with the TQI operations. In 2016, for purposes of determining the achievement of operating income goals under the annual cash incentive plan, the Committee determined to exclude from operating one-time non-cash charge of \$42.4 million primarily resulting from intangible asset impairments related to the Company's TQI acquisition.

Individual Objectives. Individual personal objectives specific to each executive officer position were set at the start of the fiscal year. At the end of the fiscal year, the Chief Executive Officer used his judgment to evaluate the performance of the other Named Executive Officers against those personal objectives, taking into account the extent to which the goals were met; unforeseen financial, operational and strategic issues of the Company; and any other information deemed relevant. The Compensation Committee reviewed and approved this performance evaluation and evaluated the performance of the Chief Executive Officer in a similar manner with input from the full Board.

The 2016 individual objectives payout opportunities were as shown in the chart below. From zero percent (0%) to the maximum award amount described in the chart below, the Committee had discretion as to the exact amount of awards, if any, made in connection with an executive's attainment of the executive's individual objectives.

Individual Objectives Component of Annual Cash Incentive Plan	
Possible Payout as Percentage of	
Total Target Annual

2016 Annual Incentive Payout. The Committee met in February 2017 to determine whether the Company's 2016 performance merited payment to the Named Executive Officers under the annual cash incentive plan, and, if so, to determine the amount of such incentive awards.

Corporate Performance Component: Adjusted income from operations was \$102.4 million, which resulted in a payout of 50% of the total target Corporate Performance annual incentive opportunity.

Business-Unit Performance Component. Expedited LTL's adjusted income from operations was \$83.5 million, which resulted in a payout of 75% of the target Business-Unit Performance incentive opportunity for Mr. Ruble. Neither Truckload Services nor Intermodal Services achieved the threshold level of performance, and therefore Mr. Jewell received no payout under the Business-Unit Performance Component of the program.

Individual Performance:

The Committee also considered performance against the individual objectives set for the Named Executive Officers. In 2016, those individual objectives encompassed:

contributions to meeting established corporate and departmental goals;

contributions to the Company's acquisition activities;

continuous improvement of business and functional operations;

managing resources within established departmental budgets; and

effectiveness and development in areas of leadership, talent development, planning and teamwork.

After a performance appraisal of each executive officer and a review of their achievement of the personal goals which had been set for them, Mr. Campbell recommended to the Committee an achievement of 100% of target for each Named Executive Officer's personal individual objectives, which they approved. The Compensation Committee evaluated the performance of the Chief Executive Officer in a similar manner, and based on its review determined that Mr. Campbell also achieved his personal individual objectives for 2016 at target levels. The actual awards made to each Named Executive Officer under the Operating Income and Individual Objectives Component of the annual cash incentive plan are shown in the chart below.

Executive	Corporate Performance Component	Individual Objectives Component	Business-Unit Performance Component	Total Payout Under 2016 Annual Cash Incentive Plan

Long-Term Equity Incentive Awards

The objective of providing long-term incentives (LTI) is to focus the Named Executive Officers on metrics that lead to increased shareholder value over the long term, enhance long-term thinking in general and retain executives. Our long-term incentives are specifically designed to reward stock price increase, stock performance relative to industry peer companies and continued employment.

At the beginning of 2016, the Committee established target values for each Named Executive Officer, except for Mr. Morris who joined the Company in June 2016, for the total LTI component and made grants consisting of three types of awards: stock options, restricted stock and performance shares. There were no changes to the total long-term incentive target value for any of the Named Executive Officers, other than Mr. Bell, whose total long-term incentive target value was reduced by \$80,000. The Committee made grants to Messrs. Campbell, Bell, Jewell, Ruble and Hance consisting of one-third in value each of stock options, restricted stock and performance shares. The Committee granted an LTI award consisting of only restricted shares to Mr. Morris upon the commencement of his employment with the Company in June 2016.

The Committee approved the following target long-term incentive awards for the Named Executive Officers for 2016:

Executive	2016 Stock Option Grant	2016 Restricted Stock Grant	2016 Target Performance Share Grant	2016 Total Long-Term Incentive Award	2015 Total Long-Term Incentive Award
Mr. Campbell	\$ 500,000	\$ 500,000	\$ 500,000	\$ 1,500,000	\$ 1,500,000
Mr. Morris		330,000		330,000	N/A
Mr. Bell	83,333	83,333	83,333	250,000	330,000
Mr. Jewell	110,000	110,000	110,000	330,000	330,000
Mr. Ruble	110,000	110,000	110,000	330,000	330,000
Mr. Hance	110,000	110,000	110,000	330,000	330,000

Equity-based awards. The value to the executive of each of the three components comprising long-term equity compensation in 2016 (stock options, restricted stock and performance shares) is impacted by the performance of the Company's stock.

A stock option provides value to the executive only if share price increases.

Restricted stock becomes more valuable to the executive if the Company's stock price increases, and the executive shares in the downside risk of a decline in the Company's stock price.

The number of performance shares earned, if any, will depend on how the Company's stock performs against transportation industry peers.

As it is possible that there will be no payout under the performance shares or stock options, these awards are completely at-risk compensation. This emphasis on at-risk compensation in the LTI awards accomplishes the Company's goal of creating a pay-for-performance culture at the executive level, while striking the appropriate balance between risk, retention and reward. Each element of the LTI is discussed in more detail below. See *Change-in-Control Treatment of 2016 Long Term Equity Awards* for a discussion of the treatment of 2016 long-term incentives upon a change in control.

Stock Options. A stock option is the right to purchase the Company's common stock at a fixed price for a defined period of time. In 2016, grant sizes of stock options for the Named Executive Officers were calculated generally by multiplying the target LTI economic value by the weighting assigned to the options component and dividing it by the value of a single option determined under the Black-Scholes methodology and based on assumptions used for recognizing expense in our financial statements contained in our Annual Report in accordance with generally accepted accounting principles (GAAP). For the 2016 option grant, the grant date fair value was \$11.73.

The exercise price for options was equal to the fair market value of the Company's common stock on the date the option was granted, \$43.67. The options vest evenly over a three-year period. Consistent with option grants to the Chief Executive Officer over the past four years, options granted to Mr. Campbell in 2016 were subject to a financial performance standard whereby vesting was contingent upon the Company's achievement of pre-established operating income goals within a three-year period. All of the options granted to the Named Executive Officers will expire if not exercised within seven years of the grant date. To the extent not earlier vested, these options will vest upon the death or disability of the recipient.

Restricted Stock. A share of restricted stock is a share of the Company's common stock that is subject to vesting requirements based on continued employment. Restricted stock grant sizes are calculated generally by multiplying the target LTI economic value by the weighting assigned to the restricted stock component and dividing it by the value of a single share of common stock determined using the estimated grant date fair value. The estimated grant date fair value of the restricted shares awarded to the Named Executive Officers in February 2016 was \$43.67. The estimated grant day fair value of the restricted shares awarded to Mr. Morris upon the commencement of his employment with the Company in June 2016 was \$43.15.

Shares granted under restricted stock awards are restricted from sale or transfer until vesting occurs, and restrictions lapse in three equal installments beginning one year after the date of grant. Dividends are paid in cash on a current basis throughout the vesting period.

Performance Shares. A performance share is the right to receive a share of Company common stock based upon the achievement of certain performance criteria. Performance share grant sizes were calculated by multiplying the target LTI economic value by the weighting assigned to the performance share component and dividing it by the value of a single performance share determined using a Monte Carlo valuation model, \$48.73.

Performance shares are earned on the basis of our Total Shareholder Return (TSR) measured over a three-year period, relative to the TSR of a peer group of transportation companies. For performance share awards made prior to and including 2015, the following 12 companies were included in the TSR peer group: C.H. Robinson Worldwide, Inc.; Con-way, Inc.; Expeditors International of Washington, Inc.; FedEx Corporation; Hub Group, Inc.; J.B. Hunt Transport Services, Inc.; Knight Transportation, Inc.; Landstar System, Inc.; Old Dominion Freight Line, Inc.; United Parcel Service, Inc.; UTi Worldwide, Inc.; and Werner Enterprises, Inc. In 2015, the Committee adjusted the peer group for performance share awards made in 2016 by removing UTi Worldwide, Inc. and Con-Way, Inc., both of which were acquired in 2015, and adding XPO Logistics, Inc. and Roadrunner Transportation Systems, Inc.

TSR reflects price appreciation and reinvestment of dividends.

Share price appreciation is measured as the difference between beginning market price and ending market price.

Beginning market price equals the average closing price on the 30 trading days immediately preceding and including the first day of the performance period.

Ending market price equals the average closing price on the last 30 trading days of the performance period.

The actual number of performance shares earned is based on the percentile of our TSR among the TSRs of the comparator group companies described above during the three-year performance period. The performance shares pay out in shares of our common stock, shortly after the close of the three-year performance period, in a range of 0 percent to 200 percent of the number of performance shares awarded. The chart set forth below determined the percent of a target award to be paid for grants made in 2016. Payout for performance between points is calculated using straight-line interpolation.

Performance Level	Payout (as a % of Target)
90 th percentile or higher	200%
70 th percentile	150%
50 th percentile	100%
25 th percentile	50%
Below 25 th percentile	0%

Dividends are not paid on unvested performance shares. Performance shares vest upon the death or disability of the recipient, as well as upon involuntary termination of employment in connection with or within 24 months after the change in control as such term is defined in the Amended and Restated Stock Incentive Plan (the Stock Incentive Plan).

Awards made to the Named Executive Officers under the Stock Incentive Plan and the 2016 Omnibus Incentive Compensation Plan (the Omnibus Plan) for the fiscal year ended December 31, 2016 are set forth in the Grants of Plan-Based Awards for Fiscal 2016 Table on page 38 of this Proxy Statement.

2014 Performance Shares. Based on our TSR for the February 2014 to February 2017 performance period, we ranked at the 20th percentile of our transportation industry peer group. As a result, no performance shares were earned for that period.

Change-in-Control Treatment of 2016 Long Term Equity Awards

Beginning with long-term incentive grants made in 2016, vesting of such awards upon a change in control is double-trigger (i.e., not accelerated unless the awards are not assumed or converted by the acquirer or in the event there is an involuntary termination of employment in connection with or within 24 months after the change in control).

Upon such change-in-control-related vesting event 1) stock options will become fully vested and exercisable and may be exercised within 90 days thereafter but not beyond their expiration date. If the stock options are cancelled in the change in control transaction, they will become exercisable in full immediately before such cancellation; 2) restricted shares will become fully vested and transferable; 3) the target number of performance shares will vest or, if greater, the number of performance shares that would have become vested on the vesting date based on the Company's TSR ranking calculated through the executive's last day of service. Similar to the performance share awards granted in 2015, the target number of performance shares under the 2016 awards is set at half of the maximum payout opportunity.

Retirement and Other Benefits

Our Named Executive Officers received retirement and other benefits the same as other employees at the Company. We choose to pay these benefits to meet the objective of having a competitive retirement and benefit package in the marketplace. Retirement benefits reward employees for saving for their retirement and for continued employment. Welfare benefits such as medical and life insurance reward continued employment.

All full-time Company employees, including the Named Executive Officers, are entitled to participate in the Company's 401(k) retirement savings plan. Under the Company's 401(k) retirement savings plan, for each pay period, the Company provides a \$0.25 matching contribution for every dollar an employee elects to defer into the 401(k) plan. However, this \$0.25 matching contribution is limited to elective deferrals up to 6% of the employee's compensation for the pay period. The Company's matching contribution is subject to the rules and regulations on maximum contributions by individuals under such a plan. Matching contributions to the Named Executive Officers for the fiscal year ended December 31, 2016 are reflected in the 401(k) Match column of the All Other Compensation Table on page 37 of this Proxy Statement.

Additionally, all full-time employees of the Company, including the Named Executive Officers, are eligible to participate in the Company's 2005 Employee Stock Purchase Plan (the ESPP) upon enrolling in the ESPP during one of the established enrollment periods. Under the terms of the ESPP, eligible employees of the Company can purchase shares of the Company's common stock through payroll deduction and lump sum contributions at a discounted price. The purchase price for such shares of common stock for each option period, as described in the ESPP, will be the lower of: (a) 90% of the closing market price on the first trading day of an option period (there are two option periods each year January 1 to June 30 and July 1 to December 31) or; (b) 90% of the closing market price on the last trading day of the option period. Under the ESPP, no Company employee is permitted to purchase more than 2,000 shares of the Company's common stock per option period or shares of common stock having a market value of more than \$25,000 per calendar year, as calculated under the ESPP.

The Named Executive Officers are also eligible to participate in the Company's health, dental, disability and other insurance plans on the same terms and at the same cost as such plans are available to all of the Company's full-time employees. The Company does not have or provide any supplemental executive retirement plan or similar plan that provides for specified retirement payments or benefits. Moreover, the Company does not have or provide any defined contribution or other plan that provides for the deferral of compensation on a basis that is not tax-qualified.

Perquisites

The Company provides its Named Executive Officers with perquisites and other personal benefits that the Company and the Committee believe are reasonable and consistent with its overall compensation. We choose to pay them to meet the objective of creating a competitive advantage for attracting and retaining superior employees for key positions. The Committee periodically reviews the levels of perquisites and other personal benefits provided to the Named Executive Officers. The Named Executive Officers are provided a monthly car allowance and reimbursement of certain commuting expenses. The perquisites provided to our Named Executive Officers, in the aggregate, comprise less than 1.0% of their total compensation. The amounts of such benefits received by each Named Executive Officer for the fiscal year ended December 31, 2016 are set forth in the Car Allowance & Commuting Expenses column of the All Other Compensation Table on page 37 of this Proxy Statement.

Severance Arrangements

The Company maintains an employment agreement with Mr. Campbell, which was put in place to secure his services and provide for certain benefits upon termination of employment, and also to protect the Company's interests by imposing confidentiality, noncompetition, non-solicitation and other restrictive covenants. Under Mr. Campbell's Employment Agreement, described in detail below, if the Company were to terminate Mr. Campbell without just cause, then he would be entitled to receive (i) his base salary for the longer of one year from the date of termination or the remainder of the then-pending term of the Employment Agreement but not to exceed two years; (ii) any unpaid bonus amounts previously earned; and (iii) continued insurance coverage for one year from the date of such termination. In the event of a change in control, Mr. Campbell may elect to resign and receive (i) his base salary for one year following the date of the change of control; and (ii) a cash bonus equal to the prior year's year-end cash bonus, plus any unpaid bonus amounts previously earned. The payments due to Mr. Campbell in the event he is terminated without just cause or following a change in control are set forth in the Termination without Cause and Change of Control columns of the 2016 Potential Payments upon Termination, Change of Control, Death and Disability Table on page 44 of this Proxy Statement.

Our other executive officers do not have employment contracts, but are covered by an executive severance and change in control plan (the Severance Plan), which became effective January 1, 2013. All Named Executive Officers (other than the Chief Executive Officer whose severance is governed by the terms of his employment agreement), along with other senior officers of the Company, are participants in the Severance Plan. The objectives of the Severance Plan are to enhance the attraction and retention of executive talent during corporate upheaval, enable management to evaluate and support potential transactions that might be beneficial to shareholders even though the result would be a change in control of the Company, and obtain important corporate protections upon terminations of employment. The plan is designed to reward executives for remaining employed when their prospects for continued employment following a change in control or other corporate upheaval may be uncertain. We chose to adopt the plan to protect shareholder value in such events by increasing the possibility of retaining an intact management team.

In connection with his retirement from the Company in March 2017, Mr. Bell entered into a Retirement and Release Agreement with the Company (the Retirement Agreement). Under the Retirement Agreement, Mr. Bell received the following benefits: (i) a lump sum severance payment in an amount equal to one year of his annualized base salary; (ii) a pro-rata target annual incentive for 2017 in the amount of \$68,830; (iii) a lump sum healthcare assistance payment in an amount of \$16,300; and (iv) certain

outplacement services not to exceed \$20,000 in value, which benefits are consistent with the benefits provided by the Severance Plan. Upon his retirement, Mr. Bell's rights and interests in any equity awards granted to him by the Company will be controlled by the terms of the applicable equity plan and award agreement governing said awards. Accordingly, any stock options that were exercisable by him on the date of his retirement were exercisable for a period of 90 days from the retirement date, and any options not exercised during the afore-described 90-day period will be canceled and forfeited. Any shares of restricted stock awarded to Mr. Bell that were not vested on the date of his retirement were immediately forfeited by him and transferred to the Company for no consideration. Mr. Bell's rights and interests in any unvested performance shares were immediately forfeited on the date of his retirement and said awards were canceled. A condition to Mr. Bell receiving any of the benefits provided under the Retirement Agreement was his execution of a restrictive covenants agreement that includes non-competition and non-solicitation provisions with respect to the Company's employees and customers for a specified period following his retirement. In addition, his severance benefits payable under the Retirement Agreement were subject to his execution of a general release of claims against the Company and certain affiliated persons and entities.

The severance benefits available to our Named Executive Officers under the Severance Plan are described in more detail under the Section entitled "2016 Potential Payments upon Termination, Change of Control, Death or Disability" on pages 43-46 of this Proxy Statement and in the table set forth on page 45-46 of that Section.

Tax and Accounting Implications

The Committee and management consider the accounting and tax effects of various compensation elements when designing our annual incentive and equity compensation plans and making other compensation decisions. Although the Committee designs the Company's plans and programs to be tax-efficient and to minimize compensation expense, these considerations are secondary to meeting the overall objectives of the executive compensation program.

Deductibility of Executive Compensation. Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code), generally disallows a federal income tax deduction to public corporations for compensation greater than \$1 million paid for any fiscal year to the corporation's chief executive officer and to the three most highly compensated executive officers other than the chief executive officer or chief financial officer. However, certain forms of performance-based compensation are excluded from the \$1 million deduction limit if specific requirements are met. It is the policy of the Committee to periodically evaluate the qualification of compensation for exclusion from the \$1 million deduction limit under Section 162(m) of the Code, while maintaining flexibility to take actions with respect to compensation that it deems to be in the interest of the Company and its shareholders which may not qualify for tax deductibility.

Accounting for Executive Compensation. We account for stock-based compensation in accordance with GAAP. Consequently, stock-based compensation cost is measured at the grant date based on the fair value of the award in accordance with FASB ASC Topic 718. We generally recognize stock-based compensation expense ratably over the vesting period of each award except as required otherwise by FASB ASC Topic 718.

Other Compensation and Governance Policies

Risk Management

Our incentive program rewards reasonable risk-taking, accomplished through both program design and Committee processes.

Program design features for Named Executive Officers that mitigate risk include the following:

Balanced mix of pay including substantial base salary (fixed compensation) and a balance of annual (cash) and long-term (equity) incentives;

Capped short-term incentives;

Short-term incentive goals tied to financial goals of corporate-level strategic plan;

Annual equity-based incentive grants without backdating or repricing;

Stock ownership guidelines applicable to senior executive officers, as described below;

Prohibition on hedging and pledging Company stock, as described below; and

A compensation recoupment or clawback policy, as described below.

Committee processes mitigating risk include:

Overall administration of executive plans by the Committee;

Reasonable short-term incentive goals;

Financial performance objectives based upon budget objectives that are reviewed and approved by the Committee and the Board;

Avoidance of steep payout cliffs;

Ongoing and active discussion of the Committee with management regarding process on short-term and long-term goals; and

Committee authority to pay less than the maximum short-term incentive amount after assessing the overall contribution and performance of the executive officers.

Other incentive programs at the Company either have similar characteristics or are small in amount.

Stock Ownership Guidelines

The Company has adopted executive stock ownership and retention guidelines (the Ownership Guidelines). These Ownership Guidelines are applicable to the Company s executive officers, including the Named Executive Officers, and other executives holding a title of senior vice president or above. The Company s Ownership Guidelines are designed to increase executives equity stakes in the Company and to align executives interests more closely with those of shareholders. The Ownership Guidelines require covered executives to own, and hold during his or her tenure with the Company, shares of the Company s common stock sufficient in number to satisfy the relevant amount specified below as a multiple of the executive s annual base salary:

Position	Value of Common Stock to be Owned
Chief Executive Officer	3 times base salary
Executive Vice Presidents and Senior Vice Presidents	2 times base salary
Chief Accounting Officer	1 times base salary

Until the executive achieves the applicable ownership level, he or she is required to retain 50% of the net number of shares of common stock acquired through Company-provided stock-based awards, the vesting of restricted stock awards, the delivery of shares in settlement of stock units or performance share awards, or the delivery of shares to the executive through any other incentive compensation arrangement of the

Company. This retention requirement applies only to stock-based awards that are granted on or after January 1, 2013. No retention requirement applies under the Ownership Guidelines to shares acquired in excess of the requisite ownership level. Unvested restricted stock, unvested stock units, shares underlying unexercised stock options and unvested or unearned performance share awards or performance units do not count towards the stock ownership guidelines.

Prohibition Against Hedging and Pledging

The Company's Insider Trading Policy prohibits executive officers from engaging in any form of hedging transaction. In addition, the policy prohibits executive officers from holding Company securities in margin accounts and from pledging Company securities as collateral for loans. The Company believes that these policies further align our executives' interests with those of our shareholders.

Policy on Recoupment of Executive Compensation

The Company has adopted a discretionary incentive compensation clawback policy (the Recoupment Policy) that applies to its executive officers, including the Named Executive Officers, and certain other specified employees. This policy allows the Company to seek reimbursement with respect to incentive compensation paid or awarded to executive officers if the executive engaged in fraudulent or illegal conduct to the material detriment of the Company, or if the executive is terminated for fraudulent or illegal conduct that materially harms the business or reputation of the Company. Additionally, the Company can seek reimbursement under the Recoupment Policy if a determination is made that the Company is required to file an accounting restatement with the SEC that resulted from either the intentional misconduct of the executive officer or, regardless of the existence of intentional misconduct, results in a material negative revision of a financial or operating measure that was used to determine incentive compensation. The Recoupment Policy allows the Company to recover incentive compensation awarded to the affected executive officers, including, but not limited to, bonuses, annual, periodic or long-term cash incentive compensation, stock-based awards and the Company stock acquired thereunder, and sale proceeds realized from the sale of Company stock acquired through stock-based awards. All actions taken and decisions made relating to the Recoupment Policy are in the Committee's sole and absolute discretion. The Company expects to update the Recoupment Policy when the regulations mandated by the Dodd-Frank Wall Street Reform and Consumer Protection Act, as amended, are implemented by the SEC.

Key Provisions of Stock Incentive Plan and Omnibus Plan

The Company's Stock Incentive Plan and Omnibus Plan incorporate certain terms and procedures that reflect the current compensation philosophy of the Company's Compensation Committee. Specifically, both plans prohibit the re-pricing or cash-out of underwater stock options and SARs without prior shareholder approval. They also provide that the taking of certain permitted actions affecting outstanding awards in the event of a change in control of the Company will in all cases be conditioned upon the consummation of the transaction giving rise to the change in control and will not be taken with respect to any awards that are subject to the provisions of Section 409A of the Internal Revenue Code (Section 409A) if the action would result in a violation of Section 409A. Finally, awards granted under the Stock Incentive Plan and Omnibus Plan are made subject to the Company's Recoupment Policy on incentive compensation.

The performance shares cliff vest after the close of the three-year performance period that ends December 31, 2017 and the number of shares that vest will be based on the TSR of Forward Air Corporation stock compared to the TSR of a determined peer group. See pages 28-29 of this Proxy Statement for additional information.

In the event that there is no public trading of the Company's common stock on the date of stock option grant, the exercise price will be the closing price on the most recent, prior date that the Company's common stock was traded.

Employment Agreement with Bruce A. Campbell

There is an Employment Agreement between Bruce A. Campbell and the Company, which was effective October 30, 2007. This Employment Agreement was amended in December of 2008 to the extent necessary to make the Agreement comply with Section 409A of the Internal Revenue Code and the Treasury regulations promulgated under that section, which relate to nonqualified deferred compensation. The Employment Agreement was subsequently amended in February of 2009 to extend the term of the Agreement to December 31, 2012. (The Employment Agreement and all amendments thereto are referred to collectively as the Employment Agreement.) The term of the Employment Agreement automatically extends for additional one-year terms thereafter unless the Board or Mr. Campbell provide prior notice of non-renewal at least six months before the expiration of the then-pending term.

Under the Employment Agreement, Mr. Campbell received an annual base salary of not less than \$500,000, subject to adjustment annually in the discretion of the Committee. Mr. Campbell is eligible under the Employment Agreement to receive an annual year-end cash bonus dependent upon the achievement of performance objectives by Mr. Campbell and the Company as established by the Committee. The Employment Agreement provides that this year-end bonus may be paid in one or more installments, on or after December 1 of the measurement year but no later than March 15 of the following year. The Employment Agreement further provides that Mr. Campbell will be entitled to the same fringe benefits as are generally available to the Company's executive officers.

While the Company does not have employment agreements with any of its other Named Executive Officers, the Company did adopt an executive severance and change and control plan, which became effective January 1, 2013, that provides for certain payments to its Named Executive Officers in the event of a termination or a change in control. This plan is discussed in greater detail on pages 42-45 of this Proxy Statement under a Section entitled 2016 Potential Payments upon Termination, Change of Control, Death or Disability.

2016 Potential Payments Upon Termination, Change of Control, Death or Disability

Under the Employment Agreement with Mr. Campbell, the Company may terminate Mr. Campbell's employment at any time with or without just cause, as defined in the Employment Agreement. If the Company should terminate Mr. Campbell without just cause, he would be entitled to receive (i) his base salary for the longer of one year from the date of termination or the remainder of the then-pending term of the Employment Agreement but not to exceed two years; (ii) any unpaid bonus amounts previously earned; and (iii) continued insurance coverage for one year from the date of such termination. Mr. Campbell would not be entitled to any unearned salary, bonus or other benefits if the Company were to terminate him for just cause.

Mr. Campbell also may terminate the Employment Agreement at any time; however, he would not be entitled to any unearned salary, bonus or other benefits if he does so absent circumstances resulting from a change of control or material change in duties, each defined in the Employment Agreement. In the event of a change of control or material change in duties, Mr. Campbell would have two alternatives. Mr. Campbell may resign and receive (i) his base salary for one year following the date of the change of control or material change in duties, (ii) a cash bonus equal to the prior year's year-end cash bonus, plus any unpaid bonus amounts previously earned; (iii) any other payments due, including, among others, accrued and unpaid vacation pay; (iv) immediate acceleration of any stock options which are not then exercisable; and (v) continued insurance coverage for one year following the date of the change of control or material change in duties. Alternatively, Mr. Campbell could continue to serve as President and Chief Executive Officer of the Company for the duration of the term of the Employment Agreement or until he or the Company terminates the Employment Agreement. The Employment Agreement also contains non-competition and non-solicitation provisions which apply during his employment and for a period of thirty-six (36) months following termination of his employment.

Under the Severance Plan, which is applicable to selected employees of the Company, including the Named Executive Officers (other than its Chief Executive Officer), each participant would receive severance benefits in the event his or her employment is terminated in certain circumstances. Under the Severance Plan, a participant would receive severance benefits if their employment is involuntarily terminated by the Company (other than for cause or upon death or disability, as those terms are defined in the Severance Plan) or in the event the participant voluntarily terminates their employment for good reason (as defined in the Severance Plan). The circumstances that permit a participant to terminate employment for good reason and receive severance benefits after a change in control differ from the more limited circumstances that permit a termination of employment for good reason prior to or absent a change in control. Generally, eligible participants would be entitled to the severance benefits included in the chart below upon an involuntary termination of their employment, in addition to any accrued obligations (such as unpaid salary through the termination date) and vested amounts to which they may be entitled under the Company's benefit plans:

Severance Upon Involuntary Termination

General Severance Upon Involuntary

Within Two Years after a Change in

Termination Absent a Change in Control

Control

a lump sum severance payment in an amount equal to one year of the participant's annualized base salary

a lump sum severance payment in an amount equal to two times the participant's annualized base salary

a pro-rata annual incentive for the fiscal year in which the termination occurs based on actual performance results

a pro-rata target annual incentive for the fiscal year in which the termination occurs

a lump sum healthcare assistance payment in an amount equal to the excess of the monthly COBRA premium to provide the group medical, dental, vision, and/or prescription drug plan benefits the participant had been receiving before the termination above the monthly premium payable by active employees under the Company's healthcare plan for similar coverage, multiplied by 12 months

access to up to \$20,000 of employer-paid outplacement services for 12 months following termination

A condition in the Severance Plan is the execution of a non-competition and non-solicitation agreement with respect to the Company's employees and customers for a specified period following the termination of employment. In addition, any severance benefits payable under the Severance Plan are subject to the execution by the participant of a general release of claims against the Company and certain affiliated persons and entities. The Severance Plan does not provide for any tax gross-up payments to participants.

In addition to the benefits available under the Severance Plan, all of the Named Executive Officers are eligible to receive certain other benefits in the event of specific termination of employment, including as a consequence of a change in control. Under the Company's Annual Incentive Plan, any unpaid incentive amounts previously earned under this plan would be payable to any Named Executive Officer terminated without cause. Under the Stock Incentive Plan, any non-vested restricted shares, options or other forms of equity-based compensation granted prior to 2016 will vest upon a Change in Control. Beginning with long-term incentive grants made in 2016 made pursuant to either the Stock Incentive Plan or Omnibus Plan, vesting of such awards upon a change in control is double-trigger (i.e., not accelerated unless the awards are not assumed or converted by the acquirer or in the event there is an involuntary termination of employment in connection with or within 24 months after the change in control).

The following table shows the estimated benefits payable to each Named Executive Officer in the event of termination of employment or change of control of the Company. The amounts shown assume that a termination of employment or a change of control occurs on December 31, 2016. The amounts do not include payments or benefits provided under insurance or other plans that are generally available to all full-time employees.

Rodney L. Bell (5) Stock Incentive Plan	1,401,784	1,401,784

- (1) The Company entered into an Employment Agreement with Bruce Campbell effective October 30, 2007 which has been subsequently amended to extend the term of the Employment Agreement to December 31, 2012 with one-year annual extensions thereafter absent a notice of non-renewal by the Company or Mr. Campbell. Under this Agreement, Mr. Campbell is entitled upon termination without just cause (as defined in the Agreement) to payment of his base salary for the longer of one (1) year, or the remainder of the Agreement term, payment of any bonus previously earned but unpaid, and one (1) year of health insurance continuation. Mr. Campbell is not entitled to any of these payments/benefits if he is terminated with just cause or he voluntarily resigns without a Change in Control or Material Change in Duties, as such terms are defined in the Agreement. The Company does not have employment agreements with any of its other Named Executive Officers.
- (2) Under his Employment Agreement, upon termination due to his disability or death, Mr. Campbell (or his spouse or estate in the event of death) is entitled to the same payments/benefits that Mr. Campbell is entitled to receive in the event of a termination without just cause; however, in the event of termination due to death, all such payments owed shall be made in a lump sum payment within 60 days of his death.
- (3) Under his Employment Agreement, upon a Change in Control (as defined in the Agreement), Mr. Campbell is entitled to payment of his base salary for one (1) year payable over the course of the twelve (12) months following the Change in Control, payment of any bonus previously earned but unpaid, payment of an amount equal to the prior-year's year-end bonus and one (1) year continuation of health insurance. The amounts in the Stock Incentive Plan rows for death, disability and Change in Control reflect unvested option awards detailed in the Outstanding Equity Awards at Fiscal Year-End table on page 40, multiplied by the excess, if any, of the market price of our common stock on December 30, 2016 (\$47.38) over the exercise price listed in the same table.
- (4) Beginning with long-term incentive grants made in 2016 made pursuant to either the Stock Incentive Plan or Omnibus Plan, vesting of such awards upon a change in control is double-trigger (i.e., not accelerated unless the awards are not assumed or converted by the acquirer or in the event there is an involuntary termination of employment in connection with or within 24 months after the change in control).
- (5) The Severance Plan provides for the payment of severance benefits to participants in the event their employment is involuntarily terminated by the Company (other than for cause or upon death or disability, as defined by the Severance Plan) or by the participant for good reason (as defined in the Severance Plan) (collectively, Involuntary Terminations). Assuming a December 31, 2016, involuntary termination, under the Severance Plan the above officers, other than the Chief Executive Officer, would be entitled to the following severance benefits upon an Involuntary Termination, in addition to any accrued obligation and vested amounts to which they may be entitled under the Company's benefit plans:

Audit Committee Report

The Audit Committee oversees the Company's financial reporting process on behalf of the Board. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the 2016 Annual Report with management and the Company's independent registered public accounting firm, Ernst & Young LLP, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements. The Audit Committee's function is more fully described in its charter, which is available through the Investor Relations Governance link on the Company's website, www.forwardaircorp.com.

The Audit Committee reviews the charter on an annual basis. The Board annually reviews the definition of independence under Nasdaq's listing standards for audit committee members and has determined that each member of the Committee meets that standard.

Management is responsible for the preparation, presentation and integrity of the Company's financial statements, accounting and financial reporting principles, internal controls and procedures designed to ensure compliance with accounting standards, and applicable laws and regulations. Ernst & Young LLP is responsible for performing an independent audit and reporting on the consolidated financial statements of the Company and its subsidiaries and the effectiveness of the Company's internal controls over financial reporting.

The Audit Committee has been updated quarterly on management's process to assess the adequacy of the Company's system of internal controls over financial reporting, the framework used to make the assessment, and management's conclusions on the effectiveness of the Company's internal controls over financial reporting. The Audit Committee has also discussed with representatives of Ernst & Young LLP the Company's internal control assessment process and the firm's audit of the Company's system of internal controls over financial reporting.

The Audit Committee has reviewed and discussed the audited financial statements of the Company for the fiscal year ended December 31, 2016 with the Company's management and has discussed with Ernst & Young LLP the matters required to be discussed by the Statement on Auditing Standard No. 1301, as amended, and as adopted by the Public Company Accounting Oversight Board (PCAOB). The Audit Committee also discussed with Ernst & Young LLP its independence from management and the Company, and received Ernst & Young LLP's written disclosures and letter pursuant to applicable requirements of the PCAOB regarding the independent accountant's communication with the Audit Committee concerning independence. The Audit Committee further considered the compatibility of the non-audit services with maintaining Ernst & Young LLP's independence.

In performing all of these functions, the Audit Committee acts in an oversight capacity. The Audit Committee reviews the Company's quarterly reports on Form 10-Q and annual report on Form 10-K prior to filing with the SEC. In its oversight role, the Audit Committee relies on the work and assurances of the Company's management, which has the primary responsibility for establishing and maintaining adequate internal controls over financial reporting and for preparing the financial statements, and other reports, and of the independent registered public accountants, who are engaged to audit and report on the consolidated financial statements of the Company and its subsidiaries and the effectiveness of the Company's internal controls over financial reporting.

Based on these reviews and discussions, the Audit Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2016 for filing with the SEC.

The Audit Committee of the Board of Directors

Notwithstanding anything to the contrary set forth in any of our previous filings under the Securities Act of 1933, as amended, or the Exchange Act that might incorporate future filings, including this proxy statement, in whole or in part, the Audit Committee Report and the Compensation Committee Report above shall not be incorporated by reference into this proxy statement.

Independent Registered Public Accounting Firm

The Audit Committee has appointed Ernst & Young LLP to serve as the Company's independent registered public accounting firm for the 2017 fiscal year, subject to ratification of the appointment by the shareholders of the Company. The fees billed by Ernst & Young LLP for services rendered to the Company and its subsidiaries in 2016 and 2015 were as follows:

	2016	2015
Audit Fees (1)	\$ 1,552,331	\$ 1,666,039
Audit Related Fees (2)		
Tax Fees (2)	805,136	877,139
All Other Fees (2)		

- (1) Includes fees and expenses related to the audit and interim reviews of the Company's financial statements and the audit of the effectiveness of the Company's internal controls over financial reporting for the fiscal year notwithstanding when the fees and expenses were billed or when the services were rendered.
- (2) Includes fees and expenses for services rendered from January through December of the fiscal year notwithstanding when the fees and expenses were billed.

Pre-Approval Policies and Procedures

The Audit Committee has adopted a policy that requires advance approval of all audit, audit-related, tax services and other services performed by the independent registered public accounting firm. The policy provides for pre-approval by the Audit Committee of specifically defined audit and non-audit services. The Audit Committee must approve the permitted service before the independent registered public accounting firm is engaged to perform it. During 2016 and as of the date of this Proxy Statement, the Audit Committee pre-approved all of these services.

**PROPOSAL 2 RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED
PUBLIC ACCOUNTING FIRM FOR THE 2017 FISCAL YEAR**

The Audit Committee has appointed Ernst & Young LLP to serve as the Company's independent registered public accounting firm for the 2017 fiscal year. As in the past, the Board has determined that it would be desirable to request ratification of the appointment by the shareholders of the Company. If the shareholders do not ratify the appointment of Ernst & Young LLP, the Audit Committee will reconsider the appointment of the independent registered public accounting firm for the 2017 fiscal year.

A representative of Ernst & Young LLP is not expected to be present at the Annual Meeting, and thus, is not expected to make a statement or be available to respond to questions.

Shareholder Vote Requirement

This proposal will be approved by a majority of the votes cast. Unless otherwise directed therein, the proxies solicited hereby will be voted for approval of Ernst & Young LLP.

Recommendation of the Board

The Board recommends that shareholders vote FOR ratification of appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the 2017 fiscal year.

**PROPOSAL 3 ADVISORY VOTE ON COMPENSATION OF NAMED EXECUTIVE
OFFICERS**

Introduction

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the Dodd-Frank Act) which enacted Section 14A of the Exchange Act, requires us to provide our shareholders with the opportunity to approve, on a non-binding, advisory basis, the compensation of our named executive officers.

The Company's goal with respect to executive compensation is to provide a comprehensive package that is sufficient to attract, motivate and retain executives of outstanding ability, performance and potential. The Compensation Committee seeks to establish and maintain an appropriate relationship between executive compensation and the creation of shareholder value. The Compensation Committee believes that the most effective compensation program is one that provides competitive base pay, rewards the achievement of established annual and long-term goals and objectives, and provides incentives for retention. The Compensation Committee seeks a compensation program that is internally consistent and believes that pay differences among jobs should be commensurate with differences in the levels of responsibility between the Chief Executive Officer and the other Named Executive Officers.

We urge you to read the Compensation Discussion and Analysis section of this Proxy Statement for additional details on our executive compensation, including our compensation philosophy and objectives and the 2016 compensation of our Named Executive Officers.

We are asking you to vote on the adoption of the following resolution:

RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative

discussion above is hereby **APPROVED**.

As an advisory vote, this Proposal is non-binding. Although the vote is non-binding, the Board and the Compensation Committee value the opinions of our shareholders, and will consider the outcome of the vote when making future compensation decisions for our named executive officers.

Shareholder Vote Requirement

This proposal will be approved by a majority of the votes cast. Unless contrary instructions are received, shares of common stock represented by duly executed proxies will be voted for the adoption of the resolution approving the compensation of Named Executive Officers.

Recommendation of the Board

The Board recommends a vote FOR approval, on a non-binding, advisory basis, of the compensation of the Named Executive Officers.

PROPOSAL 4 ADVISORY VOTE ON FREQUENCY OF FUTURE SAY ON PAY VOTES

The Dodd-Frank Act requires us to provide our shareholders with the opportunity to vote, on a non-binding, advisory basis, for their preference as to whether votes on the compensation of our named executive officers should occur every one, two or three years. At our 2011 Annual Meeting of Shareholders, our shareholders voted to hold an advisory vote on our executive compensation program every year. Accordingly, we have submitted say on pay votes on the compensation of our named executive officers at every subsequent annual meeting of shareholders.

We are required to hold a vote on the frequency of say on pay votes every six years. In this Proposal 4, we are again asking for shareholder input as to whether, after this year, a say on pay vote should occur every year, every two years or every three years.

After careful consideration, we are recommending that a say on pay vote be submitted to shareholders every year. Our Board continues to believe that an advisory vote every year is the best approach for our Company and our shareholders. An annual advisory vote provides more frequent shareholder feedback to our Board, the Compensation Committee and management regarding our executive compensation programs and policies. As in the past six years, our Board, Compensation Committee and management intend to consider this advisory vote as part of the design of our executive compensation programs and communication of such programs to our shareholders.

The Board will carefully consider the outcome of the vote when making future decisions regarding the frequency of advisory votes on executive compensation. However, because this vote is advisory and not binding, the Board may decide that it is in the best interests of the Company and our shareholders to hold an advisory vote more or less frequently than the alternative that has been selected by our shareholders.

Shareholder Vote Requirement

The frequency (every one, two or three years) receiving the highest number of votes will be deemed to be the choice of our shareholders with respect to this proposal. Shareholders are not voting to approve or disapprove the recommendation of the Board. Shareholders may choose to vote for a frequency of every 1 year, every 2 years, every 3 years or may abstain from voting on this proposal. Unless contrary instructions are received, shares of common stock represented by duly executed proxies will be voted for the 1 year option.

Recommendation of the Board

The Board recommends that you vote to conduct a non-binding advisory shareholder vote on executive compensation every 1 year .

OTHER MATTERS

Additional Meeting Matters

The Board knows of no additional matters that may come before the meeting; however, if any additional matters should properly come before the meeting or any adjournment or postponement thereof, it is the intention of the persons named in the proxy to vote the proxy in accordance with their best judgment.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act and the disclosure requirements of Item 405 of Regulation S-K require the directors and executive officers of the Company, and any persons holding more than 10% of any class of equity securities of the Company, to report their ownership of such equity securities and any subsequent changes in that ownership to the SEC, Nasdaq and the Company. Based solely on a review of the reports that have been filed by or on behalf of such persons in this regard and written representations from our directors and named executive officers, we believe that all ownership reports were timely filed during 2016, except Mr. Rodney L. Bell reported late two transactions on one Form 5 filed February 6, 2017; Mr. C. Robert Campbell reported late two transactions on two Form 4s filed December 27, 2016 and December 28, 2016; Tracy A. Leinbach reported late one transaction on a Form 4 filed December 28, 2016; and Mr. G. Michael Lynch reported late one transaction on one Form 5 filed February 6, 2017.

Shareholder Proposals for the 2018 Annual Meeting of Shareholders

Any proposal intended to be presented for action at the 2018 Annual Meeting of Shareholders by any shareholder of the Company must be received by the Secretary of the Company at its principal executive offices not later than December 1, 2017 in order for such proposal to be considered for inclusion in the Company's proxy statement and form of proxy relating to its 2018 Annual Meeting of Shareholders. Nothing in this paragraph shall be deemed to require the Company to include any shareholder proposal which does not meet all the requirements for such inclusion established by Rule 14a-8 of the Exchange Act.

For other shareholder proposals to be timely (but not considered for inclusion in the proxy statement for the 2018 Annual Meeting of Shareholders), a shareholder's notice must be received by the Secretary of the Company between January 9, 2018 and February 8, 2018 and the proposal and the shareholder must comply with Rule 14a-4 under the Exchange Act. In the event that a shareholder proposal intended to be presented for action at the next Annual Meeting is not received prior to February 8, 2018, proxies solicited by the Board in connection with the Annual Meeting will be permitted to use their discretionary voting authority with respect to the proposal, whether or not the proposal is discussed in the proxy statement for the Annual Meeting.

Householding of Annual Meeting Materials

Some banks, brokers and other nominee record holders may be participating in the practice of householding proxy statements and annual reports. This means that only one copy of this Notice of 2017 Annual Meeting of Shareholders, Proxy Statement and 2016 Annual Report may have been sent to multiple shareholders in your household, unless the Company has received contrary instructions from one or more

shareholders. We will promptly deliver a separate copy of each document to you if you write the Company's Secretary at Forward Air Corporation, 1915 Snapps Ferry Road, Building N, Greeneville, Tennessee 37745, or call (423) 636-7000. Any shareholder communication that is not in the nature of advertising, promotions of product or service, or patently offensive material will be forwarded promptly to the member(s) of the Board to whom the shareholder communication is addressed. In the case of any shareholder communication to the Board or any group or committee of directors, the Chief Legal Officer's office will make sufficient copies of the contents to send to each director who is a member of the group or committee to which the envelope is addressed.
