PROPOSAL

ELECTION OF BOARD MEMBERS

Shareholders of each Fund are being asked to elect Board Members to the Board of their Fund as described below.

For KMM and KST only. Pursuant to the Fund's Amended and Restated Agreement and Declaration of Trust and Amended and Restated By-Laws, the Board of the Fund has been divided into three (3) classes with Board Members of each class being elected to serve until the third annual meeting following their election. At the Meeting, four (4) Class III Board Members are to be elected by shareholders of the Fund, each to hold office until the annual meeting of shareholders in 2020, or until the termination of the Fund as described below has been completed, and until such Board Member's successor is duly elected and qualifies or until such Board Member sooner dies, resigns, retires or is removed. As previously announced, the Board has approved the termination of KMM and KST, pursuant to which each Fund will make a liquidating distribution to shareholders no later than December 31, 2018. Board Members elected to the Board of KMM and KST at the Meeting will serve until the termination of the Fund. In the event the termination of KMM and KST does not occur, Board Members elected to the Board of KMM and KST at the Meeting would serve until the annual meeting of shareholders in 2020. The Class III Board Member nominees standing for election at the Meeting are: Mr. John W. Ballantine, Ms. Dawn Marie Driscoll, Dr. Kenneth C. Froewiss and Ms. Rebecca W. Rimel.

For KTF and KSM only. At the Meeting, the holders of the preferred shares of beneficial interest (Preferred Shareholders), voting as a separate class, are entitled to elect two (2) Board Members, and the holders of the common shares of beneficial interest (Common Shareholders) and the Preferred Shareholders, voting together as a single class, are entitled to elect three (3) Board Members (as described below).

Pursuant to each Fund's Amended and Restated Agreement and Declaration of Trust and Amended and Restated By-Laws, the Board of each Fund, with the exception of the two Board Members elected by the vote of the Preferred Shareholders as a separate class, has been divided into three (3) classes with Board Members of each class being elected to serve until the third annual meeting following their election. In addition, two Board Members are elected by the Preferred Shareholders, voting as a separate class, to serve until the next annual meeting. At the Meeting, three (3) Class III Board Members are to be elected by each Fund's Common Shareholders and Preferred Shareholders, voting together as a single class, each to hold office until

the annual meeting of shareholders in 2020 and until such Board Member's successor is duly elected and qualifies or until such Board Member sooner dies, resigns, retires or is removed; and two (2) Board Members are to be elected by each Fund's Preferred Shareholders only, voting as a separate class, (the Preferred Board Members), each to hold office until the annual meeting of shareholders in 2018 and until such Preferred Board Member's successor has been duly elected and qualifies or until such Preferred Board Member sooner dies, resigns, retires or is removed. The Class III Board Member nominees standing for election at the Meeting are: Mr. John W. Ballantine, Dr. Kenneth C. Froewiss and Ms. Rebecca W. Rimel. The Preferred Board Member nominees standing for election at the Meeting are: Mr. Keith R. Fox and Dr. Paul K. Freeman.

For all Funds. The individuals nominated for election as Board Members of each Fund at the Meeting (collectively, the Board Member Nominees) were nominated by each Fund's Board upon the recommendation of the Board's Nominating and Governance Committee. The Board Member Nominees currently serve as Board Members of each Fund, and currently serve as Board Members of other Deutsche funds advised by DIMA.

It is the intention of the persons named in the enclosed Proxy Card to vote the shares represented thereby for the election of the Board Member Nominees unless the Proxy Card is marked otherwise. Each of the Board Member Nominees has consented to being named in the Proxy Statement and has agreed to serve as a Board Member of a Fund if elected. However, should any Board Member Nominee become unable or unwilling to serve prior to the Meeting, the persons named as proxies may vote your shares for substitute nominees, if any, recommended by the Board of your Fund.

Unless otherwise noted, each Board Member and Board Member Nominee has engaged in the principal occupation(s) noted in the table above for at least the most recent five years, although not necessarily in the same capacity. Hiller, Ropes & Gray LLP, Prudential Tower, 800 Boylston Street, Boston, MA 02199-3600.

As reported to the Funds, Exhibit A to this Proxy Statement sets forth the dollar range of equity securities and number of shares beneficially owned by each Board Member in each Fund as of July 1, 2017. Exhibit A also sets forth the aggregate dollar range of equity securities beneficially owned by each Board Member in all Deutsche funds overseen by the Board Member as of July 1, 2017.

The Nominating and Governance Committee of the Board of each Fund is responsible for recommending proposed nominees for election to the full Board for its approval. In recommending the election of the current Board Members, the Committee generally considered the educational, business and professional experience of each Board Member in determining his or her qualifications to serve as a Board Member, including the Board Member's record of service as a director or trustee of public and private organizations. In the case of each Board Member, this included his or her many years of previous service as a director or trustee of certain of the Deutsche funds. This previous service has provided these Board Members with a valuable understanding of the history of the Deutsche funds and the DIMA organization and has also served to demonstrate his or her high level of diligence and commitment to the interests of fund shareholders and his or her ability to work effectively and collegially with other members of the Board. The Committee also considered, among other factors, the particular attributes described below with respect to the various individual Board Members:

John W. Ballantine Mr. Ballantine's experience in banking, financial risk management and investments acquired in the course of his service as a senior executive of a major U.S. bank.

Henry P. Becton, Jr. Mr. Becton's professional training and experience as an attorney, his experience as the chief executive officer of a major public media company and his experience as lead director of two NYSE companies, including his service at various times as the chair of the audit, compensation and nominating committees of one or both of such boards.

Dawn-Marie Driscoll Ms. Driscoll's professional training and experience as an attorney, her expertise as a consultant, professor and author on the subject of business ethics, her service as a member of the

executive committee of the Independent Directors Council of the Investment Company Institute and her experience as a director of an insurance company serving the mutual fund industry.

Keith R. Fox Mr. Fox's experience as the chairman and a director of various private operating companies and investment partnerships and his experience as a director and audit committee member of several public companies. In addition, he holds the Chartered Financial Analyst designation.

Paul K. Freeman Dr. Freeman's professional training and experience as an attorney and an economist, his experience as the founder and chief executive officer of an insurance company, his experience as a senior executive and consultant for various companies focusing on matters relating to risk management and his service on the Independent Directors Council of the Investment Company Institute.

Kenneth C. Froewiss Dr. Froewiss' professional training and experience as an economist, his experience in finance acquired in various professional positions with governmental and private banking organizations and his experience as a professor of finance at a leading business school.

Richard J. Herring Mr. Herring's experience as a professor of finance at a leading business school and his service as an advisor to various professional and governmental organizations.

William McClayton Mr. McClayton's professional training and experience in public accounting, including his service as a senior partner of a major public accounting firm focusing on financial markets companies and his service as a senior executive of a public management consulting firm.

Rebecca W. Rimel Ms. Rimel's experience on a broad range of public policy issues acquired during her service as the executive director of a major foundation and her experience as a director of several public companies.

William N. Searcy, Jr. Mr. Searcy's experience as an investment officer for various major public company retirement plans, which included evaluation of unaffiliated investment advisers and supervision of various administrative and accounting functions.

Jean Gleason Stromberg Ms. Stromberg's professional training and experience as an attorney specializing in federal securities law, her service in a senior position with the Securities and Exchange Commission and the U.S. Government Accountability Office and her experience as a director and audit committee member of several major non-profit organizations.

Officers

The officers of each Fund are set forth in Exhibit B hereto.

Compensation of Board Members and Officers

Each Independent Board Member receives compensation from each Fund for his or her services, which includes retainer fees and specified amounts for various committee services and for the Board Chairperson and Vice Chairperson, as applicable. No additional compensation is paid to any Independent Board Member for travel time to meetings, attendance at directors' educational seminars or conferences, service on industry or association committees, participation as speakers at directors' conferences or service on special fund industry director task forces or subcommittees. Independent Board Members do not receive any employee benefits such as pension or retirement benefits or health insurance from the Funds or any fund in the Deutsche fund complex.

Fund officers who are officers, directors, employees or stockholders of Deutsche Asset Management ("Deutsche AM") or its affiliates receive no direct compensation from the Funds, although they are compensated as employees of the Deutsche AM division of Deutsche Bank AG, or its affiliates, and as a result may be deemed to indirectly receive a portion of their compensation from revenues generated by the Funds.

Exhibit C to this Proxy Statement sets forth compensation paid to each Independent Board Member by each Fund for its most recently completed fiscal year and to each Independent Board Member by the Deutsche fund complex for the calendar year ended December 31, 2016.

Board Structure

The primary responsibility of each Fund's Board is to represent the interests of the Fund and to provide oversight of the management of the Fund. SEC rules currently require a majority of the board members of a fund to be independent if the fund takes advantage of certain exemptive rules under the 1940 Act. If the Board Member Nominees are elected by shareholders, each Board will be comprised of eleven individuals, all of whom are Independent Board Members. Each of the Board Member Nominees that will be considered an Independent Board Member, if elected, has been selected and nominated solely by the current Independent Board Members of each Fund.

Each Fund's Board meets multiple times during the year to review investment performance and other operational matters, including regulatory and compliance related policies and procedures. Furthermore, the Independent Board Members review the fees paid to

the Advisor and its affiliates for investment advisory services and other services. Each Board has adopted specific policies and guidelines that, among other things, seek to further enhance the effectiveness of the Independent Board Members in performing their duties. For example, the Independent Board Members select independent legal counsel to work with them in reviewing fees, advisory and other contracts and overseeing fund matters, and regularly meet privately with their counsel. An Independent Board Member, Mr. Fox, currently serves as Chairperson of the Board of each Fund.

During calendar year 2016, the Board of each Fund met six (6) times. Each Board Member attended at least 75% of the respective meetings of each Board and the committees (if a member thereof) held during calendar year 2016. One Board member attended the 2016 annual shareholder meeting of each Fund.

The Board of each Fund provides a process for shareholders to send communications to the Board. Correspondence should be sent by U.S. mail or courier service Keith R. Fox, Deutsche Funds Board Chair, c/o Thomas R. Hiller, Ropes & Gray LLP, Prudential Tower, 800 Boylston Street, Boston, MA 02199-3600, who will forward it to a specific Board Member if addressed to that Board Member.

Taking into account the number, the diversity and the complexity of the funds overseen by the Board Members and the aggregate amount of assets under management in the Deutsche funds, each Board has determined that the efficient conduct of its affairs makes it desirable to delegate responsibility for certain specific matters to committees of the Board. These committees, which are described in more detail below, review and evaluate matters specified in their charters and make recommendations to the Board as they deem appropriate. Each committee may utilize the resources of the Fund's counsel and auditors as well as other experts. The committees meet as often as necessary, either in conjunction with regular meetings of the Board or otherwise. The membership and chair of each committee are appointed by the Board upon recommendations of the Nominating and Governance Committee. The membership and chair of each committee consists solely of Independent Board Members.

Each Board has determined that this committee structure also allows the Board to focus more effectively on the oversight of risk as part of its broader oversight of the Fund's affairs. While risk management is the primary responsibility of each Fund's investment advisor, the Board regularly receives reports regarding investment risks and compliance risks. The Board's committee structure allows separate committees to focus on different aspects of these risks and their potential impact on some or all of the Deutsche funds and to discuss with the Fund's

investment advisor and administrator how it monitors and controls such risks.

The Board of each Fund has established the following standing committees: Audit Committee and Valuation Sub-Committee, Nominating and Governance Committee, Contract Committee, Investment Oversight Committee and Operations Committee (each a Committee). The Board of each Fund also has a Dividend Committee which has no responsibility with respect to the Funds. For each Committee, except the Dividend Committee, a written charter setting forth the Committee's responsibilities was adopted by each Board. The function, membership and number of meetings held in calendar year 2016 for each Committee is discussed below.

Audit Committee. The Audit Committee, which consists entirely of Independent Board Members, assists the Board in fulfilling its responsibility for oversight of (1) the integrity of the financial statements, (2) a Fund's accounting and financial reporting policies and procedures, (3) a Fund's compliance with legal and regulatory requirements related to accounting and financial reporting, (4) valuation of Fund assets and securities and (5) the qualifications, independence and performance of the independent registered public accounting firm for a Fund. The Audit Committee oversees the valuation of Fund securities and other assets and determines, as needed, the fair value of Fund securities or other assets under certain circumstances as described in a Fund's Valuation Procedures. The Audit Committee has appointed a Valuation Sub-Committee, which may make determinations of fair value required when the Audit Committee is not in session. The current members of each Fund's Valuation Sub-Committee are Paul K. Freeman, Richard J. Herring, John W. Ballantine (Alternate), Henry P. Becton, Jr. (Alternate) and William McClayton (Alternate). The Audit Committee also approves and recommends to the Board the appointment, retention or termination of the independent registered public accounting firm for a Fund, reviews the scope of audit and internal controls, considers and reports to the Board on matters relating to a Fund's accounting and financial reporting practices, and performs such other tasks as the full Board deems necessary or appropriate. Each Fund's Audit Committee is governed by the Audit Committee Charter, which is available on each Fund's information page at <https://fundsus.deutscheam.com/EN/products/closed-end-prices-performance.jsp> (click on the relevant Fund). Each Fund's Audit Committee is comprised of only Independent Board Members who are independent as defined in the New York Stock Exchange (NYSE) listing standards applicable to closed-end funds. Pursuant to the charter of each Fund's Audit Committee, no member of the Audit Committee shall serve on the audit committee of more than three public companies unless the Board determines that

such simultaneous service would not impair the ability of the Audit Committee member to serve effectively on the committee. At its January 2012 meeting, the Board of each Fund considered the fact that Mr. Richard J. Herring had begun simultaneous service on more than three public company audit committees and determined that such service would not impair his ability to effectively serve on the Audit Committee. During the calendar year 2016, the Audit Committee of each Fund's Board held ten (10) meetings.

In January 2017, each Fund's Audit Committee reviewed and discussed the audited financial statements with management for the Fund's fiscal year ended 2016. Each Fund's Audit Committee also discussed with the independent registered public accounting firm the matters required to be discussed by Auditing Standard No. 1301 (Communications With Audit Committees). Each Fund's independent registered public accounting firm provided the Fund's Audit Committee the written disclosure required by Public Company Accounting Oversight Board Rule 3526 (Communications with Audit Committees Concerning Independence), and each Fund's Audit Committee discussed with representatives of the independent registered public accounting firm their firm's independence. Based on its review of each Fund's financial statements and discussions with management and the independent registered public accounting firm and other written disclosure provided by the independent registered public accounting firm, each Fund's Audit Committee recommended to its Fund's Board that the audited financial statements be included in the annual report provided to shareholders for each Fund's fiscal year ended 2016. The current members of each Fund's Audit Committee are:

Paul K. Freeman (Chair)

William McClayton (Vice Chair)

John W. Ballantine

Henry P. Becton, Jr.

Richard J. Herring

Nominating and Governance Committee. The Nominating and Governance Committee, which consists entirely of Independent Board Members, recommends individuals for membership on the Board, nominates officers, Board and committee chairs, vice chairs and committee members, and oversees the operations of the Board. The Nominating and Governance Committee has not established specific, minimum qualifications that must be met by an individual to be considered by the Nominating and Governance Committee for nomination as a Board Member. The Nominating and Governance Committee may take into account a wide variety of factors in considering Board Member candidates, including, but not limited to:

(i) availability and commitment of a candidate to attend meetings and perform his or her responsibilities to the Board, (ii) relevant industry and related experience, (iii) educational background, (iv) financial expertise, (v) an assessment of the candidate's ability, judgment and expertise, and (vi) the current composition of the Board. Each Fund's Nominating and Governance Committee generally believes that the Board benefits from diversity of background, experience and views among its members, and considers this as a factor in evaluating the composition of the Board, but has not adopted any specific policy in this regard. The Nominating and Governance Committee reviews recommendations by shareholders for candidates for Board positions on the same basis as candidates recommended by other sources. Shareholders may recommend candidates for Board positions by forwarding their correspondence by U.S. mail or courier service to Keith R. Fox, Deutsche Funds Board Chair, c/o Thomas R. Hiller, Ropes & Gray LLP, Prudential Tower, 800 Boylston Street, Boston, MA 02199-3600. Each Fund's Nominating and Governance Committee is governed by a Nominating and Governance Committee Charter, which is available on each Fund's information page at <https://fundsus.deutscheam.com/EN/products/closed-end-prices-performance.jsp> (click on the relevant Fund). Each Fund's Nominating and Governance Committee is comprised of only Independent Board Members who are independent as defined in the NYSE listing standards applicable to closed-end funds. The current members of each Fund's Nominating and Governance Committee are Rebecca W. Rimel (Chair), Henry P. Becton, Jr. (Vice Chair), Kenneth C. Froewiss and William McClayton. During the calendar year 2016, the Nominating and Governance Committee of each Fund's Board held five (5) meetings.

Contract Committee. The Contract Committee, which consists entirely of Independent Board Members, reviews at least annually (a) a Fund's financial arrangements with DIMA and its affiliates, and (b) a Fund's expense ratios. The current members of each Fund's Contract Committee are John W. Ballantine (Chair), Dawn-Marie Driscoll (Vice Chair), Paul K. Freeman, Richard J. Herring, William N. Searcy, Jr. and Jean Gleason Stromberg. During the calendar year 2016, the Contract Committee of each Fund's Board held six (6) meetings.

Investment Oversight Committee. The Investment Oversight Committee, which consists entirely of Independent Board Members, reviews the investment operations of the Funds. The current members of each Fund's Investment Oversight Committee are William McClayton (Chair), Richard J. Herring (Vice Chair), John W. Ballantine, Henry P. Becton, Jr., Dawn-Marie Driscoll, Paul K. Freeman, Kenneth C. Froewiss, Rebecca W. Rimel, William N. Searcy, Jr. and Jean Gleason Stromberg. During the calendar year 2016, the

Investment Oversight Committee of each Fund's Board held five (5) meetings.

Operations Committee. The Operations Committee, which consists entirely of Independent Board Members, reviews the administrative operations and general compliance matters of a Fund. The Operations Committee reviews administrative matters related to the operations of a Fund, policies and procedures relating to portfolio transactions, custody arrangements, fidelity bond and insurance arrangements and such other tasks as the full Board deems necessary or appropriate. The current members of each Fund's Operations Committee are William N. Searcy, Jr. (Chair), Kenneth C. Froewiss (Vice Chair), Dawn-Marie Driscoll, Rebecca W. Rimel and Jean Gleason Stromberg. During the calendar year 2016, the Operations Committee of each Fund's Board held five (5) meetings.

Ad Hoc Committees. In addition to the standing committees described above, from time to time the Board of each Fund may also form ad hoc committees to consider specific issues.

Required Vote

Each Fund will vote separately on the election of Board Member Nominees. For KMM and KST only, a majority of the shares outstanding and entitled to vote on the matter shall elect a Board Member Nominee. For KTF and KSM only, a plurality of shares entitled to vote on the matter shall elect a Board Member Nominee.

Recommendation of the Board

The Board of your Fund believes that the election of each Board Member Nominee is in the best interests of your Fund. **Accordingly, the Board unanimously recommends that shareholders of each Fund vote FOR the election of each Board Member Nominee as set forth in the Proposal above.**

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Each Fund's Board, including the Independent Board Members, has selected Ernst & Young LLP (EY) to act as independent registered public accounting firm to audit the books and records of its Fund for the current fiscal year. EY has served each Fund in this capacity since each Fund was organized and has no direct or indirect financial interest in any Fund except as the independent registered public accounting firm. Representatives of EY will not be present at the Meeting.

The following table shows the amount of fees that EY billed to (i) each Fund during the Fund's last two fiscal years; and (ii) DIMA and any entity controlling, controlled by, or under common control with DIMA (collectively, the DIMA Entities) that provides ongoing services to each Fund, for engagements directly related to the Fund's operations and financial reporting, during the Fund's last two fiscal years. Each Fund's Audit Committee approved in advance all audit services and non-audit services that EY provided to the Fund.

Non-Audit Services. The following table shows the amount of fees that EY billed during each Fund's last two fiscal years for non-audit services. Each Fund's Audit Committee pre-approved all non-audit services that EY provided to the DIMA Entities that related directly to the Fund's operations and financial reporting. Each Fund's Audit Committee requested and received information from EY about any non-audit services that EY rendered during the Fund's last fiscal year to the DIMA Entities. Each Fund's Audit Committee considered this information in evaluating EY's independence.

Audit Committee Pre-Approval Policies and Procedures. Generally, each Fund's Audit Committee must pre-approve (i) all services to be performed for the Fund by the Fund's independent registered public accounting firm and (ii) all non-audit services to be performed by the Fund's independent registered public accounting firm for the DIMA Entities with respect to operations and financial reporting of the Fund, except that the Chairperson or Vice Chairperson of the Fund's Audit Committee may grant the pre-approval for non-audit services described in items (i) and (ii) above for non-prohibited services for engagements of less than \$100,000. All such delegated pre-approvals shall be presented to each Fund's Audit Committee no later than the next Audit Committee meeting.

There were no amounts that were approved by the Audit Committee pursuant to the de minimis exception under Rule 2-01(c)(7)(i)(C) or Rule 2-01(c)(7)(ii) of Regulation S-X.

According to each Fund's principal independent registered public accounting firm, substantially all of the principal independent registered public accounting firm's hours spent on auditing the Fund's financial statements were attributed to work performed by full-time permanent employees of the principal independent registered public accounting firm.

In connection with the audit of the 2015 financial statements, each Fund entered into an engagement letter with EY. The terms of the engagement letter required by EY, and agreed to by each Fund's Audit Committee, included provisions in which the parties consented to the sole jurisdiction of federal courts in New York, Boston or the Northern District of Illinois, as well as a waiver of right to a trial by jury.

In connection with the audit of the 2016 financial statements, each Fund entered into an engagement letter with EY. The terms of the engagement letter required by EY, and agreed to by each Fund's Audit Committee, include a provision mandating the use of mediation and arbitration to resolve any controversy or claim between the parties arising out of or relating to the engagement letter or the services provided thereunder.

1.) For each Fund, in various communications beginning on April 20, 2016, EY advised the Fund's Audit Committee that EY had identified the following matters that it determined to be inconsistent with the SEC's auditor independence rules.

EY advised the Fund's Audit Committee of financial relationships held by covered persons within EY that were in violation of the Rule 2-01(c)(1) of Regulation S-X. EY advised the Audit Committee that after consideration of the facts and circumstances and the applicable independence rules, EY concluded that the independence breaches did not and do not impair EY's ability to exercise objective and impartial judgment in connection with the audits of the financial statements of the Fund and that a reasonable investor would reach the same conclusion. In assessing this matter, EY indicated that upon detection the breaches were corrected promptly and that none of the breaches (i) related to financial relationships directly in the Fund, (ii) involved professionals who were part of the audit engagement team for the Fund or in a position to influence the audit engagement team, or (iii) were for services directly for the Fund.

EY advised the Fund's Audit Committee that, in 2016, a pension plan for the Ernst & Young Global Limited (EYG) member firm in Germany (EY Germany), through one of its investment advisors, purchased an investment in an entity that may be deemed to be under common control with the Fund. EY informed the Audit Committee that this investment was inconsistent with Rule 2-01(c)(1)(i) of Regulation S-X. EY advised the Audit Committee that in assessing the impact of the independence breach, in fact and appearance, EY considered all relevant facts and circumstances to assess whether a reasonable investor would conclude that EY was and is capable of exercising objective and impartial judgment on all issues encompassed within the audit engagement. EY advised the Audit Committee that after consideration of the facts and circumstances and the applicable independence rules, EY concluded that the independence breach did not and does not impair EY's ability to exercise objective and impartial judgment in connection with the audit of the financial statements of the Fund and that a reasonable investor would reach the same conclusion. In reaching this conclusion, EY noted a number of factors, including that the purchase was by EY Germany's investment advisor without EY Germany's permission, authorization or knowledge and EY Germany instructed its investment advisor to sell the shares of the entity that may be deemed to be under common control with the Fund immediately upon detection of the purchase and the breach did not involve any professionals who were part of the audit engagement team for the Fund or in a position to influence the audit engagement team. In addition, EY noted that the independence breach did not (i) create a mutual or conflicting interest with the Fund, (ii) place EY in the position of auditing its own work, (iii) result in EY acting as management or an employee of the Fund, or (iv) place EY in a position of being an advocate of the Fund.

EY advised the Fund's Audit Committee that, in 2014, the EYG member firm in Spain (EY Spain) completed an acquisition of a small consulting firm that had a deposit account with an overdraft line of credit at the time of the acquisition with Deutsche Bank SA Espanola, which EY Spain acquired. EY informed the Audit Committee that having this line of credit with an entity that may be deemed to be under common control with the Fund was inconsistent with Rule 2-01(c)(1)(ii) of Regulation S-X. EY advised the Audit Committee that in assessing the impact of the independence breach, in fact and appearance, EY considered all relevant

facts and circumstances to assess whether a reasonable investor would conclude that EY was and is capable of exercising objective and impartial judgment on all issues encompassed within the audit engagements. EY advised the Audit Committee that after consideration of the facts and circumstances and the applicable independence rules, EY concluded that the independence breach did not and does not impair EY's ability to exercise objective and impartial judgment in connection with the audits of the financial statements of the Fund and that a reasonable investor would reach the same conclusion. In reaching this conclusion, EY noted a number of factors, including that the credit line was terminated and the breach did not involve any professionals who were part of the audit engagement team for the Fund or in a position to influence the audit engagement team. In addition, EY noted that the independence breach did not (i) create a mutual or conflicting interest with the Fund, (ii) place EY in the position of auditing its own work, (iii) result in EY acting as management or an employee of the Fund, or (iv) place EY in a position of being an advocate of the Fund.

EY advised the Audit Committee that the above described matters, individually and in the aggregate, do not and will not impair EY's ability to exercise objective and impartial judgment in connection with the audits of the financial statements for the Fund and a reasonable investor with knowledge of all relevant facts and circumstances would conclude that EY has been and is capable of objective and impartial judgment on all issues encompassed within EY's audit engagements, and that EY can continue to act as the Independent Registered Public Accounting Firm.

Management and the Audit Committee considered these matters and, based solely upon EY's description of the facts and the representations made by EY, believe that (1) these matters did not impact EY's application of objective and impartial judgment with respect to all issues encompassed within EY's audit engagements; and (2) a reasonable investor with knowledge of all relevant facts and circumstances would reach the same conclusion.

2.) For each Fund, in various communications beginning on June 27, 2016, EY also informed the Audit Committee that EY had identified independence breaches where EY and covered persons maintain lending relationships with owners of greater than 10% of the shares of certain investment companies within the investment company complex as defined under Rule 2-01(f)(14) of Regulation S-X. EY informed the Audit Committee that these lending relationships are inconsistent with

Rule 2-01(c)(1)(ii)(A) of Regulation S-X (referred to as the Loan Rule).

The Loan Rule specifically provides that an accounting firm would not be independent if it receives a loan from a lender that is a record or beneficial owner of more than ten percent of an audit client's equity securities. For purposes of the Loan Rule, audit clients include the Fund as well as all registered investment companies advised by DIMA and its affiliates, including other subsidiaries of the Advisor's parent company, Deutsche Bank AG (collectively, the Deutsche Funds Complex). EY's lending relationships affect EY's independence under the Loan Rule with respect to all investment companies in the Deutsche Funds Complex.

EY informed the Audit Committee that, after evaluating the facts and circumstances and the applicable independence rules, EY has concluded that the lending relationships described above do not and will not impair EY's ability to exercise objective and impartial judgment in connection with the audits of the financial statements for each Fund and a reasonable investor with knowledge of all relevant facts and circumstances would conclude that EY has been and is capable of objective and impartial judgment on all issues encompassed within EY's audit engagements. EY informed the Audit Committee that its conclusion was based on a number of factors, including, among others, EY's belief that the lenders are not able to impact the impartiality of EY or assert any influence over the investment companies in the Deutsche Funds Complex whose shares the lenders own or the applicable investment company's investment adviser. In addition, the individuals at EY who arranged EY's lending relationships have no oversight of, or ability to influence, the individuals at EY who conducted the audits of the Fund's financial statements.

On June 20, 2016, the SEC Staff issued a no-action letter to another mutual fund complex (see Fidelity Management & Research Company et al., No-Action Letter) related to similar Loan Rule issues as those described above. In that letter, the SEC Staff confirmed that it would not recommend enforcement action against an investment company that relied on the audit services performed by an audit firm that was not in compliance with the Loan Rule in certain specified circumstances. The circumstances described in the no-action letter appear to be substantially similar to the circumstances that affected EY's independence under the Loan Rule with respect to the Fund. EY confirmed to the Audit Committee that it meets the conditions of the no-action letter. In the no-action letter, the SEC Staff stated that the relief under the letter is temporary and will expire 18 months after the issuance of the letter.

3.) For each Fund, in various communications beginning on January 25, 2017, EY advised the Fund's Audit Committee that EY had identified the following matters that it determined to be inconsistent with the SEC's auditor independence rules.

EY advised the Fund's Audit Committee of financial relationships held by covered persons within EY and its affiliates that were in violation of the Rule 2-01(c)(1) of Regulation S-X. EY advised the Audit Committee that after consideration of the facts and circumstances and the applicable independence rules, EY concluded that the independence breaches do not and will not impair EY's ability to exercise objective and impartial judgment in connection with the audits of the financial statements of the Fund and that a reasonable investor would reach the same conclusion. In assessing this matter, EY indicated that upon detection the breaches were corrected promptly and that none of the breaches (i) related to financial relationships directly in the Fund, (ii) involved professionals who were part of the audit engagement team for the Fund or in a position to influence the audit engagement team, or (iii) were for services directly for the Fund.

EY advised the Fund's Audit Committee that, in 2015, EY Spain provided a loaned staff service to Deutsche Bank AG, where a manager from EY Spain analyzed investment opportunities in Spain under the supervision of Deutsche Bank AG personnel. EY informed the Audit Committee that this loaned staff service where the EY professional temporarily acted as an employee of Deutsche Bank AG was inconsistent with Rule 2-01(c)(4)(vi) of Regulation S-X. EY advised the Audit Committee that in assessing the impact of the independence breach, in fact and appearance, EY considered all relevant facts and circumstances to assess whether a reasonable investor would conclude that EY was and is capable of exercising objective and impartial judgment on all issues encompassed within the audit engagements. EY advised the Audit Committee that after consideration of the facts and circumstances and the applicable independence rules, EY concluded that the independence breach did not and will not impair EY's ability to exercise objective and impartial judgment in connection with the audits of the financial statements of the Fund and that a reasonable investor would reach the same conclusion. In reaching this conclusion, EY noted a number of factors, including that the breach did not involve any professionals who were part of the audit engagement team for the Fund or in a position to influence the

audit engagement team and did not involve services provided directly for the Fund. In addition, EY noted that the independence breach did not (i) create a mutual or conflicting interest with the Fund, (ii) place EY in the position of auditing its own work, (iii) result in EY acting as management or an employee of the Fund, or (iv) place EY in a position of being an advocate of the Fund.

EY advised the Audit Committee that the above described matters, individually and in the aggregate, do not and will not impair EY's ability to exercise objective and impartial judgment in connection with the audits of the financial statements for the Fund and a reasonable investor with knowledge of all relevant facts and circumstances would conclude that EY has been and is capable of objective and impartial judgment on all issues encompassed within EY's audit engagements, and that EY can continue to act as the Independent Registered Public Accounting Firm.

4.) For each Fund, in various communications beginning on January 25, 2017, EY informed the Audit Committee that EY had identified an independence breach where a covered person maintains a lending relationship with an owner of greater than 10% of the shares of certain investment companies within the investment company complex as defined under Rule 2-01(f)(14) of Regulation S-X. EY informed the Audit Committee that this lending relationship is inconsistent with the Loan Rule.

The Loan Rule specifically provides that an accounting firm would not be independent if it receives a loan from a lender that is a record or beneficial owner of more than ten percent of an audit client's equity securities. For purposes of the Loan Rule, audit clients include the Fund as well as all registered investment companies advised by DIMA and its affiliates, including other subsidiaries of the Advisor's parent company, Deutsche Bank AG (collectively, the Deutsche Funds Complex). The covered person's lending relationship affects EY's independence under the Loan Rule with respect to all investment companies in the Deutsche Funds Complex.

EY informed the Audit Committee that, after evaluating the facts and circumstances and the applicable independence rules, EY has concluded that the lending relationship described above does not and will not impair EY's ability to exercise objective and impartial judgment in connection with the audits of the financial statements for the Fund and a reasonable investor with knowledge of all relevant facts and circumstances would conclude that EY has been and is capable of objective and impartial judgment on all issues encompassed within EY's audit engagements. EY informed the Audit Committee that its conclusion was based on a number of factors, including, among others,

EY's belief that the lender is not able to impact the impartiality of EY or assert any influence over the investment companies in the Deutsche Funds Complex whose shares the lenders own or the applicable investment company's investment adviser.

As noted above, on June 20, 2016, the SEC Staff issued a "no-action" letter to another mutual fund complex (see Fidelity Management & Research Company et al., No-Action Letter) related to similar Loan Rule issues as those described above. In that letter, the SEC Staff confirmed that it would not recommend enforcement action against an investment company that relied on the audit services performed by an audit firm that was not in compliance with the Loan Rule in certain specified circumstances. The circumstances described in the no-action letter appear to be substantially similar to the circumstances that affected EY's independence under the Loan Rule with respect to the Fund. EY confirmed to the Audit Committee that it meets the conditions of the no-action letter. In the no-action letter, the SEC Staff stated that the relief under the letter is temporary and will expire 18 months after the issuance of the letter.

5.) For each Fund, on July 11, 2017, EY advised the Fund's Audit Committee that EY had identified the following matters that it determined to be inconsistent with the SEC's auditor independence rules.

EY advised the Fund's Audit Committee of financial relationships held by covered persons within EY and its affiliates that were in violation of Rule 2-01(c)(1) of Regulation S-X. EY advised the Audit Committee that after consideration of the facts and circumstances and the applicable independence rules, EY concluded that the independence breaches do not and will not impair EY's ability to exercise objective and impartial judgment in connection with the audits of the financial statements of the Fund and that a reasonable investor would reach the same conclusion. In assessing this matter, EY indicated that upon detection the breaches were corrected promptly and that none of the breaches (i) related to financial relationships directly in the Fund, (ii) involved professionals who were part of the audit engagement team for the Fund or in a position to influence the audit engagement team, or (iii) were for services directly for the Fund.

EY advised the Audit Committee that the above described matters, individually and in the aggregate, do not and will not impair EY's ability to exercise objective and impartial judgment in connection with the audits of the financial statements for the Fund and a reasonable investor with knowledge of all relevant facts and circumstances would

conclude that EY has been and is capable of objective and impartial judgment on all issues encompassed within EY's audit engagements, and that EY can continue to act as the Independent Registered Public Accounting Firm.

6.) For each Fund, on July 11, 2017, EY informed the Audit Committee that EY had identified an independence breach where EY maintains a lending relationship with an entity that owned for a period of time greater than 10% of the shares of an investment company within the investment company complex as defined under Rule 2-01(f)(14) of Regulation S-X. EY informed the Audit Committee that this lending relationship was inconsistent with the Loan Rule.

The Loan Rule specifically provides that an accounting firm would not be independent if it receives a loan from a lender that is a record or beneficial owner of more than ten percent of an audit client's equity securities. For purposes of the Loan Rule, audit clients include the Fund as well as all registered investment companies advised by DIMA and its affiliates, including other subsidiaries of the Advisor's parent company, Deutsche Bank AG (collectively, the Deutsche Funds Complex). EY's lending relationship affects EY's independence under the Loan Rule with respect to all investment companies in the Deutsche Funds Complex.

EY informed the Audit Committee that, after evaluating the facts and circumstances and the applicable independence rules, EY has concluded that the lending relationship described above did not and will not impair EY's ability to exercise objective and impartial judgment in connection with the audits of the financial statements for the Fund and a reasonable investor with knowledge of all relevant facts and circumstances would conclude that EY has been and is capable of objective and impartial judgment on all issues encompassed within EY's audit engagements. EY informed the Audit Committee that its conclusion was based on a number of factors, including, among others, EY's belief that the lender is not able to impact the impartiality of EY and was not able to assert any influence over the investment company in the Deutsche Funds Complex whose shares the lender owned or the applicable investment company's investment adviser.

On June 20, 2016, the SEC Staff issued a no-action letter to another mutual fund complex (see Fidelity Management & Research Company et al., No-Action Letter) related to similar Loan Rule issues as those described above. In that letter, the SEC Staff confirmed that it would not recommend enforcement action against an investment company that relied on the audit services performed by an audit firm that was not in compliance with the Loan Rule in certain specified circumstances. The circumstances described in the no-action letter appear to be substantially similar to the circumstances that affected EY's

independence under the Loan Rule with respect to the Fund. EY confirmed to the Audit Committee that it meets the conditions of the no-action letter. In the no-action letter, the SEC Staff stated that the relief under the letter is temporary and will expire 18 months after the issuance of the letter.

ADDITIONAL INFORMATION

Quorum and Required Vote. Proxies are being solicited from each Fund's shareholders by the respective Fund's Board for the Meeting. Unless revoked, all valid proxies will be voted in accordance with the specification thereon or, in the absence of specification, FOR the election of all Board Member Nominees and as the persons named in the proxy determine on such other business as may come before the Meeting. However, should any Board Member Nominee become unable or unwilling to serve prior to the Meeting, the persons named as proxies may vote your shares for substitute nominees, if any recommended by the Board. Except for Board Members elected solely by the Preferred Shareholders of KTF and KSM, if an annual meeting is called for the purpose of considering the election of Board Members, and a then current Board Member up for election is not elected and such Board Member's successor is not elected and qualified, then the current Board Member shall remain a member of the relevant class, holding office until the annual meeting held in the third succeeding year after such annual meeting is initially called and until the election and qualification of such Board Member's successor, if any, or until such current Board Member sooner dies, resigns, retires or is removed. For Board Members elected solely by the Preferred Shareholders of KTF and KSM, if a Board Member does not receive the required vote, such Board Member will continue to serve until the next annual meeting of the Fund and until his or her successor has been elected and qualifies.

For each Fund, the presence at the Meeting of 30% of the shares of such Fund outstanding and entitled to vote at the Meeting constitutes a quorum for the Meeting. Thus, the meeting for a particular Fund could not take place on its scheduled date if less than 30% of the shares of that Fund were represented. The tellers will count shares represented by proxies that reflect abstentions and broker non-votes (i.e., shares held by brokers or nominees as to which (i) instructions have not been received from the beneficial owners or the persons entitled to vote, and (ii) the broker or nominee does not have the discretionary voting power on a particular matter) as shares that are present and entitled to vote on the matter for purposes of determining the presence of a quorum.

For KMM and KST, to the extent permitted by the Amended and Restated Agreement and Declaration of Trust, any meeting of shareholders may, by action of the chairman of the meeting, be

adjourned without further notice with respect to one or more matters to be considered at such meeting to a designated time and place, whether or not a quorum is present with respect to such matter; upon motion of the chairman of the meeting, the question of adjournment may be submitted to a vote of the shareholders, and in that case, any adjournment with respect to one or more matters must be approved by the vote of holders of a majority of the shares present and entitled to vote with respect to the matter or matters adjourned, and without further notice to the extent permitted by the Amended and Restated Agreement and Declaration of Trust. Unless a proxy is otherwise limited in this regard, any shares present and entitled to vote at the Meeting that are represented by broker non-votes may, at the discretion of the proxies named therein, be voted in favor of such adjournment. For KTF and KSM, any meeting of shareholders may be adjourned from time to time by a majority of the votes cast upon the question, whether or not a quorum is present, and the meeting may be held as adjourned without further notice. Adjournment will subject a Fund to additional expenses.

For each Fund, each whole share is entitled to one vote and each fractional share is entitled to a proportionate fractional vote. For KMM and KST only, a majority of shares of the Fund outstanding and entitled to vote on the matter shall elect a Board Member Nominee. For KTF and KSM only, a plurality of shares entitled to vote shall elect a Board Member Nominee. As noted previously, the Preferred Shareholders of KTF and KSM, voting as a separate class for each respective Fund, are entitled to elect two (2) Board Members and the holders of the Common Shares and Preferred Shares of KTF and KSM, voting together as a single class for each Fund, are entitled to elect three (3) Board Members. For KMM and KST, abstentions and broker non-votes will have the effect of a vote against the Proposal. For KTF and KSM, abstentions and broker non-votes, if any, will have no effect on the Proposal.

Record Date and Method of Tabulation. Shareholders of record of each Fund at the close of business on July 20, 2017 (the Record Date) are entitled to notice of, and to vote at, the Meeting. As of the Record Date, shares of each Fund were issued and outstanding as follows:

Fund Name	Shares Outstanding
KMM	22,393,261.76
KTF	
Common	39,139,537.33
Preferred	39,750.00
KST	4,694,846.37
KSM	
Common	11,201,629.77
Preferred	2,800.00

Votes cast by proxy or in person at the Meeting will be counted by persons appointed by the Funds as tellers for the Meeting. Shareholders will vote by individual Fund on the Proposal.

Deutsche Bank Voting. Deutsche Bank Trust Company Americas (Deutsche Bank Trust) will vote any shares in accounts as to which Deutsche Bank Trust has voting authority, and shares in any other accounts as to which Deutsche Bank Trust is the agent of record, which are not otherwise represented in person or by proxy at the Meeting. Deutsche Bank Trust will vote shares of the Funds over which it has investment discretion in accordance with its fiduciary and other legal obligations, and in its discretion may consult with the beneficial owners or other fiduciaries. Deutsche Bank Trust will vote shares of the Funds for which it is the owner of record but does not have investment discretion, which are not otherwise represented in person or by proxy at the Meeting, in the same proportion as the votes cast by holders of all shares in the Funds otherwise represented at the Meeting. This practice is commonly referred to as mirror or echo voting. Deutsche Bank Trust and its affiliates will vote any shares held in proprietary accounts in accordance with their voting procedures.

Share Ownership. As of the Record Date, each Fund knows of no person who beneficially owns more than 5% of any of the outstanding shares of a class of the Fund, except as follows:

Collectively, for each Fund, the Board Members and executive officers of the Fund own less than 1% of such Fund's outstanding shares. As of December 31, 2016, the Independent Board Members and executive officers did not own any Preferred Shares of KTF or KSM. The number of shares beneficially owned is determined under rules of the SEC, and the information is not necessarily indicative of beneficial ownership for any other purpose.

Proxy Costs and Solicitation of Proxies. Each Fund will pay its costs of preparing, printing and mailing the enclosed Proxy Card and Proxy Statement and all other costs incurred in connection with the solicitation of proxies, including any additional solicitation made by letter or telephone. In addition to solicitations by mail, solicitations also may be made by telephone, through the Internet or in person by officers and representatives of each Fund, by officers and employees of DIMA and by certain financial services firms and their representatives, who will receive no extra compensation for their services. Georgeson LLC has been engaged to assist in the solicitation of proxies for each Fund at an estimated cost of \$7,348 for KMM, \$6,703 KST, \$8,236 for KTF and \$7,021 for KSM, plus reimbursement for out-of-pocket expenses. However, the exact cost will depend on the amount and types of services rendered. If the shareholders record votes by telephone or through the Internet, the proxy solicitor will use procedures designed to authenticate shareholders' identities, to allow shareholders to authorize the voting of their shares in accordance with their instructions and to allow shareholders to confirm that their instructions have been recorded properly.

If a shareholder wishes to participate in the Meeting, but does not wish to give a proxy by telephone or via the Internet, the shareholder may still submit the Proxy Card(s) originally sent with this Proxy Statement or attend the Meeting in person. Should shareholders require additional information regarding the proxy or replacement Proxy Card(s) or for directions on how to attend the Meeting in person, they may call Georgeson LLC toll-free at 866-821-2570. Any proxy given by a shareholder is revocable until voted at the Meeting.

As the Meeting date approaches, certain shareholders of the Funds may receive a telephone call from a representative of Georgeson LLC if their votes have not yet been received.

Persons holding shares as nominees will, upon request, be reimbursed for their reasonable expenses in soliciting instructions from their principals. The Funds will pay the costs of solicitation, including (a) the printing and mailing of this Proxy Statement and the accompanying materials, (b) the reimbursement of brokerage firms and others for their expenses in forwarding solicitation materials to the beneficial owners of

each Fund's shares, (c) payment to Georgeson LLC for its services in soliciting proxies and (d) supplementary solicitations to submit proxies.

One Proxy Statement may be delivered to two or more shareholders of a Fund who share an address, unless a Fund has received instructions to the contrary. To request a separate copy of the Proxy Statement, which will be delivered upon written or oral request, or for instructions as to how to request a single copy if multiple copies are received, shareholders should call 800-349-4281 or write to your Fund at 345 Park Avenue, New York, New York 10154.

Revocation of Proxies. Proxies, including proxies given by telephone or via the Internet, may be revoked at any time before they are voted either (i) by a written revocation received by the Secretary of your Fund at One Beacon Street, Boston, MA 02108, (ii) by properly submitting a later-dated Proxy Card that is received by the Fund at or prior to the Meeting or (iii) by attending the Meeting and voting in person. Merely attending the Meeting without voting, however, will not revoke a proxy previously given.

Section 16(a) Beneficial Ownership Reporting Compliance. Section 30(h) of the 1940 Act and Section 16(a) of the Securities Exchange Act of 1934 require each Fund's officers and Board Members, DIMA, affiliated persons of DIMA and persons who own more than ten percent of a registered class of the Fund's equity securities to file forms reporting their affiliation with that Fund and reports of ownership and changes in ownership of that Fund's shares with the SEC. These persons and entities are required by SEC regulation to furnish the Funds with copies of all Section 16(a) forms they file. Based solely upon its review of the copies of such forms received by it, and written representations from certain reporting persons that no year-end reports were required for those persons, each Fund believes that during the fiscal year ended November 30, 2016, all filings required by Section 16(a) were timely.

Investment Advisor and Administrator. DIMA, 345 Park Avenue, New York, New York 10154, serves as each Fund's investment advisor and administrator. DIMA is an indirect, wholly-owned subsidiary of Deutsche Bank AG.

Deutsche AM represents the asset management activities conducted by Deutsche Bank AG or any of its subsidiaries. Deutsche AM is a global asset management organization that offers a wide range of investing expertise and resources, including hundreds of portfolio managers and analysts and an office network that reaches the world's major investment centers. This well-resourced global investment platform brings together a wide variety of experience and investment insight, across industries, regions, asset classes and investing styles.

SUBMISSION OF SHAREHOLDER PROPOSALS

Shareholders wishing to submit proposals for inclusion in a proxy statement for a shareholders' meeting to be held in 2018 should send their written proposals to the Secretary of the applicable Fund at the following address: Deutsche Investment Management Americas Inc., One Beacon Street, Boston, MA 02108.

It is currently anticipated that the next annual meeting of each Fund will be held in September 2018. A shareholder wishing to submit a proposal for inclusion in a Fund's proxy statement for the 2018 annual meeting of shareholders pursuant to Rule 14a-8 under the Securities Exchange Act of 1934 should send such written proposal along with all information required by the advanced notice provisions of the Amended and Restated By-Laws as described in the next paragraph to the Secretary of the Fund within a reasonable time before the solicitation of proxies for such meeting. A Fund will treat any such proposal received no later than April 20, 2018 as timely. The timely submission of a proposal, however, does not guarantee its inclusion.

Each Fund has established advance notice requirements pursuant to its Amended and Restated By-Laws for the submission of shareholder proposals, including proposals pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, to be considered by shareholders at an annual meeting, which do not apply to holders of Preferred Shares of KTF and KSM to the extent set forth in the applicable By-Laws. Pursuant to the advance notice provisions of each Fund's Amended and Restated By-Laws for nominations of individuals for election to the Board or other business to be properly brought before an annual meeting by a shareholder pursuant to the advance notice provisions, the shareholder must have given timely notice thereof in writing to the Secretary of the Fund and such other business must otherwise be a proper matter for action by the shareholders. To be timely, a shareholder's notice shall set forth all information required pursuant to the advance notice requirements and shall be delivered to the Secretary at the principal executive office of the Fund not earlier than March 21, 2018 nor later than 5:00 p.m., Eastern Time, on April 20, 2018. However, in the event that the date of the annual meeting is advanced or delayed by more than 30 days from the first anniversary of the date of the preceding year's annual meeting, notice by the shareholder to be timely must be so delivered not earlier than the 120th day prior to the date of such annual meeting and not later than 5:00 p.m., Eastern time, on the 90th day prior to the date of such annual meeting or, if the first public announcement of the date of such annual meeting is less than 100 days prior to the date of such annual meeting, the tenth day following the day on which public announcement of the date of such meeting is first made. Each Fund's advance notice requirements are set

forth as follows: KMM and KST in Exhibit D; and KTF and KSM in Exhibit E. The timely submission of a proposal, however, does not guarantee that it will be considered at the applicable annual meeting.

OTHER MATTERS TO COME BEFORE THE MEETING

No Board Member is aware of any matters that will be presented for action at the Meeting other than the matters set forth herein. Should any other matters requiring a vote of shareholders arise, the proxy in the accompanying form will confer upon the person or persons entitled to vote the shares represented by such proxy the discretionary authority to vote the shares as to any such other matters in accordance with their best judgment in the interest of each Fund.

IF YOU HAVE ANY QUESTIONS CONCERNING THIS PROXY STATEMENT OR THE PROCEDURES TO BE FOLLOWED TO EXECUTE AND TO DELIVER A PROXY CARD, PLEASE CONTACT GEORGESON LLC AT 866-821-2570.

SHAREHOLDERS WHO DO NOT EXPECT TO BE PRESENT AT THE MEETING AND WHO WISH TO HAVE THEIR SHARES VOTED ARE REQUESTED TO DATE AND TO SIGN THE ENCLOSED PROXY CARD AND TO RETURN IT IN THE ENCLOSED ENVELOPE, OR TO FOLLOW THE INSTRUCTIONS ON THE ENCLOSED PROXY CARD FOR VOTING BY TELEPHONE OR THROUGH THE INTERNET.

EXHIBIT A**BOARD MEMBER SHARE OWNERSHIP**

As of July 1, 2017, the Board Members and the officers of each Fund as a whole owned less than 1% of the outstanding shares of the Funds.

The following tables show the dollar range of equity securities beneficially owned and the number of shares beneficially owned by each Board Member in each Fund as of July 1, 2017.

Under its Board Governance Policies, each Fund's Board has established the expectation that within three years of becoming a Board Member, a Board Member will have invested in the aggregate at least \$275,000 in the Deutsche Funds. Each Board Member owns over \$275,000 of shares on an aggregate basis in all Deutsche funds overseen by the Board Member as of July 1, 2017.

**ADVANCE NOTICE REQUIREMENTS FOR
DEUTSCHE MULTI-MARKET INCOME TRUST (KMM)
DEUTSCHE STRATEGIC INCOME TRUST (KST)**

The following is an excerpt from the Amended and Restated By-Laws for KMM and KST. The excerpt is qualified in its entirety by the complete Amended and Restated By-Laws for KMM and KST. Any terms not defined herein have the meaning set forth in the Amended and Restated By-Laws.

9.9 Advance Notice of Shareholder Nominees for Trustees and Other Shareholder Proposals.

(a) Annual Meetings of Shareholders.

- (1) Nominations of individuals for election to the Board of Trustees and the proposal of other business to be considered by the Shareholders may be made at an annual meeting (i) pursuant to the Trust's notice of meeting given by the Secretary or Trustees pursuant to Section 9.3 of these By-laws, (ii) by or at the direction of the Board of Trustees or (iii) by any Shareholder if such Shareholder (A) can demonstrate to the Trust record ownership of Shares both as of the time the Shareholder Notice (as defined below) was delivered to the Secretary as provided in Section 9.9(a)(2) of these By-laws and at the time of the annual meeting, (B) is entitled to vote the applicable Shares at the meeting and (C) has complied with the procedures set forth in this Section 9.9(a). The requirements of this Section 9.9 will apply to any business to be brought before an annual meeting by a Shareholder whether such business is to be included in the Trust's proxy statement pursuant to Rule 14a-8 of the proxy rules (or any successor provision) promulgated under the 1934 Act, presented to Shareholders by means of an independently financed proxy solicitation or otherwise presented to Shareholders.
- (2) For nominations or other business to be properly brought before an annual meeting by a Shareholder pursuant to clause (iii) of paragraph (a)(1) of this Section 9.9, the Shareholder must have given timely notice thereof in writing to the Secretary of the Trust (a Shareholder Notice) and such other business must otherwise be a proper matter for action by the Shareholders. To be timely, a Shareholder Notice shall be delivered to the Secretary at the principal executive office of the Trust not

earlier than the 150th day and not later than 5:00 p.m., Eastern Time, on the 120th day prior to the first anniversary of the date on which notice of the prior year's annual meeting was first given to Shareholders.
