**Director Independence**

Our Common Stock is listed on the Nasdaq Stock Market. Under the rules of the Nasdaq Stock Market, independent directors must comprise a majority of a listed company's board of directors, subject to specified exceptions. In addition, the rules of the Nasdaq Stock Market require that, subject to specified exceptions, each member of a listed company's Audit, Compensation and Nominating and Corporate Governance committees be independent. Under the rules of the Nasdaq Stock Market, a director will only qualify as an independent director if, in the opinion of the listed company's board of directors, the director does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

Audit committee members must also satisfy the independence criteria set forth in Rule 10A-3 under the Exchange Act, and the listing requirements of the Nasdaq Stock Market. In addition, compensation committee members must satisfy the independence criteria set forth in Rule 10C-1 under the Exchange Act and the listing requirements of the Nasdaq Stock Market.

Our Board of Directors has undertaken a review of the independence of each director and nominee and considered whether any director or nominee has a material relationship with us that could compromise his or her ability to exercise independent judgment in carrying out his or her responsibilities. As a result of this review, our Board of Directors has determined that each of Jean Birch, John Shafer, L. David Mounts, Rob Weisberg, Katherine L. Scherping, Alexander C. Matina and Noah A. Elbogen is an independent director as defined under the applicable rules and regulations of the SEC and the listing requirements and rules of the Nasdaq Stock Market.
