Item 1.01 Entry into a Material Definitive Agreement

On March 11, 2018, MannKind Corporation (the Company) entered into an amended and restated promissory note (the Restated Note) with The Mann Group LLC (the Mann Group). The Restated Note amended the terms of the existing promissory note, dated as of October 18, 2012, with the Mann Group to, among other things, (i) reflect the current outstanding principal balance of the promissory note of \$71,505,500, after giving effect to the partial cancelation of principal in exchange for shares of the Company s common stock described below, (ii) extend the maturity date of the promissory note to July 1, 2021, (iii) permit accrued and unpaid interest to be paid-in-kind, and (iv) permit the principal and any accrued and unpaid interest under the Restated Note to be converted, at the option of the Mann Group, at any time on or prior to the close of business on the business day immediately preceding the stated maturity date, into shares of the Company s common stock at a conversion rate of 250 shares per \$1,000 of principal and/or accrued and unpaid interest, which is equal to a conversion price of \$4.00 per share. The conversion rate will be subject to adjustment under certain circumstances described in the Restated Note.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth under Item 1.01 of this report regarding the issuance of the Restated Note is incorporated by reference into this Item 2.03.

Item 3.02 Unregistered Sales of Equity Securities.

The information set forth under Item 1.01 of this report regarding the issuance of the Restated Note is incorporated by reference into this Item 3.02. Also on March 11, 2018, the Company and the Mann Group entered into a common stock purchase agreement pursuant to which the Company agreed to issue to the Mann Group and the Mann Group agreed to purchase 3,000,000 shares of the Company s common stock at a price per share of \$2.72 (the Purchased Shares). As payment of the purchase price for the shares, the Mann Group agreed to cancel \$8,160,000 in principal amount under the promissory note dated October 18, 2012, with the principal repayment to be reflected in the Restated Note.

The Company offered the Restated Note and the Purchased Shares in reliance on the exemption from registration provided by Section 4(a)(2) of the Securities Act of 1933, as amended (the Securities Act), and expects to rely on such exemption or the exemption provided by Section 3(a)(9) of the Securities Act for any issuance of shares of its common stock upon conversion of the Restated Note. The Purchased Shares were issued in a private placement and the Company does not have an obligation or intend to register the Purchased Shares for resale.

On March 12, 2018, the Company and MannKind LLC, the Company s wholly-owned subsidiary, entered into an Exchange Agreement (the Exchange Agreement) with Deerfield Private Design Fund II, L.P. and Deerfield Private Design International II, L.P. (collectively, Deerfield) pursuant to which the Company agreed to, among other things, exchange \$5.0 million principal amount under the 8.75% Senior Secured Convertible Notes due 2019 held by Deerfield (the Tranche B Notes) for 1,838,236 shares of the Company s common stock (the Exchange Shares). The exchange price for the Exchange Shares is \$2.72 per share. The principal amount being exchanged under the Tranche B Notes represents the principal amount that would have otherwise become due and payable in May 2018 under the Tranche B Notes.

The Company offered the Exchange Shares in reliance on the exemption from registration provided by Sections 3(a)(9) and 4(a)(2) of the Securities Act of 1933.

On March 6, 2018, pursuant to the prior exchange and sixth amendment agreement with Deerfield, the Company exchanged approximately \$1.3 million in principal amount of its outstanding 9.75% Senior Convertible Notes due 2019 held by Deerfield for 441,618 shares of the Company's common stock, at a conversion price of \$2.83 per share.
