PROXY STATEMENT FOR ANNUAL MEETING OF STOCKHOLDERS

To Be Held On May 31, 2018

This Proxy Statement is being made available to the stockholders of AV Homes, Inc., a Delaware corporation (AV Homes or the Company), in connection with the solicitation of proxies by and on behalf of the Board of Directors of AV Homes for use at the Annual Meeting of Stockholders to be held at the Camby Hotel located at 2401 East Camelback Road, Phoenix, Arizona 85016 on May 31, 2018, at 8:00 a.m. local time (the Annual Meeting).

Under rules of the Securities and Exchange Commission (SEC), we are furnishing proxy materials to our stockholders of record on the Internet, rather than mailing printed copies, to reduce our printing and mailing costs and conserve resources. If you received a Notice of Internet Availability of Proxy Materials by mail, you will not receive a printed copy of the proxy materials unless you request one as instructed in that Notice. Instead, the Notice of Internet Availability of Proxy Materials will instruct you as to how you may access the proxy materials, and vote, on the Internet. If you received a Notice of Internet Availability of Proxy Materials by mail and would like to receive a printed copy of our proxy materials, please follow the instructions in the Notice.

The Notice of Internet Availability of Proxy Materials or, in some cases, a full set containing the Proxy Statement and the form of proxy enclosed herewith, and the accompanying Annual Report on Form 10-K of AV Homes for the fiscal year ended December 31, 2017, including financial statements, is first being mailed on or about April 18, 2018, to stockholders of record on the close of business on April 6, 2018.

PURPOSES OF THE MEETING

At the Annual Meeting, stockholders will consider and vote upon the following matters:

1. To elect as directors the 10 nominees named in this Proxy Statement.
2. To ratify the appointment of Deloitte & Touche LLP as independent registered public accounting firm for AV Homes for the year ending December 31, 2018.
3. To vote on an advisory resolution on the compensation of the named executive officers of the Company (Say on Pay).
- 4.

To transact such other business as may properly come before the meeting, or any adjournment or adjournments thereof.

VOTING RIGHTS AND PROXY INFORMATION

Record Date; Voting Rights

Pursuant to the By-Laws of AV Homes, the Board of Directors has fixed the close of business on April 6, 2018 as the record date for the determination of stockholders entitled to notice of and to vote at the meeting or any adjournment or adjournments thereof (the Record Date).

At the close of business on the Record Date, 22,348,223 shares of common stock, \$1.00 par value, of AV Homes (Common Stock), which constitutes the only class of voting securities of AV Homes, were outstanding and entitled to vote. For each share of Common Stock held of record on the close of business on April 6, 2018,

Table of Contents

stockholders are entitled to one vote, except in regard to the election of directors, for which there will be cumulative voting as described under the heading **Vote Required-Election of Directors**. In accordance with AV Homes By-Laws, the holders of a majority of the outstanding shares of Common Stock, present in person or represented by proxy, will constitute a quorum for the transaction of business at the Annual Meeting.

Proxies

When a proxy is received, properly executed, in time for the Annual Meeting, the shares represented thereby will be voted at the meeting as directed. Shares represented by valid proxies that do not contain voting instructions will be voted (1) FOR the election as directors of the nominees named herein, (2) FOR ratification of the appointment of Deloitte & Touche LLP as independent registered public accounting firm for the year ending December 31, 2018, and (3) FOR the advisory Say on Pay resolution. Any stockholder who executes a proxy may revoke it at any time prior to its exercise by giving written notice of such revocation to the Secretary of AV Homes. In addition, a stockholder who attends the meeting may vote in person, thereby cancelling any proxy previously given by such stockholder.

Shares Held Through Banks, Brokers or Other Intermediaries

If you are the beneficial owner of shares held for you by a bank, broker or other holder of record and do not return your voting instructions, the broker or other nominee may vote your shares solely with respect to such matters for which the broker or other nominee has discretionary authority. Under applicable rules, brokers have discretionary authority to vote on routine matters, which includes the ratification of the appointment of the independent registered public accounting firm. Brokers will not have the discretion to vote on any of the other matters to come before the Annual Meeting, and broker non-votes will not have any effect on the outcome of such matters.

Vote Required

Election of Directors Nominees for director will be elected by a plurality of the votes cast (i.e., the highest number of votes cast) at the Annual Meeting by the holders of Common Stock present in person or represented by proxy and entitled to notice of, and to vote at, the Annual Meeting. Consequently, only shares that are voted in favor of a particular nominee will be counted toward such nominee's achievement of a plurality. Withheld votes will have no effect on the election of directors. Stockholders have cumulative voting rights with respect to election of directors as described in more detail below under **Election of Directors**.

Ratification of Deloitte & Touche LLP The affirmative vote of a majority of the shares of Common Stock present in person or by proxy and entitled to notice of, and to vote at, the Annual Meeting is necessary to ratify the appointment of Deloitte & Touche LLP as the independent registered public accounting firm for AV Homes for the year ending December 31, 2018. Abstentions will have the same effect as votes against such proposal because the shares are considered present at the meeting but are not affirmative votes.

Advisory Say on Pay Vote The resolution approving the Company's executive compensation is advisory and non-binding. However, we will consider the stockholders to have approved the advisory resolution on executive compensation if the number of shares voted FOR the proposal exceed the number of shares voted AGAINST the proposal. Accordingly, abstentions will have no effect on the advisory vote on executive compensation.

Attendance at the Meeting

If you plan to attend the meeting, please mark the box provided on your proxy card so that we may send you an attendance card. Stockholders who have beneficial ownership of Common Stock that is held by a bank or broker

should bring account statements or letters from their banks or brokers indicating that they owned Common Stock on April 6, 2018. Stockholders also may obtain an attendance card by submitting a written request to the Corporate Secretary of AV Homes.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee assists the Board in: (i) identifying, screening and reviewing individuals to serve as directors and recommending candidates for nomination for election at the annual meeting of stockholders or to fill Board vacancies; (ii) overseeing AV Homes' policies and procedures for receipt of stockholder suggestions regarding composition of the Board and recommendations of candidates for nomination; (iii) overseeing implementation of AV Homes' Corporate Governance Guidelines and Principles; (iv) coordinating periodic self-assessments for the Board and its committees; and (v) reviewing AV Homes' overall corporate governance and recommending changes when necessary or desirable. The Committee may also perform such additional tasks as assigned to it by the Board. The Committee has the authority to obtain advice and assistance from, and receive adequate resources and funding from AV Homes for, outside counsel, consultants and other advisors. The Committee met twice during the fiscal year ended December 31, 2017.

All members of the Nominating and Corporate Governance Committee have been determined to be independent (see Director Independence). The Committee is governed by a written charter approved by the Board. The charter is available on AV Homes' website at www.avhomesinc.com on the Investor Relations page under Corporate Governance.

The Nominating and Corporate Governance Committee assesses the appropriate size of the Board, evaluates Board membership, and identifies and reviews director nominee candidates. The Committee considers candidates for Board membership received from all sources based upon various criteria, including their business and professional skills and experience, personal integrity and judgment, commitment to representing the long-term interests of stockholders and availability to participate in Board activities. The Committee will consider candidates suggested by its members, other Board members, management and stockholders, and may, if necessary or appropriate, utilize the services of a professional search firm. In order to be considered, a recommendation from a stockholder must include the stockholder's name and contact information, the candidate's name and contact information, a brief description of the candidate's background and qualifications and a statement by the candidate that he or she is willing and able to serve on the Board. The Committee may also require candidates to provide such other information as it may request.

The Committee reviews periodically and recommends to the Board for approval any changes in the compensation of non-employee directors. Any equity compensation awards for non-employee directors recommended by the Nominating and Corporate Governance Committee are approved by the Compensation Committee under the 2015 Incentive Compensation Plan, as amended and restated.

AV Homes By-Laws establish advance notice procedures with respect to nominations for election of directors at an annual meeting (see Stockholders Proposals and Nominations of Board Members).

Table of Contents**Compensation Committee**

The Compensation Committee assists the Board in overseeing management compensation policies and practices, including (i) determining and approving the compensation of the CEO and the Company's other executive officers; (ii) reviewing and approving management incentive compensation policies and programs and exercising discretion in the administration of such programs; and (iii) reviewing and approving equity compensation programs for employees and exercising discretion in the administration of such programs. It also reviews and discusses with AV Homes management proposed Compensation Discussion and Analysis disclosure and determines whether to recommend such disclosure to the Board for inclusion in AV Homes' proxy statement and Annual Report on Form 10-K. The recommendation is described in a Compensation Committee Report included in the proxy statement. The Committee may perform such other tasks as assigned to it by the Board. The Committee may delegate any of its responsibilities to a sub-committee comprised solely of one or more of its members so long as such delegation is consistent with law and applicable rules of the SEC and Nasdaq. Pursuant to the Committee's charter, in 2017, the Committee formed a sub-committee consisting solely of the members of the Committee who are not appointed by TPG (as defined below) for the purpose of approving certain compensation intended to qualify as performance-based compensation for purposes of Section 162(m) of the Internal Revenue Code, as in effect prior to the adoption of the Tax Cuts and Jobs Act of 2017, which was signed into law on December 22, 2017. The Committee has the authority to obtain advice and assistance from the Committee's outside counsel, compensation consultants and other advisors with funding from the Company. The Committee met four times and acted by written consent three times during the fiscal year ended December 31, 2017.

As part of the TPG Investment (described and defined under "Certain Relationships and Related Transactions" below), we must constitute our Compensation Committee as a five member committee and (i) for so long as TPG Aviator, L.P. ("TPG") and its affiliates own at least 15% of our Common Stock, TPG has the right to have two Board members appointed to the Compensation Committee, and (ii) for so long as TPG and its affiliates own at least 5% but less than 15% of our Common Stock, TPG has the right to have one Board member appointed to the Committee. TPG has no such appointment rights if its level of ownership is less than 5% of our Common Stock. Additionally, for so long as TPG is entitled to designate at least one member of the Compensation Committee, the Board may not authorize or cause to be taken any of the following actions without the requisite approval of the Compensation Committee (which approval, for so long as TPG is entitled to nominate two members of the Compensation Committee, in most cases must include the approval of four out of the five members of the Compensation Committee):

any adoption of any new, or expansion of any existing, equity incentive plan relating to a key executive officer; and

any changes to, or the adoption of, any compensation arrangements for any members of the Board or members of senior management.

For further information on the Compensation Committee's processes and procedures for consideration and determination of executive compensation, see the Compensation Discussion and Analysis below. All members of the Compensation Committee have been determined to be independent (see "Director Independence"). The Compensation Committee is governed by a written charter approved by the Board. The charter sets out in greater detail the specific responsibilities of the Compensation Committee. A current copy of the charter is available on AV Homes' website at www.avhomesinc.com on the Investor Relations page under Corporate Governance.

TPG has no such appointment rights if its level of ownership is less than 5% of our Common Stock. Additionally, for so long as TPG is entitled to designate at least one member of the Finance Committee, the Board may not authorize or cause to be taken any of the following actions without the requisite approval of the Finance Committee (which approval, for so long as TPG is entitled to nominate two members of the Finance Committee, in most cases must include the affirmative vote of at least one Committee member nominated by TPG):

any sale or issuance of any capital stock or other security of the Company or any subsidiary (including options and convertible or exchangeable instruments), except for certain permitted issuances;

any redemption, purchase, repurchase or other acquisition of capital stock of the Company (other than in connection with equity compensation arrangements);

any incurrence or assumption of liability for indebtedness other than certain ordinary course borrowings;

any hiring or firing of members of senior management;

any land or builder acquisitions, any acquisition or dispositions of subsidiaries or any other acquisitions or dispositions that are greater, in each case, than \$5 million (including total expected capital requirements associated with the acquisition or disposition of the land, as the case may be, and all land development work required to get the land ready for the construction of homes);

any capital expenditures or land commitments over the budget approved by the Board, or otherwise greater than \$10 million; and

any entry into new markets or lines of business.

The Finance Committee is governed by a written charter approved by the Board. The charter sets out in greater detail the specific responsibilities of the Finance Committee. A current copy of the charter is available on AV Homes website at www.avhomesinc.com on the Investor Relations page under Corporate Governance.

Director Compensation

The Nominating and Corporate Governance Committee reviews director compensation annually. In November 2016, the Nominating and Corporate Governance conducted a review of our director compensation compared to market data, with assistance from the Compensation Committee's independent consultant, Pearl

Table of Contents

Meyer & Co. (Pearl Meyer), which concluded that our non-employee director compensation, which had remained constant since 2012, was in the bottom quartile of both our peer company and general industry data. Accordingly, and in order to ensure that the Board can continue to attract and retain top talent to fill Board seats, our director compensation program was modified effective January 1, 2017 to bring our director compensation program closer to the median of the market data.

Directors who are our employees or who are employed by TPG are not separately compensated by us for their service on our Board or its committees. For our other directors, we pay an annual cash retainer, payable in quarterly installments. For 2017, the base annual cash retainer for service on the Board was \$70,000. The Chairmen of the Audit Committee, Finance Committee, Compensation Committee and Nominating and Corporate Governance Committee receive additional compensation of \$20,000, \$20,000, \$15,000 and \$10,000 per annum, respectively. The Chairman of the Board also receives an independent chairman retainer of \$40,000.

We also generally provide each of our non-employee directors who are not employed by TPG with an annual equity award of restricted stock units (RSUs) having a value equal to approximately \$70,000. Accordingly, on June 1, 2017, each reelected non-employee director (other than those employed by TPG) were awarded 4,321 RSUs for service on our Board for the term beginning at the 2017 annual meeting of stockholders. The RSUs will vest and be converted into an equivalent number of shares of Common Stock upon the earlier of the first anniversary of the date of the award and the date immediately preceding the date of AV Homes' 2018 annual meeting of stockholders, provided that the director is a member of the Board of Directors on such vesting date. The RSUs will vest immediately upon the death or disability of the director or upon a change of control of the Company. If the director ceases to be a member of the Board of Directors for any other reason, the RSUs will be forfeited, unless the Board of Directors provides otherwise.

In lieu of director fees (including equity awards) that would otherwise be payable to directors who are employed by TPG, AV Homes pays a quarterly monitoring fee to TPG Management (as defined under Certain Relationships and Related Transactions). This monitoring fee is reduced on a dollar for dollar basis by compensation paid to the TPG Nominated Directors who are not employed by TPG.

The following table sets forth the retainer, other cash fees and equity compensation earned during the fiscal year ended December 31, 2017, by non-employee directors.

Deferred Compensation Plan

The Nominating and Corporate Governance Committee adopted a deferral program applicable to non-employee directors in June 2005, which was amended on December 6, 2016. Under the deferral program as amended, non-employee directors may elect to defer up to 100% of annual retainer fees and/or chairperson fees, for which the director is credited with a number of stock units based upon the closing price of the Common Stock on the last trading day of each quarter. The stock units become distributable as shares of Common Stock upon the earlier of a date designated by the individual director or the date of the individual's separation from service as a director.

Communication with the Board of Directors

A stockholder who wishes to communicate with the Board, or specific individual directors, may direct written communication addressed to the Board or such director or directors in care of the Corporate Secretary, AV Homes, Inc., 6730 N. Scottsdale Rd., Suite 150, Scottsdale, Arizona 85253. The Corporate Secretary will deliver any communications to our independent Chairman of the Board, other than those that do not relate to any Board matter, which the Corporate Secretary may handle on his or her own.

Corporate Governance Guidelines and Principles

The Board of Directors has adopted Corporate Governance Guidelines and Principles as a component of the flexible governance framework within which the Board, assisted by its committees, directs AV Homes' affairs. The Corporate Governance Guidelines and Principles, which define the role of the Board of Directors, are available on AV Homes website at www.avhomesinc.com on the Investor Relations page under Corporate Governance.

In 2015, the Board amended and restated the Corporate Governance Guidelines and Principles to include a stock ownership guideline applicable to all non-employee directors who receive the standard director compensation. The guideline requires such directors to own shares of the Company's Common Stock having a value equal to three times the director's annual cash retainer. Directors have three years from the date of election to comply with the stock ownership threshold. All shares the directors beneficially own, and any shares subject to stock units issued by the Company, count toward the stock ownership guideline. Based on the most recent review, all directors who are subject to the stock ownership guidelines are in compliance.

Director Independence

The Board of Directors has determined that all members of the Board of Directors during the year ended December 31, 2017 and all current members of the Board of Directors meet the qualification standards set forth in AV Homes' Corporate Governance Guidelines and Principles and meet the independence criteria under the rules and regulations of Nasdaq, except for Roger A. Cregg, President and Chief Executive Officer. In making such determination, the Board of Directors considered relevant facts regarding such directors, in particular that each director determined to be independent does not have a material relationship with AV Homes, either directly (other than as a director and/or stockholder) or as a stockholder, director, officer, partner or affiliate of an organization that has a relationship with AV Homes. The Board of Directors has further determined that all current members of the Audit Committee meet the more stringent independence requirements of the SEC and Nasdaq for Audit Committee membership, and all current members of the Compensation Committee meet the more stringent independence requirements of Nasdaq for Compensation Committee membership.

Board Leadership Structure

AV Homes Board of Directors determined to separate the positions of Chairman of the Board and Chief Executive Officer because the functions and responsibilities of the positions are different. The Chairman of the

Table of Contents

Board is a senior principal of a firm that was a long-time stockholder of the Company. He represents the interests of all of the Company's stockholders from a global strategy perspective. The Chairman of the Board does not oversee the day-to-day business of the Company. Mr. Nash has served as the independent Chairman of the Board since September 2004.

The Chief Executive Officer is primarily responsible for developing AV Homes' business strategy and is in charge of the Company's day-to-day operations. With the oversight of the Board and the Board's committees, the Chief Executive Officer works full time in (i) creating and implementing the Company's business plan, (ii) directing the Company's business, and (iii) managing the Company's real estate and homebuilding activities.

Board's Role in Risk Oversight

While management is responsible for the day-to-day management of risk, the Board plays an ongoing and active role in the oversight of risk. The Audit Committee carries out its oversight responsibilities by regularly reviewing and discussing with management areas of material risk to the Company, which may include financial risks, legal and regulatory risks, operational risks and strategic risks, along with key risk areas within each of those risk categories. The Audit Committee also reviews with management, as appropriate, mitigation measures being taken to address such risks. The Company has an enterprise risk management program, which is coordinated by the Company's General Counsel and Chief Executive Officer and overseen by the Audit Committee. As part of the enterprise risk management program, financial, legal, regulatory, reputational, operational and strategic risks are reviewed across the entire Company and reported to the Audit Committee on a quarterly basis.

The Compensation Committee also considers and discusses, at least annually, risks associated with our executive compensation arrangements and has concluded that the risks associated with our compensation practices and policies are not likely to have a material adverse effect on the Company.

The Board as a whole also engages in the oversight of risk in several ways, including through the receipt of periodic reports from the Audit Committee and Compensation Committee on areas of risk reviewed by each committee. The Board also relies on the Finance Committee to review and approve certain financing and other strategic matters as discussed above. Additionally, the Board reviews and approves the Company's operating plan and budget on an annual basis and reviews risks associated with the execution of that plan.

Code of Business Conduct and Ethics

The Board of Directors, through the Audit Committee, has adopted a Code of Business Conduct applicable to all directors, officers and employees of AV Homes. Its purpose is to promote the commitment of the Board and management to a high standard for ethical business practices. The Code of Business Conduct is available on AV Homes' website at www.avhomesinc.com on the Investor Relations page under Corporate Governance.

Related Person Transaction Policy

To supplement the broader provisions of AV Homes' Code of Business Conduct, the Board of Directors has adopted a policy and procedures for review and approval or ratification by the Audit Committee of transactions in which the Company participates and a related person has a material direct or indirect interest. Pursuant to this policy, a related person means: each director and executive officer of the Company; any director nominee; any greater than five percent stockholder; any immediate family member of any of the foregoing; and any company or another entity that employs or is controlled by any of them, or in which any of them have a material ownership or financial interest.

Generally under the policy, any director, executive officer or nominee who intends to enter into a related person transaction, and any employee of the Company who intends to cause the Company to enter into a related

Table of Contents

person transaction, is required to disclose all material facts regarding the proposed transaction to the Audit Committee. The transaction will be reviewed by the Audit Committee and, in its discretion, approved or ratified. In connection with approving or ratifying a related person transaction, the Audit Committee considers, in light of the relevant facts and circumstances, whether or not the transaction is in the best interests of the Company. Thus, it may consider many factors, such as the relationship of the related person with the Company, the materiality or significance of the transaction to the Company and the related person, the business purpose and reasonableness of the transaction, whether the transaction is comparable to a transaction that could be available to the Company on an arm's-length basis, and the impact of the transaction on the Company's business and operations. The related person transaction policy is available on AV Homes' website at www.avhomesinc.com on the Investor Relations page under Corporate Governance.

Certain Relationships and Related Transactions

TPG Investment In June 2013, AV Homes issued to TPG 2,557,474 shares of AV Homes' Common Stock, at a purchase price of \$14.65 per share, and 665,754.3 shares of a newly authorized series of AV Homes' preferred stock, designated as Series A Contingent Convertible Cumulative Redeemable Preferred Stock, par value \$0.10 per share (the Series A Preferred Stock), at a purchase price and liquidation preference of \$146.50 per share, for an aggregate investment in AV Homes by TPG of \$135 million (the TPG Investment). TPG subsequently converted the Series A Preferred Stock into shares of our Common Stock at a conversion ratio equal to ten shares of Common Stock per one share of Series A Preferred Stock.

Pursuant to the terms of a stockholders agreement AV Homes and TPG entered into in connection with the TPG Investment, AV Homes agreed to increase the size of its Board of Directors from six to ten members, and TPG was granted the right to nominate four directors to the Board. The Board of Directors is currently set at ten members, including four directors who were nominated by TPG: Mr. Coleman, the Chief Operating Officer of TPG Real Estate; Mr. Hackwell, a Principal at TPG Capital, LP (TPG Capital); Mr. Ratner, a Vice President in TPG Capital's Real Estate Group; and Mr. Pertchik, the Chief Executive Officer of InTown Suites (collectively, the TPG Nominated Directors).

Going forward, TPG will continue to be entitled to nominate to the Board (i) four directors if TPG and its affiliates own at least 30% of our Common Stock, (ii) three directors if TPG and its affiliates own at least 20%, but less than 30% of our Common Stock, (iii) two directors if TPG and its affiliates own at least 15% but less than 20% of our Common Stock, and (iv) one director if TPG and its affiliates own at least 5% but less than 15% of our Common Stock. TPG has no Board nomination rights if its level of ownership of AV Homes is less than 5%. In addition, in connection with the stockholders agreement, AV Homes agreed to constitute each of its Compensation Committee and Finance Committee as five-member committees and (a) for so long as TPG and its affiliates own at least 15% of our Common Stock, TPG has the right to have two Board members appointed to each such committee, and (b) for so long as TPG and its affiliates own at least 5% but less than 15% of our Common Stock, TPG has the right to have one Board member appointed to each such committee. Further, AV Homes agreed that for so long as TPG and its affiliates own at least 5% of our Common Stock, each other committee of the Board will be constituted as three-member committees and TPG has the right to have one Board member appointed to each such committee. TPG has no such committee appointment rights if its level of ownership of AV Homes is less than 5%. Messrs. Coleman and Hackwell currently serve as TPG Nominated Directors on the Compensation Committee, while Messrs. Coleman and Ratner serve as TPG Nominated Directors on the Finance Committee.

Pursuant to the terms of the stockholders agreement, for so long as TPG and its affiliates continue to own at least the greater of (i) 25% of the number of shares owned by them at the closing of the TPG Investment (assuming full conversion of the Series A Preferred Stock) and (ii) 10% of our Common Stock, AV Homes is not permitted to take

any of the following actions without the prior written consent of TPG:

Any amendment to the governing documents of AV Homes or its subsidiaries adverse to TPG;

Table of Contents

Any voluntary liquidation, dissolution or winding up of AV Homes;

Any voluntary bankruptcy or insolvency action, or any consent to any involuntary bankruptcy or similar proceeding;

Any increase or decrease in the size of the Board or any committee;

Any change in the rights and responsibilities of either the Finance Committee or the Compensation Committee; and

Any issuance of equity securities that is senior to the Common Stock.

In addition, for so long as TPG's ownership of AV Homes is equal to or greater than 5% of our Common Stock, the Finance Committee of the Board is required to approve (i) any sale, issuance or authorization of new securities by AV Homes or any subsidiary, except for certain permitted issuances, (ii) any redemption, purchase, repurchase or other acquisition of securities by AV Homes or any subsidiary, other than in connection with equity compensation arrangements, (iii) any incurrence of indebtedness or certain debt-like obligations, with limited exceptions, (iv) any hiring or firing of members of senior management, (v) any land or builder acquisitions or dispositions, any acquisitions or dispositions of subsidiaries or any other acquisitions or dispositions, in each case, that are greater than \$5 million (including total expected capital requirements), (vi) any capital expenditures or land commitments over the annual budget approved by the Board of Directors, or otherwise greater than \$10 million, and (vii) any entry into new markets or lines of business.

Further, as long as TPG's ownership of AV Homes is equal to or greater than 5% of our Common Stock, the Compensation Committee of the Board is required to approve (i) any adoption of any new, or expansion of any existing, equity incentive plan and (ii) any changes to, or the adoption of, any compensation arrangements for any members of the Board of Directors or members of senior management. During such period, the Board may not approve such matters without the requisite committee approval, which in most cases will require the approval of at least one of the committee members appointed by TPG.

Pursuant to the terms of the stockholders agreement, except in certain cases, TPG has a pre-emptive right to participate in future equity issuances by AV Homes, on a pro-rata basis, for so long as TPG (together with its affiliates) owns at least 10% of our Common Stock. The stockholders agreement also provides for customary registration rights with respect to Common Stock held by TPG, its affiliates and their permitted transferees. Pursuant to such registration rights, TPG has, subject to certain limitations, the right to require AV Homes to register TPG securities on three separate occasions and has piggyback registration rights in connection with offerings by AV Homes or other stockholders.

AV Homes and TPG VI Management, LLC (TPG Management), an affiliate of TPG, are parties to a management services agreement that sets forth certain financial advisory services to be provided by, and fees to be paid to, TPG Management in connection with ongoing services to AV Homes. Pursuant to the management services agreement and in exchange for certain ongoing advisory and consulting services, AV Homes agreed to pay to TPG Management a monitoring fee equal to \$465,000 per year for so long as TPG and its affiliates own at least 30% of the Common Stock outstanding and also to reimburse expenses incurred by TPG Management and its affiliates to provide services or enforce its rights under the management services agreement, not to exceed \$50,000 per year. In each case, the

monitoring fee will be reduced proportionately based on TPG's board representation rights under the stockholders agreement, as described above. The monitoring fee is payable quarterly in advance. The monitoring fee is also reduced by director fees (including equity awards) payable to the TPG Nominated Directors who are not employed by TPG. For 2017, AV Homes paid TPG Management an annual monitoring fee of \$325,000 and \$36,967 for reimbursement of expenses under the management services agreement.

TPG Investment in 6.00% Senior Convertible Notes On June 23, 2015, AV Homes completed a private offering of \$80.0 million aggregate principal amount of 6.00% Senior Convertible Notes due 2020 (the "6.00%

Notes). The 6.00% Notes were issued pursuant a series of separate, privately negotiated note purchase agreements entered into on June 17, 2015 by us and certain qualified institutional buyers. TPG purchased \$20.0 million aggregate principal amount of 6.00% Notes for \$20.0 million in cash, resulting in a fully diluted beneficial ownership of approximately 43.8% of our Common Stock for TPG at the time of the transaction. Pursuant to the terms of the Company s Related Person Transaction Policy, the Audit Committee of the Company s Board of Directors reviewed and approved the terms of the 6.00% Notes and TPG s purchase of 6.00% Notes. In connection with TPG s investment, TPG waived its rights under the stockholders agreement to purchase additional 6.00% Notes. Additionally, on January 12, 2016, the Audit Committee approved the Company s reimbursement to TPG for certain out-of-pocket expenses totaling \$82,135, incurred by TPG in connection with TPG s evaluation and review of its participation in the 6.00% Notes offering, including a review of the potential impact of TPG s participation on the Company s deferred tax asset.

ELECTION OF DIRECTORS

(Item 1)

At the Annual Meeting, the 10 nominees for director named in this Proxy Statement will stand for election for the ensuing year and until their respective successors are duly elected and qualified.

Stockholders have cumulative voting rights with respect to the election of directors. Under cumulative voting, each stockholder is entitled to the same number of votes per share as the number of directors to be elected (or, for purposes of this election, ten votes per share). A stockholder may cast all such votes for a single nominee or distribute them among the nominees, as such stockholder wishes, either by so marking his or her ballot at the meeting, by specific voting instructions sent to AV Homes with a signed proxy, or via Internet or by telephone in accordance with instructions on the proxy card. In connection with the solicitation of proxies, discretionary authority to cumulate votes is being solicited. Unless authority to vote for the nominees for director is withheld, it is the intention of the persons named in the accompanying proxy to vote the proxies in such manner as will elect as directors the nominees named below.

All of the nominees were last elected at the June 1, 2017 annual meeting of stockholders.

The Board of Directors does not contemplate that any of the persons named below will be unable, or will decline, to serve. However, if any of such persons is unable or declines to serve, the persons named in the accompanying proxy may vote for another person or persons in their discretion.

Although it does not have a formal diversity policy, the Nominating and Corporate Governance Committee considers, among other attributes, diversity of gender, professional experience and skills of the individuals to be recommended to the Board for nomination for election to the Board. EXECUTIVE COMPENSATION**Compensation Discussion and Analysis**

Following this Compensation Discussion and Analysis we present detailed tabular and narrative information concerning the compensation of each of the Named Executive Officers and their employment and other agreements. This detailed information should be read in conjunction with the Compensation Discussion and Analysis.

Overview

In this section of the Proxy Statement, we discuss, among other things, the overall objectives of our executive compensation programs and the material elements of compensation awarded to, earned by, or paid to our Named Executive Officers (or NEOs). We identify the Named Executive Officers in accordance with SEC rules and include each person who in fiscal 2017 served as our principal executive officer and our principal financial officer, as well as our other executive officers serving at December 31, 2017. Our Named Executive Officers are:

Name	Current Positions	Periods of Service
Roger A. Cregg	President and Chief Executive Officer	December 2012 – present
Michael S. Burnett	Executive Vice President and Chief Financial Officer	October 2013 – present
S. Gary Shullaw	Executive Vice President, General Counsel and Corporate Secretary	November 2014 – present

The compensation of our Named Executive Officers should be understood within the context of our business. We are engaged in the business of homebuilding and community development in Florida, the Carolinas, Arizona and Texas. Our business focuses on the development and construction of (i) primary residential communities serving first-time and move-up buyers, including under our local Savvy Homes, Bonterra Builders and Oakdale-Hampton brands, and (ii) active adult communities, which are age-restricted to the age 55 and over active adult demographic. We also

engage, on a limited basis, in other real estate related activities, such as the operation of amenities and the sale for third-party development of commercial and industrial land. Many of our development projects take many years to conceive, permit, develop and sell. Thus, it may take an extended period of time before a project can be viewed as successful or not.

Table of Contents

During 2017, we expanded our market presence and increased the number of homes we sold. In 2017, we closed on 2,491 homes at an average sales price of approximately \$330,000 per closed home, generating approximately \$822 million of homebuilding revenue, as compared to 2016, in which we closed on 2,465 homes at an average sales price of approximately \$310,000 per closed home, generating approximately \$764 million of homebuilding revenue. The number of housing contracts (net of cancellations) signed in 2017 increased 3.1% to 2,443 as compared to 2016, and we had 724 homes in backlog with a sales value of approximately \$237 million as of December 31, 2017 compared to 703 homes in backlog with a sales value of approximately \$236 million as of December 31, 2016.

Say on Pay Advisory Vote

At our 2017 annual meeting of stockholders, approximately 99% of the shares voted were cast in favor of our executive compensation program. While we have not made any significant changes in response to prior period votes, our Compensation Committee separately determined to retain a compensation consultant to advise the Compensation Committee in structuring executive compensation for our executive officers beginning in 2017. We believe that certain of those structural changes responded to prevalent stockholder preferences for executive compensation design. Additionally, at our 2017 annual meeting of stockholders, our stockholders voted, on a non-binding basis, to hold an advisory say on pay vote every year, which was then adopted by our Board. Our Compensation Committee will consider the results from this year's and future advisory stockholder votes regarding our executive compensation programs. See Advisory Resolution on Executive Compensation (Say on Pay) (Item 3) for additional information on this year's vote.

Objectives of Our Compensation Programs and What They Are Designed to Reward

Our compensation programs are intended to attract and retain executives, to motivate and reward them for achieving the Company's long-term goals, and to align their interests with those of our stockholders.

In order to retain the services of our executives, our compensation practices should be competitive with those of other employers with whom we compete for talent.

We pay for performance. This means that our compensation program is designed to recognize an executive's contribution that has led to the attainment of corporate goals.

Our compensation program is designed to motivate executives to achieve results in a manner that builds long-term stockholder value. An equity component of total compensation is included to align the interests of the executives with the interests of our stockholders.

Compensation Process

The compensation of our NEOs is overseen and determined by the Compensation Committee of our Board of Directors. Each member of the Compensation Committee is independent in accordance with applicable rules of Nasdaq, as determined by the Board.

Role of the Independent Compensation Consultant In 2017, the Compensation Committee retained Pearl Meyer to update the Company's executive compensation practices, including providing the Compensation Committee with market data on executive compensation levels and practices at our selected competitors. Pearl Meyer also advised the

Compensation Committee on trends and best practices in the areas of executive compensation and governance and provided independent advice on director compensation. The Compensation Committee evaluated the independence of Pearl Meyer and concluded that no conflict of interest existed that would have prevented them from independently representing the Compensation Committee.

Officers and the Compensation Committee The CEO has generally been involved in negotiating and recommending compensation for the executive officers other than himself; however, the actual compensation agreements and arrangements are ultimately subject to approval by the Compensation Committee. The CEO also

Table of Contents

makes recommendations to the Compensation Committee regarding the level of achievement attained under the performance-based awards for all NEOs, other than himself. The Compensation Committee meets with the CEO annually to discuss his performance, but, ultimately, decisions regarding his compensation are made solely by the Compensation Committee based on its deliberations.

Considerations in Setting Compensation The Compensation Committee believes that compensation decisions for NEOs are complex and involve many factors, including the competitive environment for attracting and retaining executives, the individual performance of officers and company performance, as well as industry compensation levels. With respect to industry compensation levels, the Compensation Committee reviews compensation levels and elements of executives at public homebuilding companies as a factor in establishing compensation. This review includes a review of publicly available data. In 2017, the Compensation Committee reviewed compensation data on the following peer group in connection with setting compensation for the NEOs:

Comstock Holding Companies, Inc.	The New Home Company, Inc.	LGI Homes, Inc.
Century Communities, Inc.	William Lyon Homes	TopBuild Corp.
M/I Homes, Inc.	Beazer Homes USA, Inc.	TRI Pointe Group, Inc.
MDC Holdings, Inc.		

How the Various Kinds of Compensation Are Determined and Allocated to Form a Complete Package

The objectives described above are supported by the four primary elements of our compensation program for NEOs: base salaries, annual performance-based cash bonuses, equity awards and employment agreements.

While there are several elements to the Company's executive compensation program, they are evaluated as a whole by our Compensation Committee in making its compensation determinations. We do not have any specific policies or parameters for allocating between cash and non-cash compensation or with respect to the duration of compensation arrangements other than as set forth in our existing employment agreements described in further detail below. In general, the Compensation Committee has a balanced approach regarding the allocation between cash and non-cash compensation, taking into account our business plan and the responsibilities and seniority of the particular executive. The charts below depict the 2017 percentage of compensation for our CEO and other NEOs that is fixed versus performance based (from the Summary Compensation Table):

* Includes performance-based restricted stock and stock unit awards and annual cash incentive compensation.

** Represents average for NEOs other than the CEO.

Base Salaries

Salaries are a necessary part of any compensation program and paying reasonable salaries is an important aspect of attracting and retaining qualified executives. Base salaries are approved annually by the Compensation Committee and are based on several factors, including responsibilities, performance, expected future contribution and salaries of similarly situated executives in our peer group.

Table of Contents

The Compensation Committee, in conjunction with the compensation consultant and the CEO (except with respect to his own base salary), determined that, as a result of the Company's continued growth and in order to remain competitive with similarly situated peers, it was appropriate to increase certain NEO salaries effective January 1, 2017 as follows:

Name	2016 Annual Base Salary	2017 Annual Base Salary
Roger A. Cregg	\$ 500,000	\$ 600,000
Michael S. Burnett	\$ 300,000	\$ 325,000
S. Gary Shullaw	\$ 260,000	\$ 280,000

Performance-Based Cash and Equity Awards

A significant component of our compensation program for our NEOs is their opportunity to receive performance-based cash and equity awards. We use these awards to motivate executives toward achieving long-term corporate goals that are consistent with our business plans. We also use them both to align the executives' interests to those of our stockholders and to retain our executives. As with base salaries, the Compensation Committee worked with Pearl Meyer to review market data on both the size and structure of these awards. The specific types of awards (for example, cash or equity) and performance objectives (for example, relative total shareholder return, revenue or adjusted net income) and periods (for example, annual or multi-year) are tailored for the recipient based on Company and individual performance objectives. In determining amounts of the awards, consideration may be given to numerous factors, including anticipated future results of operations and the executive's anticipated contributions toward achieving such results. Amounts may also be based upon the relative performance of the Company versus a pre-defined peer group and the executive's continued employment through the vesting period. The Compensation Committee has not established a formal policy as to when grants are made. Awards are usually granted, however, at a meeting of the Compensation Committee held in the first quarter of each year.

2017 Performance-Based Cash Awards

Pursuant to the 2017 management incentive award program (2017 MIP) approved for the NEOs by a sub-committee of the Compensation Committee formed for purposes of complying with Section 162(m) of the Internal Revenue Code (the 162(m) Sub-Committee), and consistent with each of their employment agreements, each NEO was eligible to receive a performance-based cash award targeted at a percentage of his then-current annual base salary (the Target Bonus). Under the 2017 MIP, the Target Bonus percentage for each was as follows: Mr. Cregg 125%; Mr. Burnett 80%; and Mr. Shullaw 50%.

Under the 2017 MIP, the 162(m) Sub-Committee also approved an escalator for the NEOs tied to the adjusted corporate pre-tax income target described below, providing an opportunity for each NEO to earn an additional bonus amount equal to up to 100% of the Target Bonus (the Escalator Bonus).

The performance objectives and achievement levels for the 2017 MIP for each NEO are described below and consist of a combination of individual and corporate performance goals. These goals were designed to be achievable with strong management performance, and the Escalator Bonus was designed to encourage and reward our NEOs for outstanding performance.

Corporate Financial Performance Targets (weighted 75% of Target Bonus)

The financial performance objectives, including threshold and target achievement levels associated with the corporate performance goals, are set forth below.

Performance Goal	Weight (as a percentage of total Target Bonus)	Threshold (1)	Target	Achievement	Achievement %
Homebuilding revenue	15%	\$ 592,830,000	\$ 741,037,000	\$ 821,616,000	100%
Adjusted pre-tax income(2)	60%	\$ 21,914,000	\$ 27,392,000	\$ 33,644,000	100%

Table of Contents

- (1) 50% payout of total performance goal at threshold level with straight-line interpolation used between threshold and target.
- (2) In calculating adjusted pre-tax net income, the Company's reported pre-tax net income is adjusted to account for (i) the impact from restructuring, merger and acquisition related expenses, (ii) impairments, (iii) interest expense and other charges directly related to financing and re-financing transactions, (iv) gains or losses on asset/land sales not in the ordinary course of business, (v) gains or losses on debt repurchase, debt exchange and early debt extinguishment transactions, (vi) share-based compensation expense, (vii) office relocation expenses, (viii) non-cash integration related asset adjustments/write-downs, (ix) GAAP accounting pronouncement changes and (x) litigation judgments not in the ordinary course of business.

Individual Performance Targets (weighted 25% of Target Bonus)

Additionally, each NEO had an opportunity to earn an additional 25% of his Target Bonus based on individual performance goals, which included securing additional capital for the Company, facilitating and managing acquisition activity and other metrics. Based on the Compensation Committee's review of individual performance goal achievement, the Committee determined that Messrs. Cregg, Burnett and Shullaw had achieved 83%, 100% and 100% of their individual performance targets, respectively.

Escalator Bonus

As discussed above, each NEO had an opportunity to earn an additional amount equal to up to 100% of his Target Bonus. The escalator goal and actual achievement levels are described below:

Escalator Goal	Target	Stretch Target for Escalator	Achievement	Additional Bonus Paid (as a % of Target Bonus)
Adjusted pre-tax income	\$ 27,392,000	\$ 35,610,000	\$ 33,644,000	76.1%

Based on actual achievement as outlined above, the cash incentive bonuses approved for our NEOs for 2017 were as follows: Mr. Cregg \$1,288,802; Mr. Burnett \$457,835; and Mr. Shullaw \$246,526 (each of which are reflected in the Non-Equity Incentive Plan Compensation column of the Summary Compensation Table, below).

Equity Awards

We grant equity awards from time to time, primarily to serve as compensation for performance and as an incentive for continued employment and future performance. Beginning in 2017, our equity awards to NEOs consisted of a combination of time-based restricted stock units, performance-based restricted stock units and options as described below.

2017 Equity Awards

As part of the overall review of our compensation program for NEOs, the Compensation Committee conducted a thorough review of the Company's executive compensation programs with Pearl Meyer. Pearl Meyer was specifically directed to review the design of the Company's annual incentive and equity award programs, as well as the levels of compensation for the executive officers.

As a result of this review, the Compensation Committee and the 162(m) Sub-Committee approved certain changes in the design of the Company's equity awards for fiscal 2017. The primary changes to the equity award program included shifting from 60% performance shares and 40% restricted stock to 50% performance-based restricted stock units and 25% of each of restricted stock units and non-qualified stock options. In addition, the performance goals for the performance-based restricted stock units include multiple metrics, including adjusted pre-tax income, revenue and relative total shareholder return. The Compensation Committee believes these design changes are more appropriate to incentivize and reward the executive officers based on the Company's current state of development and growth strategy.

Table of Contents

Performance-based restricted stock units were granted to the NEOs on January 31, 2017, reflecting 50% of the total value of the equity award granted to each individual during 2017. These grants were intended to incentivize performance consistent with our current strategy. The performance-based restricted stock units vest, if at all, (and the restrictions on such shares will lapse) on the date the Compensation Committee certifies achievement of the performance goals (expected to be during the first quarter of 2020), provided that the relevant Named Executive Officer remains continuously employed by the Company through the vesting date, and based on achievement of the following performance goals:

Financial performance measures (60% of total award) as measured based on two financial measures for fiscal 2019. The two measures are adjusted pre-tax net income growth (30% of total award) and adjusted revenue growth (30% of total award). To earn any payout with respect to a financial performance measure, the Company must achieve a threshold level of performance of that measure. The actual amount of the payout depends on the level of achievement compared to the threshold, target and maximum levels specified for each measure, with the maximum level corresponding to a payout equal to 150% of the target payout for that measure.

Relative Total Shareholder Return (40% of total award) as measured relative to a 20-company peer group (excluding the Company) selected specifically for the purpose of this performance metric, measured over a three-year performance period beginning on January 1, 2017 and ending on December 31, 2019. The levels of relative total shareholder return performance that will result in various achievement percentages are shown below, with linear interpolation used between achievement levels.

In calculating adjusted pre-tax net income and revenue, the Company's reported pre-tax net income and total revenue is adjusted (where applicable) to account for (i) the impact from restructuring, merger and acquisition related expenses, (ii) impairments, (iii) interest expense and other charges directly related to financing and re-financing transactions, (iv) gains or losses on asset/land sales not in the ordinary course of business, (v) gains or losses on debt repurchase, debt exchange and early debt extinguishment transactions, (vi) share-based compensation expense, (vii) office relocation expenses, (viii) non-cash integration related asset adjustments/write-downs, (ix) GAAP accounting pronouncement changes and (x) litigation judgments not in the ordinary course of business.

Time-based restricted stock units were granted to Messrs. Cregg, Burnett and Shullaw on January 31, 2017, reflecting 25% of the total value of the equity award granted to each individual during 2017. The time-based awards vest in four equal tranches with 25% vesting on December 31 of each of 2017, 2018, 2019 and 2020, subject to the recipients' continued employment through the relevant vesting dates.

Non-qualified stock options were granted to Messrs. Cregg, Burnett and Shullaw on January 31, 2017, reflecting 25% of the total value of the equity award granted to each individual during 2017. The option

awards vest in four equal tranches with 25% vesting on December 31 of each of 2017, 2018, 2019 and 2020, subject to the recipients' continued employment through the relevant vesting dates. The options expire on January 31, 2027 and have an exercise price of \$17.65 per share.

2015 Performance-Based Restricted Stock Awards

Performance-based restricted stock awards were granted to Messrs. Cregg, Burnett and Shullaw on January 16, 2015 and were scheduled to vest on December 31, 2018, if at all, upon the achievement of a total shareholder return performance metric over a three-year measurement period beginning on January 1, 2015 and ending on December 31, 2017. As of December 31, 2017, the Company failed to satisfy the threshold level of the total shareholder return performance metric and therefore the awards for Messrs. Cregg, Burnett and Shullaw were forfeited in their entirety.

Employment Agreements

We have entered into employment agreements with our executive officers to set forth certain compensatory and other terms in order to retain and attract executives to join our Company. The terms of the employment agreements with our executive officers are described below under Employment and Separation Agreements.

In January 2017, as part of the overall review of our compensation program for NEOs conducted with Pearl Meyer, the Compensation Committee approved certain amendments to the equity award targets set forth in the employment agreements for each NEO. Specifically, the Committee authorized an increase in the equity award targets for Messrs. Cregg, Burnett and Shullaw to 225%, 123% and 89%, respectively, of their base salaries in effect at the time of grant.

In December 2017, the Compensation Committee conducted a review of market data provided by Pearl Meyer regarding certain terms of the Company's executive employment agreements. Following the review, the Compensation Committee approved certain changes to the severance terms for the Company's executive officers. As revised, in the event of a termination without cause or resignation for good reason within twenty-four months following a change in control of the Company, the executive officers' severance benefits will increase from eighteen months of annual base salary and annual target bonus for the CEO to thirty-six months of annual base salary and annual target bonus, and from twelve months of annual base salary and annual target bonus to twenty-four months of annual base salary and annual target bonus for the other NEOs. The Compensation Committee also increased the period for reimbursement of costs of medical benefits continuation to correspond with the increased periods of severance benefits. The Compensation Committee also increased the restricted covenant period for the Company's CEO from eighteen months to twenty-four months. Since these changes were in effect at December 31, 2017, the amounts reported below under Potential Payments Upon Termination or Change of Control Termination in Connection with a Change of Control reflect the revised severance amounts.

Executive Compensation Governance Practices

Stock Ownership Guidelines Our Named Executive Officers are required to hold all shares of AV Homes stock they receive as part of our equity incentive programs, net of shares used to satisfy required tax withholdings, until they have achieved a required level of stock ownership as set forth in their employment agreements.

Prohibition on Hedging Transactions Our directors, executive officers and certain other employees are prohibited from engaging in transactions that hedge their exposure from decreases in our stock price.

Prohibited transactions include prepaid variable forwards, equity swaps, collars and exchange funds.

Prohibition on Pledging Company Stock Our directors, executive officers and employees are prohibited from holding our stock in a margin account or otherwise pledging our stock as collateral for a loan.

Table of Contents

Tax and Accounting Considerations

The Company considers the tax consequences of all elements of its compensation program on both the executives and the Company. In particular, we consider the effects of Section 162(m) as well as Sections 280G and 4999 of the Internal Revenue Code.

Section 162(m) of the Internal Revenue Code limits the federal income tax deductions to be taken by the Company for compensation paid to the Company's covered employees. The general rule is that annual compensation paid to any of these executives will be deductible by AV Homes only to the extent that it does not exceed \$1,000,000 per person. Section 162(m) as in effect prior to the adoption of the Tax Cuts and Jobs Act in 2017 defined covered employee to include the CEO and the three other highest paid executive officers employed at the end of the year (other than the CEO). It also provided an exemption for performance-based compensation from the deduction limitation if the Company met specific requirements. For tax years beginning after December 31, 2017, the definition of covered employee also includes any person who served as CEO or CFO at any time during a taxable year, as well as any person who was ever identified as a covered employee in 2017 or any subsequent year. The exemption for performance-based compensation was also repealed. Consequently, compensation paid in 2018 and later years to our NEOs in excess of \$1,000,000 will not be deductible unless it qualifies for transitional relief applicable to certain binding, written performance-based compensation arrangements that were in place as of November 2, 2017. The Compensation Committees considers the tax deductibility of the compensation paid to our executive officers; however, the Committee's primary objective has historically been to maximize its flexibility in the design and operation of our compensation programs to incentivize and retain our NEOs. Accordingly, the Company expects to provide compensation that may not be deductible as circumstances warrant, consistent with our compensation philosophy and objectives.

In the event of a change of control of the Company, Section 280G could potentially limit the federal tax deductions to be taken for certain compensation payments to an executive who could be subject to additional taxes (Section 4999). These provisions of the tax code are sometimes referred to as the golden parachute provisions. In general, if the total amount of payments to an individual that are contingent upon a change of control of AV Homes (within the meaning of Section 280G), including payments under our incentive plans that vest upon a change of control, equals or exceeds three times the executive's base amount (generally, the individual's average annual compensation for the five calendar years preceding the change of control), then, subject to certain exceptions, the portion of such payments in excess of the base amount may be treated as parachute payments under Section 280G. A portion of such payments would not be deductible by AV Homes, and the executive would be subject to a 20% excise tax on such portion of the payments. The employment agreements for our Named Executive Officers contain a so-called better of provision, meaning that if any of the payments or benefits provided to the Named Executive Officer would not be deductible to the Company pursuant to Section 280G, then the payments will be reduced by the amount required to avoid the excise tax imposed under Section 4999, provided that the after-tax amount of such payments and benefits as so reduced is greater than or equal to the after-tax amount of such payments and benefits without such reduction.

The Company accounts for stock-based compensation in accordance with the requirements of ASC Topic 718 (ASC 718), which, for example, requires all stock-based awards to be expensed. The adoption of ASC 718 has not affected our compensation program for NEOs.

The Compensation Committee of the Board of Directors of AV Homes has reviewed and discussed the foregoing Compensation Discussion and Analysis with AV Homes management. Based on such review and discussion, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement and incorporated by reference into the AV Homes Annual Report on Form 10-K for the fiscal year ended December 31, 2017.

Represents the aggregate grant date fair value of restricted stock, restricted stock unit and option awards, calculated in accordance with ASC 718. The valuation assumptions used in calculating these values are discussed in Note 10 of AV Homes' financial statements in the Annual Report on Form 10-K for the year ended December 31, 2017, as filed with the SEC. The grant date fair value of the performance-based restricted stock units, as reported in the Grants of Plan-Based Awards in 2017 table and included in the Stock Awards column above, assumed that achievement of the financial measures at target was the probable outcome. If the grant date fair value of those units was calculated assuming achievement at maximum, the grant date fair value of those awards would have been \$1,102,808 for Mr. Cregg, \$326,760 for Mr. Burnett and \$204,233 for Mr. Shullaw. These amounts do not represent actual amounts paid or to be realized. Amounts shown are not necessarily indicative of values to be achieved, which may be more or less than the amounts shown as awards are subject to time vesting and/or achievement of performance conditions.

- (1) The actual amount of non-equity incentive compensation depends upon the level of performance targets that are achieved. Performance targets are based on the performance goals established by the Compensation Committee. If 100% of the performance targets are achieved, the Named Executive Officer would receive the target incentive compensation amount. If achievement of the performance goals for the year is less than 100% of the performance targets, the percentage of achievement would be multiplied by the target incentive compensation amount to determine the payout for that particular performance metric. If achievement of the financial performance targets falls below 80% of the target amounts for such performance targets, no bonus would be paid for that financial performance metric. The 2017 incentive awards for each Named Executive Officer included an Escalator Bonus

of up to 100% of the Target Bonus amount, tied to a stretch adjusted pre-tax income target as further described in the Compensation Discussion and Analysis under 2017 Performance-Based Cash Awards. The amount of the annual cash incentive awards that were actually earned are reported under the Non-Equity Incentive Plan Compensation column of the Summary Compensation Table above.

- (2) These columns represents performance-based restricted stock unit awards granted in 2017. Performance-based restricted stock units will be eligible to vest at the end of the three-year performance period, subject to the NEOs continued employment through the date that the Compensation Committee determines and certifies the applicable level of performance achieved. The amounts in the Threshold column represent the minimum number of shares that would vest, if any, assuming that certain threshold performance levels are achieved. The amounts in the Target column represent the total number of units granted and assumes that all performance goals are achieved at target levels and, therefore, all units would vest. The Maximum column represents the achievement of the maximum performance levels included in the award. For further details on the performance criteria and vesting terms, see Compensation Discussion and Analysis under Equity Awards.
- (3) This column represents time-based restricted stock unit awards granted in 2017. For further details on the vesting terms, see Compensation Discussion and Analysis under Equity Awards.

The restricted stock unit awards entitle the holder to receive dividend units to the extent a cash dividend is declared and paid, but such units would be retained and would vest only and to the extent that the underlying units vest.

We describe the 2017 restricted stock unit awards in more detail above in Compensation Discussion and Analysis under Equity Awards.

Pension Benefits for 2017

AV Homes does not sponsor any defined benefit pension plan for its employees, including the Named Executive Officers.

Table of Contents**Nonqualified Deferred Compensation for 2017**

AV Homes does not maintain a nonqualified deferred compensation plan for its employees, including the Named Executive Officers. However, AV Homes permits the Named Executive Officers to defer the receipt of certain payments under the 2015 Incentive Compensation Plan, as amended and restated. There were no deferrals of compensation by any of the Named Executive Officers during 2017 or in any prior year.

Employment and Separation Agreements

We employ each of our Named Executive Officers pursuant to written employment agreements entered into on the dates set forth below and subject to the terms described below (the "Employment Agreements"):

Executive Officer	Date of Agreement	2017 Base Salary (\$)	2017 Annual Target Bonus (% of Base Salary)	2017 Annual Stock Bonus (% of Base Salary)
Roger A. Cregg	2/5/14	600,000	125%	225%
Michael S. Burnett	7/22/14	325,000	80%	123%
S. Gary Shullaw	2/5/15	280,000	50%	89%

The Employment Agreements have an initial term of thirty-six (36) months from the effective date, subject to an additional 36-month renewal term unless either party provides at least 180 days' written notice to the other of its intention to terminate upon the expiration of the original term. In general, the Company may terminate each executive's employment with or without Cause (as defined in the Employment Agreements), and each executive may terminate his employment for any reason or for Good Reason (as defined in the Employment Agreements), and shall use his best efforts to provide at least 30 days' written notice of any such termination to the Company. The Company agreed to reimburse each executive for his legal expenses in connection with negotiation of the Employment Agreements, up to \$10,000.

Pursuant to the Employment Agreements, each executive will receive an annual base salary, which is subject to annual review by the Compensation Committee and may be increased or decreased pursuant to such review. Each executive is entitled to participate in all employee benefit plans and programs for executive officers.

Each executive is eligible to receive a bonus, which is expressed as a percentage of annual base salary in effect on the last day of such calendar year and determined by the Compensation Committee. The actual amount of any bonus will depend upon the level of performance targets that are achieved as determined in good faith by the Compensation Committee. With respect to the determination of the bonus: (i) if 100% of the target goals are achieved in a given year, the bonus shall be equal to the Annual Target Bonus set forth in the table above; and (ii) if the Company's achievement of the performance goals for the applicable year is greater than or less than 100% of target goals, the bonus shall be calculated in accordance with the annual incentive plan then in effect for executive officers (provided, however, that the Compensation Committee may determine a maximum and minimum level of performance goals, above and below which no additional or lesser amount of the bonus will be paid).

Equity awards made prior to June 3, 2015 are governed by the Amended and Restated AV Homes, Inc. 1997 Incentive and Capital Accumulation Plan (2011 Restatement). Equity awards made after that date are governed by the AV Homes, Inc. 2015 Incentive Compensation Plan, as amended and restated.

Pursuant to the Employment Agreements, each executive is required to hold a number of vested shares of Common Stock having a fair market value equal to or greater than three times the executive's annual base salary

Table of Contents

(or \$2.5 million in the case of Mr. Cregg); provided, however, that such requirements shall not be in effect until the first time the executive holds Common Stock having such a fair market value. Prior to exceeding such threshold, the executive may not sell or otherwise dispose of any shares of Common Stock issued and vested pursuant to his Employment Agreement other than to cover any tax liability resulting from vesting of his equity awards.

In the event the Company terminates an executive's employment for any reason other than Cause or if an executive resigns for Good Reason, then the executive is entitled to receive the following additional payments and benefits if the executive signs a general release of claims in favor of the Company and cooperates in transitioning his job responsibilities: (i) a pro-rata bonus for the year of termination based on actual achievement of results during such partial year, (ii) continuation of his then-current annual base salary for 12 months (18 months for Mr. Cregg), payable in installments on the Company's regular payroll dates, and (iii) reimbursement of his costs of medical insurance continuation pursuant to COBRA for 12 months (18 months for Mr. Cregg) following his termination.

In the event an executive's employment terminates within 24 months following a Change of Control (as defined in the Employment Agreements) for any reason other than Cause or if an executive resigns for Good Reason, then the executive is entitled to receive the following payments and benefits if he signs a general release of claims in favor of the Company and cooperates in transitioning his job responsibilities: (i) 24 months (36 months for Mr. Cregg) of his Annual Target Bonus, (ii) continuation of his then-current annual base salary for 24 months (36 months for Mr. Cregg), payable in installments on the Company's regular payroll dates, (iii) full vesting of any unvested stock shares and units previously awarded to him, and (iv) reimbursement of his costs of medical insurance continuation pursuant to COBRA or comparable coverage for 24 months (36 months for Mr. Cregg) following termination.

The Employment Agreements include a Section 280G "better of" provision, meaning if any of the payments or benefits provided to an executive under his Employment Agreement or otherwise would not be deductible by the Company as a result of Section 280G of the Internal Revenue Code, then the payments or benefits will be reduced by the amount required, as described in the Employment Agreement, to avoid the excise tax imposed under Section 4999 of the Code, provided that the after-tax amount of such payments and benefits as so reduced is greater than or equal to the after-tax amount of such payments and benefits without such reduction.

The Employment Agreements also include standard provisions relating to confidentiality, non-disparagement and ownership of the Company's intellectual property, as well as covenants of non-competition and non-solicitation of employees and customers during the executives' employment and for a period of 12 months (24 months for Mr. Cregg) after their employment.

Potential Payments Upon Termination or Change of Control

As described above, the Employment Agreements entitle our Named Executive Officers to certain payments and benefits upon the termination of their employment under certain conditions, including a termination of employment in connection with a change of control of AV Homes.

The section below quantifies certain compensation and benefits that would be payable to these individuals under the various arrangements if their employment had terminated on December 31, 2017, and/or a change of control of AV Homes had occurred on that date coupled with termination, given the individual's compensation on that date and, if applicable, based on the closing market price of the Company's Common Stock on the last trading day of 2017 (\$16.65). For a general description of the agreements, see "Employment and Separation Agreements" above.

Table of Contents**Termination Without Cause/With Good Reason**

The following table shows amounts that would be payable in case of the executive's termination by the Company without Cause, including death or termination due to disability, or his or her resignation for Good Reason, in each case as if such event had occurred on December 31, 2017.

Name	Severance (\$)	Accelerated Vesting		Medical/Benefits Continuation (\$ (2))	Total (\$)
		Incentive Compensation (\$ (1))	of Equity (\$)		
Roger A. Cregg	900,000			29,018	929,018
Michael S. Burnett	325,000			25,876	350,876
S. Gary Shullaw	280,000			25,747	305,747

- (1) The Named Executive Officers are entitled to a pro-rated bonus for the year of termination based on actual results. However, because the table reflects amounts that would be accelerated or become payable in connection with a termination on December 31, 2017, which is the last day of the performance period of the bonus program, the Named Executive Officers would earn such amount anyway and, therefore, no amount would be accelerated or become payable as a result of such termination on that date.
- (2) These amounts reflect the estimated COBRA premiums for the executives and their respective eligible dependents enrolled (if any) in any then-existing group health plans for one year (or in the case of Mr. Cregg, 18 months) as required by their respective employment agreements.

Termination in Connection with a Change of Control

The following table shows amounts that would be payable under existing change of control arrangements as if the change of control and related termination had occurred on December 31, 2017.

Name	Severance (\$)	Incentive Compensation (\$)	Accelerated Vesting of		Total (\$)
			Equity (\$ (1))	Medical/Benefits Continuation (\$ (2))	
Roger A. Cregg	1,800,000	2,250,000	2,312,418	58,036	6,420,455
Michael S. Burnett	650,000	520,000	697,186	51,752	1,950,306
S. Gary Shullaw	560,000	280,000	445,021	51,495	1,356,113

- (1) Values in this column reflect time-based restricted stock and stock unit awards and performance-based restricted stock and stock unit awards held by each Named Executive Officer as of December 31, 2017 that had not vested as of such date and have been calculated using the closing price of our Common Stock on such date, which was \$16.65.
- (2) These amounts reflect the estimated COBRA premiums for the executives and their respective eligible dependents enrolled (if any) in any then-existing group health plans for two years (or in the case of Mr. Cregg, three years) as required by their respective employment agreements.

Termination for Cause

If the Named Executive Officers were terminated by the Company for Cause on December 31, 2017, AV Homes would not have been required to make cash payments to the Named Executive Officers, and all options and all unvested shares held by the Named Executive Officers would have been forfeited and terminated in full.

Voluntary Resignation

The Named Executive Officers are not entitled to any particular benefits in the event of a voluntary resignation by the Named Executive Officer.

CEO Pay Ratio

For 2017, the annual total compensation of our CEO, as reported in the Summary Compensation Table, was \$3,313,263. The annual total compensation of our median employee was \$77,301. Based on this information, the ratio of our CEO's annual total compensation to the annual total compensation of our median employee was 43:1.

We identified our median employee based on the total taxable compensation paid during 2017 to all 365 members of our workforce (including full-time, part-time and temporary employees), other than our CEO, who were employed on December 31, 2017. We used reasonable methods and reasonable estimates in identifying our median employee, and therefore our pay ratio is a reasonable estimate calculated in a manner consistent with the SEC rules and guidance. For full and part-time employees whose service commenced during 2017, an annualized compensation number was used for such employees as part of our determination of the median employee.

ADVISORY RESOLUTION ON EXECUTIVE COMPENSATION (SAY ON PAY)

(Item 3)

Under the Dodd-Frank Wall Street Reform and Consumer Protection Act (the Dodd-Frank Act), stockholders may cast an advisory and non-binding vote at the Annual Meeting with respect to the compensation of our Named Executive Officers, as disclosed in this Proxy Statement in accordance with SEC rules.

AV Homes proposes adoption of the following resolution:

RESOLVED, that the stockholders of AV Homes, Inc. hereby approve, on an advisory basis, the compensation of the Named Executive Officers of AV Homes, Inc., as disclosed in this proxy statement, pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, the compensation tables, and any related material disclosed in this proxy statement.

As described in the Compensation Discussion and Analysis, the Compensation Committee believes that our compensation policies are designed to achieve our objectives, which are:

To attract and retain our executives through compensation practices that are competitive with those employers with whom we compete for talent.

To pay for performance through recognition of an executive's contribution that led to attainment of corporate goals.

To motivate our executives to achieve results in a manner that builds long-term stockholder value. Compensation of our Named Executive Officers is structured to align the interests of our Named Executive Officers with those of our stockholders and to reward them for increasing stockholder value and achieving our business objectives.

At our 2017 annual meeting, our stockholders voted to conduct Say on Pay votes every year, which frequency was adopted by our Board of Directors. Accordingly, the next Say on Pay vote will be held at our 2019 annual meeting.

Vote Required and Effect of Vote

The resolution approving our executive compensation is advisory and non-binding. However, we will consider the stockholders to have approved the advisory resolution on executive compensation if the number of shares voted FOR the proposal exceed the number of shares voted AGAINST the proposal.

Because your vote on this proposal is advisory, it will not be binding on the Board of Directors, the Compensation Committee, or the Company. However, the Compensation Committee will take into account the outcome of the vote when considering future executive compensation arrangements.

Board Recommendation

The Board of Directors believes that adoption of the foregoing resolution is in the best interest of the Company and its stockholders, and recommends that stockholders vote FOR the approval of such resolution.

In general, notice of a stockholder proposal or a director nomination for an annual meeting must be received by AV Homes not less than 90 days prior to the anniversary date of the preceding annual meeting of stockholders and must contain specified information and conform to certain requirements, as set forth in the By-Laws. In addition, if a stockholder submits a proposal outside of Rule 14a-8 for the 2019 annual meeting, and the proposal fails to comply with the advance notice procedure prescribed by the By-Laws, then AV Homes' proxy may confer
