NEW YORK, June 22, 2018 – The Nuveen Build America Bond Fund (NYSE: NBB) and Nuveen Build America Bond Opportunity Fund (NYSE: NBD) announced certain results of their Annual Meeting of Shareholders.

NBB announced that shareholders at its Annual Meeting have approved the issuance of additional common shares in connection with the proposed merger of NBD into NBB, the elimination of NBB's fundamental policy related to its contingent term provision and the election of Board members.

NBD announced that its Annual Meeting of Shareholders has been adjourned to solicit additional proxies necessary to obtain shareholder approval for the merger.

Consummation of the merger is contingent upon shareholders of NBD approving the merger. These changes will become effective on, or as soon as practicable thereafter, the closing date of the merger if the merger is consummated, or otherwise upon completion of NBD's Annual Meeting of Shareholders, including any further adjournments thereof.
