INVESTOR RIGHTS AGREEMENT

This Investor Rights Agreement (the Agreement) is by and among **WHITE WINSTON SELECT ASSET FUNDS, LLC** (WW), **AMEROP HOLDINGS, INC.**, a Delaware corporation (AHI, and together with WW, the Investors), and **WHITE WINSTON SELECT ASSET FUND SERIES MP-18, LLC**, a Delaware limited liability company (the LLC , and together with the Investors collectively referred to as the Parties or individually referred to as a Party).

Background

1. AHI has made a capital contribution to Series A of shares of capital stock of MusclePharm Corporation, a Nevada corporation (the Portfolio Company). Pursuant to the Limited Liability Company Agreement of the LLC, dated as of the date hereof (the LLC Agreement) and the Separate Series Agreement: Series A, dated as of the date hereof (the Series A Agreement), the Investors are entitled to receive distributions expected to be derived from appreciation in value of the assets of Series A. (The Investors' interests in Series A issued under the LLC Agreement and the Series A Agreement are hereinafter referred to as the Series A Interests).
2. The Parties have determined to afford the LLC (for allocation to a Series, as set forth herein) an opportunity to purchase additional equity securities or financial interests of the Portfolio Company prior to additional purchases of such equity securities or financial interests by AHI or its Affiliates (as defined below) or by WW or its Affiliates on the terms set forth below.
3. In addition, to facilitate an equitable sharing of administrative and other costs by the Investors with respect to their Series A Interests and other investments made by a Series or WW or its Affiliates in the Portfolio Company's equity securities and financial interests, the Parties have agreed to provide for the apportionment of such costs as set forth below.
4. The Parties have further agreed upon other restrictions as to the manner in which WW and its Affiliates deal with equity securities of the Portfolio Company, as set forth below.
5. Capitalized terms used herein and not otherwise defined herein have the meanings ascribed to such terms in the LLC Agreement.

N O W, T H E R E F O R E ,

In consideration of the foregoing and the mutual covenants and agreements herein set forth, the parties hereby agree as follows:

ARTICLE 1

AHI Acquisition and Investment Restrictions

Section 1.1. **Restrictions on AHI Acquisition of Interests in the Portfolio Company**. Except as otherwise provided in Section 1.2, neither AHI nor its Affiliates, as defined below, may acquire or otherwise invest in any Corporation Financial Interest, as defined below, whether voluntarily or involuntarily transferred, by operation of law or otherwise. For purposes of this Agreement, the term Affiliate shall have the same meaning as is set forth in 17 CFR Section 230.405 promulgated under the Securities Act of 1933, as amended (the Securities Act). For purposes of this Agreement, a Corporation Financial Interest means: (a) any note, share of capital stock, equity or debt security or other interest or instrument issued by the Portfolio Company that would constitute a security under the

Securities Act or any applicable state securities law (collectively a Security); (b) any option, warrant, or conversion privilege, or other right to acquire a Security; (c) any stock appreciation right, phantom interest, derivative or any other interest or investment issued by the Portfolio Company and valued by reference to a Security or the value of the Portfolio Company; (d) any indebtedness or instrument of indebtedness of the Portfolio Company; and (e) any other interest in or right to participate in a transaction that involves a financing or financial accommodation extended to the Portfolio Company (a Financing).

Section 1.2. **AHI Acquisitions or Investments.**

- (a) From and after the date of this Agreement, prior to any direct or indirect acquisition of any Corporation Financial Interest by AHI or any of its Affiliates, AHI shall give notice to the Manager of the following information with respect to the proposed acquisition (the Proposed Acquisition Notice): (i) a description of all material terms of the proposed acquisition and the number of shares or other amount of interest proposed to be purchased (the Covered Shares); (ii) the terms and conditions of the Covered Shares (e.g., class of stock, other material terms thereof); (iii) the estimated purchase price of the Covered Shares; (iv) the identity of the seller or sellers of the Covered Shares; (v) in respect of any indebtedness or instrument of indebtedness of the Portfolio Company or any Financing, the material terms and conditions thereof and the material terms and conditions of the interest to be acquired therein; and (vi) any other terms and conditions that a reasonable purchaser would deem material in connection with a proposed acquisition of or investment in a Corporation Financial Interest.
- (b) The Manager will have ten (10) business days after the date of the Proposed Acquisition Notice from AHI within which it may provide written notice (the Acceptance Notice) that it elects to have a newly established Series acquire all or any portion of the Corporation Financial Interest (the Corporation Financial Interest to be purchased pursuant to the Acceptance Notice is hereinafter referred to as the Purchase Interest). The Manager may, by written notice to AHI within such period of ten (10) business days, decline, on behalf of such new Series, to participate in such proposed acquisition by AHI or its Affiliates; provided, however, that, if the Manager fails to deliver an Acceptance Notice to AHI within such period of ten (10) business days, the Manager will be deemed to have declined, on behalf of the Company and each Series, to participate in the proposed acquisition by AHI or its Affiliates. AHI and its Affiliates shall have six (6) months from the end of such period of ten (10) business days to consummate the acquisition referenced in the Proposed Acquisition Notice. Any Corporation Financial Interest referenced in the Proposed Acquisition Notice that is not acquired within such period of six (6) months shall continue to be subject to the restrictions in this Agreement. The provisions of this Section 1 shall apply to multiple potential purchases of Corporation Financial Interests by AHI and its Affiliates in multiple transactions.
