ITEM 3. Source and Amount of Funds or Other Consideration.

The information set forth in Items 4 and 6 of this Schedule 13D is incorporated by reference.

As described in Item 6, on December 7, 2018, Altria Summit and, solely for the purposes set forth therein, Altria entered into the Subscription Agreement to acquire the Purchased Securities (as defined in Item 6) for an aggregate purchase price of approximately CAD\$2.4 billion, allocated between the Warrant (as defined in Item 6) and 149,831,154 Common Shares.

The aggregate purchase price for the Purchased Securities was funded by the general working capital of Altria, including a portion of Altria's proceeds from the U.S. Notes Offering (as defined in this Item 3).

On February 14, 2019, Altria issued seven series of senior unsecured notes of varying maturities, denominated in U.S. dollars, in an aggregate principal amount of \$11.5 billion (the Notes) in an underwritten offering registered under the Securities Act of 1933, as amended (the U.S. Notes Offering). The Notes were issued pursuant to an Indenture (the Indenture), dated as of November 4, 2008, among Altria, PM USA, and Deutsche Bank Trust Company Americas, as trustee (the Trustee). Each series of Notes is guaranteed by PM USA. PM USA's guarantees were issued pursuant to the Indenture and are evidenced by guarantee agreements made by PM USA in favor of the Trustee for the Notes (the Guarantee Agreements).

The foregoing description of the Notes, the Indenture and the Guarantee Agreements does not purport to be complete and is qualified in its entirety by reference to each of the Guarantee Agreements, the Notes and the Indenture, copies of which are attached as Exhibits 99.4, 99.5, 99.6, 99.7, 99.8, 99.9, 99.10, 99.11, 99.12, 99.13, 99.14, 99.15, 99.16, 99.17 and 99.18, respectively, and are incorporated by reference.

ITEM 4. Purpose of Transaction.

The information set forth in Items 3 and 6 of this Schedule 13D is incorporated by reference.

The Reporting Persons will continuously evaluate the Issuer's business and prospects and all other factors deemed relevant in determining whether the Reporting Persons or their affiliates will acquire additional Common Shares or whether the Reporting Persons will dispose of Common Shares or the Warrant, in each case in the open market, in privately negotiated transactions (which may be with the Issuer or with third parties) or otherwise. The Reporting Persons expect to evaluate on an ongoing basis the Issuer's financial condition and prospects and their interest in, and intentions with respect to, the Issuer and their investment in the securities of the Issuer, and may propose various strategic transactions or changes to the Issuer's strategic plan in response to general economic and industry conditions, the securities markets in general and those for the Issuer's securities in particular, as well as other developments and other investment opportunities, any of which, if effected, could result in the occurrence of any of the matters identified in Items 4(a) - (j) of Schedule 13D. As part of their ongoing evaluation of this investment, the Reporting Persons may at any time consider such matters and, subject to applicable federal and state laws, formulate a plan with respect to such matters. From time to time, the Reporting Persons may hold discussions with management, other members of the board of directors of Cronos (the Cronos Board), other shareholders of the Issuer or other third parties regarding such matters.

In the IRA (as defined in Item 6), Altria and Cronos acknowledged that, particularly in light of the possibility of future investments by Cronos in jurisdictions outside of Canada, it may be desirable to create a new holding company structure for Cronos in a jurisdiction other than Canada. In connection with the foregoing, Altria and Cronos have begun to explore, and may explore in the future, from time to time, the possibility of implementing such a holding company structure (the implementation of any such holding company structure, the Reorganization). As of the date of this Schedule 13D, the Cronos Board has not evaluated any particular form of the Reorganization and will only pursue the Reorganization if it determines that the Reorganization is in the best interests of Cronos. The consummation of any Reorganization would also be subject to appropriate approval by the shareholders of Cronos and may require notices, consents, authorizations and/or approvals by, to or from certain third parties, including governmental authorities.

Other than as described in this Schedule 13D, the Reporting Persons do not have any present plans or proposals that relate to or would result in: (a) the acquisition by any person of additional securities of the Issuer, or the disposition of securities of the Issuer; (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries; (c) a sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries; (d) any change in the present Cronos Board or management of the Issuer, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the Cronos Board; (e) any material change in the present capitalization or dividend policy of the Issuer; (f) any other material change in the Issuer's business or corporate structure; (g) changes in the Issuer's charter, by-laws or instruments corresponding thereto or other actions that may impede the acquisition of control of the Issuer by any person; (h) causing a class of securities of the Issuer to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association; (i) a class of equity securities of the Issuer becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Act; or (j) any action similar to any of those enumerated above.

ITEM 5. Interest in Securities of the Issuer.

Percentage interest calculations for Altria and Altria Summit are based on a total of 406,948,813 Common Shares, which is calculated based upon the sum of (i) 332,958,120 Common Shares issued and outstanding as of March 8, 2019, and (ii) 73,990,693 Common Shares issuable upon the exercise in full of the Warrant.

Percentage interest calculations for Bermuda Holdco and Canada Acquireco are based on a total of 332,958,120 Common Shares issued and outstanding as of March 8, 2019, and does not account for any Common Shares issuable upon the exercise of the Warrant.

The aggregate number of Common Shares that Canada Acquireco owns beneficially pursuant to Rule 13d-3 under the Act is 149,831,154 Common Shares, which constitutes 45% of the Common Shares issued and outstanding as of March 8, 2019.

As the sole shareholder of Canada Acquireco, Bermuda Holdco may be deemed the beneficial owner of the 149,831,154 Common Shares held by Canada Acquireco, which constitutes 45% of the Common Shares issued and outstanding as of March 8, 2019.

The aggregate number of Common Shares that Altria Summit owns beneficially pursuant to Rule 13d-3 under the Act is 223,821,847 Common Shares as of the date hereof, which constitutes 55% of the Common Shares issued and outstanding as of March 8, 2019 and issuable pursuant to the Warrant. This number includes (i) 149,831,154 Common Shares held by Canada Acquireco, of which Altria Summit may be deemed the beneficial owner as the sole shareholder of Bermuda Holdco, and (ii) 73,990,693 Common Shares issuable upon the exercise in full of the Warrant.

The aggregate number of Common Shares that Altria owns beneficially pursuant to Rule 13d-3 under the Act is 223,821,847 Common Shares as of the date hereof, which constitutes 55% of the Common Shares issued and outstanding as of March 8, 2019 and issuable pursuant to the Warrant. This number includes (i) 149,831,154 Common Shares held by Canada Acquireco, of which Altria may be deemed the beneficial owner as the sole member of Altria Summit, and (ii) 73,990,693 Common Shares issuable upon the exercise in full of the Warrant.

In addition, as of the date hereof, certain of the Covered Persons beneficially own the number and percentage of Common Shares set forth on Annex B attached and incorporated by reference.

Additionally, pursuant to the IRA, Altria is entitled to customary pre-emptive and top-up rights to subscribe for additional Common Shares to maintain its ownership interest following issuances by Cronos in connection with certain triggering events, subject to a minimum ownership threshold and receipt of any necessary approvals.

Following the closing of the Transaction, the Reporting Persons received the shared power to vote or to direct the vote and to dispose or to direct the disposition of 149,831,154 Common Shares. After the exercise in full of the Warrant, the shared power to vote or to direct the vote and to dispose or to direct the disposition would remain unchanged for Canada Acquireco and Bermuda Holdco. Altria and Altria Summit, however, would have the shared power to vote or to direct the vote and to dispose or to direct the disposition of 223,821,847 Common Shares, subject to customary anti-dilution adjustments with respect to the shares issuable under the Warrant.

Except as described in this Schedule 13D, to the knowledge of the Reporting Persons, no transactions in the Common Shares were effected by the Reporting Persons or any Covered Person during the 60 days prior to the date of this Schedule 13D.

To the knowledge of the Reporting Persons, no other person is known to have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the securities reported in this Item 5.

ITEM 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.

The information set forth or incorporated in Items 2, 3, 4 and 5 are incorporated by reference.

Subscription Agreement

On December 7, 2018, Altria Summit, Cronos and, solely for the purposes set forth therein, Altria, entered into a Subscription Agreement (the Subscription Agreement). Pursuant to the Subscription Agreement, on March 8, 2019 (i) Cronos sold and Canada Acquireco, as the designee of Altria Summit pursuant to the Subscription Agreement, purchased 149,831,154 Common Shares and (ii) Cronos sold and Altria Summit purchased a warrant to purchase up to an additional 73,990,693 Common Shares of Cronos (the Warrant and, together with 149,831,154 Common Shares, the Purchased Securities) at an exercise price of CAD\$19.00 per Common Share. The Warrant expires on March 8, 2023 and is subject to customary anti-dilution adjustments. As a result of the purchase of the Common Shares (the Transaction), Canada Acquireco owns 45% of the Common Shares issued and outstanding as of March 8, 2019. The aggregate purchase price for the Purchased Securities was approximately CAD\$2.4 billion, allocated between the Warrant and 149,831,154 Common Shares.

Investor Rights Agreement

In connection with the Subscription Agreement, Altria and Cronos entered into an Investor Rights Agreement (the IRA) on March 8, 2019, pursuant to which the Cronos Board was increased from five to seven directors, of which Altria designated four nominees for appointment and election, including one director that is independent from Altria, and has the continuing right to designate four nominees, with at least one of such director nominees qualifying as independent from Altria (the Altria Nominees), for election or appointment to the Cronos Board so long as Altria continues to hold at least 40% of outstanding Common Shares. In the event that Altria no longer meets such minimum ownership requirements but holds more than ten percent of outstanding Common Shares, Altria will be entitled to designate a number of Altria Nominees that represents its proportionate share of the number of directors comprising the Cronos Board (rounded up to the next whole number) based on its percentage ownership of outstanding Cronos Common

Shares. Altria will no longer have director designation rights if and when its ownership falls below 10%. For as long as Altria continues to have director designation rights, Altria may, from time to time, cause one or more of the Altria Nominees to resign from the Cronos Board and designate new nominees for appointment or election to the Cronos Board, in accordance with the terms of the IRA.

The IRA provides Altria with certain rights with respect to its interest in Cronos, including, among others, approval rights for specified categories of transactions and customary registration rights, subject in each case to specified minimum ownership thresholds. Additionally, pursuant to the IRA, Altria is entitled to customary pre-emptive and top-up rights to subscribe for additional Common Shares to maintain its ownership interest following issuances by Cronos in connection with certain triggering events, subject to a minimum ownership threshold and receipt of any necessary approvals.

The IRA further requires Altria and its affiliates, subject to specified conditions, to adhere to certain non-competition restrictions including, among others, that: (x) Altria will not develop, manufacture, market, sell or distribute cannabis products (or invest in businesses that develop, manufacture, market, sell or distribute cannabis products) other than through Cronos; and (y) Cronos be presented exclusively all Cannabis Opportunities (as defined in the IRA) until the earlier of (i) the six-month anniversary of the date that Altria's beneficial ownership of Common Shares is less than ten percent of outstanding Common Shares and (ii) the six-month anniversary of the termination of the IRA. Notwithstanding the foregoing, Altria may pursue any Cannabis Opportunity that becomes a Rejected Opportunity (as defined in the IRA). The IRA also provides that, until the earlier of the date that the Warrant has been exercised in full or the expiration of the Warrant, Altria will not acquire additional Common Shares other than as contemplated in the IRA.

The IRA terminates when Altria ceases to beneficially own at least 5% of outstanding Common Shares, calculated in accordance with the IRA. It may also be terminated by a party following the material uncured breach by the other party if a court orders termination of the agreement or following the bankruptcy of the other party.

Other Commercial Agreements

In connection with the Transaction, Cronos and Altria Ventures Inc., an affiliate of Altria (AVI), have entered into a Services Agreement, dated February 18, 2019, pursuant to which AVI will provide certain services to Cronos.

In connection with the Transaction, Cronos and Altria or one of its affiliates intend to enter into an additional services agreement and an intellectual property agreement related to the use by Cronos of specified intellectual property of Altria and its affiliates, among other matters.

Incorporation by Reference; Joint Filing Agreement

The foregoing description of the Subscription Agreement and the IRA does not purport to be complete and is qualified in its entirety by reference to each of the Subscription Agreement and the IRA, copies of which are attached as Exhibit 99.2 and Exhibit 99.3, respectively, and are incorporated by reference.

In connection with the Transaction and this Schedule 13D, Altria and Altria Summit have entered into a Joint Filing Agreement, which is attached as Exhibit 99.1 and incorporated by reference.
