### Item 1.01 Entry into a Material Definitive Agreement

On March 17, 2019, American Midstream Partners, LP, a Delaware limited partnership (the Partnership), and its general partner, American Midstream GP, LLC, a Delaware limited liability company (the Partnership GP), entered into an Agreement and Plan of Merger (the Merger Agreement) with Anchor Midstream Acquisition, LLC, a Delaware limited liability company (Parent), Anchor Midstream Merger Sub, LLC, a Delaware limited liability company (Merger Sub), and High Point Infrastructure Partners, LLC, a Delaware limited liability company (HPIP), pursuant to which Merger Sub will merge with and into the Partnership, with the Partnership surviving as a direct wholly owned subsidiary of the Partnership GP and Parent (the Merger).

Under the terms of the Merger Agreement, at the effective time of the Merger, each issued and outstanding Common Unit (as defined in the Partnership's Fifth Amended and Restated Agreement of Limited Partnership, dated April 25, 2016 (as amended, the Partnership Agreement)) of the Partnership, other than those held by Parent and its affiliates, will be converted into the right to receive \$5.25 per Common Unit in cash without any interest thereon (the Merger Consideration). The Incentive Distribution Rights (as defined in the Partnership Agreement) in the Partnership issued and outstanding immediately prior to the effective time of the Merger shall, as a result of the merger, automatically be canceled and cease to exist, with no consideration delivered in respect thereof. The Common Units held by Parent and its affiliates and the General Partner Interest (as defined in the Partnership Agreement) issued and outstanding immediately prior to the effective time of the Merger shall be unaffected by the Merger and shall remain outstanding. In connection with entry into the Merger Agreement and to provide financing for the Merger Consideration, ArcLight Energy Partners Fund V, L.P. (ArcLight), entered into a \$204 million binding equity commitment letter with Parent.

The Conflicts Committee (the Conflicts Committee) of the Board of Directors of the Partnership GP (the GP Board) has (i) determined that the Merger Agreement and the consummation of the transactions contemplated thereby, including the Merger, are in the best interests of the Partnership and the Partnership's unaffiliated unitholders, (ii) approved the Merger Agreement and the transactions contemplated thereby, including the Merger, and (iii) recommended that the GP Board approve the Merger Agreement, the consummation of the transactions contemplated thereby, including the Merger. The GP Board (acting in part based upon the recommendation of the Conflicts Committee) has (i) determined that each of the Merger, the Merger Agreement and the transactions contemplated thereby is in the best interests of the Partnership and the Partnership's unaffiliated unitholders, (ii) approved the Merger Agreement, the execution, delivery and performance of the Merger Agreement and the consummation of the transactions contemplated thereby, including the Merger, and (iii) directed the Merger Agreement, and the transactions contemplated thereby, including the Merger, be submitted to a vote of Limited Partners (as defined in the Partnership Agreement) pursuant to the Partnership Agreement, and authorized the approval of the Merger Agreement, and the transactions contemplated thereby, including the Merger, by the Limited Partners be taken without a meeting, without a vote and without prior notice, pursuant to and on the conditions set forth in the Partnership Agreement.

Immediately prior to the execution of the Merger Agreement, Parent, on behalf of ArcLight and its affiliates, delivered to the Partnership a written consent adopting the Merger Agreement and approving the transactions contemplated thereby, including the Merger, by a Unit Majority (as defined in the Partnership Agreement) of the Limited Partners constituting a Partnership Unitholder Approval (as defined in the Partnership Agreement).

The Merger Agreement contains customary representations and warranties from the parties, and each party has agreed to customary covenants, including, among others, covenants relating to (1) the conduct of business during the interim period between the execution of the Merger Agreement and the effective time of the Merger and (2) the obligation to use commercially reasonable efforts to cause the Merger to be consummated.

Completion of the Merger is subject to certain customary conditions, including, among others: (1) expiration or termination of applicable waiting periods, if any, under the Hart-Scott-Rodino Antitrust Improvements Act; (2) there

being in effect, or sought by a governmental authority, no law or injunction prohibiting consummation of the transactions contemplated under the Merger Agreement or other legal restraint in effect; (3) subject to specified materiality standards, the accuracy of certain representations and warranties of the other party; (4) compliance by the other party in all material respects with its covenants and obligations under the Merger Agreement; (5) with respect to Parent and Merger Sub's obligations, there not having been a Partnership Material Adverse Effect (as defined in the Merger Agreement); (6) with respect to Parent and Merger Sub's obligations, the consent of the lenders under the Partnership's existing credit facility to the Merger Agreement and the transactions contemplated thereby and certain other modifications to the Partnership's existing credit facility (the Credit Facility Modifications); and (7) with respect to Parent and Merger Sub's obligations, the Partnership's delivery prior to April 30, 2019 of audited financial statements of the Partnership to the lenders under the Partnership's existing credit facility. Additionally, in order to complete the Merger, the Partnership will file with the SEC and furnish to the Partnership's unitholders an information statement and other relevant documents, including a Schedule 13E-3. The SEC may review these documents and any review by the SEC may affect the timing of the completion of the Merger.

The closing of the transactions contemplated by the Merger Agreement are to occur on the third business day after the satisfaction or waiver of the conditions to the Merger provided in the Merger Agreement (other than the conditions that by their nature are to be satisfied at the closing of the Merger); however, without Parent's written consent, the closing may not occur prior to May 17, 2019.

The Merger Agreement provides for certain termination rights for both Parent and the Partnership, including (i) by the mutual written agreement of the Partnership (duly authorized by the Conflicts Committee) and Parent (duly authorized by the manager of Parent); (ii) by either Parent or the Partnership, if (A) the Merger has not been consummated on or before July 31, 2019 (the Outside Date) or (B) the Partnership shall not have received the Credit Facility Modifications on or before April 8, 2019; (iii) by Parent, if (A) the Conflicts Committee makes an adverse change to its recommendation in favor of adopting the Merger Agreement, (B) under certain conditions, there has been a material breach by the Partnership or the Partnership GP of any of their respective representations, warranties, or covenants set forth in the Merger Agreement that is not cured or capable of being cured within the earlier of 30 days of notice of such breach or the Outside Date, or (C) prior to Closing there is a legal restraint in effect or being sought by a governmental authority; and (iv) by the Partnership, if (A) under certain conditions, there has been a material breach by Parent, HPIP, or Merger Sub of any of their respective representations, warranties, or covenants set forth in the Merger Agreement that is not cured or capable of being cured within the earlier of 30 days of notice of such breach or the Outside Date, (B) there is a legal restraint in effect or being sought by a governmental authority or other legal restraint in effect, or (C) under certain conditions, the Partnership and the Partnership GP have confirmed by irrevocable written notice to Parent that each is ready, willing and able to consummate the Merger, certain closing conditions are satisfied and will remain satisfied, and Parent fails to consummate the transactions contemplated by the Merger Agreement within 5 business days of such notice. The Merger Agreement provides that upon termination of the Merger Agreement by the Partnership under certain circumstances, Parent will be obligated to pay the Partnership a termination fee equal to \$12,000,000, which termination fee is guaranteed by ArcLight. The Merger Agreement also provides that upon termination of the Merger Agreement by Parent under certain circumstances, the Partnership will be obligated to reimburse Parent for its expenses in an amount not to exceed \$3,500,000. Additionally, the Merger Agreement provides that the parties to the Merger Agreement shall be entitled to an injunction or injunctions to prevent breaches of the Merger Agreement and to enforce specifically the provisions of the Merger Agreement, including, to cause Parent to fund its equity financing commitment, under certain circumstances.

The Merger Agreement is attached hereto as Exhibit 2.1 and is incorporated into this Item 1.01 by reference. The foregoing summary has been included to provide investors and security holders with information regarding the terms of the Merger Agreement and is qualified in its entirety by the terms and conditions of the Merger Agreement. It is not intended to provide any other factual information about Parent, the Partnership or their respective subsidiaries and affiliates. The Merger Agreement contains representations and warranties by each of the parties to the Merger Agreement, which were made only for purposes of the Merger Agreement and as of specified dates. The representations, warranties and covenants in the Merger Agreement were made solely for the benefit of the parties to the Merger Agreement; may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Merger Agreement instead of establishing these matters as facts; and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Investors should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of Parent, the Partnership or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in Parent's or the Partnership's public disclosures.
