QUESTIONS AND ANSWERS

The following section addresses certain questions about this proxy statement and the proposals described herein, which are to be presented at the annual meeting of stockholders (the “**Annual Meeting**”) of ADMA Biologics, Inc. (“**ADMA**,” “**we**,” “**us**,” “**our**” or the “**Company**”), as further described herein.

The Annual Meeting will be held at 10:00 a.m. Eastern Time on June 22, 2018 at the offices of DLA Piper LLP (US), at 51 John F. Kennedy Parkway, Suite 120, Short Hills, New Jersey 07078.

The following questions and answers may not include all of the information that is important to you as a stockholder of the Company. We urge our stockholders to read this entire proxy statement (including the documents incorporated by reference herein) and carefully consider such information before casting any votes with respect to the proposals presented herein.

What is the purpose of this document?

We are soliciting stockholder votes with respect to the following proposals:

1. A proposal to elect three Class II directors to serve on the Company’s Board of Directors (the “**Board**”) for a term expiring at our 2021 annual meeting of stockholders and until their successors are duly elected and qualified, or until such director’s earlier resignation, removal or death (the “**Class II Director Election Proposal**”); and
2. A proposal to ratify the appointment of CohnReznick LLP as the Company’s independent registered public accounting firm for the year ending December 31, 2018 (the “**Auditor Ratification Proposal**”).

For more information about these proposals, please see the sections entitled “*The Class II Director Election Proposal*” and “*The Auditor Ratification Proposal*”.

Who is entitled to vote at and attend the Annual Meeting?

Only stockholders of record and beneficial owners of the Company's voting common stock, \$0.0001 par value per share (the "**common stock**"), at the close of business on April 27, 2018 (the "**Record Date**") are entitled to receive notice of, vote at and attend the Annual Meeting. Each outstanding share of the Company's common stock as of the Record Date entitles its holder to cast one vote on each matter to be voted upon.

What is the difference between holding shares of common stock as a holder of record and as a beneficial owner?

Certain of our stockholders hold or may in the future hold their shares of common stock beneficially through a broker or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares owned beneficially and those held of record.

Beneficial Owner: If your shares of common stock are held in a brokerage account or by another nominee, you are considered the beneficial owner of shares held in "street name," and these proxy materials are being forwarded to you together with a voting instruction card by your broker, trustee or other nominee, as the case may be. As the beneficial owner, you have the right to direct your broker, trustee or other nominee how to vote. The voting instruction card from your broker, trustee or other nominee contains voting instructions for you to use in directing the broker, trustee or other nominee how to vote your shares.

Because a beneficial owner is not the stockholder of record, you may not vote your shares of common stock in person at the Annual Meeting unless you obtain a "legal proxy" from the broker, trustee or other nominee that holds your shares giving you the right to vote the shares at the Annual Meeting.

Stockholder of Record: If your shares of common stock are registered directly in your name with us or our stock transfer agent, Continental Stock Transfer & Trust Company, you are considered the stockholder of record with respect to those shares and these proxy materials are being sent directly to you by the Company. As the stockholder of record, you have the right to grant your voting proxy directly to us or to vote in person at the Annual Meeting. We have enclosed or sent a proxy card for you to use.

What do I need to do to attend the Annual Meeting?

In order to be admitted to the Annual Meeting, stockholders must present proof of ownership of their shares of common stock as of the Record Date. Any holder of a proxy from a stockholder must present a properly executed proxy to be admitted. Stockholders and proxyholders must also present a form of valid, government-issued photo identification, such as a driver's license or passport. These items must be presented in order to be admitted to the Annual Meeting. Expired forms of identification will not be accepted.

If you do not bring proof of ownership of common stock as of the Record Date, you will not be admitted to the Annual Meeting. If you are a beneficial owner of common stock and your shares are held in the name of a broker, trustee or other nominee, a brokerage statement or letter from a bank or broker detailing ownership of the common stock as of the Record Date is an example of proof of ownership.

What constitutes a quorum?

The presence of a quorum is required for business to be conducted at the Annual Meeting. The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the shares of common stock outstanding as of the Record Date and entitled to vote shall constitute a quorum. As of the Record Date, 36,726,084 shares of voting common stock were outstanding and entitled to vote. If you submit a properly executed proxy card, regardless of whether you abstain from voting, your shares represented by such proxy card will be considered in determining the presence of a quorum.

How do I vote?

You may vote in person at the Annual Meeting or by mail. If you hold your shares of common stock in "street name" through a broker, trustee or other nominee, you must vote in accordance with the voting instructions provided to you by such broker, trustee or other nominee.

Voting by Mail: If you are a holder of record of common stock and choose to vote by mail, simply complete, sign and date your proxy card and mail it in the accompanying pre-addressed envelope. Proxy cards submitted by mail must be received by our Office of the Secretary at the below address prior to the Annual Meeting in order for shares represented by such proxy cards to be voted. If you hold common stock beneficially in street name and choose to vote by mail, you must complete, sign and date the voting instruction card provided by your broker, trustee or other nominee and mail it in the accompanying pre-addressed envelope within the specified time period.

Voting in Person at the Annual Meeting: If you are a record holder of common stock, you may attend and vote in person at the Annual Meeting. If you are a beneficial owner of common stock held in the name of a broker, trustee or other nominee, you must obtain a “legal proxy,” executed in your favor, from such broker, trustee or other nominee to be able to vote in person at the Annual Meeting. You should allow yourself enough time prior to the Annual Meeting to obtain this “legal proxy” from the holder of record.

Even if you plan to attend the Annual Meeting, we recommend that you submit your proxy or voting instructions in advance, as described above, so that your vote will be counted if you later decide not to attend the Annual Meeting. Any vote properly cast at the Annual Meeting will supersede any previously submitted proxy or voting instructions. For additional information, please see “*Can I change my vote or revoke my proxy after I return my proxy card?*” below.

How does the Board of Directors recommend I vote on the proposals?

The recommendations of the Board are set forth after the description of each proposal in this proxy statement. In summary, the Board recommends a vote:

- **“FOR”** the election of each director nominee named in the Class II Director Election Proposal; and
- **“FOR”** the Auditor Ratification Proposal.

How will my shares of common stock be voted if I do not indicate a vote on my proxy card?

Your shares will be voted as you indicate on the proxy card or voting instruction form, as applicable. If you return your signed proxy card but do not mark the boxes indicating how you wish to vote, your shares will be voted as recommended by the Board on those items. See the question above entitled “How does the Board of Directors recommend I vote on the proposals?” Your shares will be voted in accordance with the discretion of the proxyholders as to any other matter that is properly presented at the Annual Meeting.

Will my shares be voted if I do not provide my proxy?

For stockholders of record: If you are the stockholder of record and you do not vote by proxy card or in person at the Annual Meeting, your shares will not be voted at the Annual Meeting.

For holders in street name: If your shares are held in street name, your shares may be voted even if you do not provide the brokerage firm with voting instructions. Subject to applicable Nasdaq Stock Market LLC (“**NASDAQ**”) and U.S. Securities Exchange Commission (“**SEC**”) rules, brokers or other nominees who hold shares for a beneficial owner have the discretion to vote on routine proposals (such as the Auditor Ratification Proposal) when they have not received voting instructions.

When a proposal is not a routine matter, such as the Class II Director Election Proposal, and you have not provided voting instructions to the brokerage firm with respect to that proposal, the brokerage firm cannot vote the shares on that proposal. The missing votes for these non-routine matters are called “broker non-votes.” Broker non-votes will be

counted for purposes of calculating whether a quorum is present at the Annual Meeting, but will not be counted for purposes of determining the number of votes present or represented by proxy and entitled to vote with respect to the proposals presented in this proxy statement. Accordingly, a broker non-vote will not impact the outcome of voting on the proposals presented herein.

Can I change my vote or revoke my proxy after I return my proxy card?

Yes. Even after you have submitted your proxy, you may change your vote at any time before the proxy is exercised at the Annual Meeting. If you are a stockholder of record as of the Record Date, regardless of the way in which you submitted your original proxy, you may change it by:

· Returning a later-dated signed proxy card to us prior to the Annual Meeting at 465 State Route 17 South, Ramsey, New Jersey 07446, Attention: Office of the Secretary;

· Delivering a later-dated written notice of revocation to us prior to the Annual Meeting at 465 State Route 17 South, Ramsey, New Jersey 07446, Attention: Office of the Secretary; or

· Attending the Annual Meeting and properly voting in person.

Alternatively, you may hand deliver a later-dated written notice of revocation or later-dated signed proxy to the Secretary at the Annual Meeting before we begin voting. If your shares of common stock are held through a broker, trustee or other nominee, you will need to contact that nominee if you wish to change your voting instructions. You may also vote in person at the Annual Meeting if you obtain a “legal proxy” as described in the answer to the question above entitled “*How do I vote? – Voting in Person at the Annual Meeting.*” Mere attendance at the Annual Meeting will not cause your previously granted proxy to be revoked.

What vote is required to approve each proposal?

Proposal	Vote Required	What Are My Voting Choices?	Broker Discretionary Voting Allowed?
Class II Director Election Proposal	Plurality of the shares of ADMA’s common stock present in person, by remote communication, or represented by proxy and entitled to vote thereon	“FOR” or “WITHHOLD”	No
Auditor Ratification Proposal	Majority of the shares of ADMA’s common stock present in person, by remote communication, or represented by proxy at the Annual Meeting and entitled to vote thereon	“FOR”, “AGAINST” or “ABSTAIN”	Yes

Election of a Class II director requires the affirmative vote of a plurality of the shares of ADMA’s common stock present in person, by remote communication, or represented by proxy and entitled to vote, assuming the presence of a quorum at the Annual Meeting. This means that the three nominees with the greatest number of votes will be elected.

Adoption of the Auditor Ratification Proposal requires the affirmative vote of the holders of a majority of the shares of ADMA’s common stock present in person, by remote communication, or represented by proxy at the Annual Meeting and entitled to vote thereon, in order for each such proposal to be approved. This means that the number of votes cast “FOR” must exceed the combined number of votes “AGAINST” and abstentions (which will each have the same effect as an “AGAINST” vote).

Notwithstanding the vote standards described herein, please be advised that the Auditor Ratification Proposal is advisory only and will not be binding on the Company or the Board and will not create or imply any change in the fiduciary duties of, nor impose any additional fiduciary duty on, the Company or the Board. However, the Board

and/or the Audit Committee, as the case may be, will take into account the outcome of the votes when considering what action, if any, should be taken in response to the advisory vote by stockholders.

What happens if additional matters are presented at the Annual Meeting?

Other than the items of business described in this proxy statement, we are not aware of any other business to be acted upon at the Annual Meeting. If you grant a proxy, the persons named as proxyholders will have the discretion to vote your shares of common stock on any additional matters properly presented for a vote at the Annual Meeting or any adjournment or postponement of the Annual Meeting.

Who will pay for the cost of this proxy solicitation?

We will pay the cost of soliciting proxies. Our directors, officers and other employees, without additional compensation, may solicit proxies personally or in writing, by telephone, e-mail, or otherwise. We are required to request that any brokers, trustees and other nominees who hold shares in their names furnish our proxy materials to the beneficial owners of the shares, and we must reimburse these brokers, trustees and other nominees for the expenses of doing so in accordance with statutory fee schedules. We do not plan to engage a proxy solicitor in connection with the Annual Meeting.

THE CLASS II DIRECTOR ELECTION PROPOSAL

The Company's Amended and Restated Bylaws (the "**Bylaws**") provide that the authorized number of directors of the Company shall not be less than one nor more than nine. Seven directors are currently serving on the Board. The Board is authorized to increase or decrease the total number of directors within the limitations prescribed by the Company's Bylaws. The Company's Bylaws and Amended and Restated Certificate of Incorporation (the "**Certificate of Incorporation**") divides the Board into three classes with staggered three year terms.

At the Annual Meeting, the stockholders will be asked to elect three directors to serve for three-year terms expiring at the annual meeting of stockholders in 2021. The Class II directors, whose terms of office will expire at the Annual Meeting in 2021, are Steven A. Elms, our Chairman of the Board, Adam S. Grossman and Eric I. Richman. If each director is elected, the total number of directors comprising the Company's Board will remain at seven directors, effective immediately following the Annual Meeting.

The Board has nominated, upon the recommendation of our Governance and Nominations Committee, Steven A. Elms, Adam S. Grossman and Eric I. Richman. Proxies solicited by the Board will, unless otherwise directed, be voted to elect the three nominees named below. Each nominee is currently serving as a director of the Company and has indicated a willingness to continue to serve for the term to which they are nominated, if elected. In case any nominee is not a candidate at the Annual Meeting, the proxies named in the enclosed form of proxy intend to vote in favor of the remaining nominee and to vote for a substitute nominee in their discretion in such class, as they shall determine. Set forth below is certain information about the nominees for election as directors, including each nominee's age and length of service as a director of the Company, principal occupation and business experience for at least the past five years and the names of other publicly held companies on whose boards the director serves or has served in the past five years. Other than with respect to Jerrold B. Grossman, who is the father of Adam S. THE AUDITOR RATIFICATION PROPOSAL

Our Audit Committee has appointed CohnReznick LLP as the Company's independent registered public accounting firm for the year ending December 31, 2018. In connection with this appointment, CohnReznick LLP will examine and report to stockholders on the consolidated financial statements of the Company and its subsidiaries for 2018.

Although stockholder ratification of the appointment of our independent registered public accounting firm is not required by our Bylaws or otherwise, the Board has put this proposal before the stockholders because it believes that seeking stockholders' ratification of the Audit Committee's appointment of our independent registered public accounting firm is good corporate practice. This vote is only advisory, however, because the Audit Committee has the sole authority to retain and dismiss our independent registered public accounting firm. If the appointment of CohnReznick LLP is not ratified, the Audit Committee will evaluate the basis for the stockholders' vote when determining whether to continue the firm's engagement. Even if the appointment is ratified, the Audit Committee in its sole discretion may direct the appointment of a different independent registered public accounting firm at any time if it determines that such a change would be in the best interests of the Company and its stockholders.

Representatives of CohnReznick LLP are expected to be present at the Annual Meeting and are expected to be available to respond to appropriate questions from stockholders. They also will have the opportunity to make a statement if they desire to do so.

Vote Required

The Auditor Ratification Proposal requires the affirmative vote of the holders of a majority of the shares of common stock present in person, by remote communication, or represented by proxy at the Annual Meeting and entitled to vote thereon, in order for each such proposal to be approved. This means that the number of votes cast "FOR" must exceed the combined number of votes "AGAINST" and abstentions (which will each have the same effect as an "AGAINST" vote).

Board Recommendation

After careful consideration, the Board determined that ratification of the Audit Committee's appointment of CohnReznick LLP as our independent registered public accounting firm for 2018 is advisable and in the best interests of ADMA and its stockholders. On the basis of the foregoing, the Board has approved and declared

advisable the ratification of the Audit Committee’s appointment of CohnReznick LLP as our independent registered public accounting firm for 2018 and recommends that you vote “FOR” the ratification of the Audit Committee’s appointment of CohnReznick LLP as our independent registered public accounting firm for 2018.

(2) Audit-related fees consist of fees billed for assurance and related services that are reasonably related to the performance of the audit or review of the Company's consolidated financial statements and are not reported under "Audit Fees."

(3) Tax fees consist of fees billed for services including, but not limited to, assistance with tax compliance and the preparation of tax returns, tax consultation services, assistance in connection with tax audits and tax advice related to mergers, acquisitions and dispositions.

(4) This category includes fees related to (i) due diligence services performed in 2016 and 2017 in connection with the Company's acquisition of certain therapy business related assets of BPC on June 6, 2017 (the "**BPC Transaction**") and (ii) the audit of BPC's therapy business unit in 2016 in connection with the BPC Transaction.

The Audit Committee has considered whether the provision of these services by CohnReznick LLP is compatible with maintaining the independence of CohnReznick LLP. Further, all of the services provided by CohnReznick LLP in 2016 and 2017 were approved in advance in accordance with the Audit Committee's pre-approval policies and procedures described below. The Audit Committee did not rely on the waiver of pre-approval procedures permitted with respect to *de minimis* non-audit services under the applicable rules of the SEC for its approval of any of the services provided by CohnReznick LLP in 2016 and 2017.

Pre-Approval of Audit and Permissible Non-Audit Services

Our Audit Committee requires pre-approval of all audit and non-audit services in one of two methods. Under the first method, the engagement to render the services would be entered into pursuant to pre-approval policies and procedures established by the Audit Committee, provided (i) the policies and procedures are detailed as to the services to be

performed, (ii) the Audit Committee is informed of each service, and (iii) such policies and procedures do not include delegation of the Audit Committee's responsibilities under the Securities Exchange Act of 1934, as amended (the "**Exchange Act**"), to the Company's management. Under the second method, the engagement to render the services would be presented to and pre-approved by the Audit Committee (subject to the *de minimis* exceptions for non-audit services described in Section 10A(i)(1)(B) of the Exchange Act that are approved by the Audit Committee prior to the completion of the audit). The Chairman of the Audit Committee has the authority to grant pre-approvals of audit and permissible non-audit services by the independent registered public accounting firm, provided that all pre-approvals by the Chairman must be presented to the full Audit Committee at its next scheduled meeting. The Audit Committee considers, among other things, whether the provision of such audit or non-audit services is consistent with applicable regulations regarding maintaining auditor independence, whether the provision of such services would impair the independent registered public accounting firm's independence and whether the independent registered public accounting firm are best positioned to provide the most effective and efficient service.

Report of the Audit Committee

The following Report of the Audit Committee shall not be deemed incorporated by reference into any of our filings under the Securities Act of 1933, as amended, or the Exchange Act, except to the extent we specifically incorporate it by reference therein.

The Audit Committee reviews our financial reporting process on behalf of our Board. Management has the primary responsibility for the financial statements, the reporting process and maintaining our system of internal control over financial reporting. Our independent registered public accounting firm was engaged to audit and express opinions on the conformity of our financial statements to generally accepted accounting principles in the United States.

The Audit Committee of the Board has:

Reviewed and discussed the Company's audited financial statements for the year ended December 31, 2017 with management;

Discussed with CohnReznick LLP the matters required to be discussed by the statement on Auditing Standards No. 61, as amended, as adopted by the Public Company Accounting Oversight Board (PCAOB) in Rule 3200T; and

Received written disclosures and a letter from CohnReznick LLP regarding its independence as required by applicable requirements of the PCAOB regarding CohnReznick LLP's communications with the Audit Committee, and the Audit Committee further discussed with CohnReznick LLP their independence. The Audit Committee also considered the status of pending litigation, taxation matters and other areas of oversight relating to the financial reporting and audit process that the committee determined appropriate.

Based on the Audit Committee's review of the audited financial statements and discussions with management and CohnReznick LLP, the Audit Committee recommended to the Board that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2017 for filing with the SEC.

Lawrence P. Guiheen

ADMA CORPORATE GOVERNANCE

Director Independence

Our Board has determined that each of Bryant E. Fong, Dov A. Goldstein, M.D., Lawrence P. Guiheen and Eric I. Richman are independent as that term is defined under the applicable independence listing standards of NASDAQ.

Nominating Rights

Our Board includes members who are designated nominees of certain of our stockholders. Mr. Fong is currently the designated nominee of Biomark Capital, Steven A. Elms is currently the designated nominee of Aisling Capital, and Dr. Jerrold B. Grossman is currently the designated nominee of Hariden, LLC (“Hariden”), an entity controlled by Adam S. Grossman. In February 2012, we completed a private placement (the “2012 Financing”). As lead investors in the 2012 Financing, each of Biomark Capital, Aisling Capital and Hariden are entitled to designate one nominee to our Board for as long as each such entity owns 50% of the shares of common stock that it owned immediately following the closing of the 2012 Financing.

On June 6, 2017, upon closing of the BPC Transaction, the Company and BPC entered into a Stockholders Agreement (the “Stockholders Agreement”) Pursuant to the Stockholders Agreement, BPC has the right to nominate one Board member and designate one Board observer in its reasonable discretion, each of whom will be accepted by the Board absent a good faith objection for a reasonable and compelling reason. BPC will retain such rights until such time as BPC (and its affiliates) no longer holds 10% of our issued and outstanding capital stock, at which time BPC will cause its director designee to resign. For so long as BPC holds such rights, if (a) the Board is expanded to nine directors or more or (b) BPC participates in one or more equity financings in which it contributes to ADMA aggregate gross proceeds of at least \$15,000,000, then BPC may nominate a second director to the Board in its reasonable discretion, who will be accepted by the Board absent a good faith objection for a reasonable and compelling reason. We may either procure the resignation of an existing director or increase the size of the board to accommodate BPC’s designee(s). On June 6, 2017, pursuant to the Stockholders Agreement, Dr. Bernhard Ehmer was appointed as a director and Michael Ramroth was appointed as a Board observer. On February 15, 2018, we received letters from Dr. Ehmer and Mr. Ramroth that they have resigned as a member and observer, respectively, of the Board, effective immediately. These resignation were precipitated by certain commitments made by Biotest AG and BPC with the Committee on Foreign Investment in the United States in connection with a transaction unrelated to us. There was no disagreement between Dr. Ehmer and us on any matter relating to our operations, policies or practices.

Board Leadership Structure and Role in Risk Oversight

Our Board evaluates its leadership structure and role in risk oversight on an ongoing basis.

Our Board is composed of seven directors, of whom four are independent in accordance with the applicable NASDAQ independence listing standards. Presently, the Board has the following standing committees: Audit Committee, Compensation Committee, and Governance and Nominations Committee. Each of the standing committees is comprised solely of independent directors. In accordance with NASDAQ rules, our Audit Committee is responsible for overseeing risk management and updates the full Board periodically.

To assure effective and independent oversight of management, our Board currently operates with the roles of President and Chief Executive Officer and Chairman of the Board separated in recognition of the differences between these two roles in the management of the Company. Although our Board does not have a policy as to whether the same individual may serve as both Chairman and President and Chief Executive Officer, or if the roles must be separate, our Board believes that its current leadership structure provides the most effective leadership model for our Company, as it promotes balance between the Board's independent authority to oversee our business and the President and Chief Executive Officer and his management team which manages the business on a day-to-day basis. The President and Chief Executive Officer has overall responsibility for all aspects of our operation, while the Chairman has a greater focus on governance of the Company, including oversight of the Board. We believe this balance of shared leadership between the two positions is a strength for the Company. As our Chairman, Mr. Elms calls and chairs regular and special meetings of the Board, chairs and presides at annual or special meetings of stockholders, provides meaningful input into the agenda of Board meetings, authorizes the retention of outside advisors, consultants and legal counsel who report directly to the Board and consults frequently with committee chairs. Additionally, by permitting more effective monitoring and objective evaluation of the Chief Executive Officer's performance, this structure increases the accountability of the Chief Executive Officer. A separation of the Chief Executive Officer and Chairman roles also prevents the former from controlling the Board's agenda and information flow, thereby reducing the likelihood that the Chief Executive Officer would abuse his power.

The Board, acting primarily through the Audit Committee, is also responsible for oversight of our risk management practices, while management is responsible for the day-to-day risk management processes. This division of responsibilities is the most effective approach for addressing the risks facing the Company, and the Company's board leadership structure supports this approach. Through our President and Chief Executive Officer, and other members of management, the Board receives periodic reports regarding the risks facing the Company. In addition, the Audit Committee assists the Board in its oversight role by receiving periodic reports regarding our risk and control environment.

The Compensation Committee also reviews the Company's compensation practices to confirm that they do not create risks likely to have a material adverse effect on the Company. This review includes comparing the compensation practices of the Company with peer companies in the life sciences sector as well as insuring that the compensation packages of key executives are tied to the long-term success of the Company and therefore correlated to increases in stockholder value.

Meetings of the Board and its Committees

The Board held a total of 13 meetings during the fiscal year ended December 31, 2017. During the fiscal year ended December 31, 2017, no incumbent director attended fewer than 75% of the aggregate of all meetings of the Board held during the period in which he served as a director and the total number of meetings held by the committee on which he served during the period. Members of our Board are invited and encouraged to attend each annual meeting of stockholders, and each director attended the prior annual meeting of stockholders held on May 25, 2017.

Board Committees

Our Board currently has three standing committees: an Audit Committee, a Compensation Committee and a Governance and Nominations Committee. These committees, their principal functions and their respective memberships are described below.

Audit Committee

The members of our Audit Committee are Eric I. Richman (Chairman), Bryant E. Fong and Lawrence P. Guiheen. The composition and responsibilities of the Audit Committee, as reflected in its charter, are intended to be in accordance with applicable rules of the SEC for corporate audit committees and listing requirements of

NASDAQ. Our Board has determined that each Audit Committee member meets the definition of an independent director as defined by the applicable NASDAQ listing standards and the additional independence criteria for members of audit committees specified in the NASDAQ listing standards and Rule 10A-3 under the Exchange Act. Our Board has determined that Mr. Richman, the chairman of the Audit Committee, qualifies as an “audit committee financial expert,” as such term is defined by SEC rules.

The Audit Committee was established in accordance with section 3(a)(58)(A) of the Exchange Act. The primary functions of the Audit Committee are to: (i) review the financial reports and other financial information prepared by the Company for submission to any governmental or regulatory body or the public and monitor the integrity of such financial reports; (ii) review the Company’s systems of internal controls established for finance, accounting, legal compliance and ethics; (iii) review the Company’s accounting and financial reporting processes generally and the audits of the financial statements of the Company; (iv) monitor compliance with legal regulatory requirements; (v) monitor the independence and performance of the Company’s registered independent public accounting firm; and (vi) provide effective communication between the Board, senior and financial management and the Company’s registered independent public accounting firm. The Audit Committee meets regularly with our independent registered public accounting firm without management present, and from time to time with management in separate private sessions, to discuss any matters that the Audit Committee or these individuals believe should be discussed privately with the Audit Committee, including any significant issues or disagreements that may arise concerning our accounting practices or financial statements. In addition, the Audit Committee assists the Board in its oversight role by receiving periodic reports regarding our risk and control environment.

The Audit Committee is also responsible for addressing matters of accounting policy with our independent registered public accounting firm register public accounting firm register public accounting firm. In discharging its role, the Audit Committee is empowered to investigate any matter within the scope of its responsibilities with full access to all of our books, records, facilities and personnel. The Audit Committee also has the power to retain special legal, accounting and other advisors as it deems necessary to carry out its duties.

The Audit Committee held three meetings during the year ended December 31, 2017. A copy of the Audit Committee's charter is posted on our website at www.admabiologics.com.

Compensation Committee

The members of our Board's Compensation Committee are Dov A. Goldstein, M.D. (Chairman), Mr. Fong and Mr. Richman. Our Board has determined that all members of the Compensation Committee are independent directors as defined by the applicable Nasdaq listing standards.

The Compensation Committee is responsible for ensuring that the Company's compensation program is: (i) effective in attracting and retaining the Company's President and Chief Executive Officer, the Company's other executive officers, the Company's other officers and the Company's non-management directors; (ii) administered fairly and in our stockholders' interests; and (iii) in compliance with the applicable compensation rules, regulations and guidelines promulgated by NASDAQ, the SEC, and other laws, as amended from time to time. The Compensation Committee reviews and recommends to the Board appropriate executive compensation policies, compensation of the directors and officers, and executive and employee benefit plans and programs, and is responsible for overseeing such policies, compensation, plans and programs approved by the Board, and where appropriate, by our stockholders. In connection with its evaluations and determinations in 2017, the Compensation Committee retained the services of Arthur J. Gallagher & Co. ("AJG") and Radford, nationally known executive compensation and benefits consulting firms, to advise it on various matters related to executive and director compensation and compensation programs. AJG or Radford may also from time to time advise management, with the Compensation Committee's consent. AJG and Radford were hired by and report to the Compensation Committee. Pursuant to its charter, the Compensation Committee has the power to hire and fire such consultants and to engage other advisors.

Compensation of our President and Chief Executive Officer, including salary, bonus, stock options and certain other arrangements, is recommended to the Board for determination, by the Compensation Committee. The President and Chief Executive Officer, or any other executive officer for whom compensation is being discussed or determined, is not permitted to be present at meetings at which their respective compensation or performance is discussed or determined.

Under the Compensation Committee Charter, our President and Chief Executive Officer and our Chairman of the Board may recommend to the Compensation Committee individual compensation awards for our officers. The Compensation Committee would then have to review the recommendation and make its own recommendation to the Board.

The Compensation Committee may also form, and delegate its authority to, subcommittees or other committees of the Board when deemed appropriate. In addition, the Compensation Committee may retain special legal counsel, compensation or other consultants to advise it on compensation matters or as it deems appropriate.

The Compensation Committee held three meetings during the year ended December 31, 2017. A copy of the Compensation Committee's charter is posted on our website at www.admabiologics.com.

Governance and Nominations Committee

The members of our Board's Governance and Nominations Committee are Mr. Guiheen (Chairman), Mr. Fong and Mr. Richman. Our Board has determined that all members of the Governance and Nominations Committee are independent directors as defined by the applicable Nasdaq listing standards.

The Governance and Nominations Committee's role and responsibilities are set forth in the Governance and Nominations Committee's written charter and include (i) evaluating and making recommendations to the full Board the persons to be nominated for election as directors at any meeting of stockholders and the persons to be elected by the Board to fill any vacancies on the Board; (ii) developing and recommending to the Board a set of corporate governance principles and a code of conduct applicable to the Company; and (iii) overseeing the evaluation of the Board through annual assessment by the Governance and Nominations Committee of the performance of each member of the Board. In evaluating independence of directors, the Governance and Nominations Committee considers many factors and has taken the position that a director could be considered independent despite being affiliated with a significant stockholder.

In identifying candidates for membership on the Board, the Governance and Nominations Committee takes into account all factors it considers appropriate, which may include (a) ensuring that the Board, as a whole, is diverse and consists of individuals with various and relevant career experience, relevant technical skills, industry knowledge and experience, financial expertise (including expertise that could qualify a director as a "audit committee financial expert," as that term is defined by the rules of the SEC), local or community ties; and (b) minimum individual qualifications, including strength of character, mature judgment, familiarity with the Company's business and industry, independence of thought and an ability to work collegially. The Governance and Nominations Committee also may consider the extent to which the candidate would fill a present need on the Board.

The Company is of the view that the continuing service of qualified incumbents promotes stability and continuity in the board room, contributing to the ability of the Board to work as a collective body, while giving the Company the benefit of the familiarity and insight into the Company's affairs that its directors have accumulated during their tenure. Accordingly, the process of the Governance and Nominations Committee for identifying nominees reflects the Company's practice of re-nominating incumbent directors who continue to satisfy the Governance and Nominations Committee's criteria for membership on the Board, whom the Governance and Nominations Committee believes continue to make important contributions to the Board and who consent to continue their service on the Board. The Governance and Nominations Committee will identify and/or solicit recommendations for new candidates when there is no qualified and available incumbent.

The Governance and Nominations Committee will consider nominees recommended by stockholders. There are no differences in the manner in which the committee evaluates nominees for director based on whether the nominee is

recommended by a stockholder. Stockholders who would like to have our Governance and Nominations Committee consider their recommendations for nominees for the position of director should submit their recommendations, in a timely manner, in accordance with the procedures set forth below, in writing to: Corporate Secretary, ADMA Biologics, Inc., 465 State Route 17 South, Ramsey, New Jersey 07446.

For nominations, a stockholder's notice must include: (i) as to each person whom the stockholder proposes to nominate for election as a director, (A) the name, age, business address and residential address of such person, (B) the principal occupation or employment of such person, (C) the class and number of shares of stock of the Company that are beneficially owned by such person, (D) any other information relating to such person that is required to be disclosed in solicitations of proxies for election of directors or is otherwise required by the rules and regulations of the SEC promulgated under the Exchange Act, and (E) the written consent of the nominee to be named in the proxy statement as a nominee and to serve as a director if elected; and (ii) as to the stockholder giving the notice, (A) the name, business address, and residential address, as they appear on our stock transfer books, of the nominating stockholder, (B) a representation that the nominating stockholder is a stockholder of record and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice, (C) the class and number of shares of stock of the Company beneficially owned by the nominating stockholder, and (D) a description of all arrangements or understandings between the nominating stockholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the nominating stockholder.

The Governance and Nominations Committee met once during the year ended December 31, 2017. A copy of the Governance and Nominations Committee's charter is posted on our website at www.admabiologics.com.

(1) Reflects bonuses for 2017, which were paid in February 2018, and bonuses for 2016, which were paid in February 2017.

(2) The amount reflected in the table represents the aggregate grant date fair value of options computed in accordance with FASB ASC Topic 718 (formerly FAS 123R). We estimate the fair value of each option on the grant date using the Black-Scholes model with the following assumptions: To determine the risk-free interest rate, we utilized the U.S. Treasury yield curve in effect at the time of grant with a term consistent with the expected term of our awards. The expected term of the options granted is in accordance with Staff Accounting Bulletin 107 which is based on the average between vesting term and contractual term. The expected dividend yield reflects our current and expected future policy for dividends on our common stock. The expected stock price volatility for our stock options was calculated by examining a pro rata percentage of historical volatilities for similar publicly traded industry peers, along with the trading history for our common stock. We will continue to analyze the expected stock price volatility and expected term assumptions. We have not experienced any material forfeitures of stock options and as such, have not established a forfeiture rate. Since the stock options currently outstanding are primarily held by our senior management and directors, we will continue to evaluate the effects of such future potential forfeitures, as they may arise, to evaluate our estimated forfeiture rate. The material terms of the options held are described in the footnotes to the Outstanding Equity Awards at Fiscal-Year End table. For information on the valuation assumptions used in calculating the amount reflected in the table, see Note 2 to our audited financial statements included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2017, as filed with the SEC.

(3) Other compensation consists of \$7,950 and \$8,100 in employer contributions to employee accounts under our 401(k) plan in which our employees are entitled to participate in 2016 and 2017, respectively. Such amounts were earned for services performed in 2016 and 2017 and paid in April 2017 and 2018. With respect to Mr. Grossman, other compensation also consists of \$346,762 of expenses to relocate to Boca Raton, Florida, a \$134,211 stipend for temporary housing in Boca Raton, Florida and two weeks of salary pay, in the amount of \$19,015, which was earned previously by Mr. Grossman in October 2011 and withheld by the Company since such date. With respect to Dr. Mond, other compensation also consists of a \$64,196 stipend for temporary housing in Boca Raton, Florida and two weeks of salary pay, in the amount of \$13,865, which was earned previously by Dr. Mond in July 2012 and withheld by the Company since such date. Dr. James Mond - Executive Vice President, Chief Scientific Officer and Chief Medical Officer

On January 28, 2016, the Company entered into amended and restated employment agreement with our Executive Vice President, Chief Scientific Officer and Chief Medical Officer, James Mond, M.D., Ph.D., for an initial term of three years, with automatic three year renewal periods unless notice is provided 90 days in advance of the expiration of the then-current term. The amended and restated employment agreement provides that Dr. Mond is (i) entitled to a base salary of \$350,000 annually, (ii) eligible for annual bonus payments of up to 40% of his then-current base salary, based upon the achievement of certain milestones as mutually agreed by our President and Chief Executive Officer and Dr. Mond and approved by the Compensation Committee, and (iii) eligible to participate in our standard benefits package.

Pursuant to the amended and restated employment agreement, if a “change in control” (as such term is defined under the employment agreement) occurs and the successor to the Company does not assume the employment agreement or, within 12 months following such change in control, Dr. Mond is terminated “without cause” (as such term is defined under the employment agreement) or Dr. Mond resigns for “good reason” (as such term is defined under the employment agreement), Dr. Mond would be entitled to (in addition to any accrued but unpaid benefits) (i) continued base salary and health insurance and welfare benefits for a period of 12 months (except that such health insurance and welfare benefit continuation will cease if Dr. Mond begins regular, full-time employment with another employer and is eligible to commence benefits coverage with such employer), (ii) the annual bonus for the period ending December 31 in which such termination or resignation occurs, and (iii) accelerated vesting of all stock options granted to him prior to or after the date of the employment agreement. If the Company terminates Dr. Mond “without cause” or Dr. Mond terminates his employment for “good reason,” in each case absent a “change in control,” Dr. Mond would receive only the payments described in clause (i) for a period of nine months following the date of such termination. If Dr. Mond is terminated as a result of his death, Dr. Mond’s estate would continue to receive his base salary for 60 days following such termination. Furthermore, any payments, awards, benefits or distributions due to Dr. Mond under the employment agreement as a result of a transaction described in Section 280G(b)(2)(A)(i) of the Code, may be subject to a cutback as set forth in the employment agreement. In the event the employment agreement is (i) terminated by the Company for Dr. Mond’s disability, (ii) mutually terminated, (iii) terminated by the Company for cause or (iv) is terminated by Dr. Mond without good reason, Dr. Mond will be paid any salary and benefits earned and unpaid to the date of termination, and will not be entitled to any other payments from the Company.

The amended and restated employment agreement also contains a mutual nondisparagement covenant and customary noncompetition, nonsolicitation, confidentiality, and intellectual property covenants.

Brian Lenz - Vice President and Chief Financial Officer

On January 28, 2016, the Company entered into an amended and restated employment agreement with our Vice President and Chief Financial Officer, Mr. Lenz, for an initial term of three years, with automatic three year renewal periods unless notice is provided 90 days in advance of the expiration of the then-current term. The amended and restated employment agreement provides that Mr. Lenz is (i) entitled to a base salary of \$350,000 annually, (ii) eligible for annual bonus payments of up to 40% of his then-current base salary, based upon the achievement of certain milestones as mutually agreed by our President and Chief Executive Officer and Mr. Lenz and approved by the Compensation Committee, (iii) eligible to participate in our standard benefits package, and (iv) entitled to reimbursement for expenses associated with the maintenance of his CPA license and customary continuing professional education courses.

Pursuant to the amended and restated agreement, as amended, if a “change in control” (as such term is defined under the employment agreement) occurs and the successor to the Company does not assume the employment agreement or, within 12 months following such change in control, Mr. Lenz is terminated “without cause” (as such term is defined under the employment agreement) or Mr. Lenz resigns for “good reason” (as such term is defined under the employment agreement), Mr. Lenz would be entitled to (in addition to any accrued but unpaid benefits) (i) continued base salary and health insurance and welfare benefits for a period of 12 months (except that such health insurance and welfare benefit continuation will cease if Mr. Lenz begins regular, full-time employment with another employer and is eligible to commence benefits coverage with such employer), (ii) the annual bonus for the period ending December 31 in which such termination or resignation occurs, and (iii) accelerated vesting of all stock options granted to him prior to or after the date of the employment agreement. If the Company terminates Mr. Lenz “without cause” or Mr. Lenz terminates his employment for “good reason,” in each case absent a “change in control,” Mr. Lenz would receive only the payments described in clause (i) for a period of nine months following the date of such termination. If Mr. Lenz is terminated as a result of his death, Mr. Lenz’s estate would continue to receive his base salary for 60 days following such termination. Furthermore, any payments, awards, benefits or distributions due to Mr. Lenz under the employment agreement as a result of a transaction described in Section 280G(b)(2)(A)(i) of the Code, may be subject to a cutback as set forth in the employment agreement. In the event the employment agreement is (i) terminated by the Company for Mr. Lenz’s disability, (ii) mutually terminated, (iii) terminated by the Company for cause or (iv) is terminated by Mr. Lenz without good reason, Mr. Lenz will be paid any salary and benefits earned and unpaid to the date of termination, and will not be entitled to any other payments from the Company.

The amended and restated employment agreement also contains a mutual nondisparagement covenant and customary noncompetition, nonsolicitation, confidentiality, and intellectual property covenants.

Upon written or oral request, ADMA will deliver a separate copy of the proxy statement to any stockholder at a shared address to which a single copy of the proxy statement was delivered and who wishes to receive separate copies in the future. Stockholders receiving multiple copies of the proxy statement may likewise request that ADMA deliver single copies of the proxy statement in the future. STOCKHOLDER PROPOSALS AND OTHER INFORMATION

Deadline for Submission of Stockholder Proposals and Recommendations for Director

Any stockholder proposal submitted to us pursuant to SEC Rule 14a-8 under the Exchange Act for inclusion in our proxy materials for the 2019 annual meeting of stockholders must have been received by us no later than the close of business on January 3, 2019.

In order for a stockholder to nominate a person for election to the Board or bring other business before the 2019 annual meeting of stockholders, the stockholder must comply with the advance notice provisions of our Bylaws, which require that the stockholder deliver written notice to the Secretary and comply with the other requirements set forth in the Bylaws. Specifically, we must receive this notice not less than 90 days and not greater than 120 days prior to the first anniversary of the preceding year's annual meeting. In the event that the date of the annual meeting is advanced more than 30 days prior to or delayed by more than 30 days after the anniversary of the preceding year's annual meeting, notice by the stockholder to be timely must be so received not earlier than the close of business on the 120th day prior to such annual meeting and not later than the close of business on the later of the ninetieth day prior to such annual meeting or the tenth day following the day on which public announcement of the date of such meeting is first made.

ANNUAL REPORT

Our Annual Report on Form 10-K for the fiscal year ended December 31, 2017 is included with these proxy materials. A copy of our Annual Report (on Form 10-K), including the financial statements included therein, is also available without charge on our website (www.admabiologics.com) or upon written request to us at c/o ADMA Biologics, Inc., 465 State Route 17 South, Ramsey, New Jersey 07446, Attention: Corporate Secretary.

HOUSEHOLDING OF MEETING MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers, banks and nominees) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single Notice or set of proxy materials addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies and intermediaries. Under this process, stockholders of record who have the same address and last name will receive a single envelope containing the Notice for all stockholders having that address. The Notice for each stockholder will include that stockholder’s unique control number needed to vote his or her shares.

If you would like to receive a separate Notice, please contact our investor relations department at our offices located at 465 State Route 17 South, Ramsey, New Jersey 07446; telephone (201) 478-5552.

For those stockholders who have the same address and last name and who request to receive a printed copy of the proxy materials by mail, we will send only one copy of such materials to each address unless one or more of those stockholders notifies us, in the same manner described above, that they wish to receive a printed copy for each stockholder at that address.

If you are a beneficial owner, you can request information about householding from your broker, bank or nominee.

EXPENSES AND SOLICITATION

All costs of solicitation of proxies will be borne by us. In addition to solicitations by mail, certain of our directors, officers and regular employees, without additional remuneration, may solicit proxies in person or by telephone or telegraph. The Company may elect to engage outside professionals to assist it in the distribution and solicitation of proxies at a fee to be borne by the Company. Brokers, custodians and fiduciaries will be requested to forward proxy soliciting material to the owners of stock held in their names, and we will reimburse them for their reasonable out-of-pocket costs. Solicitation by our officers and employees may also be made of some stockholders in person or by mail, telephone or telegraph following the original solicitation.

OTHER MATTERS

The Board does not know of any matters to be presented at the Annual Meeting other than those listed in the Notice of Annual Meeting of Stockholders that accompanies this proxy statement. However, if other matters properly come before the Annual Meeting, it is the intention of the persons named in the accompanying proxy to vote in accordance with their best judgment on such matters insofar as the proxies are not limited to the contrary.

To the extent that information contained in this proxy statement is within the knowledge of persons other than our management, we have relied on such persons for the accuracy and completeness thereof.

This proxy statement and our annual report on Form 10-K is available in the “Investors” section of our website at www.admabiologics.com. Alternatively, upon the receipt of a written request from any stockholder entitled to vote at the forthcoming Annual Meeting, we will mail, at no charge to the stockholder, a copy of our annual report on Form 10-K, including the financial statements and schedules required to be filed with the SEC pursuant to Rule 13a-1 under the Exchange Act, for the Company’s most recent fiscal year. Requests from beneficial owners of our voting securities must set forth a good faith representation that, as of the record date for the Annual Meeting, the person making the request was the beneficial owner of securities entitled to vote at such meeting. Written requests for such report should be directed to:

If you would like us to send you a copy of the exhibits listed on the exhibit index of the annual report on Form 10-K, we will do so upon your payment of our reasonable expenses in furnishing a requested exhibit.

You are asked to advise us if you intend to attend the Annual Meeting. For directions to the Annual Meeting, please call the Company at (201) 478-5552.

You are urged to complete, sign, date and return your proxy card promptly to make certain your shares will be voted at the Annual Meeting. For your convenience, a return envelope is enclosed requiring no additional postage if mailed in the United States.
