ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT(S)

On September 3, 2009, the Company's Board of Directors ratified an agreement entered into between the Company and New Millennium Capital Partners II, LLC on August 31, 2009 whereby we entered into an Securities Purchase Agreement (the "Securities Purchase Agreement") with New Millennium Capital Partners III, LLC (the "Investor"). Under the terms of the Securities Purchase Agreement, the Investor purchased an aggregate of (i) \$100,000 in callable convertible secured notes (the "Notes"). The Company received the proceeds from the Securities Purchase Agreement on September 2, 2009.

The Notes carry an interest rate of 10% and a maturity date of August 30, 2012. The notes are convertible into our common shares at the Variable Conversion Price (as defined hereafter). The Variable Conversion Price shall be equal to the Applicable Percentage multiplied by the average of the lowest three (3) trading prices for our shares of common stock during the twenty (20) trading day period prior to conversion. The Applicable Percentage is 50%.

At our option, we may prepay the Notes in the event that no event of default exists, there are a sufficient number of shares available for conversion of the Notes and the Common Stock is trading below the Initial Market Price as adjusted. In addition, in the event that the average daily price of the common stock, as reported by the reporting service, for each day of the month ending on a determination date is below the Initial Market Price as adjusted, we may prepay a portion of the outstanding principal amount of the Notes equal to 104% of the principal amount hereof divided by thirty-six (36) plus one month's interest. Exercise of this option will stay all conversions for the following month. The full principal amount of the Notes is due upon default under the terms of Notes. In addition, the Company has granted the investors a security interest in substantially all of its assets and intellectual property, excluding Camelot Studio Group and Camelot Film Group, as well as demand registration rights.

The Investors have contractually agreed to restrict their ability to convert the Notes and receive shares of the Company's common stock such that the number of shares of the Company's common stock held by them and their affiliates after such conversion or exercise does not exceed 4.99% of the then issued and outstanding shares of the Company's common stock.

If requested by the note holder, in accordance with the terms and conditions of the Registration Rights Agreement, we are committed to registering the shares of common stock underlying the Notes in the event no other exemption is available to the Investor, including Rule 144. In the event no other exemption is available, we have agreed to use our best efforts to file the registration statement within thirty (30) days from the date of request by the Investor otherwise we may be subject to penalty provisions. There are penalty provisions if the Company does not use its best efforts and respond to comments from the SEC regarding its Registration Statement in a timely manner, or after the Registration Statement has been declared effective by the SEC, sales of all of the Registrable Securities cannot be made pursuant to the Registration Statement due to the fault of the Company.
