Edgar Filing: Flaherty & Crumrine PREFERRED SECURITIES INCOME FUND INC - Form DEF 14A

If the enclosed proxy card is properly executed and returned in time to be voted at the relevant Meeting, the Shares (as defined below) represented thereby will be voted in accordance with the instructions marked thereon. Unless instructions to the contrary are marked thereon, a proxy will be voted FOR the election of the nominees for Director. Any shareholder who has given a proxy has the right to revoke it at any time prior to its exercise either by attending the relevant Meeting and voting his or her Shares in person or by submitting a letter of revocation or a later-dated proxy to the appropriate Fund delivered at the above address prior to the date of the Meeting.

Under the Bylaws of each Fund, the presence in person or by proxy of the holders of a majority of the outstanding shares of the Fund entitled to vote shall be necessary and sufficient to constitute a quorum for the transaction of business (a Quorum) at that Fund's Meeting. In the event that a Quorum is not present at a Meeting, or in the event that a Quorum is present but sufficient votes to approve any of the proposals are not received, the persons named as proxies may propose one or more adjournments of the Meeting to permit further solicitation of proxies. Any such adjournment will require the affirmative vote of a majority of those shares represented at the Meeting in person or by proxy. If a Quorum is present, the persons named as proxies will vote those proxies which they are entitled to vote FOR a proposal in favor of such an adjournment with respect to that proposal and will vote those proxies required to be voted AGAINST a proposal against any such adjournment with respect to that proposal. A shareholder vote may be taken on a proposal in the Joint Proxy Statement prior to any such adjournment if sufficient votes have been received for approval of that proposal. Once a Quorum has been established at the Meeting, shareholders may continue to transact business, notwithstanding the withdrawal of shareholders and the loss of a Quorum.

Each Fund has one class of capital stock outstanding: common stock, par value \$0.01 per share (the Common Stock or the Shares). Each Share is entitled to one vote at the Meeting with respect to matters to be voted on, with pro rata voting rights for any fractional Shares. On the record date, January 18, 2013, the following number of Shares of each Fund were issued and outstanding:

Name of Fund	Common Stock Outstanding
Preferred Income Fund (PFD)	10,944,857
Preferred Income Opportunity Fund (PFO)	12,238,314
Preferred Securities Income Fund (FFC)	43,346,214
Total Return Fund (FLC)	9,884,939

To the knowledge of each Fund and its Board, the following shareholder(s), or group as that term is defined in Section 13(d) of the Securities Exchange Act of 1934, as amended (the 1934 Act), is the beneficial owner or owner of record of more than 5% of the relevant Fund's outstanding Shares as of January 18, 2013*:

1 Information obtained from a Schedule 13G/A filed by Guggenheim Capital LLC, Guggenheim Partners, LLC, GP Holdco, GPFT Holdco, LLC, Guggenheim Funds Services, LLC and GFD. GFD filed as sponsor for Claymore Securities Defined Portfolios and Guggenheim Defined Portfolios (together the Filing Entities), with the SEC reporting share ownership as of December 31, 2012. Based on that filing, the Filing Entities have the shared power to vote or direct the vote or dispose or direct the disposition of 608,266 Shares.

This Joint Proxy Statement is being used in order to reduce the preparation, printing, handling and postage expenses that would result from the use of a separate proxy statement for each Fund. Shareholders of each Fund will vote as a single class. Shareholders of each Fund will vote separately for each of PFD, PFO, FFC and FLC on each proposal on which shareholders of that Fund are entitled to vote. Separate proxy cards are enclosed for each Fund in which a shareholder is a record owner of Shares. Thus, if a proposal is approved by shareholders of one or more Funds and not approved by shareholders of one or more other Funds, the proposal will be implemented for the Fund or Funds that approved the proposal and will not be implemented for any Fund that did not approve the proposal. It is therefore essential that shareholders complete, date and sign each enclosed proxy card. Shareholders of each Fund are entitled to vote on the proposal pertaining to that Fund.

PROPOSAL 1: ELECTION OF DIRECTORS

At the Meetings, shareholders are being asked to consider the election of Directors of each Fund. The Board of each Fund is divided into three classes, each class having a term of three years. Each year the term of office of one class expires and the successor or successors elected to such class serve for a three-year term and until their successors are duly elected and qualified.

Nominees for the Boards of Directors

Each nominee named below has consented to serve as a Director if elected at the relevant Meeting. If a designated nominee declines or otherwise becomes unavailable for election, however, the proxy confers discretionary power on the persons named therein to vote in favor of a substitute nominee or nominees. Each nominee has been nominated for a three-year term to expire at each Fund's 2016 Annual Meeting of Shareholders and until his or her successor is duly elected and qualified. Shareholders of each Fund's Common Stock are entitled to elect the nominees for election to the Board of the relevant Fund.

** The Flaherty & Crumrine fund complex consists solely of the Funds.

⁽¹⁾ Interested person (as defined in the Investment Company Act of 1940, as amended (the "1940 Act")) of the Funds. Mr. Crumrine is considered an interested person because of his affiliation with Flaherty & Crumrine.

Each Director has been a Director of the Funds for at least five years. Additional information about each Director follows (supplementing the information provided in the table above) that describes some of the specific experiences, qualifications, attributes or skills that each Director possesses which the Boards believe have prepared them to be effective Directors. The Boards believe that Directors need to have the ability to critically review, evaluate, question and discuss information provided to them, and to interact effectively with Fund management, service providers and counsel, in order to exercise effective business judgment in the performance of their duties; the Boards believe that their members satisfy this standard. Experience relevant to having this ability may be achieved through a Director's educational background; business, professional training or practice (e.g., accounting or law); public service or academic positions; experience from service as a board member (including the Boards of the Funds) or as an executive of investment funds, public companies or significant

private or not-for-profit entities or other organizations; and/or other life experiences. The charters for the Boards Nominating and Governance Committees contain certain other factors considered by the Committees in identifying and evaluating potential Director nominees. To assist them in evaluating matters under federal and state law, the Independent Directors (defined below) are counseled by their own independent legal counsel, who participates in Board meetings and interacts with Flaherty & Crumrine, and also may benefit from information provided by the Funds and Flaherty & Crumrine's counsel; both counsel to the Independent Directors and counsel to the Funds and Flaherty & Crumrine have significant experience advising funds and fund directors. The Boards and their committees have the ability to engage other experts as appropriate. The Boards evaluate their performance on an annual basis.

- **Donald F. Crumrine** Mr. Crumrine has been the Chairman of the Boards of PFD and PFO since 2002 and Chairman of the Boards of FFC and FLC since each Fund's inception. Mr. Crumrine has over 36 years of experience managing portfolios of preferred securities. He co-founded Flaherty & Crumrine in 1983, after spending twelve years at Scudder, Stevens & Clark, to focus on managing preferred securities portfolios and associated hedges. Mr. Crumrine is actively involved in the day-to-day management of all Flaherty & Crumrine client portfolios, including those of the Funds, and directs client service and marketing efforts at Flaherty & Crumrine.
- **David Gale** In addition to his tenure as a Director of the Funds, Mr. Gale has been President and Chief Executive Officer of Delta Dividend Group, Inc., a San Francisco-based investment management firm, since 1992. Prior to joining Delta Dividend Group, Inc., Mr. Gale was a Principal with Morgan Stanley from February 1983 to January 1990, and a Managing Director of Lehman Brothers Holdings Inc. from January 1990 to January 1992. Mr. Gale currently serves as a director of Emmis Communications and served as a director of Metromedia International Group, Inc., a telecommunications company from 2005 through August 30, 2008.
- **Morgan Gust** In addition to his tenure as a Director of the Funds, Mr. Gust is the owner and operator of various entities engaged in agriculture and real estate. From 1990 to 2007, Mr. Gust served in various capacities, including President, Executive Vice President, General Counsel and Corporate Secretary of Giant Industries, Inc., a petroleum refining and marketing company listed on the New York Stock Exchange (the NYSE). Mr. Gust currently serves as lead Director of CoBiz Financial, Inc., a publicly traded bank holding company. He is also a member of the Arizona State Bar.
- **Karen H. Hogan** In addition to her tenure as a Director of the Funds, Ms. Hogan serves as a board member and committee member of several charitable and non-profit organizations. From September 1985 to January 1997, Ms. Hogan served as Senior Vice President of Preferred Stock Origination, and previously Vice President of New Product Development, at Lehman Brothers Holdings Inc.
- **Robert F. Wulf** In addition to his tenure as a Director of the Funds, Mr. Wulf has worked as a financial consultant for over 29 years. Mr. Wulf also served as a board member of two non-profit organizations.

Board Composition and Leadership Structure

The 1940 Act requires that at least 40% of the Funds' Directors not be interested persons (as defined in the 1940 Act) of the Funds, and therefore not affiliated with Flaherty & Crumrine (Independent Directors). To rely on certain exemptive rules under the 1940 Act, a majority of the Funds' Directors must be Independent Directors and, for certain important matters, such as the approval of investment advisory agreements or transactions with affiliates, the 1940 Act or the rules thereunder require the approval of a majority of the Independent Directors. Currently, four of the Funds' five Directors are Independent Directors. The Chairman of the Boards is an interested person of the Funds. The four Independent Directors interact directly with the Chairman and other senior management of Flaherty & Crumrine at scheduled meetings and between meetings as appropriate. Independent Directors have been designated to chair the Audit Committees and the Nominating and Governance Committees, and the Independent Directors rotate the responsibility for chairing meetings of Independent Directors. In addition, from time to time, one or more Independent Directors may be designated, formally or informally, to take the lead in addressing with management or their independent legal counsel matters or issues of concern to the Boards. As a result, the Boards have determined that their leadership structures and composition, in which no individual Independent Director has been designated to lead all the Independent Directors, are appropriate in light of the Boards' size and the cooperative and dynamic working relationship among the Independent Directors and the Independent Directors' open lines of communication with Fund management. The Boards have determined that their leadership structures and composition, in which the Chairman

of the Boards is an interested person of the Funds and 80% of the Directors are Independent Directors, are appropriate in light of the services that Flaherty & Crumrine provides to the Funds and potential conflicts of interest that could arise from these relationships.

Boards Oversight Role in Management

The Boards' role in management of the Funds is oversight. As is the case with virtually all investment companies (as distinguished from operating companies), service providers to the Funds, primarily Flaherty & Crumrine, have responsibility for the day-to-day management of the Funds, which includes responsibility for risk management (including management of investment performance and investment risk, valuation risk, issuer and counterparty credit risk, compliance risk and operational risk). As part of their oversight, the Boards, acting at their scheduled meetings, or the Chairman, acting between Board meetings, regularly interacts with and receives reports from senior personnel of service providers, including the Funds' and Flaherty & Crumrine's Chief Compliance Officer and portfolio management personnel. The Boards' Audit Committees (which consist of all the Independent Directors) meet during their scheduled meetings, and between meetings the Audit Committee chairs maintain contact, with the Funds' independent registered public accounting firm and the Funds' Chief Financial Officer. The Boards also receive periodic presentations from senior personnel of Flaherty & Crumrine regarding risk management generally, as well as periodic presentations regarding specific operational, compliance or investment areas, such as business continuity, personal trading, valuation and credit. The Boards have adopted policies and procedures designed to address certain risks to the Funds. In addition, Flaherty & Crumrine and other service providers to the Funds have adopted a variety of policies, procedures and controls designed to address particular risks to the Funds. Different processes, procedures and controls are employed with respect to different types of risks. However, it is not possible to eliminate all of the risks applicable to the Funds. The Boards also receive reports from counsel to the Funds and Flaherty & Crumrine and the Independent Directors' own independent legal counsel regarding regulatory, compliance and governance matters. The Boards' oversight role does not make the Boards guarantors of the Funds' investments or activities.

Audit Committee Report

The role of each Fund's Audit Committee is to assist the Board of Directors in its oversight of: (i) the integrity of the Fund's financial statements and the independent audit thereof; (ii) the Fund's accounting and financial reporting policies and practices, its internal controls and, as appropriate, the internal controls of certain service providers; (iii) the Fund's compliance with legal and regulatory requirements; and (iv) the independent auditor's qualifications, independence and performance. Each Fund's Audit Committee is also required to prepare an audit committee report pursuant to the rules of the SEC for inclusion in the Fund's annual proxy statement. Each Audit Committee operates pursuant to a charter (the Audit Committee Charter or Charter) that was most recently reviewed and approved by the Board of Directors of each Fund on January 22, 2013 and which is available at www.preferredincome.com. As set forth in the Charter, management is responsible for the (i) preparation, presentation and integrity of each Fund's financial statements, (ii) maintenance of appropriate accounting and financial reporting principles and policies and (iii) maintenance of internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The Funds' independent registered public accounting firm, KPMG LLP (the independent accountants or KPMG), is responsible for planning and carrying out proper audits and reviews of each Fund's financial statements and expressing an opinion as to their conformity with accounting principles generally accepted in the United States of America.

In performing its oversight function, at a meeting held on January 22, 2013, each Audit Committee reviewed and discussed with management of the Fund and the independent accountants, the audited financial statements of the Fund as of and for the fiscal year ended November 30, 2012, and discussed the audit of such financial statements with the independent accountants.

In addition, each Audit Committee discussed with the independent accountants the accounting principles applied by the Fund and such other matters brought to the attention of the Audit Committee by the independent accountants required by Statement of Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1 AU Section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T. Each Audit Committee also received from the independent accountants the written disclosures and statements required by the SEC's independence rules, delineating relationships between the independent accountants and the Fund and discussed the impact that any such relationships might have on the objectivity and independence of the independent accountants.

As set forth above, and as more fully set forth in each Fund's Audit Committee Charter, the Audit Committee has significant duties and powers in its oversight role with respect to the Fund's financial reporting procedures, internal control systems, and the independent audit process.

The members of each Audit Committee are not, and do not represent themselves to be, professionally engaged in the practice of auditing or accounting and are not employed by the Fund for accounting, financial management or internal control. Moreover, the Audit Committee relies on and makes no independent verification of the facts presented to it or representations made by management or the independent accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles and policies, or internal controls and procedures, designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not provide assurance that the audit of each Fund's financial statements has been carried out in accordance with generally accepted accounting standards or that the financial statements are presented in accordance with generally accepted accounting principles.

Based on its consideration of the audited financial statements and the discussions referred to above with management and the independent accountants, and subject to the limitations on the responsibilities and role of the Audit Committee set forth in the Charter and those discussed above, the Audit Committee of each Fund recommended to that Fund's Board that the audited financial statements be included in the Fund's Annual Report for the fiscal year ended November 30, 2012.

This report was submitted by the Audit Committee of each Fund's Board of Directors

David Gale
Morgan Gust
Karen H. Hogan
Robert F. Wulf (Chairman)

January 22, 2013

Each Audit Committee was established in accordance with Section 3(a)(58)(A) of the 1934 Act. Each Audit Committee met four times in connection with its Board of Directors' regularly scheduled meetings during the fiscal year ended November 30, 2012. Each Audit Committee is composed entirely of each Fund's Independent Directors who are also independent (as such term is defined by the NYSE under the listing standards applicable to closed-end funds, as may be modified or supplemented (the "NYSE Listing Standards")), namely Ms. Hogan and Messrs. Gale, Gust and Wulf.

Nominating and Governance Committee

Each Board of Directors has a Nominating and Governance Committee composed entirely of each Fund's Independent Directors who are also independent (as such term is defined by the NYSE Listing Standards), namely Ms. Hogan and Messrs. Gale, Gust and Wulf. The Nominating and Governance Committee of each Fund met twice during the fiscal year ended November 30, 2012. The Nominating and Governance Committee is responsible for identifying individuals believed to be qualified to become Board members; for recommending to the Board such nominees to stand for election as directors at each Fund's annual meeting of shareholders and to fill any vacancies on the Board; and for overseeing the Board's governance practices. Each Fund's Nominating and Governance Committee has a charter which is available on its website, www.preferredincome.com.

Each Fund's Nominating and Governance Committee believes that it is in the best interest of the Fund and its shareholders to obtain highly qualified candidates to serve as members of the Board. The Nominating and Governance Committees have not established a formal process for identifying candidates where a vacancy exists on the Board. In nominating candidates, each Nominating and Governance Committee shall take into consideration such factors as it deems appropriate, including educational background; business, professional training or practice (e.g., accounting or law); public service or academic positions; experience from service as a board member (including the Boards of the Funds) or as an executive of investment funds, public companies or significant private or not-for-profit entities or other organizations; and/or other life experiences. Each Fund's Nominating and Governance Committee may consider whether a potential nominee's professional experience, education, skills, and other individual qualities and attributes, including gender, race or national origin, would provide beneficial diversity of skills, experience or perspective to the Board's membership and collective attributes. Each Fund's Nominating and Governance Committee will consider director candidates recommended by shareholders and submitted in accordance with applicable law and procedures as described in this Joint Proxy Statement. (See "Submission of Shareholder Proposals" below.)

Other Board-Related Matters

Shareholders who wish to send communications to the Board should send them to the address of their Fund(s) and to the attention of the Board. All such communications will be directed to the Board's attention.

The Funds do not have a formal policy regarding Board member attendance at the Annual Meeting of Shareholders. However, all of the Directors of each Fund attended the April 19, 2012 Annual Meetings of Shareholders.

Board Compensation

Each Director of each Fund who is not a director, officer or employee of Flaherty & Crumrine or any of its affiliates receives from each Fund a fee of \$9,000 per annum plus \$750 for each in-person Board of Directors or Audit Committee meeting attended, \$500 for each in-person Nominating and Governance Committee meeting attended, and \$250 for each telephone meeting attended. In addition, the Audit Committee Chairman receives from each Fund an annual fee of \$3,000. Each Director of each Fund is reimbursed for travel and out-of-pocket expenses associated with attending Board and committee meetings. During the fiscal year ended November 30, 2012, the Board of Directors for each Fund held six meetings (two of which were

held by telephone conference call). Each Director of each Fund attended at least 75% of the meetings of Directors and of any Committee of which he or she is a member. The aggregate remuneration paid to the Directors of each Fund for the fiscal year ended November 30, 2012 is set forth below:

All of the audit and non-audit services described above for which KPMG billed each Fund fees for the fiscal years ended November 30, 2011 and November 30, 2012 were pre-approved by the Audit Committee.

For each Fund's fiscal years ended November 30, 2011 and November 30, 2012, KPMG did not provide any non-audit services (or bill any fees for such services) to the Funds' investment adviser or any affiliates.

Directors, officers and greater-than-10% shareholders are required by SEC regulations to furnish each Fund with copies of such forms they file. Based solely upon its review of the copies of such forms received by it and written representations from certain of such persons, each Fund believes that during 2012, all such filing requirements applicable to such persons were met.

Broker Non-Votes and Abstentions

A proxy which is properly executed and returned accompanied by instructions to withhold authority to vote represents a broker non-vote (i.e., shares held by brokers or nominees as to which (i) instructions have not been received from the beneficial owners or the persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter). Proxies that reflect abstentions or broker non-votes (collectively, abstentions) will be counted as Shares that are present and entitled to vote at the meeting for purposes of determining the presence of a Quorum. With respect to Proposal 1, abstentions do not constitute a vote for or against the proposal and will be disregarded in determining the votes cast on the proposal.

OTHER MATTERS TO COME BEFORE THE MEETING

Each Fund does not intend to present any other business at the relevant Meeting, nor is any Fund aware that any shareholder intends to do so. If, however, any other matters are properly brought before the Meeting, the persons named in the accompanying form of proxy will vote thereon in accordance with their judgment.
