FOR IMMEDIATE RELEASE

PRELIMINARY VOTING RESULTS  
SHOW SUPPORT OF EMERGING VISION, INC.'S NOMINEES

GARDEN CITY, N.Y. - July 19, 2004 - Emerging Vision, Inc. ("EVI") (OTCBB: ISEE.OB) announced today that, based on preliminary voting information provided to EVI by its independent inspectors of election, IVS Associates, Inc. ("IVS"), EVI's nominees received 36,013,976 (approximately 56.6%) of the votes cast for the contested election of directors at EVI's 2004 Annual Meeting of Shareholders (the "Annual Meeting"), held on July 14, 2004. There were 63,582,913 (approximately 90.3%) votes cast at the Annual Meeting out of a possible 70,422,217 outstanding voting shares.

Accordingly, EVI is pleased to announce that it appears that Seymour G. Siegel, Alan Cohen and Harvey Ross have been elected to serve as Class I directors of EVI, for a term of one year expiring in 2005, and Joel L. Gold, Robert Cohen and Christopher G. Payan have been elected as Class II directors of EVI, for a term of two years expiring in 2006. The preliminary results are subject to challenge and review, and the actual official voting results could differ.

Christopher Payan, EVI's Chief Executive Officer and one of its directors, stated "Although the results have not yet been officially certified by IVS, we are gratified by what appears, preliminarily, to be a strong endorsement of management's operating strategy and EVI's performance over the past 12 months. We are excited about the industry knowledge and expertise that Messrs. Siegel and Ross, our two new independent directors, bring to the Board, and we look forward to the opportunity to build on EVI's renewed growth and to continue to build value for all shareholders of EVI."

Horizons Investors Corp. ("Horizons"), a wholly-owned company of Benito R. Fernandez (a director of EVI) and owner of 23,726,531 (approximately 33.7%) shares of EVI, initiated the proxy contest for the election of directors and nominated its own slate of five nominees (which included Mr. Fernandez). Based on the preliminary results, Horizons received 27,523,456 (approximately 43.3%) of the votes cast at the Annual Meeting.

Horizons has been afforded an opportunity to review the proxy cards and ballots, which review EVI believes will take place within the next few days. Details of the official outcome will be provided in a subsequent press release.
