**Item 1.01 Entry into a Material Definitive Agreement.**

The Registrant received executed amendment number 4 to its Medicaid Managed Care and Family Health Plus Model Contract between the New York State Department of Health and WellCare of New York, Inc., a wholly-owned subsidiary of the Registrant (“WellCare NY”), pursuant to which WellCare NY participates in the New York State Family Health Plans and Medicaid programs. The amendment, among other things, adjusts the 2006 Medicaid Managed Care capitation payment rates to reflect the quality incentive increase resulting from WellCare NY’s designation as a “Quality Health Plan.” The amendment became effective October 1, 2006. A copy of the amendment is attached as exhibit 10.1 to this Current Report on Form 8-K.

The foregoing description does not purport to be a complete statement of the parties’ rights and obligations under the above-described amendment. The above description is qualified in its entirety by reference to the amendment.

In the interest of providing interested parties with full access to its federal, state and county contracts, the Registrant has elected to file such contracts with the Securities and Exchange Commission. The Registrant does not believe that its business is substantially dependent on many of these contracts when each is taken individually.
