Item 1.01 Entry into a Material Definitive Agreement.

On August 7, 2018, WellCare Health Plans, Inc. (the “Company”) entered into an underwriting agreement (the “Underwriting Agreement”) between the Company and SunTrust Robinson Humphrey, Inc. and J.P. Morgan Securities LLC, acting as representatives of the several underwriters named therein (the “Underwriters”), relating to the issuance and sale of 4,528,302 shares of common stock in a public offering at a public offering price of \$265.00 per share made pursuant to a registration statement and a related prospectus supplement filed by the Company with the U.S. Securities and Exchange Commission. The Company has granted the underwriters an option for 30 days to purchase up to an additional 679,245 shares of common stock. The offering is expected to close on or about August 10, 2018. The issuance of the common stock will be subject to customary closing conditions.

The Company expects that the net proceeds of the offering, after deducting underwriting discounts and commission and estimated expenses of the offering, will be approximately \$1,164.0 million. The Company intends to use the net proceeds of the offering to fund a portion of the cash consideration for the Company’s previously announced acquisition (the “Acquisition”) of Meridian Health Plan of Michigan, Inc., Meridian Health Plan of Illinois, Inc. and MeridianRx, a pharmacy benefit manager (collectively, “Meridian”), to pay related fees and expenses and for general corporate purposes. If the Acquisition is not completed for any reason, WellCare will use the net proceeds from the offering for general corporate purposes. The offering is not contingent upon the consummation of the Acquisition, which the Company expects to close in the next few months, subject to the satisfaction of certain closing conditions, including the receipt of regulatory approvals. Pending such use, the net proceeds from the offering may be invested temporarily in short-term interest-bearing investments.

The Underwriting Agreement contains customary representations, warranties and agreements by the Company. In addition, the Company has agreed to indemnify the Underwriters against certain liabilities, including liabilities under the Securities Act of 1933, as amended, or to contribute to payments the Underwriter may be required to make in respect of those liabilities.

The Underwriting Agreement is filed as Exhibit 1.1 to this Form 8-K and the description of the Underwriting Agreement is qualified in its entirety by reference to such exhibit, which is incorporated herein by reference.

Item 8.01. Other Events.

On August 8, 2018, the Company announced the pricing of the common stock. A copy of the corresponding press release is filed as Exhibit 99.1 to this Current Report on Form 8-K.

Kirkland and Ellis LLP has issued an opinion, dated August 7, 2018, to the Company regarding certain legal matters with respect to the offering of the common stock, a copy of which is filed as Exhibit 5.1 hereto.
