Item 7.01 Regulation FD Disclosure.

On June 12, 2010, at the Jeffries Global Life Sciences Conference in New York, Kevin M. Goodwin, SonoSite, Inc. ("Company") President and CEO, is expected to announce that the Company is targeting revenue growth of 20% and EBITDAS growth of 25% in each of 2010 and 2011.

EBITDAS stands for earnings before interest, taxes, depreciation, amortization and stock-based compensation. This is a non-GAAP measure. In order to reconcile EBITDAS to our GAAP reported earnings, we would need to deduct the applicable amounts for each of interest, taxes, depreciation, amortization and stock based compensation, as determined for each applicable period. Due to our recently announced pending acquisition of Visualsonics, we are unable to project the amounts we expect to incur for each of these excluded items in 2011 and 2012 at this time.

"Risk Factors" section of our most recent Annual Report on Form 10-K filed with the Securities and Exchange Commission. We caution readers not to place undue reliance upon these forward-looking statements that speak only as to the date of this Form 8-K. We undertake no obligation to publicly revise any forward-looking statements to reflect new information, events or circumstances after the date of this release or to reflect the occurrence of unanticipated events.
