**Meeting s board:**

Once the quorum of present shareholders was verified, pursuant to the provisions of art. 135 of Law 6,404/76, the Extraordinary General Shareholders Meeting was opened by Mr. Francisco Aurélio Sampaio Santiago, Network Executive Officer, as provided for in article 17 of the Company s By-Laws, in view of the absence of the Company s Chief Executive Officer ( CEO!). Due to the absence of the Company s CEO, and still according to the provisions of the above mentioned provision of the Company s By-Laws, Mr. Francisco Aurélio Sampaio Santiago, took over as president of this Meeting, having invited Mr. Darwin Corrêa to be the secretary.

**Day s Agenda:**

1. To make a resolution on the removal of the Board of Directors members and election of new members; and
2. To make a resolution on the election of the Board of Directors Chairman and Vice- Chairman.

**Resolutions:**

Before examining the Day s Agenda, the shareholders present at the Meeting approved by unanimity of votes that the Minutes of this Extraordinary General Shareholders Meeting be drafted in summarized form, pursuant to the provisions of art. 130, 1<sup>st</sup> paragraph, of Law 6,404/76 (Brazilian Corporations Law), being authorized the submission of votes and objections, which shall be received by the Meeting s board and filed at the Company s headquarters. The publication of these Minutes has also been approved without the signatures of the present shareholders, pursuant to the provisions of art. 130, 2<sup>nd</sup> paragraph, of Law 6,404/76.

Preliminarily, the shareholder Brasil Telecom Participações S.A. ( Brasil Telecom Participações ), which holds more than 99% (ninety nine percent) of Company s voting capital, requested permission to speak, in order to register that on September 29, 2005, a document entitled Notice of Cancellation , signed by the Chairman of the Company s Board of Directors, was released, through which it was informed, in short, that the Board of Directors had made a resolution to cancel the call for the present Meeting, due to the content of Official Letter N. 106/2005-CMA, sent to Company s CEO on September 28, 2005, by the President of the *Comissão de Meio Ambiente, Defesa do Consumidor e Fiscalização e Controle da Subsecretaria de Apoio às Comissões Permanentes, da Secretaria de Comissões do Senado Federal* (Environment, Consumers Defense and Supervision and Control Commission of the Sub-Department of Support to Permanent Commissions, of the Department of Commissions of the Federal Senate), Senator

Leomar Quintanilha (Docs. 05 and 06). Brasil Telecom Participações stressed, by the way, that the present Meeting was called by virtue of its request, which has been made based on art. 123, sole paragraph, item c, of Law 6,404/76, addressed to the Company's Board of Directors on August 25, 2005 (Doc. 07).

The shareholder Brasil Telecom Participações registered that through several disclosures of material facts published on this date it reiterated the terms of the Notice it had disclosed to the Shareholders on September 01, 2005 (Doc. 08), also registering its understanding that the cancellation of a call for a Meeting called pursuant to the aforementioned provision of the Brazilian Corporations Law, without the prior and express consent of the shareholder who made the request for the call, is considered imprudent, void and legally ineffective.

Furthermore, Brasil Telecom Participações registered that the resolution of the Company's Board of Directors was adopted based on a wrong judgment about a suggestion presented by Senator Leomar Quintanilha, President of the *Comissão de Meio Ambiente, Defesa do Consumidor e Fiscalização e Controle do Senado Federal*. However, according to the clarifications made by Senator Ana Julia Carepa, as effective member of the referred Commission of the Federal Senate, and sent to Minister Benjamin Zymler, of the Federal Government Audit Court (*Tribunal de Contas da União*) yesterday, the suggestion forwarded by Senator Leomar Quintanilha was not a matter put to discussion by the Commission, [being] therefore unknown to its members, and does not constitute, therefore, a board act of the referred Commission. In view of the above, Senator Ana Julia Carepa suggested that the present Meeting be held, whose purpose is the removal of Opportunity Group from Brasil Telecom S.A., there not being in her understanding any reason for any interference in the natural course of this process. (Doc. 09). The clarifications made by the aforementioned Senator were the subject of a material fact disclosed by Brasil Telecom Participações yesterday (Doc. 10)

According to the material fact disclosed by it yesterday, Brasil Telecom Participações also clarified that Minister Benjamin Zymler, of the Federal Government Audit Court, took what Brasil Telecom's Board of Directors called order as a claim, therefore non-binding, denying the preliminary injunction requested by Senator Leomar Quintanilha, therefore, confirming the necessity of this Meeting to be held (Doc. 11 and 12).

Additionally, Brasil Telecom Participações clarified to all the persons present that the aforementioned decision of the Judge of the 4<sup>th</sup> Federal Circuit Court of the Judiciary Section of the *Distrito Federal* rendered yesterday, confirms the decision previously rendered by the same

---

court and expressly ensures the holding of this Meeting, acknowledging the absence of grounds of the aforementioned Cancellation Notice (Docs. 01 and 02)

The shareholder Citigroup Venture Capital International Brazil, L.P. registered that the Judge of the United States District Court, Southern District of New York rendered a preliminary decision yesterday, enjoining all those who are connected to Mr. Daniel Valente Dantas and to Opportunity Equity Partners Ltd., who become aware of it to abstain from obstructing or interfering in the holding of the Meeting, pursuant to the material fact disclosed on the same day by Brasil Telecom Participações (Doc. 13). The shareholder Citigroup requested that the full content of the decision rendered in New York be read so that all those who were present become aware of it, what was done by the Secretary of the Meeting (Doc. 14).

In view of the above, the shareholders Brasil Telecom Participações and Citigroup Venture Capital International Brazil, L.P., which hold more than 99% (ninety nine percent) of the Company's voting capital, registered a proposal that the present shareholders vote in the sense of disregarding the illicit Notice of Cancellation, since it is legally void and ineffective. The President put the matter to the vote and it was approved by the unanimity of the votes cast, which represented almost the totality of the Company's voting capital, the abstention of the shareholder Kenneth Clark being registered.

Once the preliminary issue was resolved, the Meeting's President registered the receipt of vote instructions approved in the Prior Meetings of Invitel S.A.'s shareholders (Doc. 15) and Brasil Telecom Participações (Doc. 16), previously held on September 19, 2005 and September 26, 2005, respectively, in which the direction of the votes to be cast in the present Meeting by the shareholders bound to the referred agreements was defined.

That being registered, the Meeting's President moved on to **item 1 of the Day's Agenda**, which refers to the removal of the members of the Company's Board of Directors and election of new members.

Thus, after discussing this matter, the proposal of the shareholders Brasil Telecom Participações and Citigroup Venture Capital International Brazil, L.P., which hold more than 99% (ninety nine percent) of the Company's voting capital, was approved by the unanimity of the votes cast, representing almost the totality of the Company's voting capital, the abstention of the shareholder Kenneth Clark being registered, in the sense of removing the current members of the Company's Board of Directors, except for Mr. Antonio Cardoso dos Santos, currently without an

---

alternate member, who was elected by the separate vote of the shareholders holding preferred shares, pursuant to the 2<sup>nd</sup> paragraph of art. 25 of the Company's By-Laws.

Regarding the election of the new members of the Company's Board of Directors, Brasil Telecom Participações registered, initially, that besides the vote instructions in connection with the Prior Meetings of Invitel S.A.'s and Brasil Telecom Participações S.A.'s shareholders, it received a notice from the shareholder Telecom Italia International N.V., dated September 29, 2005. Accordingly, the remarks below being considered, the shareholder Brasil Telecom Participações registered, in compliance with the mentioned vote instructions, the proposal that the appointment of the 6 (six) effective members and respective alternate members for the Board of Directors be made on the persons listed below, who shall be elected to complete the terms of office of the members being currently removed:
