**SABESP HAS NOT YET OBTAINED FROM THE PUBLIC ATTORNEY'S
OFFICE THE FINAL CALCULATION OF THE RETIREMENT AND PENSION
BENEFITS PAID BY SABESP ON BEHALF OF THE STATE OF
SÃO PAULO**

São Paulo, September 21, 2009 - **Companhia de Saneamento Básico do Estado de São Paulo SABESP** (BM&FBovespa: SBSP3; NYSE: SBS) (the Company), one of the largest water and sewage services providers in the world based on the number of customers, hereby informs that the Public Attorney's Office of the State of São Paulo (the Public Attorney's Office) have not yet delivered its final interpretation regarding the calculation and eligibility criteria applicable to the outstanding debt owed by the State of São Paulo (the State) to the Company in respect of supplemental retirement and pension benefits (the Benefits) that the Company paid on behalf of the State to the former employees of the State-owned companies which merged to form the Company. We expected to have received it by August 20, 2009. We have been closely monitoring the Public Attorney's Office's analysis of this issue and we expect to receive this final interpretation soon, but the Public Attorney Office did not set a new date to issue its final interpretation.

As previously informed, once the Public Attorney's Office issues a final interpretation of the calculation and eligibility criteria applicable to the Benefits and the Company is able to finalize the discussions with the State regarding the portion of the outstanding debt owed by the State to the Company that remains unsettled, totaling R\$409.1 million (this amount does not include certain applicable adjustments) as of December 31, 2008 (the Unsettled Amount), the Company expects that its independent auditors will have a more current determination so as to assess their previously issued opinion qualification in their report for the fiscal year ended December 31, 2008. However, the Company cannot assure that based on the new facts its independent auditors will be able to issue a report without the qualification for the fiscal year ended December 31, 2008.

In light of the above and of the information provided in the Form 12b-25 filed with the U.S. Securities and Exchange Commission on July 1st, 2009, the Company will continue to monitor and assess all the developments in relation to its annual report on Form 20-F for the fiscal year ended December 31, 2008, but, at this stage, is not in a position to determine when it will be able to file.
