NOTICE TO THE MARKET

São Paulo, Brazil, January 27, 2012 --- Braskem S.A. (“Braskem” or the “Company”) hereby informs that as a result of the partial spin-off of BRK Investimentos Petroquímicos S.A. (“BRK”), the direct controlling shareholder of the Company, and the merger of Petrobras Química S.A. – Petroquisa (“Petroquisa”), a wholly-owned subsidiary of Petróleo Brasileiro S.A. (“Petrobras”), by Petrobras, approved on this date by the Shareholders’ Meetings of Petrobras and BRK, Petrobras now holds only a direct equity interest in the Company while BRK and Odebrecht Serviços e Participações S.A. remain Braskem’s direct and indirect controlling shareholders, respectively.

As a result of above-mentioned transactions, the Company Shareholders’ Agreement will be amended at an opportune moment to reflect the above-mentioned changes. However, all the rights and obligations envisaged in said agreement will remain unchanged.

Further information can be obtained from the Company’s Investor Relations Department at +55 11 3576-9531 or by e-mail at braskem-ri@braskem.com.br.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
