**NOTICE ON RELATED-PARTY TRANSACTIONS**

Parties	Braskem S.A. (“Braskem” or “Seller”) and Petrobras Distribuidora S.A. – (“BR” or “Buyer”)
Relation with the issuer	BR is the subsidiary of Petrobras. Petrobras holds a 47.03% interest in Braskem’s voting capital and 36.11% of its total capital
Object	Sale of Gasoline A produced by Braskem in its units in the Camaçari (BA), Mauá (SP) and Triunfo (RS) Petrochemical Complexes.
Main terms and conditions	<u>Validity</u> : 60 days from the day July 01, 2016 or until the total delivery of trading volumes.
Date of contract signature	July 01, 2016
Eventual participation of the other party, its partners or administrators in the issuer’s decision process or in the negotiation of the transaction as representatives of the issuer	Petrobras, its partners and administrators did not participate in the negotiations as representatives of the issuer. The transaction is part of the operation that was deliberated by the Board of Directors of Braskem S.A., four of whose eleven members are appointed by Petrobras.
Detailed justification on the reasons why the issuer’s management believes that the transaction complied with commutative conditions or provides for proper compensatory payment	The commercial conditions agreed upon with Petrobras reflect the conditions for the sale of Gasoline A in the domestic market, assuring commutativity of the transaction for both parties.

### **FORWARD-LOOKING STATEMENTS**

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
