**Item 1.01. Entry into a Material Definitive Agreement.**

In March 2004 Nordson Corporation's shareholders approved the Nordson Corporation 2004 Long-Term Performance Plan (the "Performance Plan") and the Nordson Corporation 2004 Management Incentive Compensation Plan (the Compensation Plan"). The Company anticipates that the first awards under the Performance Plan and the Compensation Plan will be made on or after November 8, 2004.

The objective of the Performance Plan is to foster and promote the long-term growth and performance of the Company by enhancing the Company's ability to attract and retain qualified directors, officers and employees and by motivating directors, officers and employees through stock ownership and other incentives. The Compensation Committee of the Board of Directors (the "Committee") administers the Performance Plan, and may delegate any of its authority, as it deems appropriate. The Performance Plan provides authority for the grant of stock options, restricted stock, stock equivalent units, stock appreciation rights and other incentives. The aggregate number of Common Shares that may be subject to awards granted under the Performance Plan in any fiscal year of the Company during the term of the Performance Plan will be equal to the sum of (i) three percent (3.0%) of the number of Common Shares outstanding as of the first day of that fiscal year plus (ii) the number of Common Shares that were available for the grant of awards, but not granted, under the Performance Plan in previous fiscal years; provided that, in no event will the number of Common Shares available for the grant of awards in any fiscal year exceed three and one-half percent (3.5%) of the Common Shares outstanding as of the first day of that fiscal year. The aggregate number of Common Shares that may be issued upon exercise of Incentive Stock Options granted under the Performance Plan may not exceed 1,000,000. The Performance Plan will be in effect through fiscal 2013 unless earlier terminated by the Board of Directors. A copy of this plan is attached as Exhibit 10.1.
