Item 3.03 Material Modifications to Rights of Security Holders.

On December 9, 2005, Kansas City Southern ("KCS") completed the sale and issuance of 210,000 shares of its 5 1/8% Cumulative Convertible Perpetual Preferred Stock (the "Preferred Stock") Series D, par value \$1.00 per share. Each share of Preferred Stock is convertible, at any time, into shares of KCS common stock at a conversion rate of 33.3333 shares of KCS common stock for each share of Preferred Stock subject to adjustments to the conversion rate as a result of dividends or distributions payable in shares of KCS common stock, subdivision or reclassification of shares of KCS common stock, and other events in which the KCS common stock may be diluted as provided in the Certificate of Designations of 5 1/8% Cumulative Convertible Perpetual Preferred Stock of Kansas City Southern ("Certificate of Designations"), filed as Exhibit 4.1 to this Current Report on Form 8-K, and as described below.

Dividends on the Preferred Stock are payable at the discretion of the Company in cash, in KCS common stock or any combination thereof, when, as and if declared by the KCS board of directors, at the rate of 5.125% per annum of the liquidation preference of \$1,000 quarterly in arrears. Dividends on the Preferred Stock will be cumulative from the date of issuance. Accumulated but unpaid dividends on the Preferred Stock accumulate at the annual rate of 5.125%.

The Preferred stock ranks senior to the common stock and to each class or series of KCS capital stock that has terms which provide that such class or series will rank junior to the Preferred Stock and includes a liquidation preference that entitles the Preferred Stock holders to payment of \$1,000 per share of Preferred Stock plus an amount equal to all dividends (whether or not declared) accumulated and unpaid on the Preferred Stock to the date of a final distribution in the event of any liquidation, dissolution or winding-up of KCS, before any payment or distribution of the KCS's assets shall be made to or set apart for the holders of any KCS capital stock ranking junior to the Preferred Stock.

Upon certain designated events, holders of the Preferred Stock may, subject to legally available funds, require KCS to redeem any or all of their shares of Preferred Stock at the liquidation preference, plus any accumulated and unpaid dividends to the date of redemption, which KCS may pay in either cash, in shares of KCS common stock, or any combination thereof at KCS's option. Preferred Stock holders will have no other right to require KCS to redeem the Preferred Stock at any time. On or after February 20, 2011, KCS may, at its option, cause all, and not less than all, of the outstanding shares of Preferred Stock to be automatically converted into shares of KCS common stock at the then prevailing conversion rate, but only if the closing sale price of the KCS common stock multiplied by the conversion rate then in effect equals or exceeds 130% of the liquidation preference for 20 trading days during any consecutive 30 trading day period, and if KCS has paid all accumulated and unpaid dividends on the dividend payment date immediately preceding the forced conversion date.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

KCS's Amended and Restated Certificate of Incorporation provides the KCS board of directors with the authority to create, designate and fix the terms of and provide for the issuance of, from time to time, shares of new series preferred stock. As described in Item 3.03 above, KCS issued new series preferred stock, designated as 5 1/8% Cumulative Convertible Perpetual Preferred Stock Series D, on December 9, 2005 the terms of which are described more fully in the Certificate of Designations filed as Exhibit 4.1 to this Current Report on Form 8-K.

KCS amended its Amended and Restated Certificate of Incorporation upon its filing, on December 9, 2005, of the Certificate of Designations of the Preferred Stock with the Secretary of State of Delaware.

Item 9.01 Financial Statements and Exhibits.
