On July 17, 2006, La Jolla Pharmaceutical Company (the "Company") announced that Michael Tansey, B.Sc., MB ChB, M.D., FFPM, has joined the Company as Chief Medical Officer. From 1996 until 2003, Dr. Tansey, 58, was Chief Medical Officer of Pharmacia and Upjohn and then Chief Medical Officer and Senior Vice President of Medical Development and a member of the Chief Executive's Operations Committee for Pharmacia Corporation. He has also previously held positions of increasing responsibility at Rhone-Poulenc-Rorer, Glaxo and Hoechst. Dr. Tansey founded a consulting group, Competitive Drug Development LLC, in 2003 and has since guided more than twelve companies in the United States, Europe and Asia to optimize their development processes and plans. During this time, Dr. Tansey also worked part-time as Director of Clinical Operations for a contract clinical research organization and as part-time Chief Medical Officer for NovaCardia, a biotechnology company. The Company and Dr. Tansey have entered into an employment offer letter dated July 10, 2006 and executed July 14, 2006 (the "Offer Letter"). The Offer Letter provides that Dr. Tansey will receive, as a regular, part-time employee (i) an annual base salary of \$199,500, which is based on a part-time work schedule of 65% of his time devoted to his employment with the Company, (ii) a non-guaranteed annual bonus with a target amount of up to 35% of his base salary, with the exact amount to be determined each year based on Dr. Tansey's and the Company's performance with respect to performance objectives established by the Company's board of directors (iii) a payment of \$9,600 per year for supplemental medical coverage whereby, as a condition to this payment, Dr. Tansey must decline the Company's medical plan during open enrollment periods, and (iv) reimbursement of up to \$2,500 per month for expenses actually and reasonably incurred by Dr. Tansey for temporary housing for a period of up to six months from Dr. Tansey's start date or until Dr. Tansey obtains permanent housing, whichever occurs earlier.

In accordance with the Offer Letter, on July 17, 2006, the compensation committee of the Company's board of directors granted Dr. Tansey options to purchase 113,000 shares of common stock of the Company, with 33% of the shares vesting on the first anniversary date of the grant and the remaining 67% of the shares vesting ratably on a monthly basis over the next two years.
