**Item 1.01 Entry into a Material Definitive Agreement.**

On December 18, 2008, The Kansas City Southern Railway Company ("KCSR"), a wholly-owned subsidiary of Kansas City Southern (the "Company"), pursuant to an Underwriting Agreement dated December 15, 2008 (the "Underwriting Agreement") among KCSR, Morgan Stanley & Co. Incorporated and Bank of America Securities, as representatives of the underwriters listed therein, issued and sold \$190.0 million in aggregate principal amount of 13.0% Senior Notes due 2013 (the "Notes"). KCSR registered the Notes by means of a shelf registration statement on Form S-3 (File No. 333-155601) filed and declared automatically effective by the Securities and Exchange Commission on November 21, 2008. A copy of the Underwriting Agreement is attached hereto as Exhibit 1.1.

The Notes were issued pursuant an Indenture dated December 18, 2008 among KCSR, the Company, certain subsidiaries of the Company who guarantee KCSR's obligations under the Notes (collectively, the "Note Guarantors") and U.S. Bank National Association, as trustee and paying agent.

The Notes are fully and unconditionally guaranteed by the Company and the Note Guarantors. The Notes and the note guarantees will rank equally with all current and future unsecured and unsubordinated indebtedness of KCSR, the Company and each Note Guarantor, as applicable, and senior to all of KCSR's, the Company's or such Note Guarantor's future subordinated debt. The Notes will be effectively subordinated to all secured indebtedness of KCSR and each Note Guarantor, as applicable, to the extent of the value of the assets securing such indebtedness. The Notes will bear interest at a rate of 13.0% per annum, payable semi-annually on June 15 and December 15 of each year, beginning on June 15, 2009, to persons who are the registered holders of the Notes on the immediately preceding June 1 and December 1, respectively.

The Indenture limits the ability of KCSR, the Company, the Note Guarantors and their restricted subsidiaries, as applicable, to incur indebtedness, make restricted payments, create restrictions on dividend and certain other payments by restricted subsidiaries, issue and sell capital stock of restricted subsidiaries, enter into transactions with affiliates, incur liens, enter into sale-leaseback transactions, and sell assets, in each case subject to certain qualifications set forth in the Indenture.

In the event of a Change of Control (as defined in the Indenture), holders of the Notes will have the right to require KCSR to repurchase all or any part of Notes at a purchase price equal to 101% of the principal amount of such Notes, plus accrued and unpaid interest, if any, to the date of such repurchase.

Subject to certain qualifications and applicable grace periods, the Notes may be declared immediately due and payable by the trustee or the holders of at least 25% in aggregate principal amount of the Notes then outstanding upon the occurrence and continuance of certain events deemed to be "Events of Default," as set forth in the Indenture. In addition, subject to certain qualifications and applicable grace periods, certain Events of Default, as set forth in the Indenture, result in the Notes becoming immediately due and payable without any action on the part of the trustee or any holder.

The Notes will mature on December 15, 2013. However, KCSR, at its option, may redeem the Notes in whole or in part prior to December 15, 2011 by paying either 101% of the principal amount of the Notes, or a "make whole" premium, whichever is greater, plus in each case, accrued and unpaid interest thereon, if any. KCSR may also redeem some or all of the Notes on or after December 15, 2011 at the redemption prices set forth in the Indenture, plus accrued and unpaid interest, if any. In addition, subject to certain conditions, KCSR may, at its option, redeem up to 35% of the Notes prior to December 15, 2010, at the redemption price set forth in the Indenture, from the proceeds of the sale of capital stock by either the Company or KCSR.

The above description of the Indenture and the Notes is qualified in its entirety by reference to the terms of that agreement attached hereto as Exhibit 4.1.
