**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On June 8, 2011, the Board of Directors of Hubbell Incorporated (the "Company") elected John F. Malloy, 56, as Director of the Company. Mr. Malloy was appointed to serve on the Company's Audit Committee.

Mr. Malloy is the Chairman, President and Chief Executive Officer of Victaulic ("Victaulic") in Easton, Pennsylvania. Previously, he was President and Chief Operating Officer of Victaulic. Prior to joining Victaulic, Mr. Malloy served as President of North America for the Carrier division of United Technologies Corporation. Before that he was an Energy Economist at Air Products & Chemicals and taught Economics at Hamilton College. Mr. Malloy graduated with a B.A. in Economics from Boston College, and a Ph.D. in Economics from Syracuse University.

Mr. Malloy will receive compensation consistent with the other non-management directors of the Company. Such compensation includes: (1) an annual base retainer of \$75,000, and a Committee retainer of \$10,000 for membership on the Audit Committee, paid quarterly and pro-rated based upon the effective date of his appointment; and (2) a restricted share grant of Class B common stock valued at \$110,000 after each annual meeting of shareholders, which will vest at the next year's annual meeting of shareholders provided that the director is still serving as a director at the time of the meeting. Mr. Malloy is also eligible to defer receipt of such fees pursuant to a deferred compensation agreement providing for payment of the retainers in stock units (each stock unit consisting of one share each of the Company's Class A common stock and Class B common stock) or credited with interest at the prime rate as in effect at the Company's principal commercial bank on the date immediately following the quarterly directors' meeting, subject to certain terms and conditions of the Company's Deferred Compensation Plan for Directors under which the fees are deferred. Dividend equivalents are paid on the stock units and are converted into additional stock units. Distributions are made in either a lump sum or in installment payments, at the Director's election.

**Item 9.01 Financial Statements and Exhibits.**

A copy of the Company's press release announcing the election of Mr. Malloy to the Board of Directors is attached as Exhibit 99.1 and is incorporated herein by reference.
