Edgar Filing: Cole Credit Property Trust II Inc - Form POS AM

**This Post-Effective Amendment No. 10 to Form S-11 Registration Statement (Commission File No. 333-121094) shall become effective in accordance with the provisions of Section 8(c) of the Securities Act of 1933.**

---

**Termination of Initial Public Offering and Deregistration of Shares of Common Stock**

Cole Credit Property Trust II, Inc. (the Registrant) filed a Registration Statement on Form S-11 (Commission File No. 333-121094) (the Registration Statement), which was declared effective by the Securities and Exchange Commission on June 27, 2005, pursuant to which the Registrant registered 50,000,000 shares of common stock. Of the 50,000,000 shares of common stock registered, 45,000,000 shares were offered to the public on a best efforts basis at \$10.00 per share, with discounts available for certain categories of purchasers, and 5,000,000 shares were offered pursuant to the Registrant's distribution reinvestment plan (the DRP) at a purchase price of \$9.50 per share. On November 13, 2006, the Registrant filed a Registration Statement on Form S-11 (Commission File No. 333-138663) pursuant to Rule 462(b) under the Securities Act of 1933, as amended, to register additional shares of common stock, increasing the total number of shares of common stock offered in the best efforts public offering to 49,390,000 and increasing the total number of shares of common stock offered pursuant to the DRP to 5,952,000. Subsequently, the Registrant reallocated the shares of common stock such that a maximum of 54,140,000 shares of common stock were available under the best efforts public offering, for an aggregate offering price of \$541,400,000, and a maximum of 1,202,000 shares were available under the DRP, for an aggregate offering price of \$11,419,000.

The Registrant terminated the offering of the shares covered by this Registration Statement effective as of close of business on May 22, 2007. As of close of business on May 22, 2007, the Registrant had sold a total of 54,838,315 shares pursuant to the Registration Statement, including 53,909,877 shares sold to the public and 928,438 shares sold pursuant to the DRP, resulting in gross offering proceeds to the Registrant of approximately \$547,000,000. Thus, at the completion of the offering, there remained unsold a total of 503,685 shares of common stock, which includes 230,123 shares that remained unsold in the best efforts public offering and 273,562 shares of common stock that remained unsold pursuant to the Registrant's distribution reinvestment plan. By filing this post-effective amendment, the Registrant hereby deregisters all of the 503,685 shares of common stock that remained unsold in the initial public offering as of the close of business on May 22, 2007.

---
