The enclosed proxy is being solicited by the Company's Board of Directors. The costs of the solicitation will be borne by the Company. Proxies may be solicited personally or by mail, telephone, facsimile or telegraph by directors, officers and regular employees of the Company, none of whom will receive any additional compensation for such solicitations. The Company will reimburse banks, brokers, nominees, custodians and fiduciaries for their reasonable out-of-pocket expenses incurred in sending the proxy materials to beneficial owners of the shares.

Voting Rights and Votes Required

Holders of shares of Metalline Mining Company common stock (the **Common Stock**), at the close of business on Friday, February 22, 2008 (the **Record Date**) are entitled to notice of, and to vote at, the Meeting. The presence, in person or by proxy, of holders of one-third of the shares of common stock outstanding as of the Record Date constitute a quorum for the transaction of business at the Meeting. In the event there are not sufficient votes for a quorum or to approve any proposals at the time of the Meeting, the Meeting may be adjourned in order to permit further solicitation of proxies. Abstentions will count towards quorum requirements.

As to the election of directors under Proposal One, the proxy card being provided by the Board enables a shareholder to vote for the election of each of the nominees proposed by the Board, or to withhold authority to vote for one or more of the nominees being proposed. Shares of Common Stock represented by all properly executed proxies received at the Company's transfer agent by Monday April 14, 2008 will be voted as specified in the proxy. Unless contrary instructions are indicated on the proxy, the shares of Common Stock represented by such proxy will be voted FOR the slate of directors described herein; and FOR Proposal Two as described herein. Management and the Board of Directors of the Company know of no other matters to be brought before the Meeting other than as described herein. If any other matters are properly presented to the shareholders for action at the Meeting and any adjournments or postponements thereof, the proxy holder named in the enclosed proxy intends to vote in his discretion on all matters on which the shares of Common Stock represented by such proxy are entitled to vote.

The giving of the enclosed proxy does not preclude the right to vote in person should the shareholder giving the proxy so desire. A proxy may be revoked at any time prior to its exercise by (i) providing notice in writing to the Company's corporate secretary that the proxy is revoked; (ii) presenting to the Company a later-dated proxy; or (iii) by attending the Meeting and voting in person.

The process for evaluating a director nominee is the same whether a nominee is recommended by a shareholder or by an existing officer or director. The Nominating Committee will:

- (1) Establish criteria for selection of potential directors, taking into consideration the following attributes which are desirable for a member of our Board of Directors: leadership; independence; interpersonal skills; financial acumen; business experiences; industry knowledge; and diversity of viewpoints. The Nominating Committee will periodically assess the criteria to ensure it is consistent with best practices and the goals of the Company.
- (2) Identify individuals who satisfy the criteria for selection to the Board and, after consultation with the Chairman of the Board, make recommendations to the Board on new candidates for Board membership.
- (3) Receive and evaluate nominations for Board membership which are recommended by existing directors, corporate officers, or shareholders in accordance with policies set by the Nominating Committee and applicable laws.

The Nominating Committee held two meetings by unanimous written consent during the year ended October 31, 2007, and has taken action by unanimous consent once during the current fiscal year. On January 18, 2008 the Nominating Committee nominated Merlin Bingham, Roger Kolvoord, Robert Kramer, Wesley Pomeroy and Gregory Hahn then serving on our Board of Directors to stand for re-election. The Company has not engaged the services of or paid a fee to any third party or parties to identify or evaluate or assist in identifying or evaluating potential nominees.

INDEPENDENT PUBLIC ACCOUNTANTS

The Audit Committee selected the independent accounting firm of Hein & Associates LLP (Hein) with respect to the audit of our financial statements for the year ended October 31, 2007. A representative of Hein is expected to be present at the Annual Meeting, and if present will have the opportunity to make a statement if he or she desires to do so, and will be available to answer questions from shareholders.

Prior to Hein being appointed to serve as our independent registered public accountant Williams & Webster P.S. served as the Company s independent accounting firm. Our Audit Committee recommended that Williams & Webster be dismissed as the Company s independent registered public accounting firm. Accordingly, on August 31, 2007 we notified Williams & Webster that it was dismissed as the Company s auditor effective immediately. On September 4, 2007 the Audit Committee and Board of Directors approved the appointment of Hein, certified public accountants, as the Company s independent registered accounting firm. On September 7, 2007, we filed an amended current report on Form 8-K/A with the Securities and Exchange Commission regarding the dismissal of Williams & Webster, P.S. and the appointment of Hein.

William & Webster s principal accountant report on the Company s financial statements for both of our fiscal years ending October 31, 2006 and October 31, 2005 did not contain an adverse opinion or disclaimer of opinion, nor was either modified as to uncertainty, audit scope, or accounting principles. However, there was an explanatory paragraph in Williams & Webster s report on the Company s financial statements included in Form 10-KSB for the year October 31, 2005, indicating that the accompanying consolidated financial statements had been prepared assuming that the Company will continue as a going concern, and Williams & Webster identified certain factors that raised substantial doubt about the Company s ability to continue as a going concern. That explanatory paragraph was not contained in Williams & Webster s report on the Company s financial statements included in the Company s Form 10-KSB for the year ended October 31, 2006.

There were no disagreements with Williams & Webster on any matter of accounting principles, practices, financial statement disclosure, or auditing scope or procedure which if not resolved to Williams & Webster s satisfaction would have caused Williams & Webster to make reference to the subject matter of the disagreement in connection with its principal accounting reports.

We provided Williams & Webster with a copy of the disclosure included within the September 7, 2007 Form 8-K/A and requested Williams & Webster furnish a letter addressed to the Securities and Exchange Commission stating whether Williams & Webster agreed with the Company s statements in that Form 8-K/A. The content of Williams & Webster s letter is provided below:

Dear Sirs:

We are in agreement with the statements made by the above registrant in its Form 8-K to be filed on or about September 4, 2007.

Our independent auditor's report on the financial statements of Metalline Mining Company for the period ended October 31, 2006 contained no adverse opinion or disclaimer of opinion, nor was it modified as to audit scope, accounting principles, or uncertainties. Our independent auditor's report on the financial statements of Metalline Mining Company for the period ended October 31, 2005 contained no adverse opinion or disclaimer of opinion, nor was it modified as to audit scope, accounting principles, or uncertainties other than inclusion of an explanatory paragraph regarding doubt about the Company's ability to continue as a going concern.

There were no disagreements with Metalline Mining Company on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure.

Sincerely,

/s/ Williams & Webster, P.S.

Audit Committee's Pre-Approval Practice

Section 10A(i) of the Exchange Act prohibits our auditors from performing audit services for us as well as any services not considered to be audit services unless such services are pre-approved by the audit committee of the Board of Directors, or unless the services meet certain *de minimis* standards. The Audit Committee's charter (adopted May 1, 2006 and amended December 5, 2006) provides that the Audit Committee must:

Preapprove all audit services that the auditor may provide to us or any subsidiary (including, without limitation, providing comfort letters in connection with securities underwritings or statutory audits) as required by §10A(i)(1)(A) of the Exchange Act (as amended by the Sarbanes-Oxley Act of 2002).

Preapprove all non-audit services (other than certain *de minimis* services described in §10A(i)(1)(B) of the Exchange Act (as amended by the Sarbanes-Oxley Act of 2002)) that the auditors propose to provide to us or any of our subsidiaries.

The Audit Committee considers at each of its meetings whether to approve any audit services or non-audit services. In some cases, management may present the request; in other cases, the auditors may present the request.

Although the Company is not required to submit the selection of independent registered public accountants for shareholder approval, if the shareholders do not ratify this selection, the Board of Directors may reconsider its selection of Hein. The Board considers Hein to be well qualified to serve as the independent auditors for the Company, however even if the selection is ratified, our Board of Directors may direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit Committee and Board of Directors determines that the change would be in our best interests.

The Board of Directors recommends a vote FOR Proposal Two. Proposal Two requires the affirmative vote of a majority of the votes cast by the holders of shares entitled to vote at the Meeting.
