GENERAL INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

In this section of the proxy statement, we answer some common questions regarding the Annual Meeting and voting at the Annual Meeting.

Q. WHAT AM I BEING ASKED TO CONSIDER AT VOTE ON AT THE ANNUAL MEETING?

A. The matters to be considered and voted upon at the Annual Meeting are:

The election of two Class I Directors to serve until the Company's 2018 Annual Meeting of Stockholders and until their successors are duly elected and qualify. The directors currently serving in Class I are Greg Burglin and Rodney Yee.

The ratification of the selection of Tait, Weller & Baker LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2015.

The transaction of any other business that may properly come before the Annual Meeting or any postponement or adjournment thereof.

Q. HOW DOES THE BOARD OF DIRECTORS SUGGEST THAT I VOTE?

The Board of Directors unanimously recommends that you vote FOR the election of each of its two nominees for A. director and FOR the ratification of the selection of Tait, Weller & Baker LLP as the Company's independent registered public accounting firm.

Q. HOW CAN I VOTE?

If your shares are held in "Street Name" by a broker or bank, you will receive information regarding how to instruct your bank or broker to vote your shares. If you are a stockholder of record, you may authorize the persons named as proxies on the enclosed proxy card to cast the votes you are entitled to cast at the meeting by completing, signing, A. dating and returning the enclosed proxy card. Stockholders of record or their duly authorized proxies also may vote in person if able to attend the meeting. However, even if you plan to attend the meeting, we urge you to return your proxy card. That will ensure that your vote is cast should your plans change.

Q. HOW PROXIES WILL BE VOTED?

All proxies solicited by the Board of Directors that are properly authorized at or prior to the Annual Meeting, and that are not revoked, will be voted at the Annual Meeting. Votes will be cast in accordance with the instructions specified. If no instructions are specified, the persons named as proxies will cast such votes FOR the election of A. each of the two nominees for director and FOR the ratification of the selection of Tait, Weller & Baker LLP as the Company's independent registered public accounting firm. We know of no other matters to be properly presented at the Annual Meeting. However, if another proposal is properly presented at the Annual Meeting, the persons named as proxies on the enclosed proxy card will cast votes on each proposal in their sole discretion.

Q. CAN I REVOKE MY PROXY?

A. Yes. At any time before it has been exercised, you may revoke your proxy by:

• sending a letter revoking your proxy to the Secretary of the Company at our offices located at 150 Almaden Boulevard, Suite 1250, San Jose, CA 95113;

• properly executing and sending a later-dated proxy; or

• attending the Annual Meeting, requesting return of any previously delivered proxy, and voting in person. Attendance at the Annual Meeting alone will not revoke your proxy.

Q. WHAT CONSTITUTES A QUORUM?

A. The presence, in person or by proxy, of holders of shares of shares entitled to cast a majority of the votes entitled to be cast at the Annual Meeting constitutes a quorum for the purposes of the Annual Meeting. No business may be conducted at the Annual Meeting if a quorum is not present. Abstentions and broker “non-votes” will be counted as present for purposes of determining a quorum. A broker non-vote is a vote that is not cast on a non-routine matter because the shares entitled to cast the vote are held in “street name”, the broker lacks discretionary authority to vote the shares and the broker has not received voting instructions from the beneficial owner.

If a quorum is not present in person or by proxy at the Annual Meeting, the chairman of the Annual Meeting may adjourn the meeting to a date not more than 120 days after the original Record Date without notice other than announcement at the Annual Meeting.

Q. WHAT IS THE REQUIRED VOTE FOR APPROVAL OF EACH PROPOSAL PROPERLY PRESENTED AT THE ANNUAL MEETING?

A. Proposal One. The election of Messrs. Burglin and Yee as a Class I Directors requires the affirmative vote of a plurality of the votes cast at the Annual Meeting. Each share of common stock is entitled to one vote for each of the two directors to be elected at the Annual Meeting. For the purposes of Proposal One, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the election of Messrs. Burglin and Yee.

Proposal Two. The ratification of the selection of Tait, Weller & Baker LLP as the Company’s independent registered public accounting firm requires the affirmative vote of a majority of the votes cast at the Annual Meeting. Each share of common stock is entitled to one vote. For purposes of the vote on Proposal Two, abstentions and broker non-votes, if any, will not be counted as votes cast and will have no effect on the result of the vote.

Q. WHAT IF OTHER MATTERS COME UP AT THE ANNUAL MEETING?

A. The Board of Directors does not know of any matters to be properly presented at the Annual Meeting other than those referred to in this proxy statement. If other matters are properly presented at the Annual Meeting (or any postponement or adjournment thereof) for consideration, and you properly authorize a proxy, the persons named as proxy holders will have the discretion to vote on those matters for you.

Q. WHO IS SOLICITING MY VOTE?

A. In this proxy statement, the Board of Directors is soliciting your vote for matters properly submitted for stockholder consideration at the Annual Meeting.

Q.WHO PAYS FOR THIS SOLICITATION OF PROXIES?

The expenses of preparing, printing and mailing the enclosed proxy card, the accompanying notice and this proxy statement, tabulation expenses, and all other costs, in connection with this solicitation of proxies will be borne by the Company. We may also reimburse banks, brokers and others for their reasonable expenses in forwarding proxy solicitation material to the beneficial owners of our shares. In order to obtain the necessary quorum at the meeting, additional solicitation may be made by mail, telephone, telegraph, facsimile or personal interview by representatives of the Company, FCM, our transfer agent, or by brokers or their representatives or by a solicitation firm that may be engaged by the Company to assist in proxy solicitations. We will not pay any of our representatives or FCM any additional compensation for their efforts to supplement proxy solicitation.

Q.CAN I VIEW THE PROXY STATEMENT AND ANNUAL REPORT ON THE INTERNET?

A. Yes. The proxy statement and Annual Report are available on the Internet at www.firsthandtvf.com/proxy2015.

This information summarizes information that is included in more detail in the proxy statement. We urge you to read the proxy statement carefully. If you have questions, call 800.976.8776.

**PROPOSAL ONE
ELECTION OF DIRECTORS**

Under our charter, our Board of Directors (the “Board”) is divided into three classes (Class I, Class II and Class III). We currently have six directors.

The Board has nominated them for re-election at the Annual Meeting, to serve until the 2018 Annual Meeting of Stockholders and until their successors have been duly elected and qualify.

The Board knows of no reason why the nominees will be unable to serve, and the nominees have consented to serve if re-elected. If any of the nominees are unable to serve or for good cause will not serve because of an event not now anticipated, the persons named as proxies may vote in their discretion for another nominee designated by the Board. The persons named as proxies on the accompanying proxy card intend to vote at the Annual Meeting (unless otherwise instructed) FOR the election of Messrs. Burglin and Yee as the Class I directors.

INFORMATION ABOUT EACH DIRECTOR’S QUALIFICATIONS, EXPERIENCE, ATTRIBUTES OR SKILLS

The Board believes that each of its directors has the qualifications, experience, attributes and skills (“Director Attributes”) appropriate to their continued service as directors of the Company in light of the Company’s business and structure. Each of the directors has a demonstrated record of business and/or professional accomplishment that indicates that they have the ability to critically review, evaluate and access information provided to them. Certain of these business and professional experiences are set forth in detail in the charts above. Each director has served on boards for organizations other than the Company, and, except for Mr. FitzGerald (who joined the Board in 2013), Mr. Petredis (who joined the Board in 2014) and Mr. Yee (who did not serve on the Board for part of 2013 and 2014), each of the directors has served on the Board of the Company since its inception. In addition, they either have substantial boardroom experience and/or, in their service to the Company, have gained substantial insight into the operation of the Company and have demonstrated a commitment to discharging their duties as directors.

In addition to the information provided in the charts above, certain additional information regarding the directors and their Director Attributes is provided below. The information provided below, and in the charts above, is not all-inclusive. Many Director Attributes involve intangible elements, such as intelligence, integrity and work ethic, along with the ability to work together, to communicate effectively, to exercise judgment and ask incisive questions, and commitment to stockholder interests. The Board annually conducts a self-assessment wherein the effectiveness of the Board and individual directors is reviewed. In conducting its annual self-assessment, the Board has determined that the directors have the appropriate attributes and experience to continue to serve effectively as directors of the Company.

Mr. Burglin has also served as Trustee to Firsthand Funds, a Delaware statutory trust, since November 2008. AUDIT COMMITTEE PRE-APPROVAL POLICIES AND PROCEDURES

Before the auditor is (i) engaged by us to render audit, audit related or permissible non-audit services to us or (ii) with respect to non-audit services to be provided by the auditor to FCM or any entity in the investment company complex, if the nature of the services provided relate directly to our operations or financial reporting, either: (a) the Audit Committee shall pre-approve such engagement; or (b) such engagement shall be entered into pursuant to pre-approval policies and procedures established by the Audit Committee. Any such policies and procedures must be detailed as to the particular service and not involve any delegation of the Audit Committee's responsibilities to FCM. The Audit Committee may delegate to one or more of its members the authority to grant pre-approvals. The pre-approval policies and procedures shall include the requirement that the decisions of any member to whom authority is delegated under this provision shall be presented to the full Audit Committee at its next scheduled meeting. Under certain limited circumstances, pre-approvals are not required if certain de minimis thresholds are not exceeded, as such thresholds are set forth by the Audit Committee and in accordance with applicable SEC rules and regulations.

For engagements with Tait, Weller & Baker LLP, the Audit Committee approved in advance all audit services and non-audit services that Tait, Weller & Baker LLP provided to us (with respect to our operations and financial reporting). None of the services rendered by Tait, Weller & Baker LLP to us or FCM were pre-approved by the Audit Committee pursuant to the pre-approval exception under Rule 2.01(c)(7)(i)(C) or Rule 2.01(c)(7)(ii) of Regulation S-X. The Audit Committee has considered whether the provision of non-audit services rendered by Tait, Weller & Baker LLP to FCM and any entity controlling, controlled by, or under common control with FCM that were not required to be pre-approved by the Audit Committee is compatible with maintaining Tait, Weller & Baker LLP's independence.

AUDIT COMMITTEE REPORT

The Audit Committee (the "Audit Committee") of the Board of Directors (the "Board") of Firsthand Technology Value Fund, Inc. ("the Company") is responsible for assisting the Board in monitoring (1) the accounting and reporting policies and procedures of the Company, (2) the quality and integrity of the Company's financial statements, (3) the Company's compliance with regulatory requirements, and (4) the independence and performance of the Company's independent auditors. Among other responsibilities, the Audit Committee reviews, in its oversight capacity, the Company's annual financial statements with both management and the independent auditors and the Audit Committee meets periodically with the independent auditors to consider their evaluation of the Company's financial and internal controls. The Audit Committee also selects, retains, evaluates and may replace the Company's independent auditors and determines their compensation, subject to ratification of the Board, if required. The Audit Committee is currently composed of three Directors. The Audit Committee operates under a written charter (the "Audit Committee Charter") adopted and approved by the Board. Each committee member is "independent" in accordance with Nasdaq Stock Market corporate governance regulations.

The Audit Committee, in discharging its responsibilities, has met with and held discussions with management and the Company's independent auditors. The Audit Committee has reviewed and discussed the Company's audited financial statements with management. Management has represented to the independent auditors that the Company's financial statements were prepared in accordance with generally accepted accounting principles. The Audit Committee has also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communications with Audit Committees). The Audit Committee has received the written disclosures and the letter from the Company's independent auditors required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditors' communications with the Audit Committee concerning independence, and has discussed with the independent auditors the independent auditors' independence. As provided in the Audit Committee Charter, it is not the Audit Committee's responsibility to determine, and the considerations and discussions referenced above do not ensure, that the Company's financial statements are complete and accurate and presented in accordance with generally accepted accounting principles.

Edgar Filing: Firsthand Technology Value Fund, Inc. - Form PRE 14A

COMPENSATION DISCUSSION AND ANALYSIS

Pursuant to an investment management agreement between FCM (our external manager) and us, our external manager is responsible for supervising the investments and reinvestments of the Company's assets. Our external manager, at its own expense, maintains staff and employs personnel as it determines is necessary to perform its obligations under the investment management agreement. We pay management fees to our external manager for its advisory and other services performed under the investment management agreement.

Our executive officers who manage our regular business are employees of our external manager or its affiliates. Accordingly, we do not pay any salaries, bonuses or other compensation to our executive officers. We do not have employment agreements with our executive officers. We do not provide pension or retirement benefits, perquisites, or other personal benefits to our executive officers. We do not maintain any compensation plans under which our equity securities are authorized for issuance. We do not have arrangements to make payments to our executive officers upon their termination or in the event of a change in control of the Company.

The investment management agreement does not require our external manager to dedicate specific personnel to fulfilling its obligation to us under the investment management agreement, or require personnel to dedicate a specific amount of time. In their capacities as executive officers or employees of our external manager or its affiliates, they devote a portion of their time to our affairs as required for the performance of the duties of our external manager under the investment management agreement.

Our executive officers are compensated by our external manager. We understand that our external manager takes into account the performance of the Company as a factor in determining the compensation of certain of its senior managers, and such compensation may be increased depending on the Company's performance. In addition to compensation for services performed for the Company, certain of our executive officers receive compensation for services performed for various investment funds of our external manager. However, our external manager cannot segregate and identify that portion of the compensation awarded to, earned by or paid to our executive officers that relates exclusively to their services to us. The compensation of our Chief Compliance Officer will be paid by us.

We are required to report herein any failure to file such reports by applicable due dates for filings. Based on our review of any Forms 3, 4 and 5 filed by such persons, we believe that, during the fiscal year, all Section 16(a) filing requirements applicable to such persons were met in a timely manner.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

We have entered into the Investment Management Agreement with FCM, in which the chairman of our Board of Directors and our Chief Executive Officer and Chief Financial Officer has ownership and financial interests. The other investment professionals of the Investment Adviser may also serve as principals of other investment managers affiliated with FCM that may currently and also in the future manage investment funds with investment objectives similar to ours. In addition, our current executive officers and directors, the Chief Financial Officer and Chief Compliance Officer, and the other senior investment professionals whom the FCM currently retains, serve or may serve as officers, directors, or principals of entities that operate or may operate in the same or related line of business as we do or of investment funds managed by our affiliates. Accordingly, we may not be given the opportunity to participate in certain investments made by investment funds managed by advisers affiliated with FCM. However, FCM intends to allocate investment opportunities in a fair and equitable manner consistent with our investment objectives and strategies so that we are not disadvantaged in relation to any other client of the Investment Adviser.

CORPORATE GOVERNANCE

BOARD LEADERSHIP STRUCTURE

The Company's business and affairs are managed under the direction of its Board of Directors, including the responsibilities performed for us pursuant to our investment management agreement. Among other things, the Board of Directors sets broad policies for the Company, approves the appointment of the Company's investment adviser, administrator and officers, and approves the engagement, and reviews the performance of, the Company's independent registered accounting firm. The role of the Board and of any individual director is one of oversight and not of management of the day-to-day affairs of the Company.

The Board of Directors currently consists of six directors, five of whom are not "interested persons," as defined in the 1940 Act. We refer to these individuals as our "Independent Directors." As part of each regular Board meeting, the Independent Directors meet separately from management and, as part of at least one Board meeting each year, with the Company's Chief Compliance Officer. The Board reviews its leadership structure periodically as part of its annual self-assessment process and believes that its structure is appropriate to enable the Board to exercise its oversight of the Company.

Under the Company's Bylaws, the Chairman of the Board presides over meetings of the Board of Directors and the Board of Directors may designate a chairman to preside over meetings of stockholders, and to perform such other duties as may be assigned to him or her by the Board. The Company does not have an established policy as to whether the Chairman of the Board shall be an Independent Director and believes that its flexibility to determine its Chairman and reorganize its leadership structure from time to time is in the best interests of the Company and its stockholders.

Presently, Mr. Landis serves as Chairman of the Board of Directors. Mr. Landis is an "interested person" of the Company, as defined in the 1940 Act, by virtue of his employment relationship with FCM. The Company believes that Mr. Landis' history with the Company, familiarity with FCM's investment platform and extensive experience in the field of technology-related investments qualifies him to serve as the Chairman of the Board. The Board has determined that the composition of the Audit, Valuation, Compensation, and Nominating Committees are appropriate means to address any potential conflicts of interest that may arise from the Chairman's status as an interested person of the Company. The Board of Directors believes that this Board leadership structure—a combined Chairman of the Board and Chief Executive Officer and committees led by Independent Directors—is the optimal structure for the Company at this time. Since the Chief Executive Officer has the most extensive knowledge of the various aspects of the Company's business and is directly involved in managing both the day-to-day operations and long-term strategy of the Company, the Board has determined that Mr. Landis is the most qualified individual to lead the Board and serve in the key position as Chairman. The Board has also concluded that this structure allows for efficient and effective communication with the Board.

The Company's Board of Directors does not currently have a designated lead independent director. Instead, all of the Independent Directors play an active role on the Board of Directors. The Independent Directors compose a majority of the Company's Board of Directors, and are closely involved in all material deliberations related to the Company. The Board of Directors believes that, with these practices, each Independent Director has an equal stake in the Board's actions and oversight role and equal accountability to the Company and its stockholders.

BOARD ROLE IN RISK OVERSIGHT

The Board oversees the services provided by FCM, including certain risk management functions. Risk management is a broad concept composed of many disparate elements (such as, for example, investment risk, issuer and counterparty risk, compliance risk, operational risk, and business continuity risk). Consequently, Board oversight of different types of risks is handled in different ways, and the Board implements its risk oversight function both as a whole and through Board committees. In the course of providing oversight, the Board and its committees receive reports on the

Company's activities, including regarding the Company's investment portfolio and its financial accounting and reporting. The Board also reviews reports at least quarterly, and meets at least once annually with the Company's Chief Compliance Officer, who reports on the compliance of the Company with the federal securities laws and the Company's internal compliance policies and procedures. The Audit Committee's meetings with the Company's independent public accounting firm also contribute to its oversight of certain internal control risks. In addition, the Board meets periodically with representatives of the Company and FCM to receive reports regarding the management of the Company, including certain investment and operational risks, and the Independent Directors are encouraged to communicate directly with senior management.

The Company believes that the Board's roles in risk oversight must be evaluated on a case-by-case basis and that its existing role in risk oversight is appropriate. Management believes that the Company has robust internal processes in place and a strong internal control environment to identify and manage risks. However, not all risks that may affect the Company can be identified or processes and controls developed to eliminate or mitigate their occurrence or effects, and some risks are beyond any control of the Company or FCM, its affiliates, or other service providers.

NOMINEES FOR DIRECTOR

The Nominating Committee evaluates candidates' qualifications for Board membership. The Nominating Committee takes diversity of a particular candidate and overall diversity of the Board into account when considering and evaluating candidates for Director. While the Nominating Committee has not adopted a particular definition of diversity or a particular policy with regard to the consideration of diversity in identifying candidates, when considering a candidate's and the Board's diversity, the Nominating Committee generally considers the manner in which each candidate's leadership, independence, interpersonal skills, financial acumen, integrity and professional ethics, educational and professional background, prior director or executive experience, industry knowledge, business judgment and specific experiences or expertise would complement or benefit the Board and, as a whole, contribute to the ability of the Board to oversee the Company. The Nominating Committee may also consider other factors or attributes as it may determine appropriate in its judgment. The Nominating Committee believes that the significance of each candidate's background, experience, qualifications, attributes or skills must be considered in the context of the Board as a whole. As a result, the Nominating Committee has not established any litmus test or quota relating to these matters that must be satisfied before an individual may be nominated to serve as a Director. The Board believes that Board effectiveness is best evaluated at a group level, through its annual self-assessment process. Through this process, the Board considers whether the Board as a whole has an appropriate level of sophistication, skill and business acumen and the appropriate range of experience and background.

COMMUNICATIONS BETWEEN STOCKHOLDERS AND THE BOARD OF DIRECTORS

Stockholders may send communications to the Board of Directors. Communications should be addressed to the Secretary of the Company at our principal offices at 150 Almaden Boulevard, Suite 1250, San Jose, CA 95113. The sender should indicate in the address whether it is intended for the entire Board, the independent directors as a group or an individual director. The Secretary will forward any communications received directly to the intended recipient in accordance with the instructions.

CODE OF ETHICS

We have adopted a supplemental antifraud code of ethics which applies to, among others, our principal and senior financial officers, including our principal executive officer and principal financial officer. Our supplemental antifraud code of ethics is filed as Exhibit 14.1 of our Annual Report on Form 10-K, filed with the SEC on March 16, 2015 and can be accessed via the SEC's Internet site at www.sec.gov. We intend to disclose any amendments to or waivers of required provisions of this code on Form 8-K.

We have also adopted a code of ethics pursuant to Rule 17j-1 under the 1940 Act that establishes personal trading procedures for employees designated as access persons. Access persons may engage in personal securities transactions, including transactions involving securities that are currently held by us or, in limited circumstances, that are being considered for purchase or sale by us, subject to certain general restrictions and procedures set forth in our code of ethics. Our code of ethics is filed as Exhibit 99 (R) to Form N-2, filed with the SEC on December 24, 2014, and can be accessed via the SEC's Internet site. We also have a code of business conduct, which is available on our website and in print to any stockholder who requests it.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Because our executive officers do not receive any direct compensation from us, none of the Board, the Nominating Committee, the Compensation Committee, or any present or former officers or employees of the Company participated in any deliberations concerning executive officer compensation.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement and annual report addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies.

This year a number of brokers with account holders who are the Company’s stockholders will be “householding” its proxy materials. A single proxy statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. If you have received notice from your broker that it will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in “householding” and would prefer to receive a separate proxy statement and annual report, please notify your broker. Stockholders who currently receive multiple copies of the proxy statement and annual report at their addresses and would like to request “householding” of their communications should contact their brokers.

APPENDIX A

FIRSTHAND TECHNOLOGY VALUE FUND, INC.
AUDIT COMMITTEE CHARTER

September 10, 2010

The Audit Committee (the “Committee”) of the Board of Directors (the “Board”) of Firsthand Technology Value Fund, Inc. (the “Fund”) shall be composed entirely of Directors who are not “interested” persons of the Fund, any investment adviser or principal underwriter, as defined in the Investment Company Act of 1940, as amended. The full Board shall designate the members of the Committee and shall either designate the Chairman or shall approve the manner of selection of the Chairman.

The Board shall determine annually whether any member of the Committee is an “audit committee financial expert” as defined in Item 3 of Form N-CSR. Any member of the Committee who is determined to be such an expert shall not bear any duties, obligations or liabilities that are greater than the duties, obligations and liabilities imposed on such member as a member of the Committee and the Board in the absence of such determination.

2. The primary responsibilities of the Committee are:

- To oversee the accounting and financial reporting policies of the Fund and practices, including their internal controls over financial reporting and, as the Committee deems appropriate, the internal controls of key service providers;
- b) To oversee the quality and objectivity of, and review the results of, the annual audits of the Fund’s financial statements and the independent audit thereof;
- To interact with the Fund’s independent auditors (the “Auditors”) on behalf of the full Board and to interact with the appropriate officers of the Fund, and the investment adviser, administrator and other key service providers other than the Auditors (collectively, “Management”) regarding accounting and financial reporting matters;
- c) To oversee, or, as appropriate, assist Board oversight of, the Fund’s compliance with legal and regulatory requirements that relate to the Fund’s accounting and financial reporting, internal controls and independent audits; and
- d) To approve the Auditors and, in connection therewith, to review and evaluate the qualifications, independence and performance of the Auditors.
- e)

The function of the Committee is oversight. Management is primarily responsible for maintaining appropriate systems for accounting and internal control, and the Auditors are primarily responsible for planning and carrying out a proper audit. Specifically, Management is responsible for: (1) the preparation, presentation, and integrity of the Fund’s financial statements; (2) the implementation of appropriate accounting and financial reporting principles and policies; and (3) the maintenance of internal controls and procedures designed to assure compliance with all applicable accounting standards, laws, and regulations. The Auditors are responsible for planning and carrying out a proper audit and review. Nothing in this Charter shall be construed to reduce the responsibilities or liabilities of Management or the Auditors.

Although the Committee is expected to take a questioning and deliberative approach to the matters that come before it, the review of the Fund’s financial statements by the Committee is not an audit, nor does the Committee’s review substitute for the responsibilities of Management for preparing, or the Auditors for auditing, the Fund’s financial statements. Members of the Committee are not full-time employees of the Fund and, in serving on the Committee, are not, and do not hold themselves out to be, acting as accountants or auditors. As such, it is not the duty or responsibility of the Committee or its members to conduct “field work” or other types of auditing or accounting reviews or procedures. In addition, the authority and responsibilities set forth in this Charter do not reflect or create any duty or obligation of the Committee to plan or conduct any audit, to determine or certify that the Fund’s financial statements

are complete, accurate, fairly presented, or in accordance with generally accepted accounting principles or applicable laws, or to guarantee any report of the Auditors.

In discharging their duties, the members of the Committee are entitled to rely on information, opinions, reports, or statements, including financial statements and other financial data, if prepared or presented by: (1) one or more officers of the

Fund whom the member reasonably believes to be reliable and competent in the matters presented; (2) legal counsel, public accountants, or other persons as to matters the member reasonably believes are within the person's professional or expert competence; or (3) another Board committee on which the member does not sit.

3. To carry out its responsibilities, the Committee shall have the following duties and powers, to be discharged in such a manner as the Committee deems appropriate, in its sole discretion:

To approve, prior to appointment, the engagement of the Auditors to annually audit and provide their opinion on the Fund's financial statements, to recommend to those Directors who are not "interested persons" (as that term is defined in Section 2(a)(19) of the Act) the selection, retention or termination of the Auditors and, in connection therewith, to

a) (i) review and evaluate matters potentially affecting the independence of the Auditors; (ii) evaluate the independence of the Auditors and to receive and evaluate the Auditors' specific representations as to their independence; and (iii) evaluate the performance of the Auditors and the quality and depth of the professional staff assigned to the Fund;

To approve, prior to appointment, the engagement of the Auditors to provide non-audit services to the Fund, its investment adviser or any entity controlling, controlled by, or under common control with the investment adviser

b) ("adviser affiliate") that provides ongoing services to the Fund, if the engagement relates directly to the operations and financial reporting of the Fund;

To separately adopt in the form attached to this Charter as Exhibit A. detailed policies and procedures, that may be amended from time to time solely by the Committee, for pre-approval of the Auditors to provide audit and non-audit

c) services to a Fund and to provide non-audit services to the Fund's investment adviser or control affiliate that relate directly to the operations and financial reporting of the Fund;

To consider whether the provision by the Auditors of non-audit services to a Fund's investment adviser or adviser

d) affiliate that provides ongoing services to the Fund, which services were not required to be pre-approved by the Committee, is compatible with maintaining the Auditors' independence;

To assess the Auditors' independence at least annually; in connection with which, the Committee shall receive and

e) review a report by the Auditors describing all relationships between the Auditors and the Fund, including the disclosures required by any applicable auditing standard;

To review and discuss with Management the matters about which Statement on Auditing Standards No. 114 (The

f) Auditor's Communication with Those Charged with Governance) requires discussion, including those specifically mentioned in this Charter;

g) To review the arrangements for and scope of the Fund's annual audits and any special audits;

h) To review and approve the fees proposed to be charged to the Fund by the Auditors for all audit and non-audit services;

To review with the Fund's principal executive officer and/or principal financial officer, in connection with their certifications of any filings by the Fund on Form N-CSR, any significant deficiencies in the design or operation of

i) disclosure controls and procedures or material weaknesses therein or in internal controls over financial reporting and any reported evidence of fraud involving Management or other employees who have a significant role in the Fund's disclosure controls and procedures;

To meet with the Auditors, including private meetings, as appropriate, (i) to review the arrangements for and the scope of the annual audit and any special audits or other special services; (ii) to discuss any matters of concern arising in connection with audits of the Fund's financial statements, including any adjustments to such statements

j) recommended by the Auditors, or other results of the audits; (iii) to review the quality and adequacy of the internal accounting staff; (iv) to consider the Auditors' comments with respect to the appropriateness and adequacy of the Fund's financial policies, procedures and internal controls over financial reporting and to review management's responses thereto; and (v) to review with the Auditors their opinions as to the fairness of the financial statements;

- To consider the effect on the Fund of: (i) any changes in accounting principles or practices proposed by Management or the Auditors; (ii) any changes in service providers, such as fund accountants or administrators, that could impact the Fund's internal controls; or (iii) any changes in schedules (such as fiscal or tax year-end changes) or structures or transactions that require special accounting activities or resources;
- k) To investigate or initiate investigation of reports of improprieties or suspected improprieties in connection with the Fund's accounting or financial reporting;
 - l) To report its activities to the full Board on a regular basis and to make such recommendations with respect to the matters described above and other matters as the Committee may deem necessary or appropriate;
 - m) To serve as a "qualified legal compliance committee" (as such term is defined in 17 CFR Part 205), the duties of which are listed on Exhibit B to this Charter; and
 - n) To perform such other functions and to have such powers as may be necessary or appropriate in the efficient and lawful discharge of the foregoing.

- The Committee shall meet at least twice annually, and is empowered to hold special meetings as circumstances require. The Committee shall record minutes of its meetings and shall invite Directors who are not members of the Committee, Management, counsel and representatives of service providers to attend meetings and provide information as the Committee, in its sole discretion, considers appropriate.
- 4.

- The Committee shall be available, as reasonable, to meet with appropriate officers of the Fund, and with internal accounting staff, and individuals with internal audit responsibilities, for consultation on audit, accounting, and related financial matters.
- 5.

- The Committee shall be given the resources and shall have the authority appropriate to discharge its responsibilities, including the authority to retain special counsel and other experts or consultants at the expense of the Fund.
- 6.

- The Committee shall review this Charter as often as it deems appropriate, and recommend any changes to the Board that it deems appropriate. The Committee shall have such further responsibilities as are given to it from time to time by the Board. The Committee shall consult, on an ongoing basis, with Management, the Auditors and counsel as to legal or regulatory developments affecting its responsibilities, as well as relevant tax, accounting, and industry developments.
- 7.

- Nothing in this Charter shall be interpreted as diminishing or derogating the responsibilities of the full Board.
- 8.

EXHIBIT A

PRE-APPROVAL PROCEDURES

The Committee hereby delegates to the Chairman of the Committee the authority to grant pre-approvals of audit and “permissible” non-audit services to be provided by the Auditors to the Fund, subject to the ratification of the full Committee at its next regularly scheduled meeting. Both the Auditors and Fund counsel will be responsible for informing the Committee whether they believe that a particular non-audit service is permissible or prohibited pursuant to applicable regulations and standards. The specific types of non-audit services that the Chairman may pre-approve include, but are not limited to: reviewing the Fund’s internal controls over financial reporting; providing tax-related services; reviewing and/or developing an anti-money laundering program; and issuing comfort letters, based on agreed-upon procedures, in connection with any Fund reorganization.

Pre-approval for a non-audit service provided to the Fund is not required if: (i) the aggregate amount of all such non-audit services provided to the Fund constitutes not more than 5% of the total amount of revenues paid by the Fund to the Auditors during the fiscal year in which the non-audit services are provided; (ii) such services were not recognized by the Fund at the time of the engagement to be non-audit services; and (iii) such services are promptly brought to the attention of the Committee and are approved by the Committee or by one or more members of the Committee to whom authority to grant such approvals has been delegated by the Committee prior to the completion of the audit (the “De Minimus Exceptions”).

The Committee shall also pre-approve any non-audit services proposed to be provided by the Auditors to (i) the Fund’s investment adviser and (ii) any entity controlling, controlled by, or under common control with the investment adviser that provides ongoing services to the Fund, if the Auditors’ engagement with the investment adviser or any such control persons relates directly to the operations and financial reporting of the Fund. The De Minimus Exceptions applies to pre-approvals under this paragraph as well, except that the “total amount of revenues” calculation is based on the total amount of revenues paid to the Auditors by the Fund and any other entity that has its services approved under this paragraph (i.e., the investment adviser or any control person).

EXHIBIT B

QLCC DUTIES AND RESPONSIBILITIES

An attorney reporting a “material violation” under 17 CFR Part 205 (“Reporting Attorney”), is permitted to report evidence of such a material violation directly to the qualified legal compliance committee, which is composed of all Audit Committee members (“QLCC”).

The QLCC shall direct that the CLO provide contact information to all attorneys who provide services to the Fund and would be deemed to be practicing before the SEC under the Attorney Rules for one or more members of the QLCC so that confidentiality can be ensured for any attorney who reports evidence of a material violation.

The QLCC shall designate an appropriate repository for the retention of materials generated in connection with the receipt of any report of a material violation by the QLCC.

Once a report of evidence of a material violation by the Fund, its officers, directors, employees or agents has been received by the QLCC, the QLCC has the authority and responsibility:

To inform the CLO and CEO of such report (except in the case where the reporting attorney reasonably believes (i) that it would be futile to report evidence of a material violation to the CLO and CEO, and has informed the QLCC of such belief); and

(ii) To determine whether an investigation is necessary or appropriate, and, if it determines an investigation is necessary or appropriate, to:

(A) Notify the full Board of Directors;

(B) Initiate an investigation, which may be conducted either by the CLO or by outside attorneys; and

(C) Retain such additional expert personnel as the QLCC deems necessary; and, at the conclusion of such investigation,

(A) Recommend, by majority vote, that the Fund implement an appropriate response to evidence of a material violation; and

(B) Inform the CLO and the CEO and the Board of Directors of the results of any such investigation and the appropriate remedial measures.

By majority vote, to take all other appropriate action, including notifying the U.S. Securities and Exchange Commission in the event that the Fund fails in any material respect to implement an appropriate response that the QLCC has recommended.

V. Delegation of Duties

In fulfilling its responsibilities, the Committee shall be entitled to delegate any or all of its responsibilities to a subcommittee of the Committee, except that it shall not delegate to a subcommittee any power or authority required by any law, regulation or listing standard to be exercised by the Committee as a whole or any matters that involve executive compensation or any matters where it has determined such compensation is intended to comply with Section 162(m) of the Code by virtue of being approved by a committee of "outside directors" or is intended to be exempt from Section 16(b) under the 1934 Act pursuant to Rule 16b-3 by virtue of being approved by a committee of "non-employee directors."

VI. Limitations on Scope

The Committee members shall serve on the Committee subject to the understanding on their part that the Committee members, in agreeing to serve on the Committee pursuant to this Charter, do so in reliance on, among other things, any indemnification agreements between the Company and each member and the provisions of the Company's certificate of incorporation which (a) together with the bylaws, provide indemnification for their benefit, and (b) to the fullest extent provided by law, provide that no director shall be liable to the Company or its stockholders for monetary damages for breach of fiduciary duty as director.
