March 19, 2013

Dear Stockholder:

You are cordially invited to attend the 2014 annual meeting of stockholders of ARMOUR Residential REIT, Inc. We will hold the meeting on Thursday, May 8, 2014, at 8:00 a.m. (EDT) at the Vero Beach Hotel & Spa, 3500 Ocean Drive, Vero Beach, Florida 32963. We hope that you will be able to attend.

Of particular importance is Proposal No. 2, which requests stockholder approval of an amendment to our Amended and Restated 2009 Stock Incentive Plan under which we grant equity to our executive officers and other key professionals. Equity is a fundamental part of our compensation philosophy and our success is dependent, in large part, on our ability to attract, retain and motivate high-performing senior executives who are committed to our core values. We strongly believe that offering incentives in the form of equity awards is critical to our ability to do so and aligns the interests of our executive officers and other key professionals with those of our stockholders. We take a disciplined approach to the management of our compensation programs. We have proactively managed the overall affordability of our equity compensation programs to prevent dilutive effects to our stockholders and, in each year since our initial public offering, have consistently returned a significant amount of cash to our stockholders through dividends and, beginning in 2013, share repurchases. We believe that the proposed amendment to our Amended and Restated 2009 Stock Incentive plan is essential to our ability to achieve our objectives and to continue to create long-term value for our stockholders. Therefore, our Board of Directors urges you to vote **FOR this proposal.**

Your vote is very important to us. Whether or not you plan to attend the annual meeting in person, your shares should be represented and voted. After reading the enclosed proxy statement, please vote your shares as soon as possible. Stockholders may vote in person at the annual meeting or by completing and returning a proxy card. Submitting a vote before the annual meeting will not preclude you from voting in person at the annual meeting should you decide to attend. In addition, this proxy statement, the notice of annual meeting, the proxy card and our 2013 annual report will be mailed or made accessible via the Internet on the Company's website at <http://investor.armourreit.com> on or about March 19, 2014.

On behalf of our Board of Directors, I extend our appreciation for your continued support.

Sincerely,

Scott J. Ulm

Co-Chief Executive Officer and Co-Vice Chairman

Recommendation of the Board of Directors

ARMOUR's Board of Directors unanimously recommends a vote **FOR** each of the nine nominees for director.

**THE BOARD OF DIRECTORS, ITS COMMITTEES AND OTHER
CORPORATE GOVERNANCE INFORMATION**

Independence of Directors

We adhere to the rules of the New York Stock Exchange ("NYSE") in determining whether a director is independent. The NYSE requires that a majority of our Board of Directors must be composed of independent directors, which is defined generally as a person other than an officer or employee of the company or its subsidiaries or any other individual having a relationship which, in the opinion of our Board of Directors, would interfere with the director's exercise of independent judgment in carrying out the responsibilities of a director. Consistent with these considerations, our Board of Directors has affirmatively determined that Ms. Downey and Messrs. Guba, Hain, Hollihan and Paperin are independent directors.

Role of the Board of Directors; Risk Management

Our Board of Directors plays an active role in overseeing management and representing the interests of stockholders. Management, which is responsible for day-to-day risk management, conducts a risk assessment of our business annually. The risk assessment process is global in nature and has been developed to identify and assess our risks, including the nature of the risk, as well as to identify steps to mitigate and manage each risk. Oversight responsibility for each risk is allocated among the full Board of Directors and its committees, and specific Board of Director and committee agendas are developed accordingly.

Board Committees

Our Board of Directors has established an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee and adopted charters for each of these committees. Each of these committees has three directors and is composed exclusively of independent directors, as defined by the listing standards of the NYSE. Moreover, the Compensation Committee is composed exclusively of individuals intended to be, to the extent required by Rule 16b-3 of the Securities Exchange Act of 1934, as amended (Exchange Act) non-employee directors and will, at such times as we are subject to Section 162(m) of the Internal Revenue Code (Code), qualify as outside directors for purposes of Section 162(m) of the Code.

Board and Committee Meetings

During the year ended December 31, 2013, our Board of Directors held three meetings. Our audit committee held three meetings and our compensation committee and nominating and corporate governance committee each held one meeting. Each of our directors attended at least 75% of the meetings of the Board of Directors and of the Board's committees on which they served during 2013.

Effective March 5, 2014, our Board of Directors created the position of lead independent director and our independent directors designated Thomas K. Guba as our lead independent director. The lead independent director coordinates the activities of our other independent directors. In addition to the duties of all members of the Board of Directors, the lead independent director has the following additional responsibilities and authority:

.

presiding at meetings of the Board of Directors in the absence of, or upon the request of, the Chairman;

.

the authority to call executive sessions of the independent directors;

.

approving the schedule of, developing the agenda for, and presiding at executive sessions of, the independent directors;

.

advising the Chairman and/or the Board of Directors as to the decisions reached, if any, at each executive session;

.

serving as the principal liaison between the independent directors, the Chairman and the Co-Chief Executive Officers;

.

advising the Chairman as to the quality, quantity and timeliness of the information submitted by the Company's management that is necessary or appropriate for the independent directors to effectively and responsibly perform their duties;

.

assisting the Board of Directors and the Nominating and Corporate Governance Committee in better ensuring compliance with and implementation of our Corporate Governance Guidelines; and

.

recommending to the Chairman, at the direction of the independent directors, the retention of outside advisors and consultants who report directly to the Board of Directors on Board-wide issues.

During 2013 and until the appointment of Mr. Guba in 2014, executive sessions of our Board of Directors were presided over by the chairman of the Board committee having authority over the subject matter discussed at the executive session, as appropriate. Effective March 5, 2013, Mr. Guba, our lead independent director, presides over executive sessions of our Board of Directors.

Our Board of Directors has adopted a lead independent director charter. A copy of the lead independent director charter is available on ARMOUR's website at <http://investor.armourreit.com> under Corporate Governance.

Financial Experts on Audit Committee

The Audit Committee will at all times be composed exclusively of independent directors who are financially literate as defined by the NYSE listing standards. The definition of financially literate generally means being able to read and understand fundamental financial statements, including a company's balance sheet, income statement and cash flow statement.

In addition, a listed company must certify to the NYSE that the committee will have at least one member who has past employment experience in finance or accounting, requisite professional certification in accounting, or other comparable experience or background that results in the individual's financial sophistication. Our Board of Directors has determined that Mr. Paperin satisfies the definition of financial sophistication and also qualifies as an audit committee financial expert, as defined under rules and regulations of the SEC.

Director Compensation

Following completion of our business combination with Enterprise, each of our directors waived their right to receive fees or stock for the fiscal year ended 2009. From January 1, 2010 through December 21, 2010, independent directors were paid \$1,500 for each meeting attended. Due to our equity capital raise completed on December 22, 2010, our equity capital exceeded \$100 million and we began paying an annual director's fee of \$50,000 to each of our independent directors, payable quarterly in four equal amounts, and at the director's choice, either all in cash or half in

cash and half in shares of stock. For the year ended December 31, 2010, fees were prorated and each independent director was paid for nine days of compensation for the period of December 22, 2010 through December 31, 2010 under our new compensation system. In 2011, we paid our independent directors each an annual fee of \$50,000, with \$25,000 additional being paid to our audit committee chairman. In 2012, we increased annual independent director's fees to \$110,000; 60%, or \$66,000 of this fee was payable in cash and 40%, or \$44,000 was payable in stock or cash at the option of the director. We also began paying an annual fee of \$25,000 to the chairman of our audit committee, payable in cash. Beginning in 2013, we increased annual independent director's fees to \$132,000; 50%, or \$66,000 of this fee is payable in cash and 50%, or \$66,000 of this fee is payable in stock, or a combination of stock and cash at the option of the director, and began paying director compensation of \$132,000 to each of Messrs. Staton and Bell, as non-employee directors, payable in the same manner as to our independent directors. In addition, in 2013 we began paying an annual fee of \$25,000 to Mr. Staton, in his role as our non-executive Chairman, payable in cash. Beginning in 2014, we began paying our new lead independent director, Mr. Guba, an annual fee of \$35,000 for the additional board responsibilities associated with the role and began paying an annual fee of \$25,000 each to Mr. Hollihan as our compensation committee chairman and Mr. Hain as our nominating and corporation governance committee chairman for the additional Board responsibilities associated with the roles. Also, beginning in 2014, we increased the annual fee paid to Mr. Staton as our non-executive Chairman and Mr. Paperin as our audit committee chairman to \$35,000 each.

No equity-based compensation was paid to our directors in 2010. In 2011, our compensation committee approved grants totaling an aggregate of 3,750 shares of stock to each of our non-employee directors. For each non-employee director, 188 shares vest on the last day of each fiscal quarter commencing on March 31, 2011 and ending on September 30, 2015. On December 31, 2015, 178 shares will vest at which time all 3,750 shares of stock will have vested. In 2012, our compensation committee determined that certain performance criteria had been met and therefore approved grants totaling an aggregate of 1,250 additional shares of stock to each of our non-employee directors, subject to the same vesting schedule as the 2011 grants. For each non-employee director, 315 of the director's 1,250 shares vested on the last day of the first fiscal quarter of 2012 and 63 shares vest on the last day of each fiscal quarter commencing on June 30, 2012 and ending on September 30, 2015. On December 31, 2015, 53 shares will vest, at which time all of the remaining 935 shares of stock will have vested. No additional equity-based compensation was paid to our directors in 2013. See the section titled, "Executive Officer Compensation" ARMOUR Amended and Restated 2009 Stock Incentive Plan for more information on our directors' equity compensation.

All members of our Board are reimbursed for their costs and expenses of serving on the Board, including costs and expenses of attending all meetings of our Board and our committees.

Any member of our Board of Directors who is also an officer, employee or a member of ARMOUR or its affiliates does not receive any compensation from us for serving on our Board of Directors.

The following table summarizes the compensation that we paid to our non-employee directors in 2013.

EXECUTIVE OFFICER COMPENSATION

Compensation Discussion and Analysis

This compensation discussion and analysis describes our compensation objectives and policies in relation to compensation received by our named executive officers for the year ended December 31, 2013, which consist of Scott J. Ulm, our Co-Chief Executive Officer, Co-Vice Chairman, Chief Investment Officer and Head of Risk Management, Jeffrey J. Zimmer, our Co-Chief Executive Officer, Co-Vice Chairman and President, James R. Mountain, our Chief Financial Officer, Treasurer and Secretary, and Mark Gruber, our Chief Operating Officer and Head of Portfolio Management.

At our 2012 annual meeting of stockholders, our stockholders approved, on an advisory basis, the compensation of our then named executive officers. Based upon the results of the advisory vote and a review of our 2013 compensation policies, we believe that our 2013 compensation policies and decisions are consistent with the compensation philosophy and objectives discussed below and effectively align the interests of our named executive officers and other key professionals with the long term goals of the Company.

We are managed by ARRM pursuant to a management agreement. We do not have any employees whom we compensate directly with salaries or other compensation. Our executive officers and other key professionals are employees of ARRM and are compensated by ARRM for their services to us. Certain of our executive officers also hold an ownership interest in ARRM. See the section titled, Certain Relationships and Related Party Transactions below for a further description of the management agreement and the relationship between ARRM and ARMOUR. In order to align their interests with our long term goals, we also compensate our executive officers and other key professionals through our equity compensation program, which is a fundamental part of our compensation philosophy. We believe that the combination of the management agreement and our equity compensation program provides the appropriate balance to encourage long-term performance without excessive risk-taking.

Our success is dependent, in large part, on our ability through our management agreement with ARRM and our equity incentive program to attract, motivate and retain high-performing senior executives who are committed to our core values of stockholder value, prudent risk-taking and integrity. The REIT and mortgage investment industry is highly competitive and attracting and retaining experienced professionals represents a comparative advantage. We compete with a large number of REIT companies, funds, financial institutions and specialty finance companies for executive talent which has significant career mobility. Many of those companies are privately owned and/or have significantly larger market capitalization than we do. Accordingly, they may have significantly more flexibility and resources as it relates to compensating their key professionals. We are a specialized company in a highly competitive industry and our ability to attract, retain and reward our executive officers and other key professionals is essential to maintaining our competitive position. We strongly believe that offering incentives in the form of equity awards is critical to our ability to do so and aligns the interests of our executive officers and other key professionals with those of our stockholders. Since we began awarding equity compensation in 2011, the number of our executive officers has doubled from two to four and the number of our equity award recipients has tripled from two to six.

We have historically limited equity compensation to our executive officers and other key professionals because, among other reasons, we have determined that: (i) these program participants have the greatest impact on our long-term performance; (ii) we have a limited ability to offer equity compensation without undue dilution of existing stockholders, and (iii) equity compensation grants that are subject to the restrictive requirements of our equity compensation program are of limited value in compensating ARRM's administrative and clerical employees.

The Compensation Committee's objectives in developing and administering our equity compensation program are to:

.

focus decision-making and behavior on goals that are consistent with our overall business strategy without threatening the long-term viability of our company;

.

attract, retain and motivate highly-skilled executive officers that will contribute to our successful performance;

.

align the interests of our executive officers with the interests of our stockholders by motivating executives to increase long-term stockholder value;

.

provide compensation opportunities that are competitive within industry standards thereby reflecting the value of the position in the marketplace;

.

support a culture committed to paying for performance where compensation is commensurate with the level of performance achieved; and

.

maintain flexibility and discretion to allow us to recognize the unique characteristics of our operations and strategy, and our prevailing business environment, as well as changing labor market dynamics.

We take a disciplined approach to the expense management of our compensation programs. The Compensation Committee has historically limited, and intends to continue to limit, the total equity awards granted in any given year to no more than 1.25% of the weighted-average shares of common stock outstanding for the year. For fiscal years 2011, 2012 and 2013, our burn rate (which is

total equity awards granted in a fiscal year divided by total weighted-average shares of common stock outstanding for the year) was 0.31%, 0.29% and 0.35%, respectively. Some analysts weight full value awards, such as those granted by ARMOUR, more heavily than equity option awards. For example, weighting our awards by a factor of 2.5 results in an adjusted burn rate of 0.78%, 0.73% and 0.88%, respectively. The substantial majority of our awards to date vest ratably over a period of 20 quarters. These vesting schedules are designed to both further the retention, incentive and goal alignment objectives of the awards as well as to appropriately apportion the expense of the awards. The resulting realized dilution rate (which is the total shares issued upon vesting, net of withholdings divided by total weighted-average shares of common stock outstanding for the year) was 0.03%, 0.05% and 0.08%, respectively. The expense recognized by ARMOUR is based on the closing market price on the days that shares vest.

We have proactively managed the overall affordability of our equity compensation programs to prevent dilutive effects to our stockholders and, in each year since our initial public offering, have consistently returned a significant amount of cash to our stockholders through dividends and, beginning in 2013, share repurchases. Since July of 2011, when our Amended and Restated 2009 Stock Incentive Plan was last amended to increase the number of shares authorized to 2,000,000, we have accretively grown ARMOUR's common share base by 378% from 74,781,000 common shares to 357,613,485 common shares outstanding at December 31, 2013, thereby significantly reducing the relative overhang of our equity awards on stockholders. Dividends paid on our common stock totaled more than \$650 million for 2011, 2012, and 2013. Additionally, during 2013, we repurchased 16,771,000 common shares, capturing an estimated \$14 million in value for continuing stockholders, as compared to the total dilutive charges to equity of approximately \$2.5 million for our Amended and Restated 2009 Stock Incentive Plan from its inception through December 31, 2013.

Our compensation committee has not awarded, and does not intend to award, any equity compensation to our executive officers based on 2013 performance. The Compensation Committee has not granted, and does not intend to grant, awards to continuing officers and other key professionals with respect to years where either total stockholder return or total economic return are negative. The Amended and Restated 2009 Stock Incentive Plan also prohibits the repricing of previous awards. We will continue to monitor our use of equity compensation in the future to ensure that our overhang and burn rate are maintained at or below comparative market values.

In the first quarter of 2013, our compensation committee awarded the equity compensation disclosed in this proxy statement based on company and individual performance in 2012. The Compensation Committee determined the equity compensation awarded in 2013 was commensurate with our 2012 performance and was comparable to other agency mortgage REITs. These and previous equity grants were deemed necessary to attract, retain and motivate our senior management team and have provided increased goal alignment between the participants and the Company. For example, the 2013 equity awards have decreased substantially in value compared to their grant-date value as disclosed in this proxy statement, which parallels the performance of our common stock during that time period.

The use of our stock as part of our compensation program is also important to our continued success because it fosters a pay-for-performance culture, which is an important element of our overall compensation program. We believe that equity compensation motivates our executive officers and other key professionals to create stockholder value because the value they realize from equity compensation is based on our common stock performance.

The Compensation Committee has conditioned prior equity awards on performance targets and will consider placing conditions on the granting and vesting of future awards based on meeting appropriate performance targets focused on our absolute and relative performance compared to comparable companies.

The Compensation Committee is committed to the ongoing review and evaluation of our executive officer compensation levels and program. It is the committee's view that compensation decisions are best made after a deliberate review of company and individual performance, as well as agency mortgage REIT industry compensation levels, within the risk parameters established by management and the Board of Directors. Consistent with this view, the Compensation Committee periodically assesses our performance within the context of the agency mortgage REIT

industry's overall performance and internal performance standards and evaluates individual executive officer performance relative to the performance expectations for their respective position.

The Compensation Committee makes all equity compensation decisions related to the named executive officers. When making equity compensation decisions for our named executive officers, the Compensation Committee seeks input from members of the Board of Directors and Scott J. Ulm and Jeffrey J. Zimmer, our Co-Chief Executive Officers. The Compensation Committee engages in discussions and makes final determinations related to equity compensation paid to the executive officers. All decisions regarding our executive officers' compensation are made by our compensation committee.

ARMOUR Amended and Restated 2009 Stock Incentive Plan

In connection with the business combination with Enterprise, we adopted the 2009 Stock Incentive Plan (the *Plan*) to attract, retain and reward directors, officers and other employees, and other persons who provide services to us (*Eligible Individuals*). In 2009, the Board allocated up to 250,000 shares to be available under the Plan. On July 18, 2011, our stockholders approved an amendment to the Plan to increase the number of shares issuable thereunder from 250,000 shares to 2,000,000 shares and the Plan was amended accordingly (the *Amended Plan*). The Amended Plan allows us to grant a variety of stock-based and cash-based awards to Eligible Individuals.

The Amended Plan is administered by the Compensation Committee. The Compensation Committee has the full authority to administer and interpret the Amended Plan, to authorize the granting of awards, to determine the eligibility to receive an award, to determine the number of shares of common stock to be covered by each award (subject to the limitations provided in the Amended Plan), to determine the terms, provisions and conditions of each award (which may not be inconsistent with the terms of the Amended Plan), to prescribe the form of instruments evidencing awards and to take any other actions and make all other determinations that it deems necessary or appropriate in connection with the Amended Plan or the administration or interpretation thereof. In connection with this authority, the Compensation Committee may, among other things, establish required periods of employment and/or performance goals that must be met in order for awards to be granted or to vest, or for the restrictions on any such awards to lapse. The Compensation Committee administering the Plan is composed exclusively of individuals intended to be, to the extent required by Rule 16b-3 of the Exchange Act, non-employee directors and will, at such times as we are subject to Section 162(m) of the Code, qualify as an outside director for purposes of Section 162(m) of the Code.

Available Shares

The Amended Plan provides for grants of common stock, restricted shares of common stock, stock options, performance shares, performance units, restricted stock units (*RSUs*), stock appreciation rights and other equity-based and cash-based awards. The total number of shares of common stock that may be issued under the Amended Plan is 2,000,000 shares. As discussed in Proposal 2 below, we have no shares currently available to grant under the Amended Plan and therefore we are asking stockholders to approve an amendment (as such, the *Second Amended Plan*) to the Amended Plan to increase the shares of common stock available under the Amended Plan from 2,000,000 shares to 15,000,000 shares.

We have determined that the Second Amended Plan is necessary because our success is dependent, in large part, on our ability through our management agreement with ARRM and our equity incentive program to attract, motivate and retain high-performing senior executives who are committed to our core values of stockholder value, prudent risk-taking and integrity. The REIT and mortgage investment industry is highly competitive and attracting and retaining experienced professionals represents a comparative advantage. We compete with a large number of REIT companies, funds, financial institutions and specialty finance companies for executive talent which has significant career mobility. Many of those companies are privately owned and/or have significantly larger market capitalization than we do. Accordingly, they may have significantly more flexibility and resources as it relates to compensating their key professionals. We are a specialized company in a highly competitive industry and our ability to attract, retain and reward our executive officers and other key professionals is essential to maintaining our competitive position. We strongly believe that offering incentives in the form of equity awards is critical to our ability to do so and aligns the interests of our executive officers and other key professionals with those of our stockholders.

Since we began awarding equity compensation in 2011, the number of our executive officers has doubled from two to four and the number of our equity award recipients has tripled from two to six. We believe that if approved, the Second Amended Plan would be a significant factor in our continued ability to motivate and retain our existing executive officers and other key professionals and to attract the additional personnel necessary for our future growth. We do not believe that having an *evergreen plan* (which sets the aggregate number of authorized plan shares equal to a

fixed percentage of shares issued and outstanding from time to time) is necessary to achieve these goals. Accordingly, we are not requesting, and do not intend to request, that our stockholders approve an amendment to make our Amended Plan an evergreen plan. Based on our prior experience and current expectations, we believe that the 13,000,000 additional shares will provide us with an opportunity to grant equity awards for three to seven years, depending on the performance and growth of ARMOUR.

The Amended Plan allows for the Compensation Committee or the Board to expand the types of awards available under the Amended Plan. The maximum number of shares that may underlie awards in any one year to any eligible person will be determined by the Compensation Committee or the Board. If an award granted under the Plan expires or terminates, the shares subject to any portion of the award that expires or terminates without having been exercised or paid, as the case may be, will again become available for the issuance of additional awards.

The Compensation Committee's objectives in developing and administering our equity compensation program are to:

.

focus decision-making and behavior on goals that are consistent with our overall business strategy without threatening the long-term viability of our company;

.

attract, retain and motivate highly-skilled executive officers that will contribute to our successful performance;

.

align the interests of our executive officers with the interests of our stockholders by motivating executives to increase long-term stockholder value;

provide compensation opportunities that are competitive within industry standards thereby reflecting the value of the position in the marketplace;

support a culture committed to paying for performance where compensation is commensurate with the level of performance achieved; and

maintain flexibility and discretion to allow us to recognize the unique characteristics of our operations and strategy, and our prevailing business environment, as well as changing labor market dynamics.

Because we have exhausted the 2,000,000 shares available for equity grants under the Amended Plan, approval of the Second Amended Plan is critical to achieving these objectives and our continued success. We believe that equity compensation is an essential part of our compensation program to help us attract and retain talent in order to create stockholder value and the combination of our management agreement and our equity compensation provides the appropriate balance to encourage long-term performance without excessive risk taking. Failure to approve the Second Amended Plan would be disruptive because it would force our compensation committee to rely exclusively on cash to compensate and incentivize our executive officers and other key professionals, which would increase cash compensation expense and reduce cash flow available for distribution to our stockholders. Alternatively, if the Second Amended Plan is not approved, we may need to implement cash-based incentive plans in order to attempt to achieve these objectives. We believe that equity awards under the Second Amended Plan represent the superior alternative, in terms of both efficiency and effectiveness. Not only would continuing the current approach avoid potential disruptions in our relationship with our executive officers and other key professionals, but it would reduce the likelihood that we would need to rely on cash incentive awards in the future and reduce cash flow available for distribution to our stockholders.

The following table provides information as of December 31, 2013 with respect to shares of common stock that have been issued under our equity compensation plans:

Plan Category	Number of Securities to be Issued upon the Vesting of Stock Awards	Weighted-Average Price of Restricted Stock	Number of Securities Remaining Available for Future Issuance under Equity Compensation Plans
Equity Compensation Plans Approved by Stockholders (1)	2,000,000	\$ 7.01	0
Equity Compensation Plans Not Approved by Stockholders			

Total	2,000,000 \$	7.01	0

(1)

Consists of our Amended Plan under which the Compensation Committee or Board of Directors generally grants common stock, restricted shares of common stock, stock options, performance units, RSUs and stock appreciation rights to employees, officers and directors of ARMOUR and our manager, ARRM.

Awards under the Amended Plan

Restricted Shares of Common Stock. A restricted share award is an award of shares of common stock that is subject to restrictions on transferability and such other restrictions, if any, the Compensation Committee may impose at the date of grant. Grants of restricted shares of common stock will be subject to vesting schedules as determined by the Compensation Committee. The restrictions may lapse separately or in combination at such times, under such circumstances, including, without limitation, a specified period of employment or the satisfaction of pre-established criteria, in such installments or otherwise, as the Compensation Committee may determine. Except to the extent restricted under the award agreement relating to the restricted shares of common stock, a participant granted restricted shares of common stock has all of the rights of a stockholder, including, without limitation, the right to vote and the right to receive dividends or distributions on the restricted shares of common stock. Such dividends and distributions, however, may be held in escrow until all restrictions on the underlying shares have lapsed. Although dividends may be paid on restricted shares of common stock, whether or not vested, at the same rate and on the same date as on shares of our common stock, holders of restricted shares of common stock are generally prohibited from selling such shares until they vest.

Stock Options and Stock Appreciation Rights. A stock option is a right to purchase a specified number of shares of our common stock at an exercise price established at the date of grant. Stock options granted may be either non-qualified stock options or incentive stock options (which are intended to qualify as incentive stock options within Section 422 of the Code). A stock appreciation right (SAR) entitles the recipient to receive, upon surrender of the SAR, an amount of cash or number of shares of our common stock having a fair market value equal to the positive difference, if any, between the fair market value of one share of common stock on the date of exercise and the exercise price of the SAR. The Compensation Committee will specify at the time an option or SAR is granted when and in what proportions an option or SAR becomes vested and exercisable in accordance with the Plan.

Performance-Based Awards. The Compensation Committee may grant performance awards, which may be cash or equity based, including performance units and performance shares. Generally, performance awards require satisfaction of pre-established performance goals, consisting of one or more business criteria and a targeted performance level with respect to such criteria as a condition of awards being granted or becoming exercisable, or as a condition to accelerating the timing of such events. The Compensation Committee will set the performance goals used to determine the amount payable pursuant to a performance award.

Other Awards. The Compensation Committee may also award to certain eligible persons shares of our common stock, or RSUs or other awards whose value is based, in whole or in part, on our common stock. Such awards may be in addition to any other awards made under the Plan, and subject to such other terms and restrictions as determined by the Compensation Committee in its discretion.

These include, accelerating the vesting of some or all of the awards under the Amended Plan, terminating all awards under the Amended Plan (allowing for either the exercise of vested awards or a cash payment in lieu of vested awards), converting the awards to the right to receive proceeds in the event of liquidation, or a combination of any of the foregoing. In the event that the Compensation Committee does not terminate or convert an award upon a change in control, then the award shall be assumed, or substantially equivalent awards shall be substituted, by the acquiring, or succeeding corporation (or an affiliate thereof).

Our Board may amend, alter or discontinue the Amended Plan but cannot take any action that would impair the rights of a participant without such participant's consent. To the extent necessary and desirable, the Board must obtain approval of our stockholders for any amendment that would:

.

other than through adjustment as provided in the Amended Plan, increase the total number of shares of common stock reserved for issuance under the Amended Plan;

.

change the class of persons eligible to participate in the Amended Plan;

.

reprice any stock option awards under the Amended Plan; or

.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Management Agreement

On November 5, 2009, in connection with the consummation of our business combination with Enterprise Acquisition Corp., we entered into a management agreement with ARRM, which requires ARRM to manage our business affairs in conformity with certain restrictions contained in the management agreement, including any material operating policies adopted by us.

Pursuant to the terms of the management agreement, ARRM is responsible for (i) advising us with respect to, arranging for, and managing the acquisition, financing, management and disposition of, our investments, (ii) evaluating the duration risk and prepayment risk of our investments and arranging borrowing and hedging strategies, and (iii) coordinating our capital raising activities. In conducting these activities, ARRM advises us on the formulation of, and implementation of, our operating strategies and policies, arranges our acquisition of assets, monitors the performance of our assets, arranges for various types of financing and hedging strategies, and provides administrative and managerial services in connection with our day-to-day operations, as may be required from time to time for management of our assets. In addition, ARRM provides us with executive personnel along with administrative personnel, office space, and other appropriate services required in rendering ARRM's management services to us.

On November 6, 2009, we entered into a first amended and restated management agreement with ARRM for the sole purpose of reducing the monthly management fee to 1/12th of 1% of gross equity raised (as defined below), including initial gross merger equity as well as any future gross equity raised, until gross equity raised was \$50 million, inclusive of gross merger equity. Thereafter, the monthly management fee would be 1/12th of (a) 1.5% of gross equity raised up to \$1 billion and (b) 0.75% of gross equity raised in excess of \$1 billion, with a monthly minimum based on 1/12th of \$900,000 (inclusive of the original gross merger equity). We are also obligated to reimburse certain expenses incurred by ARRM and its affiliates. ARRM is further entitled to receive a termination fee from us under certain circumstances.

On June 18, 2012, we further amended and restated the first amended and restated management agreement, dated November 6, 2009, with ARRM by entering into a second amended and restated management agreement. Pursuant to the second amended and restated management agreement, the initial term of the first amended and restated management agreement (the "Initial Term") was extended for ten (10) years (the "New Initial Term") commencing June 18, 2012, unless earlier terminated by either ARMOUR or ARRM, pursuant to the terms of the second amended and restated management agreement. In addition, the second amended and restated management agreement provides that following the New Initial Term, the second amended and restated management agreement will automatically renew for successive 5-year renewal terms (each, a "Renewal Term"), unless either ARMOUR or ARRM gives advance notice to the other of its intent not to renew the second amended and restated management Agreement prior to the expiration of the New Initial Term or any Renewal Term, as applicable, subject to the terms and conditions for, and the restrictions on, the giving of such notice contained in the second amended and restated management agreement.

On February 25, 2014, we entered into a third amended and restated management Agreement with ARRM. The purpose of the third amended and restated management agreement was to clarify, among other things, that (i) gross equity raised, as defined below, excludes: (a) the value of securities we repurchase, and (b) dividends we pay to the extent that such dividends are deemed a return of capital for tax purposes; (ii) a Corporate Event, as defined in the third amended and restated management agreement, will be deemed a termination without cause, entitling ARRM to a termination fee, as described below, if such a Corporate Event occurs during the term of the third amended and restated management agreement; and (iii) upon a termination of the third amended and restated management agreement by us without cause, the third amended and restated management agreement provides that we shall pay ARRM a termination fee equal to the greater of (a) the management fee as calculated immediately prior to the effective date of the termination of the third amended and restated management agreement for the remainder of the

then current term, or (b) three times the management fee paid to ARRM in the preceding twelve-month period before such termination, calculated as of the effective date of the termination.

We may not terminate the third amended and restated management agreement during the New Initial Term, except for cause, or in connection with a Corporate Event, as defined in the third amended and restated management agreement.

Also, in the event of a termination without cause, ARRM is obligated to pay a termination fee to SBBC (see discussion of SBBC in the following paragraph) under the sub-management agreement. In addition, if on expiration of the Initial Term, SBBC elects to terminate the sub-management agreement, we will be obligated to make a final payment to SBBC of 6.16 times the annualized rate of the last three (3) monthly payments of the SBBC Base Management Fee, as defined in the third amended and restated management agreement.

We rely on the facilities and resources of ARRM to conduct our operations. Costs and expenses incurred by ARRM on behalf of us or our subsidiaries are reimbursed to ARRM in cash on a monthly basis. Costs and expense reimbursement to ARRM are subject to adjustment at the end of each calendar year in connection with our annual audit.

Due to our equity capital raise completed on December 22, 2010, our gross equity capital (inclusive of gross merger equity) exceeded \$50 million and we began paying ARRM a monthly management fee in an amount equal to the sum of (a) 1.5% of all the gross equity raised, which means an amount in dollars calculated as of the date of determination that is equal to (i) our initial equity capital following the consummation of the merger, plus (ii) equity capital raised in public or private issuances of our equity securities

(calculated before underwriting fees and distribution expenses, if any), less (1) capital returned to our stockholders (which includes (i) the purchase price of equity securities we repurchase, and (ii) dividends we pay to the extent that such dividends are deemed a return of capital for tax purposes), as adjusted to exclude one-time charges pursuant to changes in generally accepted accounting principles ("GAAP") and certain non-cash charges after discussion between ARRM and the Board and approved by a majority of the Board, until gross equity raised reached \$1 billion, and (b) 0.75% of the gross equity raised in excess of \$1 billion, divided by twelve, which is our current management fee rate, calculated and payable monthly in arrears.

The monthly management fee shall never be less than 1/12th of \$900,000, unless ARRM determines it will accept less than that amount. Payment of the management fee will not be affected by impairment to assets acquired. We do not pay ARRM any incentive fees.

ARRM uses the proceeds from its management fee in part to pay compensation to its officers and personnel who, notwithstanding that certain of them also are our officers, receive no cash compensation directly from us.

ARRM was paid an aggregate of approximately \$28.1 million, \$19.5 million and \$6.9 million in management fees for services provided to us during 2013, 2012 and 2011 respectively.

Sub-Management Agreement

On November 6, 2009, ARRM entered into a sub-management agreement with SBBC. Pursuant to the sub-management agreement, SBBC has agreed to provide certain services to ARRM. In exchange for such services, SBBC will receive a sub-management fee of 25% of the net management fee earned by ARRM under its management agreement with us. The sub-management agreement will continue in effect until it is terminated in accordance with its terms.

If the sub-management agreement is terminated upon expiration of the Initial Term of the third amended and restated management agreement at the election of SBBC, we will pay SBBC a final payment equal to 6.16 times the annualized rate of the last three (3) monthly payments to SBBC. The sub-management agreement provides that if, during its term, ARRM or its affiliates manage certain other investment vehicles, including other REITs, ARRM will negotiate in good faith to provide SBBC the right to enter into a sub-management agreement on substantially the same terms as the sub-management agreement or an alternative arrangement reasonably acceptable to ARRM and SBBC.

ARRM paid an aggregate of approximately \$5.8 million, \$4.0 million and \$1.4 million of its management fees to SBBC in the form of sub-management fees for services provided to us during 2013, 2012 and 2011, respectively. No sub-management fees were paid to SBBC in 2010.

Review, Approval or Ratification of Transactions with Related Persons

We intend to insure that all transactions between us and any of our officers and directors or their respective affiliates, including loans by our officers and directors, are on terms believed by us to be no less favorable to us than are available from unaffiliated third parties. Such transactions or loans, including any forgiveness of loans, require prior approval by our audit committee or a majority of our disinterested independent directors or the members of our board of directors who do not have an interest in the transaction, in either case who had access, at our expense, to our attorneys or independent legal counsel. We do not enter into any such transaction unless our audit committee or disinterested directors determine that the terms of such transaction are no less favorable to us than those that would be available to us with respect to such a transaction from unaffiliated third parties.

PROPOSAL 2 - APPROVAL OF AN AMENDMENT TO ARMOUR'S AMENDED AND RESTATED 2009 STOCK INCENTIVE PLAN TO INCREASE THE AGGREGATE NUMBER OF SHARES OF COMMON STOCK AUTHORIZED FOR ISSUANCE THEREUNDER FROM 2,000,000 SHARES OF COMMON STOCK TO 15,000,000 SHARES

At the annual meeting, we are asking our stockholders to approve an amendment to the ARMOUR Amended and Restated 2009 Stock Incentive Plan (the "Amended Plan"), which would have the effect of increasing the aggregate number of shares of common stock authorized for issuance pursuant to the Amended Plan from 2,000,000 shares of common stock to 15,000,000 shares. Our Board has approved the amendment to the Amended Plan. The proposed Second Amended and Restated 2009 Stock Incentive Plan (the "Second Amended Plan") is attached to this proxy statement as Appendix A.

The Amended Plan is intended to attract, retain and reward directors, officers and other employees, and other persons who provide services to us ("Eligible Individuals"). The Amended Plan allows us to grant a variety of stock-based and cash-based awards to Eligible Individuals.

The Amended Plan is administered by our compensation committee, which consists solely of independent directors.

The Compensation Committee, appointed by the Board, has the full authority to administer and interpret the Amended Plan, to authorize the granting of awards, to determine the eligibility to receive an award, to determine the number of shares of common stock to be covered by each award (subject to the limitations provided in the Amended Plan), to determine the terms, provisions and conditions of each award (which may not be inconsistent with the terms of the Amended Plan), to prescribe the form of instruments evidencing awards and to take any other actions and make all other determinations that it deems necessary or appropriate in connection with the Amended Plan or the administration or interpretation thereof. In connection with this authority, the Compensation Committee may, among other things, establish required periods of employment and/or performance goals that must be met in order for awards to be granted or to vest, or for the restrictions on any such awards to lapse. The Compensation Committee administering the Amended Plan consists of independent directors as defined by the listing standards of the NYSE and will, at such times as we are subject to Section 162(m) of the Code, qualify as an outside director for purposes of Section 162(m) of the Code.

Why our Board of Directors Believes our Stockholders Should Approve the Second Amended Plan.

We have determined that the Second Amended Plan is necessary because our success is dependent, in large part, on our ability through our management agreement with ARRM and our equity incentive program to attract, motivate and retain high-performing senior executives who are committed to our core values of stockholder value, prudent risk-taking and integrity. The REIT and mortgage investment industry is highly competitive and attracting and retaining experienced professionals represents a comparative advantage. We compete with a large number of REIT companies, funds, financial institutions and specialty finance companies for executive talent which has significant career mobility. Many of those companies are privately owned and/or have significantly larger market capitalization than we do. Accordingly, they may have significantly more flexibility and resources as it relates to compensating their key professionals. We are a specialized company in a highly competitive industry and our ability to attract, retain and reward our executive officers and other key professionals is essential to maintaining our competitive position. We strongly believe that offering incentives in the form of equity awards is critical to our ability to do so and aligns the interests of our executive officers and other key professionals with those of our stockholders.

Since we began awarding equity compensation in 2011, the number of our executive officers has doubled from two to four and the number of our equity award recipients has tripled from two to six. We believe that if approved, Second Amended Plan would be a significant factor in our continuing ability to motivate and retain our existing executive officers and other key professionals and to attract the additional personnel necessary for our future growth. We do not believe that having an "evergreen plan" (which sets the aggregate number of authorized plan shares equal to a fixed percentage of shares issued and outstanding from time to time) is necessary to achieve these goals. Accordingly, we

are not requesting, and do not intend to request, that our stockholders approve an amendment to make our Amended Plan an evergreen plan. Based on our prior experience and current expectations, we believe that the 13,000,000 additional shares will provide us an opportunity to grant equity awards for three to seven years, depending on the performance and growth of ARMOUR.

The Compensation Committee's objectives in developing and administering our equity compensation program are to:

.
focus decision-making and behavior on goals that are consistent with our overall business strategy without threatening the long-term viability of our company;

.
attract, retain and motivate highly-skilled executive officers that will contribute to our successful performance;

.
align the interests of our executive officers with the interests of our stockholders by motivating executives to increase long-term stockholder value;

.
provide compensation opportunities that are competitive within industry standards thereby reflecting the value of the position in the marketplace;

.
support a culture committed to paying for performance where compensation is commensurate with the level of performance achieved; and

.
maintain flexibility and discretion to allow us to recognize the unique characteristics of our operations and strategy, and our prevailing business environment, as well as changing labor market dynamics.

Because we have exhausted the 2,000,000 shares available for equity grants under the Amended Plan, approval of the Second Amended Plan is critical to achieving these objectives and our continued success. We believe that equity compensation is an essential part of our compensation program to help us attract and retain talent in order to create stockholder value and the combination of our management agreement and our equity compensation provides the appropriate balance to encourage long-term performance without excessive risk taking. Failure to approve the Second Amended Plan would be disruptive because it would force our compensation committee to rely exclusively on cash to compensate and incentivize our executive officers and other key professionals, which would increase cash compensation expense and reduce cash flow available for distribution to our stockholders. Alternatively, if the Second Amended Plan is not approved, we may need to implement cash-based incentive plans in order to attempt to achieve these objectives. We believe that equity awards under the Second Amended Plan represent the superior alternative, in terms of both efficiency and effectiveness. Not only would continuing the current approach avoid potential disruptions in our relationship with our executive officers and other key professionals, but it would reduce the likelihood that we would need to rely on cash incentive awards in the future and reduce cash flow available for distribution to our stockholders.

The use of our stock as part of our compensation program is also important to our continued success because it fosters a pay-for-performance culture, which is an important element of our overall compensation program. We believe that equity compensation motivates our named executive officers and other key professionals to create stockholder value because the value they realize from equity compensation is based on our common stock performance.

Finally, we believe that we have demonstrated our commitment to sound equity compensation practices. We recognize that equity compensation awards dilute stockholder equity and, therefore, we have carefully managed our equity incentive compensation. Our equity compensation practices are targeted to be consistent with market norms and we believe our historical share usage has been responsible and mindful of stockholder interests, as described further below.

Available Shares

The Amended Plan provides for grants of common stock, restricted shares of common stock, stock options, performance shares, performance units, stock appreciation rights and other equity-based and cash-based awards. The Board initially allocated up to 250,000 shares to be available under the ARMOUR 2009 Stock Incentive Plan (the Plan). In the first three months of 2011, we granted a total of 192,500 shares of stock, which vests over quarterly periods commencing on March 31, 2011 and ending on December 31, 2015. On July 18, 2011, the Plan was amended and restated to allocate up to 2,000,000 shares to be available under the Amended Plan. In the first three months of 2012, we granted a total of 655,524 shares of stock, 598,024 of which vest equally over quarterly periods commencing on March 31, 2012 and ending on December 31, 2016. In the first three months of 2013, we granted a total of 1,278,195 shares of stock, which vests equally over quarterly periods commencing on March 31, 2013 and ending on December 31, 2017. The 2011, 2012 and 2013 grants described above, together with separate equity grants in the aggregate amount of 23,989 shares which formed a portion of the directors' fees of our independent directors, collectively exceeds the 2,000,000 shares available under the Amended Plan by 150,208 shares. Therefore, of the 1,278,195 share awards granted in 2013, 150,208 of the share awards were granted subject to stockholders approval of the Second Amended Plan, as follows:

Total	\$ 602,334	150,208(3)

(2)

Represents share awards to grantee that are subject to stockholder approval of the Second Amended Plan.

(3)

While other individuals have received a substantial portion of the 1,278,195 share grants in 2013, Messrs. Ulm and Zimmer have agreed to cover the entire 150,208 share excess in the event our stockholders do not approve the Second Amended Plan.

We are now seeking stockholder approval of the Second Amended Plan to increase the aggregate number of shares of common stock authorized for issuance under the Amended Plan from 2,000,000 shares of common stock to 15,000,000 shares. The Second Amended Plan will remain identical to the Amended Plan in all other respects. The Board believes that 13,000,000 additional shares represents a reasonable amount of potential equity dilution and provides a powerful incentive for our executive officers and key professionals to increase the value of the Company for all stockholders. In order to determine the number of shares to be authorized under the Second Amended Plan, the Compensation Committee and the Board considered the need for the shares and the potential dilution that awarding the requested shares may have on current stockholders.

The Amended Plan allows for the Board to expand the types of awards available under the Amended Plan. The maximum number of shares that may underlie awards in any one year to any eligible person will be determined by the Compensation Committee or the Board. If an award granted under the Amended Plan expires or terminates, the shares subject to any portion of the award that expires or terminates without having been exercised or paid, as the case may be, will again become available for the issuance of additional awards.

Our compensation committee has not awarded, and does not intend to award, any equity compensation to our executive officers based on 2013 performance. The compensation committee has not granted, and does not intend to grant, awards to continuing officers and other key professionals with respect to years where either total stockholder return or total economic return are negative. The Amended and Restated 2009 Stock Incentive Plan also prohibits the repricing of previous awards. We will continue to monitor our use of equity compensation in the future to ensure that our overhang and burn rate are maintained at or below comparative market values.

In the first quarter of 2013, our compensation committee awarded the equity compensation disclosed in this proxy statement based on company and individual performance in 2012. The Compensation Committee determined the equity compensation awarded in 2013 was commensurate with our 2012 performance and was comparable to other agency mortgage REITs. These and previous equity grants were deemed necessary to attract, retain and motivate our senior management team and have provided increased goal alignment between the participants and the company. For example, the 2013 equity awards have decreased substantially in value compared to their grant-date value as disclosed in this proxy statement, which parallels the performance of our common stock during that time period.

Overhang, Burn Rate and Dilution

We take a disciplined approach to the expense management of our compensation programs. The compensation committee has historically limited, and intends to continue to limit, the total equity awards granted in any given year to no more 1.25% of the weighted-average shares of common stock outstanding for the year. For fiscal years 2011, 2012 and 2013, our burn rate (which is total equity awards granted in a fiscal year divided by total weighted-average shares of common stock outstanding for the year) was 0.31%, 0.29% and 0.35%, respectively. Some analysts weight full value awards, such as those granted by ARMOUR, more heavily than equity option awards. For example, weighting our awards by a factor of 2.5 results in an adjusted burn rate of 0.78%, 0.73% and 0.88%, respectively. The substantial majority of our awards to date vest ratably over a period of 20 quarters. These vesting schedules are designed to both further the retention, incentive and goal alignment objectives of the awards as well as to appropriately apportion the expense of the awards. The resulting realized dilution rate (which is the total shares issued upon vesting, net of withholdings divided by total weighted-average shares of common stock outstanding for the year) was 0.03%, 0.05% and 0.08%, respectively. The expense recognized by ARMOUR is based on the closing market price of the common stock on the days that shares vest.

We have proactively managed the overall affordability of our equity compensation programs to prevent dilutive effects to our stockholders and, in each year since our initial public offering, have consistently returned a significant amount of cash to our stockholders through dividends and, beginning in 2013, share repurchases. Since July of 2011, when our Amended Plan was last amended to increase the number of shares authorized to 2,000,000, we have accretively grown ARMOUR's common share base by 378% from 74,781,000 common shares to 357,613,485 common shares outstanding at December 31, 2013, thereby significantly reducing the relative overhang of our equity awards on stockholders. Dividends paid on our common stock totaled more than \$650 million for 2011, 2012, and 2013. Additionally, during 2013 we repurchased 16,771,000 common shares, capturing an estimated \$14 million in value for continuing stockholders, as compared to the total dilutive charges to equity of approximately \$2.5 million for our Amended Plan from its inception through December 31, 2013.

The overhang and burn rate of grants to date under the Amended Plan we believe to be exceptionally low and well below the median for S&P 500 companies and companies within the mortgage REIT industry. As of December 31, 2013, 357,613,485 shares of our common stock were outstanding and 1,479,318 shares were subject to outstanding

unvested equity awards under the Amended Plan, 150,208 shares of which are subject to stockholder approval of the Second Amended Plan. Thus, our year-end overhang (which are shares granted but not yet vested under equity compensation awards outstanding divided by shares outstanding) for each of the last three years has been less than 0.5%.

Awards Under the Amended Plan

Restricted Shares of Common Stock. A restricted share award is an award of shares of common stock that is subject to restrictions on transferability and such other restrictions, if any, the Compensation Committee may impose at the date of grant. Grants of restricted shares of common stock will be subject to vesting schedules as determined by the Compensation Committee. The restrictions may lapse separately or in combination at such times, under such circumstances, including, without limitation, a specified period of employment or the satisfaction of pre-established criteria, in such installments or otherwise, as the Compensation Committee may determine. Except to the extent restricted under the award agreement relating to the restricted shares of common stock, a participant granted restricted shares of common stock has all of the rights of a stockholder, including, without limitation, the right to vote and the right to receive dividends or distributions on the restricted shares of common stock. Such dividends and distributions, however, may be held in escrow until all restrictions on the underlying shares have lapsed. Although dividends may be paid on restricted shares of common stock, whether or not vested, at the same rate and on the same date as on shares of our common stock, holders of restricted shares of common stock are generally prohibited from selling such shares until they vest.

Stock Options and Stock Appreciation Rights. A stock option is a right to purchase a specified number of shares of our common stock at an exercise price established at the date of grant. Stock options granted may be either non – qualified stock options or incentive stock options (which are intended to qualify as “incentive stock options” within Section 422 of the Code). A stock appreciation right (“SAR”) entitles the recipient to receive, upon surrender of the SAR, an amount of cash or number of shares of our common stock having a fair market value equal to the positive difference, if any, between the fair market value of one share of common stock on the date of exercise and the exercise price of the SAR. The Compensation Committee will specify at the time an option or SAR is granted when and in what proportions an option or SAR becomes vested and exercisable in accordance with the Plan.

Performance-Based Awards. The Compensation Committee may grant performance awards, which may be cash or equity based, including performance units and performance shares. Generally, performance awards require satisfaction of pre-established performance goals, consisting of one or more business criteria and a targeted performance level with respect to such criteria as a condition of awards being granted, becoming exercisable or settleable, or as a condition to accelerating the timing of such events. The Compensation Committee will set the performance goals used to determine the amount payable pursuant to a performance award.

Other Awards. The Compensation Committee may also award to certain eligible persons shares of our common stock, or RSUs or other awards whose value is based, in whole or in part, on our common stock. Such awards may be in addition to any other awards made under the Amended Plan, and subject to such other terms and restrictions as determined by the Compensation Committee in its discretion.

Change in Control

Upon a change in control, as defined in the Amended Plan, the Compensation Committee may make certain adjustments which it, in its discretion, determines are necessary or appropriate in light of the change in control. These include, accelerating the vesting of some or all of the awards under the Amended Plan, terminating all awards under the Amended Plan (allowing for either the exercise of vested awards or a cash payment in lieu of vested awards), converting the awards to the right to receive proceeds in the event of liquidation, or a combination of any of the foregoing. In the event that the Compensation Committee does not terminate or convert an award upon a change in control, then the award shall be assumed, or substantially equivalent awards shall be substituted, by the acquiring, or succeeding corporation (or an affiliate thereof).

Our Board may amend, alter or discontinue the Amended Plan but cannot take any action that would impair the rights of a participant without such participant’s consent. To the extent necessary and desirable, the Board must obtain approval of our stockholders for any amendment that would:

.
other than through adjustment as provided in the Amended Plan, increase the total number of shares of common stock reserved for issuance under the Amended Plan;

.
change the class of persons eligible to participate in the Amended Plan;

reprice any stock option awards under the Amended Plan; or

.

otherwise require such approval.

The Compensation Committee may amend the terms of any award granted under the Amended Plan, prospectively or retroactively, but generally may not impair the rights of any participant without his or her consent.

Recommendation of the Board of Directors

ARMOUR's Board of Directors unanimously recommends a vote **FOR** approval of an amendment to our Amended Plan to increase the aggregate number of shares of common stock authorized for issuance thereunder from 2,000,000 shares to 15,000,000 shares. Our Board has approved the amendment to the Amended Plan.

PROPOSAL 3 - RATIFICATION OF INDEPENDENT REGISTERED CERTIFIED PUBLIC ACCOUNTANTS

The Audit Committee of our Board of Directors appointed Deloitte as our independent registered certified public accountants for fiscal years 2012 and 2013 and has appointed Deloitte as our independent registered certified public accountant for fiscal year 2014. The Audit Committee is responsible for the appointment, oversight and termination of our independent registered certified public accountants. We are seeking the ratification of our stockholders of this appointment, although our audit committee is not bound by any stockholder action on this matter.

If the appointment of Deloitte as our independent registered certified public accountants is not ratified by our stockholders, the Audit Committee will reconsider its appointment, but may nevertheless retain Deloitte. Also, even if the appointment of Deloitte as our independent registered certified public accountants is ratified by our stockholders, the Audit Committee may direct the appointment of a different independent auditor at any time during the year if the Audit Committee determines, in its discretion, that such a change would be in our best interests. Deloitte has advised us that no partner or employee of Deloitte has any direct financial interest or any material indirect interest in ARMOUR other than receiving payment for its services as our independent certified public accountants.

Representatives of Deloitte are expected to attend the annual meeting in person or telephonically, will have the opportunity to make a statement if they desire and will be available to respond to appropriate questions.

Fees Paid to Independent Registered Certified Public Accountants

Deloitte served as our independent registered public accountants in fiscal years 2012 and 2013. The following tables set forth the aggregate fees billed to ARMOUR by Deloitte in fiscal years 2012 and 2013, respectively:

Audit-Related Fees

	Year Ended		Year Ended
	December 31, 2013		December 31, 2012
Audit Fees	\$ 675,000	\$	659,698
Audit-Related Fees	150,000		450,000
Tax Fees	23,400		20,000
All Other Fees			
Total	\$ 848,400	\$	1,129,398

Audit Fees. Audit Fees consist of fees and related expenses billed for professional services rendered for the audit of the financial statements and services that are normally provided by our independent auditors in connection with statutory and regulatory filings or engagements. For example, audit fees included fees for professional services rendered in connection with quarterly and annual reports, and the issuance of consents by our independent auditors to be named in our registration statements and to the use of their audit report in the registration statements.

Audit-Related Fees. Audit-Related Fees and All Other Fees consist of fees and related expenses for products and services other than services described under Audit Fees and Tax Fees.

Tax Fees. Tax Fees consist of fees and related expenses billed for professional services for tax compliance, tax advice and tax planning. These services include assistance regarding federal and state tax compliance and tax planning and structuring. Deloitte provided federal and state tax return preparation services during 2013 and did not provide such

services during 2012.

Audit Committee Pre-Approvals of Audit, Audit-Related, Tax and Permissible Non-Audit Services

In connection with Deloitte's audit of our financial statements for fiscal years 2012 and 2013, we had no disagreement with Deloitte on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedures.

The Audit Committee periodically approved the provision of various audit, audit-related, tax and other permissible non-audit services by Deloitte. The Audit Committee plans to continue to review and pre-approve such services as appropriate. All of the services provided by Deloitte in 2012 and 2013 were approved by our audit committee pursuant to these procedures. Our audit committee will continue to review and pre-approve such services as appropriate.

Recommendation of the Board of Directors

ARMOUR's Board of Directors recommends a vote **FOR** the ratification of Deloitte as our independent registered certified public accountants for the 2014 fiscal year.

AUDIT COMMITTEE REPORT

Our audit committee oversees our financial reporting process on behalf of the Board, in accordance with the Audit Committee charter. Management is responsible for our financial statements and the financial reporting process, including the system of internal controls. Our independent registered public accounting firm, Deloitte, is responsible for expressing an opinion on the conformity of our audited financial statements with GAAP for the yearly periods ended December 31, 2011, December 31, 2012 and December 31, 2013, respectively.

In fulfilling its oversight responsibilities, our audit committee reviewed and discussed with management and Deloitte the audited financial statements included in our Annual Report on Form 10-K for the year ended December 31, 2013, and discussed with management the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements. Our audit committee also reviewed and discussed with management and Deloitte the disclosures made in Management's Discussion and Analysis of Financial Condition and Results of Operations and Controls and Procedures included in the Annual Report on Form 10-K for the year ended December 31, 2013.

Our audit committee has received the written disclosures and the letter from Deloitte required by applicable requirements of the Public Company Accounting Oversight Board ("PCAOB") regarding the independent registered public accounting firm's communications with our audit committee concerning independence, and our audit committee discussed with the independent registered public accounting firm their independence from us. Our audit committee has discussed with Deloitte the matters required to be discussed by Auditing Standard No. 61, as amended, as adopted by the PCAOB. When considering Deloitte's independence, our audit committee considered whether their provision of services to us beyond those rendered in connection with their integrated audit and quarterly review work was compatible with maintaining their independence. Our audit committee also reviewed, among other things, the nature of audit-related services provided and the amount of fees paid to Deloitte for their audit and audit-related services, both separately and in the aggregate.

In reliance on the reviews and discussions referred to above, prior to the filing of our Annual Report on Form 10-K for the year ended December 31, 2013 with the SEC, the Audit Committee recommended to the Board that the audited financial statements be included in such Annual Report on Form 10-K for filing with the SEC.

The members of our audit committee are not professionally engaged in the practice of auditing or accounting. Members of the Audit Committee rely, without independent verification, on the information provided to them and on the representations made by management and discussions with the independent registered public accountant. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of our financial statements has been carried out in accordance with the standards of the PCAOB, that the financial statements are presented in accordance with GAAP, or that Deloitte is in fact independent.

or omission to act in connection with the Plan, any Award granted hereunder or any Award Agreement entered into hereunder. Such indemnification shall be in addition to any rights of indemnification such individuals may have under applicable law or under the Articles of Incorporation or Bylaws of ARMOUR. Any adjustments made under this Section 5(e) with respect to any Incentive Stock Options must be made in accordance with Code Section 424.

6.

OPTIONS

(a)

Grant of Options. Subject to the terms and conditions of the Plan, the Committee may grant to such Eligible Individuals as the Committee may determine, Options to purchase such number of shares of Common Stock and on such terms and conditions as the Committee shall determine in its sole and absolute discretion. Each grant of an Option shall satisfy the requirements set forth in this Section.

(b)

Type of Options. Each Option granted under the Plan may be designated by the Committee, in its sole discretion, as either (i) an Incentive Stock Option, or (ii) a Non-Qualified Stock Option. Options designated as Incentive Stock Options that fail to continue to meet the requirements of Code Section 422 shall be re-designated as Non-Qualified Stock Options automatically on the date of such failure to continue to meet such requirements without further action by the Committee. In the absence of any designation, Options granted under the Plan will be deemed to be Non-Qualified Stock Options.

(c)

Exercise Price. Subject to the limitations set forth in the Plan relating to Incentive Stock Options, the Exercise Price of an Option shall be fixed by the Committee and stated in the respective Award Agreement, provided that the Exercise Price of the shares of Common Stock subject to such Option may not be less than Fair Market Value of such Common Stock on the Grant Date, or if greater, the par value of the Common Stock.

(d)

Limitation on Repricing. Unless such action is approved by ARMOUR's shareholders in accordance with applicable law: (i) no outstanding Option granted under the Plan may be amended to provide an Exercise Price that is lower than the then-current Exercise Price of such outstanding Option (other than adjustments to the Exercise Price pursuant to Sections 5(e) and 11); (ii) the Committee may not cancel any outstanding Option and grant in substitution therefore new Awards under the Plan covering the same or a different number of shares of Common Stock and having an Exercise Price lower than the then-current Exercise Price of the cancelled Option (other than adjustments to the Exercise Price pursuant to Sections 5(e) and 11); (iii) the Committee may not authorize the repurchase of an outstanding Option which has an Exercise Price that is higher than the then-current fair market value of the Common Stock (other than adjustments to the Exercise Price pursuant to Sections 5(e) and 11); and (iv) the Committee may not cancel any outstanding Option and grant in substitution therefore new Awards as part of a strategy to materially enhance the position of the holder of such Options or Stock Appreciation Rights with respect to their value as of the time of such substitution (other than adjustments pursuant to Sections 5(e) and 11).

(e)

Limitation on Option Period. Subject to the limitations set forth in the Plan relating to Incentive Stock Options and unless otherwise provided by the Committee, Options granted under the Plan and all rights to purchase Common Stock thereunder shall terminate no later than the tenth anniversary of the Grant Date of such Options, or on such earlier date as may be stated in the Award Agreement relating to such Option. In the case of Options expiring prior to the tenth anniversary of the Grant Date, the Committee may in its discretion, at any time prior to the expiration or

termination of said Options, extend the term of any such Options for such additional period as it may determine, but in no event beyond the tenth anniversary of the Grant Date thereof.

(f)

Limitations on Incentive Stock Options. Notwithstanding any other provisions of the Plan, the following provisions shall apply with respect to Incentive Stock Options granted pursuant to the Plan.

(g)

Limitation on Grants. Incentive Stock Options may only be granted to Section 424 Employees. The aggregate Fair Market Value (determined at the time such Incentive Stock Option is granted) of the shares of Common Stock for which any individual may have Incentive Stock Options which first become vested and exercisable in any calendar year (under all incentive stock option plans of the Company) shall not exceed \$100,000. Options granted to such individual in excess of the \$100,000 limitation, and any Options issued subsequently which first become vested and exercisable in the same calendar year, shall automatically be treated as Non-Qualified Stock Options.

(i)

Minimum Exercise Price. In no event may the Exercise Price of a share of Common Stock subject an Incentive Stock Option be less than 100% of the Fair Market Value of such share of Common Stock on the Grant Date.

(ii)

Ten Percent Shareholder. Notwithstanding any other provision of the Plan to the contrary, in the case of Incentive Stock Options granted to a Section 424 Employee who, at the time the Option is granted, owns (after application of the rules set forth in Code Section 424(d)) stock possessing more than ten percent of the total combined voting power of all classes of stock of ARMOUR, such Incentive Stock Options (i) must have an Exercise Price per share of Common Stock that is at least 110% of the Fair Market Value as of the Grant Date of a share of Common Stock, and (ii) must not be exercisable after the fifth anniversary of the Grant Date.

(h)

Vesting Schedule and Conditions. No Options may be exercised prior to the satisfaction of the conditions and vesting schedule provided for in the Award Agreement relating thereto or in the Plan.

(i)

Exercise. When the conditions to the exercise of an Option have been satisfied, the Participant may exercise the Option only in accordance with the following provisions. The Participant shall deliver to ARMOUR a written notice

stating that the Participant is exercising the Option and specifying the number of shares of Common Stock which are to be purchased pursuant to the Option, and such notice shall be accompanied by payment in full of the Exercise Price of the shares for which the Option is being exercised, by one or more of the methods provided for in the Plan. Unless otherwise provided by the Committee, said notice must be delivered to ARMOUR at its principal office and addressed to the attention of Chief Financial Officer. An attempt to exercise any Option granted hereunder other than as set forth in the Plan shall be invalid and of no force and effect.

(j)

Payment. Payment of the Exercise Price for the shares of Common Stock purchased pursuant to the exercise of an Option shall be made by one of the following methods:

(i)

by cash, certified or cashier's check, bank draft or money order;

(ii)

through the delivery to ARMOUR of shares of Common Stock which have been previously owned by the Participant for the requisite period necessary to avoid a charge to ARMOUR's earnings for financial reporting purposes; such shares shall be valued, for purposes of determining the extent to which the Exercise Price has been paid thereby, at their Fair Market Value on the date of exercise; without limiting the foregoing, the Committee may require the Participant to furnish an opinion of counsel acceptable to the Committee to the effect that such delivery would not result in ARMOUR incurring any liability under Section 16(b) of the Exchange Act;

(iii)

through a cashless exercise sale and remittance procedure pursuant to which the Participant shall concurrently provide irrevocable instructions (A) to a brokerage firm approved by the Committee to effect the immediate sale of the purchased shares and remit to ARMOUR, out of the sale proceeds available on the settlement date, sufficient funds to cover the aggregate Exercise Price payable for the purchased shares plus all applicable federal, state and local income, employment, excise, foreign and other taxes required to be withheld by the Company by reason of such exercise and (B) to ARMOUR to deliver the certificates for the purchased shares directly to such brokerage firm in order to complete the sale; or

(iv)

by any other method which the Committee, in its sole and absolute discretion and to the extent permitted by applicable law, may permit.

(k)

Termination of Employment, Disability or Death. Unless otherwise provided in an Award Agreement, upon the termination of the employment or other service of a Participant with Company for any reason, all of the Participant's outstanding Options (whether vested or unvested) shall be subject to the rules of this paragraph. Upon such termination, the Participant's unvested Options shall expire. Notwithstanding anything in this Plan to the contrary, the Committee may provide, in its sole and absolute discretion, that following the termination of employment or other service of a Participant with the Company for any reason (i) any unvested Options held by the Participant that vest solely upon a future service requirement shall vest in whole or in part, at any time subsequent to such termination of employment or other service, and or (ii) a Participant or the Participant's estate, devisee or heir at law (whichever is applicable), may exercise an Option, in whole or in part, at any time subsequent to such termination of employment or

other service and prior to the termination of the Option pursuant to its terms. Unless otherwise determined by the Committee, temporary absence from employment because of illness, vacation, approved leaves of absence or military service shall not constitute a termination of employment or other service.

(i)

Termination for Reason Other Than Cause, Disability or Death. If a Participant's termination of employment or other service is for any reason other than death, Disability, Cause or a voluntary termination within ninety (90) days after occurrence of an event which would be grounds for termination of employment or other service by the Company for Cause, any Option held by such Participant, may be exercised, to the extent exercisable at termination, by the Participant at any time within a period not to exceed ninety (90) days from the date of such termination, but in no event after the termination of the Option pursuant to its terms.

(ii)

Disability. If a Participant's termination of employment or other service with the Company is by reason of a Disability of such Participant, the Participant shall have the right at any time within a period not to exceed one (1) year after such termination, but in no event after the termination of the Option pursuant to its terms, to exercise, in whole or in part, any vested portion of the Option held by such Participant at the date of such termination; *provided, however*, that if the Participant dies within such period, any vested Option held by such Participant upon death shall be exercisable by the Participant's estate, devisee or heir at law (whichever is applicable) for a period not to exceed one (1) year after the Participant's death, but in no event after the termination of the Option pursuant to its terms.

(iii)

Death. If a Participant dies while in the employment or other service of the Company, the Participant's estate or the devisee named in the Participant's valid last will and testament or the Participant's heir at law who inherits the Option has the right, at any time within a period not to exceed one (1) year after the date of such Participant's death, but in no event after the termination of the Option pursuant to its terms, to exercise, in whole or in part, any portion of the vested Option held by such Participant at the date of such Participant's death.

(iv)

Termination for Cause. In the event the termination is for Cause or is a voluntary termination within ninety (90) days after occurrence of an event which would be grounds for termination of employment or other service by the Company for Cause (without regard to any notice or cure period requirement), any Option held by the Participant at the time of such termination shall be deemed to have terminated and expired upon the date of such termination.

7.

STOCK APPRECIATION RIGHTS

(a)

Grant of Stock Appreciation Rights. Subject to the terms and conditions of the Plan, the Committee may grant to such Eligible Individuals as the Committee may determine, Stock Appreciation Rights, in such amounts and on such terms and conditions as the Committee shall determine in its sole and absolute discretion. Each grant of a Stock Appreciation Right shall satisfy the requirements as set forth in this Section.

(b)

Terms and Conditions of Stock Appreciation Rights. The terms and conditions (including, without limitation, the limitations on the Exercise Price, exercise period, repricing (as set forth in Section 6(d) hereof) and termination) of the Stock Appreciation Right shall be substantially identical (to the extent possible taking into account the differences related to the character of the Stock Appreciation Right) to the terms and conditions that would have been applicable under Section 6 above were the grant of the Stock Appreciation Rights a grant of an Option.

(c)

Exercise of Stock Appreciation Rights. Stock Appreciation Rights shall be exercised by a Participant only by written notice delivered to the Chief Financial Officer of ARMOUR, specifying the number of shares of Common Stock with respect to which the Stock Appreciation Right is being exercised.

(d)

Payment of Stock Appreciation Right. Unless otherwise provided in an Award Agreement, upon exercise of a Stock Appreciation Right, the Participant or Participant's estate, devisee or heir at law (whichever is applicable) shall be entitled to receive payment, in cash, in shares of Common Stock, or in a combination thereof, as determined by the Committee in its sole and absolute discretion. The amount of such payment shall be determined by multiplying the excess, if any, of the Fair Market Value of a share of Common Stock on the date of exercise over the Fair Market Value of a share of Common Stock on the Grant Date, by the number of shares of Common Stock with respect to which the Stock Appreciation Rights are then being exercised. Notwithstanding the foregoing, the Committee may limit in any manner the amount payable with respect to a Stock Appreciation Right by including such limitation in the Award Agreement.

8.

RESTRICTED STOCK

(a)

Grant of Restricted Stock. Subject to the terms and conditions of the Plan, the Committee may grant to such Eligible Individuals as the Committee may determine, Restricted Stock, in such amounts and on such terms and conditions as the Committee shall determine in its sole and absolute discretion. Each grant of Restricted Stock shall satisfy the requirements as set forth in this Section.

(b)

Restrictions. The Committee shall impose such restrictions on any Restricted Stock granted pursuant to the Plan as it may deem advisable including, without limitation; time based vesting restrictions, or the attainment of Performance Goals. Shares of Restricted Stock subject to the attainment of Performance Goals will be released from restrictions only after the attainment of such Performance Goals has been certified by the Committee in accordance with Section 9(d).

(c)

Certificates and Certificate Legend. With respect to a grant of Restricted Stock, ARMOUR may issue a certificate evidencing such Restricted Stock to the Participant or issue and hold such shares of Restricted Stock for the benefit of the Participant until the applicable restrictions expire. ARMOUR may legend the certificate representing Restricted Stock to give appropriate notice of such restrictions. In addition to any such legends, each certificate representing shares of Restricted Stock granted pursuant to the Plan shall bear the following legend:

The sale or other transfer of the shares of stock represented by this certificate, whether voluntary, involuntary, or by operation of law, are subject to certain terms, conditions, and restrictions on transfer as set forth in The ARMOUR Residential REIT, Inc. 2009 Stock Incentive Plan (the Plan), and in an Agreement entered into by and between the registered owner of such shares and the ARMOUR Residential REIT, Inc. (the Company), dated _____ (the Award Agreement). A copy of the Plan and the Award Agreement may be obtained from the Secretary of the Company.

(d)

Removal of Restrictions. Except as otherwise provided in the Plan, shares of Restricted Stock shall become freely transferable by the Participant upon the lapse of the applicable restrictions. Once the shares of Restricted Stock are released from the restrictions, the Participant shall be entitled to have the legend required by paragraph (c) above removed from the share certificate evidencing such Restricted Stock and the Company shall pay or distribute to the Participant all dividends and distributions, if any, held in escrow by the Company with respect to such Restricted Stock.

(e)

Shareholder Rights. Unless otherwise provided in an Award Agreement, until the expiration of all applicable restrictions, (i) the Restricted Stock shall be treated as outstanding, (ii) the Participant holding shares of Restricted Stock may exercise full voting rights with respect to such shares, and (iii) the Participant holding shares of Restricted Stock shall be entitled to receive all dividends and other distributions paid with respect to such shares while they are so held. If any such dividends or distributions are paid in shares of Common Stock, such shares shall be subject to the same restrictions on transferability and forfeitability as the shares of Restricted Stock with respect to which they were paid. Notwithstanding anything to the contrary, at the discretion of the Committee, all such dividends and distributions may be held in escrow by the Company (subject to the same restrictions on forfeitability) until all restrictions on the respective Restricted Stock have lapsed.

(f)

Termination of Service. Unless otherwise provided in an Award Agreement, if a Participant's employment or other service with the Company terminates for any reason, all unvested shares of Restricted Stock held by the Participant and any dividends or distributions held in escrow by ARMOUR with respect to such Restricted Stock shall be forfeited immediately and returned to the Company. Notwithstanding this paragraph, all grants of Restricted Stock that vest solely upon the attainment of Performance Goals shall be treated pursuant to the terms and conditions that would have been applicable under Section 9(e) as if such grants of Restricted Stock were Awards of Performance Shares. Notwithstanding anything in this Plan to the contrary, the Committee may provide, in its sole and absolute discretion, that following the termination of employment or other service of a Participant with the Company for any reason, any unvested shares of Restricted Stock held by the Participant that vest solely upon a future service requirement shall vest in whole or in part, at any time subsequent to such termination of employment or other service.

9.

PERFORMANCE SHARES AND PERFORMANCE UNITS

(a)

Grant of Performance Shares and Performance Units. Subject to the terms and conditions of the Plan, the Committee may grant to such Eligible Individuals as the Committee may determine, Performance Shares and Performance Units, in such amounts and on such terms and conditions as the Committee shall determine in its sole and absolute discretion. Each grant of a Performance Share or a Performance Unit shall satisfy the requirements as set forth in this Section.

(b)

Performance Goals. Performance Goals will be based on one or more of the following criteria, as determined by the Committee in its absolute and sole discretion: (i) the attainment of certain target levels of, or a specified increase in, ARMOUR's enterprise value or value creation targets; (ii) the attainment of certain target levels of, or a percentage increase in, ARMOUR's after-tax or pre-tax profits including, without limitation, that attributable to ARMOUR's continuing and/or other operations; (iii) the attainment of certain target levels of, or a specified increase relating to, ARMOUR's operational cash flow or working capital, or a component thereof; (iv) the attainment of certain target levels of, or a specified decrease relating to, ARMOUR's operational costs, or a component thereof (v) the attainment of a certain level of reduction of, or other specified objectives with regard to limiting the level of increase in all or a portion of bank debt or other of ARMOUR's long-term or short-term public or private debt or other similar financial obligations of ARMOUR, which may be calculated net of cash balances and/or other offsets and adjustments as may

be established by the Committee; (vi) the attainment of a specified percentage increase in earnings per share or earnings per share from ARMOUR's continuing operations; (vii) the attainment of certain target levels of, or a specified percentage increase in, ARMOUR's net sales, revenues, net income or earnings before income tax or other exclusions; (viii) the attainment of certain target levels of, or a specified increase in, ARMOUR's return on capital employed or return on invested capital; (ix) the attainment of certain target levels of, or a percentage increase in, ARMOUR's after-tax or pre-tax return on shareholder equity; (x) the attainment of certain target levels in the fair market value of ARMOUR's Common Stock; (xi) the growth in the value of an investment in the Common Stock assuming the reinvestment of dividends; (xii) successful mergers, acquisitions of other companies or assets and any cost savings or synergies associated therewith and/or (xiii) the attainment of certain target levels of, or a specified increase in, EBITDA (earnings before income tax, depreciation and amortization). In addition, Performance Goals may be based upon the attainment by a subsidiary, division or other operational unit of ARMOUR of specified levels of performance under one or more of the measures described above. Further, the Performance Goals may be based upon the attainment by ARMOUR (or a subsidiary, division, facility or other operational unit of ARMOUR) of specified levels of performance under one or more of the foregoing measures relative to the performance of other corporations. With respect to Awards intended to qualify as performance-based compensation under Section 162(m) of the Code, to the extent permitted under Section 162(m) of the Code (including, without limitation, compliance with any requirements for shareholder approval), the Committee may, in its sole and absolute discretion: (i) designate additional business criteria upon which the Performance Goals may be based; (ii) modify, amend or adjust the business criteria described herein; or (iii) incorporate in the Performance Goals provisions regarding changes in accounting methods, corporate transactions (including, without limitation, dispositions or acquisitions) and similar events or circumstances. Performance Goals may include a threshold level of performance below which no Award will be earned, levels of performance at which an Award will become partially earned and a level at which an Award will be fully earned.

(c)

Terms and Conditions of Performance Shares and Performance Units. The applicable Award Agreement shall set forth (i) the number of Performance Shares or the dollar value of Performance Units granted to the Participant; (ii) the Performance Period and Performance Goals with respect to each such Award; (iii) the threshold, target and maximum shares of Common Stock or dollar values of each Performance Share or Performance Unit and corresponding Performance Goals, and (iv) any other terms and conditions as the Committee determines in its sole and absolute discretion. The Committee shall establish, in its sole and absolute discretion, the Performance Goals for the applicable Performance Period for each Performance Share or Performance

Unit granted hereunder. Performance Goals for different Participants and for different grants of Performance Shares and Performance Units need not be identical. A holder of Performance Shares or Performance Units is not entitled to the rights of a holder of our Common Stock. No payments shall be made with respect to unvested Performance Shares and Performance Units.

(d)

Determination and Payment of Performance Units or Performance Shares Earned. As soon as practicable after the end of a Performance Period, the Committee shall determine the extent to which Performance Shares or Performance Units have been earned on the basis of the Company's actual performance in relation to the established Performance Goals as set forth in the applicable Award Agreement and shall certify these results in writing. No later than the last day of the second month following the end of the calendar year in which the applicable Performance Period ends, the amounts payable or distributable with respect to Performance Shares or Performance Units shall be paid or distributed to the Participant or the Participant's estate, devisee or heir at law (whichever is applicable). Unless otherwise provided in an Award Agreement, the Committee shall determine in its sole and absolute discretion whether payment with respect to the Performance Share or Performance Unit shall be made in cash, in shares of Common Stock, or in a combination thereof. For purposes of making payment or a distribution with respect to a Performance Share or Performance Unit, the cash equivalent of a share of Common Stock shall be determined by the Fair Market Value of the Common Stock on the day the Committee designates the Performance Shares or Performance Units to be payable.

(e)

Termination of Employment. Unless otherwise provided in an Award Agreement, if a Participant's employment or other service with the Company terminates for any reason, all of the Participant's outstanding Performance Shares and Performance Units shall be subject to the rules of this Section.

(i)

Termination for Reason Other Than Death or Disability. If a Participant's employment or other service with the Company terminates prior to the expiration of a Performance Period with respect to any Performance Units or Performance Shares held by such Participant for any reason other than death or Disability, the outstanding Performance Units or Performance Shares held by such Participant for which the Performance Period has not yet expired shall terminate upon such termination and the Participant shall have no further rights pursuant to such Performance Units or Performance Shares.

(ii)

Termination of Employment for Death or Disability. If a Participant's employment or other service with the Company terminates by reason of the Participant's death or Disability prior to the end of a Performance Period, the Participant, or the Participant's estate, devisee or heir at law (whichever is applicable) shall be entitled to a payment of the Participant's outstanding Performance Units and Performance Share at the end of the applicable Performance Period, pursuant to the terms of the Plan and the Participant's Award Agreement; *provided, however*, that the Participant shall be deemed to have earned only that proportion (to the nearest whole unit or share) of the Performance Units or Performance Shares granted to the Participant under such Award as the number of full months of the Performance Period which have elapsed since the first day of the Performance Period for which the Award was granted to the end of the month in which the Participant's termination of employment or other service, bears to the total number of months in the Performance Period, subject to the attainment of the Performance Goals associated with the Award as certified by the Committee. The right to receive any remaining Performance Units or Performance Shares shall be canceled and forfeited.

10.

OTHER AWARDS

Awards of shares of Common Stock, phantom stock, restricted stock units and other awards that are valued in whole or in part by reference to, or otherwise based on, Common Stock, may also be made, from time to time, to Eligible Individuals as may be selected by the Committee. Such Common Stock may be issued in satisfaction of awards granted under any other plan sponsored by the Company or compensation payable to an Eligible Individual. In addition, such awards may be made alone or in addition to or in connection with any other Award granted hereunder. The Committee may determine the terms and conditions of any such award. Each such award shall be evidenced by an Award Agreement between the Eligible Individual and the Company which shall specify the number of shares of Common Stock subject to the award, any consideration therefore, any vesting or performance requirements and such other terms and conditions as the Committee shall determine in its sole and absolute discretion.

11.

CHANGE IN CONTROL

Unless otherwise provided in an Award Agreement, upon the occurrence of a Change in Control of ARMOUR, the Committee may in its sole and absolute discretion, provide on a case by case basis that (i) some or all outstanding Awards may become immediately exercisable or vested, without regard to any limitation imposed pursuant to this Plan, (ii) that all Awards shall terminate, provided that Participants shall have the right, immediately prior to the occurrence of such Change in Control and during such reasonable period as the Committee in its sole discretion shall determine and designate, to exercise any vested Award in whole or in part, (iii) that all Awards shall terminate, provided that Participants shall be entitled to a cash payment equal to the Change in Control Price with respect to shares subject to the vested portion of the Award net of the Exercise Price thereof (if applicable), (iv) provide that, in connection with a liquidation or dissolution of ARMOUR, Awards shall convert into the right to receive liquidation proceeds net of the Exercise Price (if applicable) and (v) any combination of the foregoing. In the event that the Committee does not terminate or convert an Award upon a Change in Control of ARMOUR, then the Award shall be assumed, or substantially equivalent Awards shall be substituted, by the acquiring, or succeeding corporation (or an affiliate thereof).

12.

CHANGE IN STATUS OF PARENT OR SUBSIDIARY

Unless otherwise provided in an Award Agreement or otherwise determined by the Committee, in the event that an entity or business unit which was previously a part of the Company is no longer a part of the Company, as determined by the Committee in its sole discretion, the Committee may, in its sole and absolute discretion: (i) provide on a case by case basis that some or all outstanding Awards held by a Participant employed by or performing service for such entity or business unit may become immediately exercisable or vested, without regard to any limitation imposed pursuant to this Plan; (ii) provide on a case by case basis that some or all outstanding Awards held by a Participant employed by or performing service for such entity or business unit may remain outstanding, may continue to vest, and/or may remain exercisable for a period not exceeding one (1) year, subject to the terms of the Award Agreement and this Plan; and/or (ii) treat the employment or other services of a Participant employed by such entity or business unit as terminated if such Participant is not employed by ARMOUR or any entity that is a part of the Company immediately after such event.

13.

REQUIREMENTS OF LAW

(a)

Violations of Law. The Company shall not be required to sell or issue any shares of Common Stock under any Award if the sale or issuance of such shares would constitute a violation by the individual exercising the Award, the Participant or the Company of any provisions of any law or regulation of any governmental authority, including without limitation any provisions of the Sarbanes-Oxley Act, and any other federal or state securities laws or regulations. Any determination in this connection by the Committee shall be final, binding, and conclusive. The Company shall not be obligated to take any affirmative action in order to cause the exercise of an Award, the issuance of shares pursuant thereto or the grant of an Award to comply with any law or regulation of any governmental authority.

(b)

Registration. At the time of any exercise or receipt of any Award, the Company may, if it shall determine it necessary or desirable for any reason, require the Participant (or Participant's heirs, legatees or legal representative, as the case may be), as a condition to the exercise or grant thereof, to deliver to the Company a written representation of present intention to hold the shares for their own account as an investment and not with a view to, or for sale in connection with, the distribution of such shares, except in compliance with applicable federal and state securities laws with respect thereto. In the event such representation is required to be delivered, an appropriate legend may be placed upon each certificate delivered to the Participant (or Participant's heirs, legatees or legal representative, as the case may be) upon the Participant's exercise of part or all of the Award or receipt of an Award and a stop transfer order may be placed with the transfer agent. Each Award shall also be subject to the requirement that, if at any time the Company determines, in its discretion, that the listing, registration or qualification of the shares subject to the Award upon any securities exchange or under any state or federal law, or the consent or approval of any governmental regulatory body, is necessary or desirable as a condition of or in connection with, the issuance or purchase of the shares thereunder, the Award may not be exercised in whole or in part and the restrictions on an Award may not be removed unless such listing, registration, qualification, consent or approval shall have been effected or obtained free of any conditions not acceptable to the Company in its sole discretion. The Participant shall provide the Company with any certificates, representations and information that the Company requests and shall otherwise cooperate with the Company in

obtaining any listing, registration, qualification, consent or approval that the Company deems necessary or appropriate. The Company shall not be obligated to take any affirmative action in order to cause the exercisability or vesting of an Award, to cause the exercise of an Award or the issuance of shares pursuant thereto, or to cause the grant of Award to comply with any law or regulation of any governmental authority.

(c)

Withholding. The Committee may make such provisions and take such steps as it may deem necessary or appropriate for the withholding of the minimum amount of taxes that the Company is required by any law or regulation of any governmental authority, whether federal, state or local, domestic or foreign, to withhold in connection with the grant or exercise of an Award, or the removal of restrictions on an Award including, but not limited to: (i) the withholding of delivery of shares of Common Stock until the holder reimburses the Company for the amount the Company is required to withhold with respect to such taxes; (ii) the canceling of any number of shares of Common Stock issuable in an amount sufficient to reimburse the Company for the amount it is required to so withhold; (iii) withholding the amount due from any such person's wages or compensation due to such person; or (iv) requiring the Participant to pay the Company cash in the amount the Company is required to withhold with respect to such taxes.

(d)

Governing Law. The Plan shall be governed by, and construed and enforced in accordance with, the laws of the State of Maryland.

14.

GENERAL PROVISIONS

(a)

Award Agreements. All Awards granted pursuant to the Plan shall be evidenced by an Award Agreement. Each Award Agreement shall specify the terms and conditions of the Award granted and shall contain any additional provisions as the Committee shall deem appropriate, in its sole and absolute discretion (including, to the extent that the Committee deems appropriate, provisions relating to confidentiality, non-competition, non-solicitation and similar matters). The terms of each Award Agreement need not be identical for Eligible Individuals provided that all Award Agreements comply with the terms of the Plan.

(b)

Purchase Price. To the extent the purchase price of any Award granted hereunder is less than par value of a share of Common Stock and such purchase price is not permitted by applicable law, the per share purchase price shall be deemed to be equal to the par value of a share of Common Stock.

(c)

Dividends and Dividend Equivalents. Except as provided by the Committee in its sole and absolute discretion or as otherwise provided in Section 5 (e) and subject to Section 8(e) and 9(c) of the Plan, a Participant shall not be entitled to receive, currently or on a deferred basis, cash or stock dividends, Dividend Equivalents, or cash payments in amounts equivalent to cash or stock dividends on shares of Common Stock covered by an Award which has not vested or an Option. The Committee in its absolute and sole discretion may credit a Participant's Award with Dividend Equivalents with respect to any Awards. To the extent that dividends and distributions relating to an Award are held in escrow by the Company, or Dividend Equivalents are credited to an Award, a Participant shall not be entitled to any interest on any such amounts. The Committee may not grant Dividend Equivalents to an Award subject to performance-based vesting to the extent that the grant of such Dividend Equivalents would limit the Company's deduction of the compensation payable under such Award for federal tax purposes pursuant to Code Section 162(m).

(d)

Deferral of Awards. The Committee may from time to time establish procedures pursuant to which a Participant may elect to defer, until a time or times later than the vesting of an Award, receipt of all or a portion of the shares of Common Stock or cash subject to such Award and to receive Common Stock or cash at such later time or times, all on such terms and conditions as the Committee shall determine. The Committee shall not permit the deferral of an Award unless counsel for ARMOUR determines that such action will not result in adverse tax consequences to a Participant under Section 409A of the Code. If any such deferrals are permitted, then notwithstanding anything to the contrary herein, a Participant who elects to defer receipt of Common Stock shall not have any rights as a shareholder with respect to deferred shares of Common Stock unless and until shares of Common Stock are actually delivered to the Participant with respect thereto, except to the extent otherwise determined by the Committee.

(e)

Prospective Employees. Notwithstanding anything to the contrary, any Award granted to a Prospective Employee shall not become vested prior to the date the Prospective Employee first becomes an employee of the Company.

(f)

Issuance of Certificates; Shareholder Rights. ARMOUR shall deliver to the Participant a certificate evidencing the Participant's ownership of shares of Common Stock issued pursuant to the exercise of an Award as soon as administratively practicable after satisfaction of all conditions relating to the issuance of such shares. A Participant shall not have any of the rights of a shareholder with respect to such Common Stock prior to satisfaction of all conditions relating to the issuance of such Common Stock, and, except as expressly provided in the Plan, no adjustment shall be made for dividends, distributions or other rights of any kind for which the record date is prior to the date on which all such conditions have been satisfied.

(g)

Transferability of Awards. A Participant may not Transfer an Award other than by will or the laws of descent and distribution. Awards may be exercised during the Participant's lifetime only by the Participant. No Award shall be liable for or subject to the debts, contracts, or liabilities of any Participant, nor shall any Award be subject to legal process or attachment for or against such person. Any purported Transfer of an Award in contravention of the provisions of the Plan shall have no force or effect and shall be null and void, and the purported transferee of such Award shall not acquire any rights with respect to such Award. Notwithstanding anything to the contrary, the Committee may in its sole and absolute discretion permit the Transfer of an Award to a Participant's family member as such term is defined in the Form 8-A Registration Statement under the Securities Act of 1933, as amended, under such terms and conditions as specified by the Committee. In such case, such Award shall be exercisable only by the transferee approved of by the Committee. To the extent that the Committee permits the Transfer of an Incentive Stock Option to a family member, so that such Option fails to continue to satisfy the requirements of an incentive stock option under the Code such Option shall automatically be re-designated as a Non-Qualified Stock Option.

(h)

Buyout and Settlement Provisions. Except as prohibited in Section 6(d) of the Plan, the Committee may at any time on behalf of ARMOUR offer to buy out any Awards previously granted based on such terms and conditions as the Committee shall determine which shall be communicated to the Participants at the time such offer is made.

(i)

Use of Proceeds. The proceeds received by ARMOUR from the sale of Common Stock pursuant to Awards granted under the Plan shall constitute general funds of ARMOUR.

(j)

Modification or Substitution of an Award. Subject to the terms and conditions of the Plan, the Committee may modify outstanding Awards. Notwithstanding the following, no modification of an Award shall adversely affect any rights or obligations of the Participant under the applicable Award Agreement without the Participant's consent. The Committee in its sole and absolute discretion may rescind, modify, or waive any vesting requirements or other conditions applicable to an Award. Notwithstanding the foregoing, without the approval of the shareholders of ARMOUR in accordance with applicable law, an Award may not be modified to reduce the exercise price thereof nor may an Award at a lower price be substituted for a surrender of an Award, provided that the foregoing shall not apply to adjustments or substitutions in accordance with Section 5 or Section 12.

(k)

Amendment and Termination of Plan. The Board may, at any time and from time to time, amend, suspend or terminate the Plan as to any shares of Common Stock as to which Awards have not been granted; *provided, however*, that the approval of the shareholders of ARMOUR in accordance with applicable law and the Articles of Incorporation and Bylaws of

ARMOUR shall be required for any amendment: (i) that changes the class of individuals eligible to receive Awards under the Plan; (ii) that increases the maximum number of shares of Common Stock in the aggregate that may be subject to Awards that are granted under the Plan (except as permitted under Section 5 or Section 12 hereof); (iii) the approval of which is necessary to comply with federal or state law (including without limitation Section 162(m) of the Code and Rule 16b-3 under the Exchange Act) or with the rules of any stock exchange or automated quotation system on which the Common Stock may be listed or traded; or (iv) that proposes to eliminate a requirement provided herein that the shareholders of ARMOUR must approve an action to be undertaken under the Plan. Except as permitted under Section 5 or Section 12 hereof, no amendment, suspension or termination of the Plan shall, without the consent of the holder of an Award, alter or impair rights or obligations under any Award theretofore granted under the Plan.

Awards granted prior to the termination of the Plan may extend beyond the date the Plan is terminated and shall continue subject to the terms of the Plan as in effect on the date the Plan is terminated.

(l)

Section 409A of the Code. The Plan is intended not to provide for deferral of compensation for purposes of Section 409A of the Code, by means of complying with Section 1.409A-1(b)(4) and/or Section 1.409A-1(b)(5) of the final Treasury regulations issued under Section 409A of the Code. The provisions of the Plan shall be interpreted in a manner that satisfies the requirements of Section 1.409A-1(b)(4) and/or Section 1.409A-1(b)(5) of the final Treasury regulations issued under Section 409A of the Code and the Plan shall be operated accordingly. If any provision of the Plan or any term or condition of any Award would otherwise frustrate or conflict with this intent, the provision, term or condition will be interpreted and deemed amended so as to avoid this conflict.

In the event that following the application of the immediately preceding paragraph, any Award is subject to Section 409A of the Code, the provisions of Section 409A of the Code and the regulations issued thereunder are incorporated herein by reference to the extent necessary for any Award that is subject Section 409A of the Code to comply therewith. In such event, the provisions of the Plan shall be interpreted in a manner that satisfies the requirements of Section 409A of the Code and the related regulations, and the Plan shall be operated accordingly. If any provision of the Plan or any term or condition of any Award would otherwise frustrate or conflict with this intent, the provision, term or condition will be interpreted and deemed amended so as to avoid this conflict.

Notwithstanding any other provisions of the Plan, the Company does not guarantee to any Participant or any other person that any Award intended to be exempt from Section 409A of the Code shall be so exempt, nor that any Award intended to comply with Section 409A of the Code shall so comply, nor will the Company indemnify, defend or hold harmless any individual with respect to the tax consequences of any such failure.

(m)

Notification of 83(b) Election. If in connection with the grant of any Award, any Participant makes an election permitted under Code Section 83(b), such Participant must notify the Company in writing of such election within ten (10) days of filing such election with the Internal Revenue Service.

(n)

Detrimental Activity. All Awards shall be subject to cancellation by the Committee in accordance with the terms of this Section 14(n) if the Participant engages in any Detrimental Activity. To the extent that a Participant engages in any Detrimental Activity at any time prior to, or during the one year period after, any exercise or vesting of an Award but prior to a Change in Control, the Company shall, upon the recommendation of the Committee, in its sole and absolute discretion, be entitled to (i) immediately terminate and cancel any Awards held by the Participant that have not yet been exercised, and/or (ii) with respect to Awards of the Participant that have been previously exercised, recover from the Participant at any time within two (2) years after such exercise but prior to a Change in Control (and the Participant shall be obligated to pay over to the Company with respect to any such Award previously held by such

Participant): (A) with respect to any Options exercised, an amount equal to the excess of the Fair Market Value of the Common Stock for which any Option was exercised over the Exercise Price paid (regardless of the form by which payment was made) with respect to such Option; (B) with respect to any Award other than an Option, any shares of Common Stock granted and vested pursuant to such Award, and if such shares are not still owned by the Participant, the Fair Market Value of such shares on the date they were issued, or if later, the date all vesting restrictions were satisfied; and (C) any cash or other property (other than Common Stock) received by the Participant from the Company pursuant to an Award. Without limiting the generality of the foregoing, in the event that a Participant engages in any Detrimental Activity at any time prior to any exercise of an Award and the Company exercises its remedies pursuant to this Section 14(n) following the exercise of such Award, such exercise shall be treated as having been null and void, provided that the Company will nevertheless be entitled to recover the amounts referenced above.

(o)

Disclaimer of Rights. No provision in the Plan, any Award granted hereunder, or any Award Agreement entered into pursuant to the Plan shall be construed to confer upon any individual the right to remain in the employ of or other service with the Company or to interfere in any way with the right and authority of the Company either to increase or decrease the compensation of any individual, including any holder of an Award, at any time, or to terminate any employment or other relationship between any individual and the Company. The grant of an Award pursuant to the Plan shall not affect or limit in any way the right or power of the Company to make adjustments, reclassifications, reorganizations or changes of its capital or business structure or to merge, consolidate, dissolve or liquidate, or to sell or transfer all or any part of its business or assets.

(p)

Unfunded Status of Plan. The Plan is intended to constitute an unfunded plan for incentive and deferred compensation. With respect to any payments as to which a Participant has a fixed and vested interest but which are not yet made to such Participant by the Company, nothing contained herein shall give any such Participant any rights that are greater than those of a general creditor of the Company.

(q)

Nonexclusivity of Plan. The adoption of the Plan shall not be construed as creating any limitations upon the right and authority of the Board to adopt such other incentive compensation arrangements (which arrangements may be applicable either generally to a class or classes of individuals or specifically to a particular individual or individuals) as the Board in its sole and absolute discretion determines desirable.

(r)

Other Benefits. No Award payment under the Plan shall be deemed compensation for purposes of computing benefits under any retirement plan of the Company or any agreement between a Participant and the Company, nor affect any benefits under any other benefit plan of the Company now or subsequently in effect under which benefits are based upon a Participant's level of compensation.

(s)

Headings. The section headings in the Plan are for convenience only; they form no part of this Agreement and shall not affect its interpretation.

(t)

Pronouns. The use of any gender in the Plan shall be deemed to include all genders, and the use of the singular shall be deemed to include the plural and vice versa, wherever it appears appropriate from the context.

(u)

Successors and Assigns. The Plan shall be binding on all successors of the Company and all successors and permitted assigns of a Participant, including, but not limited to, a Participant's estate, devisee, or heir at law.

(v)

Severability. If any provision of the Plan or any Award Agreement shall be determined to be illegal or unenforceable by any court of law in any jurisdiction, the remaining provisions hereof and thereof shall be severable and enforceable in accordance with their terms, and all provisions shall remain enforceable in any other jurisdiction.

(w)

Notices. Unless otherwise provided by the Committee, any communication or notice required or permitted to be given under the Plan shall be in writing, and mailed by registered or certified mail or delivered by hand, to ARMOUR, to its principal place of business, attention: Chief Financial Officer, ARMOUR Residential REIT, Inc., and if to the holder of an Award, to the address as appearing on the records of the Company.

A-11

The Committee shall determine in its sole and absolute discretion whether Cause exists for purposes of the Plan.

Change in Control shall be deemed to occur upon:

(a)

any person as such term is used in Sections 13(d) and 14(d) of the Exchange Act (other than ARMOUR, any trustee or other fiduciary holding securities under any employee benefit plan of the Company, or any company owned, directly or indirectly, by the shareholders of ARMOUR in substantially the same proportions as their ownership of common stock of ARMOUR), is or becomes the beneficial owner (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of securities of ARMOUR representing thirty percent (30%) or more of the combined voting power of ARMOUR's then outstanding securities;

(b)

(c)

a consummation of a merger, consolidation, reorganization, or other business combination of ARMOUR with any other entity, other than a merger or consolidation which would result in the voting securities of ARMOUR outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity) more than fifty percent (50%) of the combined voting power of the voting securities of ARMOUR or such surviving entity outstanding immediately after such merger or consolidation; provided,

however, that a merger or consolidation effected to implement a recapitalization of ARMOUR (or similar transaction) in which no person acquires thirty percent (30%) or more of the combined voting power of ARMOUR's then outstanding securities shall not constitute a Change in Control; or

(d)

complete liquidation of ARMOUR or the consummation of the sale or disposition by ARMOUR of all or substantially all of ARMOUR's assets other than (x) the sale or disposition of all or substantially all of the assets of ARMOUR to a person or persons who beneficially own, directly or indirectly, at least fifty percent (50%) or more of the combined voting power of the outstanding voting securities of ARMOUR at the time of the sale or (y) pursuant to a spin-off type transaction, directly or indirectly, of such assets to the shareholders of ARMOUR.

However, to the extent that Section 409A of the Code would cause an adverse tax consequence to a Participant using the above definition, the term "Change in Control" shall have the meaning ascribed to the phrase "Change in the Ownership or Effective Control of a Corporation or in the Ownership of a Substantial Portion of the Assets of a Corporation" under Treasury Department Regulation 1.409A-3(i)(5), as revised from time to time, and in the event that such regulations are withdrawn or such phrase (or a substantially similar phrase) ceases to be defined, as determined by the Committee.

If no Committee exists, the functions of the Committee will be exercised by the Board; *provided, however*, that a Committee shall be created prior to the grant of Awards to a Covered Employee and that grants of Awards to a Covered Employee shall be made only by such Committee. Notwithstanding the foregoing, with respect to the grant of Awards to non-employee directors, the Committee shall be the Board.

may modify the definition of Fair Market Value to reflect any changes in the trading practices of any exchange or automated system sponsored by the National Association of Securities Dealers, Inc. on which the Common Stock is listed or traded. If the Common Stock is not readily traded on a national securities exchange or any system sponsored by the National Association of Securities Dealers, Inc., the Fair Market Value shall be determined in good faith by the Committee.
