Item 1.01 Entry into a Material Definitive Agreement

On September 15, 2016, ChromaDex, Inc. (“ChromaDex”), a wholly owned subsidiary of ChromaDex Corporation (the “Company”), entered into a Second Addendum to Nicotinamide Riboside Supply Agreement (the “Second Amendment”), with Thorne Research, Inc. (“Thorne”). The Second Amendment amends the NIAGEN® Supply Agreement, dated July 9, 2013, by and between ChromaDex and Thorne (the “Supply Agreement”), as amended by the Addendum to the Nicotinamide Riboside Supply Agreement, dated July 24, 2015 (the “Prior Amendment”).

Under the terms of the Supply Agreement and Prior Amendment, the Company provided its NIAGEN® product exclusively to Thorne for the direct to healthcare-practitioner channel in North America, provided Thorne met certain product launch milestones as described in the Supply Agreement, including certain minimum purchase requirements through September 30, 2016. The Prior Amendment also provided Thorne an exclusive supply of product that combined nicotinamide riboside with certain other compounds.

Pursuant to the Second Amendment, ChromaDex and Thorne agreed to the following:

- (1) The term of the Supply Agreement is extended through December 31, 2018.
- (2) Thorne retains exclusivity in the following territories if certain requirements are met, including minimum purchase requirements of approximately \$6.0 million from October 1, 2016 through December 31, 2018:
  - (a) Stand-alone nicotinamide riboside product in the licensed health care professionals channel in the United States only.
  - (b) The combination of nicotinamide riboside with certain other compounds in all channels, in the United States and Canada, with right of first refusal for other countries on the combinations.

The foregoing description of the Second Amendment is only a summary and is qualified in its entirety by reference to the Second Amendment. The Company intends to file a copy of the Second Amendment as an exhibit to its Quarterly Report on Form 10-Q for its quarter ending October 1, 2016, portions of which will be subject to a FOIA Confidential Treatment Request to the Securities and Exchange Commission pursuant to Rule 24b-2 under the Securities Exchange Act of 1934, as amended, for certain portions of the Second Amendment. The omitted material will be included in the request for confidential treatment.
