**Item 2.05 Costs Associated With Exit Or Disposal Activities.**

On February 26, 2018, H.B. Fuller Company (the “Company”) approved a restructuring plan (the “Plan”) consisting of consolidation plans, organizational changes and other actions related to the integration of the operations of Royal Adhesives with the operations of the Company. The Company acquired Royal Adhesives in October 2017. In implementing the Plan, the Company currently expects to incur costs of approximately \$20 million (\$14 million after-tax), which includes (i) cash expenditures of approximately \$12 million (\$8 million after-tax) for severance and related employee costs globally and (ii) other costs of approximately \$8 million (\$6 million after-tax) related to the optimization of production facilities, streamlining of processes and accelerated depreciation of long-lived assets. Approximately \$14 million (\$10 million after-tax) of the costs are expected to be cash costs. The Plan will be implemented beginning in the first quarter of fiscal year 2018 and is currently expected to be completed by the end of fiscal year 2020.

These costs do not include other integration-related cash costs of between approximately \$15 million to \$20 million (\$10 million to \$14 million after-tax). Accordingly, the Company will incur total costs of approximately \$35 million to \$40 million over the next three fiscal years in connection with the Royal Adhesives integration. Total after-tax cash costs will be between \$20 million and \$24 million during this period.
