the Audit Committee (unchanged); SEK 250,000 each to the other members of the Audit Committee (unchanged); SEK 200,000 each to the Chairmen of the Finance and the Remuneration Committee (previously SEK 125,000); and SEK 175,000 each to the other members of the Finance and the Remuneration Committee (previously SEK 125,000). Fees in the form of synthetic shares: The Nomination Committee proposes the Directors should be offered, on unchanged terms, the possibility to receive part of the fees in respect of their Board assignment (however, not in respect of committee work) in the form of synthetic shares. A synthetic share signifies a right to receive future payment of an amount corresponding to the market price of a share of series B in the Company on NASDAQ OMX Stockholm at the time of payment. The following principal terms and conditions shall apply. A nominated Director shall have the possibility of choosing to receive the fee in respect of his or her Board assignment, according to the following four alternatives: 25 percent in cash 75 percent in synthetic shares; 50 percent in cash 50 percent in synthetic shares; 75 percent in cash 25 percent in synthetic shares; and 100 percent in cash. The number of synthetic shares allocated to the Director shall be based on a volume weighted average of the market price of shares of series B on NASDAQ OMX Stockholm during the five trading days immediately following the publication of the Company's interim report for the first quarter of 2011. The synthetic shares are vested during the term of office, with 25 percent per quarter of the year. The synthetic shares entail a right to receive payment, following the publication of Ericsson's year-end financial statement in 2016, of a cash amount per synthetic share corresponding to the market price of shares of series B in the Company at the time of payment. Dividend in respect of shares of series B in the Company, which the General Meeting of Shareholders has resolved on during the holding period, shall be disbursed at the same time as the cash amount. Should the Director's assignment to the Board of Directors come to an end not later than during the third calendar year after the year in which the General Meeting of Shareholders resolved on allocation of the synthetic shares, payment may take place the year after the assignment came to an end. The number of synthetic shares may be subject to recalculation in the event of bonus issues, split, rights issues and similar measures, under the terms and conditions of the synthetic shares. The intention is that the Company's future commitment to pay with regard to the synthetic shares, as set out above, should be hedged by the Company, either through repurchased own shares which are sold on the market in connection with payments to the Directors or through a hedging agreement

with a bank. Due to the hedging measures, the financial difference for the Company, should all Directors receive part of their fees in the form of synthetic shares compared with the fees being paid in cash only, is assessed to be very limited

- 9.3 Chairman of the Board of Directors: The Nomination Committee proposes Leif Johansson be elected new Chairman of the Board of Directors (Michael Treschow, presently Chairman of the Board, has declined re-election). Other members of the Board of Directors: The Nomination Committee proposes re-election of Roxanne S. Austin, Sir Peter L. Bonfield, Borje Ekholm, Ulf J. Johansson, Sverker Martin-Lof, Nancy McKinstry, Anders Nyström, Carl-Henric Svanberg, Hans Vestberg and Michelangelo Volpi and election of Jacob Wallenberg as new Board member (Marcus Wallenberg has declined re-election) Mgmt For
- 9.4 Procedure on appointment of the Nomination Committee and determination of the assignment of the Committee: The Nomination Committee proposes a procedure on appointment of the Nomination Committee, in substance as follows: The Company shall have a Nomination Committee of no less than five members. One member shall be the chairman of the Board of Directors. Based on the shareholding statistics the Company receives from Euroclear Sweden AB as per the last bank day of the month in which the Annual General Meeting is held, the Nomination Committee shall, without unnecessary delay, identify the four largest shareholders by voting power of the Company. As soon as reasonably feasible, the Nomination Committee shall, in a suitable manner, contact the identified four largest shareholders and request them, within reasonable time considering the circumstances, however not exceeding 30 days, to provide in writing to the Nomination Committee the name of the person the shareholder wish to appoint member of the Nomination Committee. The chairman of the Nomination Committee shall be the member that represents the largest shareholder(s) by voting power, provided the Nomination Committee does not unanimously resolve to appoint another member, appointed by a shareholder, chairman of the Nomination Committee. In case a shareholder considers its shareholding in the Company is of such significance that it justifies a participation in the Nomination Committee, the shareholder may inform in writing the Nomination Committee thereof and in connection hereto adequately verify its shareholding. Upon receipt of such a request no later than December 31, and provided the Nomination Committee considers the reported shareholding be adequately verified, the Nomination Committee shall confirm this to the shareholder, who will then be entitled to appoint a supplemental member of the Nomination Committee. In case the Nomination Committee receives a notification Mgmt For

from a shareholder past the date of December 31, no action is required to be taken. The assignment covers to provide proposals for chairman at the Annual General Meeting; chairman of the Board of Directors and other members of the Board of Directors appointed by the Annual General Meeting; fees payable to non-employed members of the Board of Directors; and fees payable to the auditors as well as, when applicable, election of auditors. Henceforth, no remuneration shall be paid to the members of the Nomination Committee. However, the Company shall bear the reasonable expenses reasonably related to the assignment of the Nomination Committee

The guidelines proposed do not comprise any material changes compared to the principles resolved by the 2010 Annual General Meeting. 2011 Remuneration Policy: Remuneration at Ericsson is based on the principles of performance, competitiveness and fairness. These principles and good practice in Sweden guide our policy to: Attract and retain highly competent, performing and motivated people that have the ability, experience and skill to deliver on the Ericsson strategy; Encourage behavior consistent with Ericsson's culture and core values of professionalism, respect and perseverance; Ensure fairness in reward by delivering total remuneration that is appropriate but not excessive; Ensure a total compensation mix of fixed and variable remuneration and benefits that reflects the Company's principles and is competitive where Ericsson competes for talent; Encourage variable remuneration which, first, aligns employees with clear and relevant targets, second, reinforces performance and, third, enables flexible remuneration costs; Ensure that all variable remuneration plans have maximum award and vesting limits; Encourage employees to deliver sustained performance and build up a personal shareholding in Ericsson,	Mgmt	For

Group Management: For Group Management consisting of the Executive Leadership Team, including the President and CEO, in the following referred to as the "Group Management", total remuneration consists of fixed salary, short- and long-term variable remuneration, pension and other benefits. Furthermore, the following guidelines apply for Group Management: Variable remuneration is through cash and stock-based programs awarded against specific business targets derived from the long term business plan approved by the Board of Directors. Targets may include financial targets at either corporate or unit level, operational targets, employee motivation targets and customer satisfaction targets; With the current composition of Group Management, the Company's cost during 2011 for the variable remuneration of Group Management can, at a constant share price, amount to between 0 and 150 percent of the aggregate fixed salary cost, all excluding social security costs; All benefits, including pension benefits, follow the competitive practice in the home country taking total compensation into account. The retirement age is normally 60 to 65 years of age; By way of exception, additional arrangements can be made when deemed required. Such additional arrangement shall be limited in time and shall not exceed a period of 36 months and two times the remuneration that the individual concerned would have received had no additional arrangement been made; The mutual notice period may be no more than six months. Upon termination of employment by the Company, severance pay amounting to a maximum of 18 months fixed salary is paid. Notice of termination given by the employee due to significant structural changes, or other events that in a determining manner affect the content of work or the condition for the position, is equated with notice of termination served by the Company

Matching will begin at a threshold level of 5 percent CAGR and increase on a linear scale to full vesting of this third of the award at 15 percent CAGR; Up to one third of the award will be based on the cash conversion during each of the years during the performance period, calculated as cash flow from operating</p>	Mgmt	For

activities divided by net income reconciled to cash. One ninth of the total award will vest for any year, i.e. financial years 2011, 2012 and 2013, if cash conversion is at or above 70 percent. The Board of Directors considers that long-term value creation will be reflected in the success of these targets, aligning executives with long-term shareholder interests. There will be no allocation of shares if none of the threshold levels have been achieved, i.e. CAGR is less than 4 percent for net sales and less than 5 percent for operating income, and a 70 percent cash conversion has not been achieved during the performance period. The minimum matching at the threshold levels is 0. The maximum number of performance matching shares - 4 shares, 6 shares and 9 shares respectively - will be allocated if the maximum performance levels of CAGR of 10 percent for net sales and 15 percent for operating income have been achieved, or exceeded, and a cash conversion of 70 percent or more has been achieved each year during the period. Before the number of performance shares to be matched are finally determined, the Board of Directors shall examine whether the performance matching is reasonable considering the Company's financial results and position, conditions on the stock market and other circumstances, and if not, as determined by the Board of Directors, reduce the number of performance shares to be matched to the lower number of shares deemed appropriate by the Board of Directors. When undertaking its evaluation of performance outcomes the Board of Directors will consider, in particular, the impact of larger acquisitions, divestitures, the creation of joint ventures and any other significant capital event on the three targets on a case by case basis
