Item 5.02 Compensatory Arrangements of Certain Officers.

On January 2, 2013, Sensata Technologies Holding N.V. ("Sensata") announced that Martha Sullivan has assumed the role of Chief Executive Officer and a director of Sensata in a planned leadership transition that was effective January 1, 2013. Ms. Sullivan was elected by shareholders at the Annual General Meeting of Shareholders held on May 22, 2012. Ms. Sullivan, who continues to hold the title of President, succeeds Thomas Wroe, who stepped down as CEO on December 31, 2012. Mr. Wroe will remain on the Board of Directors and become Non-Executive Chairman. The CEO succession plan was first announced in April 2012.

Ms. Sullivan, age 55, has nearly 30 years of experience and joined Sensata's predecessor company, Texas Instruments, in 1984. She has held various engineering and management positions, including Vice President of Sensor products from 1997 to 2006. She was Chief Operating Officer of Sensata from 2006 to 2012 and has been President since 2010. In connection with her appointment as CEO, Sensata Technologies, Inc. ("STI"), a wholly-owned, indirect subsidiary of Sensata, entered into an amended and restated employment agreement ("the Agreement") with Ms. Sullivan. Pursuant to the terms of the Agreement, Ms. Sullivan's salary will be \$700,000 per year effective as of January 1, 2013, subject to periodic review by the Compensation Committee of Sensata's Board of Directors. If Ms. Sullivan's employment is terminated by STI without "cause" (as defined in the Agreement) or by her with "good reason" (as defined in the Agreement), Ms. Sullivan will be entitled to severance in an amount equal to two years of her then current base salary and an amount equal to the sum of the annual bonus paid to her in each of the prior two years, plus continued participation in health and dental benefit plans for two years following the date of termination. Ms. Sullivan's Agreement is attached as Exhibit 10.1 to this current report and is incorporated herein by reference.

Sensata also announced that Steven Beringhouse has been named Senior Vice President of Global Sensors, effective January 1, 2013. As previously announced Steve Major, his predecessor, retired on December 31, 2012.

In connection with his appointment as Senior Vice President of Global Sensors, STI entered into an employment agreement with Mr. Beringhouse. Pursuant to the terms of the employment agreement, Mr. Beringhouse's salary will be \$350,000 per year effective as of January 1, 2013, subject to periodic review by the Compensation Committee of Sensata's Board of Directors. If Mr. Beringhouse's employment is terminated by STI without "cause" (as defined in the employment agreement) or by him with "good reason" (as defined in the employment agreement), Mr. Beringhouse will be entitled to severance in an amount equal to one year of his then current base salary and an amount equal to the average of the annual bonus paid to him in the prior two years, plus continued participation in health and dental benefit plans for one year following the date of termination. Mr. Beringhouse's employment agreement is attached as Exhibit 10.2 to this current report and is incorporated herein by reference.

A press release dated January 2, 2013 announcing the above appointments is attached as Exhibit 99.1 to this current report and is incorporated herein by reference.
