Item 1.01 Entry into a Material Definitive Agreement.

On March 21, 2018, Hemispherx, Biopharma, Inc. (the “Company”) entered into a Securities Purchase Agreement (the “Purchase Agreement”) with an investor (the “Investor”) for the sale by the Company of an aggregate of 1,250,000 shares (the “Common Shares”) of the Company’s common stock, par value \$0.001 per share (the “Common Stock”), at a purchase price of \$0.40 per share. The closing of the sales of these securities under the Purchase Agreement is expected to take place on or about March 26, 2018, subject to the satisfaction of customary closing conditions.

The Company estimates that the net proceeds from the transactions will be approximately \$465,000 after deducting certain fees due to the placement agent and the Company’s estimated transaction expenses. The net proceeds received by the Company from the transactions will be used for working capital and general corporate purposes.

The Common Shares were offered and sold by the Company pursuant to an effective shelf registration statement on Form S-3, which was initially filed with the Securities and Exchange Commission (the “SEC”) on June 25, 2015 and subsequently declared effective on August 4, 2015 (File No. 333-205228) (the “Registration Statement”), and the base prospectus dated as of August 4, 2015 contained therein. The Company is filing a prospectus supplement with the SEC contemporaneously herewith in connection with the sale of the Common Shares.

The representations, warranties and covenants contained in the Purchase Agreement were made solely for the benefit of the parties to the Purchase Agreement. The placement agent is a third party beneficiary of the representations and warranties in the Purchase Agreement. In addition, such representations, warranties and covenants (i) are intended as a way of allocating the risk between the parties to the Purchase Agreement and not as statements of fact, and (ii) may apply standards of materiality in a way that is different from what may be viewed as material by stockholders of, or other investors in, the Company. Accordingly, the form of Purchase Agreement is included with this filing only to provide investors with information regarding the terms of transaction, and not to provide investors with any other factual information regarding the Company. Stockholders should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of the Company or any of its subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Purchase Agreement, which subsequent information may or may not be fully reflected in public disclosures.

The Company also entered into an engagement letter (the “Engagement Letter”) with Ascendant Capital Markets LLC (“Ascendant”), pursuant to which Ascendant agreed to serve as a non-exclusive placement agent for the issuance and sale of the Common Shares. The Company has agreed to pay Ascendant an aggregate fee equal to 5% of the gross proceeds received by the Company from the sale of the securities in the transaction.
