Item 1.01 Entry into a Material Definitive Agreement.

On December 28, 2018, CACI, Inc. – Federal, a wholly-owned subsidiary of CACI International Inc (the “Company”), and certain of its subsidiaries (the “Sellers”) entered into a Master Accounts Receivable Purchase Agreement (the “Purchase Agreement”), among the Sellers, the Company, MUFG Bank, Ltd., as administrative agent (the “Agent”), and certain purchasers party thereto.

The Purchase Agreement establishes a committed, one-year facility (the “Facility”) that provides for up to \$200 million (the “Facility Limit”) in funding based on the availability of eligible receivables and the satisfaction of certain conditions. The Facility Limit may be reduced or increased from time to time pursuant to the terms of the Purchase Agreement. In connection with the Facility, the Company entered into a Performance Undertaking (the “Performance Undertaking”) in favor of the Agent that guarantees the obligations of the Sellers under the Purchase Agreement.

Under the Facility, the Sellers will sell certain designated eligible receivables, including both receivables that have already been billed under an invoice and also certain unbilled receivables arising from contracts where the Sellers have performed work under a “cost plus fixed fee,” “time and materials,” or “cost plus award or incentive fee” contract, although the Sellers will not be permitted to sell unbilled receivables related to any award or incentive fees under such contracts. The structured transaction results in the continuous non-recourse true sale of the purchased eligible receivables.

The Company expects to use the proceeds from receivables sales under the Facility for general corporate purposes.

The description of the Facility contained herein is qualified in its entirety by the terms of the Purchase Agreement and the Performance Undertaking, which are filed as Exhibit 10.1 and Exhibit 10.2 hereto, respectively, and incorporated herein by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant
